CHAPTER 103.**AN ACT ENACTING THE INTERSTATE AGREEMENT ON
QUALIFICATION OF EDUCATIONAL PERSONNEL.**

Be it Enacted by the Senate and House of Representatives in General Court convened:

103:1 New Chapter. Amend RSA by inserting after chapter 200-D (supp) the following new chapter:

Chapter 200-E**Interstate Agreement on Qualification of Educational Personnel.**

200-E:1 Agreement. The Interstate Agreement on Qualification of Educational Personnel is hereby enacted into law and entered into with all jurisdiction legally joining therein, in the form substantially as follows:

Article I**Purpose, Findings, and Policy**

1. The States party to this Agreement, desiring by common action to improve their respective school systems by utilizing the teacher or other professional educational person wherever educated, declare that it is the policy of each of them, on the basis of cooperation with one another, to take advantage of the preparation and experience of such persons wherever gained, thereby serving the best interests of society, of education, and of the teaching profession. It is the purpose of this Agreement to provide for the development and execution of such programs of cooperation as will facilitate the movement of teachers and other professional educational personnel among the States party to it, and to authorize specific interstate educational personnel contracts to achieve that end.

2. The party States find that included in the large movement of population among all sections of the nation are many qualified educational personnel who move for family and other personal reasons but who are hindered in using their professional skill and experience in their new locations. Variations from State to State in requirements for qualifying educational personnel discourage such personnel from taking the steps necessary to qualify in other States. As a consequence, a significant number of professionally prepared and experienced educators is lost to our school systems. Facilitating the employment of qualified educational personnel, without reference to their States of origin, can increase the available educational resources. Participation in this Compact can increase the availability of educational manpower.

Article II

Definitions

As used in this Agreement and contracts made pursuant to it, unless the context clearly requires otherwise:

1. "Educational personnel" means persons who must meet requirements pursuant to State law as a condition of employment in educational programs.

2. "Designated State official" means the education official of a State selected by that State to negotiate and enter into, on behalf of his State, contracts pursuant to this Agreement.

3. "Accept", or any variant thereof, means to recognize and give effect to one or more determinations of another State relating to the qualifications of educational personnel in lieu of making or requiring a like determination that would otherwise be required by or pursuant to the laws of a receiving State.

4. "State" means a State, territory, or possession of the United States; the District of Columbia; or the Commonwealth of Puerto Rico.

5. "Originating State" means a State (and the subdivision thereof, if any) whose determination that certain educational personnel are qualified to be employed for specific duties in schools is acceptable in accordance with the terms of a contract made pursuant to Article III.

6. "Receiving State" means a State (and the subdivisions thereof) which accept educational personnel in accordance with the terms of a contract made pursuant to Article III.

Article III

Interstate Educational Personnel Contracts

1. The designated State official of a party State may make one or more contracts on behalf of his State with one or more other party States providing for the acceptance of educational personnel. Any such contract for the period of its duration shall be applicable to and binding on the States whose designated state officials enter into it, and the subdivisions of those States, with the same force and effect as if incorporated in this Agreement. A designated state official may enter into a contract pursuant to this Article only with States in which he finds that there are programs of education,

certification standards or other acceptable qualifications that assure preparation or qualification of educational personnel on a basis sufficiently comparable, even though not identical to that prevailing in his own State.

2. Any such contract shall provide for:

(a) Its duration.

(b) The criteria to be applied by an originating State in qualifying educational personnel for acceptance by a receiving State.

(c) Such waivers, substitutions, and conditional acceptances as shall aid the practical effectuation of the contract without sacrifice of basic educational standards.

(d) Any other necessary matters.

3. No contract made pursuant to this Agreement shall be for a term longer than five years but any such contract may be renewed for like or lesser periods.

4. Any contract dealing with acceptance of educational personnel on the basis of their having completed an educational program shall specify the earliest date or dates on which originating state approval of the program or programs involved can have occurred. No contract made pursuant to this Agreement shall require acceptance by a receiving State of any persons qualified because of successful completion of a program prior to January 1, 1954.

5. The certification or other acceptance of a person who has been accepted pursuant to the terms of a contract shall not be revoked or otherwise impaired because the contract has expired or been terminated. However, any certificate or other qualifying document may be revoked or suspended on any ground which would be sufficient for revocation or suspension of a certificate or other qualifying document initially granted or approved in the receiving State.

6. A contract committee composed of the designated state officials of the contracting States or their representatives shall keep the contract under continuous review, study means of improving its administration, and report no less frequently than once a year to the heads of the appropriate education agencies of the contracting States.

Article IV

Approved and Accepted Programs

1. Nothing in this Agreement shall be construed to repeal or otherwise modify any law or regulation of a party State relating to the approval of programs of educational preparation having effect solely on the qualification of educational personnel within that State.

2. To the extent that contracts made pursuant to this Agreement deal with the educational requirements for the proper qualification of educational personnel, acceptance of a program of educational preparation shall be in accordance with such procedures and requirements as may be provided in the applicable contract.

Article V

Interstate Cooperation

The party States agree that:

1. They will, so far as practicable, prefer the making of multi-lateral contracts pursuant to Article III of this Agreement.
2. They will facilitate and strengthen cooperation in interstate certification and other elements of educational personnel qualification and for this purpose shall cooperate with agencies, organizations, and associations interested in certification and other elements of educational personnel qualification.

Article VI

Agreement Evaluation

The designated state officials of any party States may meet from time to time as a group to evaluate progress under the Agreement, and to formulate recommendations for changes.

Article VII

Other Arrangements

Nothing in this Agreement shall be construed to prevent or inhibit other arrangements or practices of any party State or States to facilitate the interchange of educational personnel.

Article VIII

Effect and Withdrawal

1. This Agreement shall become effective when enacted into law by two States. Thereafter it shall become effective as to any State upon its enactment of this Agreement.
2. Any party State may withdraw from this Agreement by enacting a statute repealing the same, but no such withdrawal shall take effect until one year after the Governor of the withdrawing State has given notice in writing of the withdrawal to the Governors of all other party States.
3. No withdrawal shall relieve the withdrawing State of any obligation imposed upon it by a contract to which it is a party. The duration of contracts and the methods and conditions of withdrawal therefrom shall be those specified in their terms.

Article IX

Construction and Severability

This Agreement shall be liberally construed so as to effectuate the purposes thereof. The provisions of this Agreement shall be severable and if any phrase, clause, sentence, or provision of this Agreement is declared to be contrary to the constitution of any State or of the United States, or the application thereof to any Government, agency, person, or circumstance is held invalid, the validity of the remainder of this Agreement and the applicability thereof to any Government, agency, person, or circumstance shall not be affected thereby. If this Agreement shall be held contrary to the

constitution of any State participating therein, the Agreement shall remain in full force and effect as to the State affected as to all severable matters.

200-E:2 Designated State Official. The "designated State official" for this State shall be the commissioner of education. The commissioner shall enter into contracts pursuant to Article III of the Agreement only with the approval of the specific text thereof by the state board of education.

200-E:3 Filing of Contracts. True copies of all contracts made on behalf of this State pursuant to the Agreement shall be kept on file in the department of education and in the office of the Secretary of State. The department of education shall publish all such contracts in convenient form.

103:2 Effective Date. This act shall take effect sixty days after its passage.

294-A:2 Professional Individuals and Groups May Incorporate. An individual or group of individuals each of whom is licensed or otherwise legally authorized to render the same kind of professional service within this state may organize and become a shareholder or shareholders of a professional association. The act of dispensing a drug contrary to the provisions of this paragraph shall be deemed to be an act which results in a drug being misbranded while held for sale. (2) Any drug dispensed by filling or refilling a written or oral prescription of a practitioner licensed by law to administer such drug shall be exempt from the requirements of RSA 146:6 paragraphs I, IX, XIII, and XIV, and the packaging requirements of paragraphs VII and VIII, if the drug bears a label containing the name and address of the dispenser, the serial number and date of the prescription or of its filling, the name of the prescriber and, if stated in the prescription, the name of the patient, and the directions for use and the cautionary statements, if any, contained in such prescription. A drug to which paragraph XI (1) of this section does not apply shall be deemed to be misbranded if at any time prior to dispensing its label bears the caution statement quoted in the preceding sentence. (2) The director may, by regulation, remove drugs subject to section IV from the requirements of paragraph XI (1) of this section when such requirements are not necessary for the protection of the public health. Drugs removed from the prescription requirements of the federal act by regulations issued thereunder may also, by regulations issued by the director, be removed from the requirements of paragraph XI (1). The creation of such a section or joint agency shall not affect the privileges, powers, responsibilities or duties of the states participating therein as embodied in the other articles of this compact.

Article VII. Mutual Aid

A. As used in this Article:

1. "Emergency" means an occurrence or condition, temporary in nature, in which the state police department of a party state is, or may reasonably be expected to be, unable to cope with substantial and imminent danger to the public safety, and in which the cooperation of or aid from local police forces within the state is, or may reasonably be expected to be insufficient. Also "emergency" shall mean a situation in which an investigation of an aspect of organized crime, or events connected with organized crime require augmentation, for a limited time, of the investigative personnel of the state police department from without the state.

2. "Requesting state" means the state whose state police department requests assistance in coping with an emergency.

3. "Responding state" means the state furnishing aid, or requested to furnish aid, pursuant to this Article.

B. themselves under the operational control of the administrative head of the state police department of the requesting state.

C. The administrative head of the state police department of any party state, in his discretion, may withhold or recall the police forces of his state or any part or any member thereof, serving without its borders.

D. Whenever any of the state police forces of any party state are engaged outside their own state in carrying out the purposes of this compact, the individual members so engaged shall have the same powers, duties, rights, privileges and immunities as members of the state police department of the state in which they are engaged, but in any event, a requesting state shall save harmless any member of a responding state police department serving within its borders for any act or acts done by him in the performance of his duty while engaged in carrying out the purposes of this compact.

E. All liability that may arise under the laws of the requesting state or under the laws of the responding state or under the laws of a third state on account of or in connection with a request for aid, shall be assumed and borne by the requesting state.

F. Any responding state rendering aid pursuant to this compact shall be reimbursed by the requesting state for any loss or damage to, or expense incurred in the operation of any equipment answering a request for aid, and for the cost of materials, transportation and maintenance of state police personnel and equipment incurred in connection with such request: provided, that nothing herein contained shall prevent any responding state from assuming such loss, damage, expenses or other cost.

G. Each party state shall provide, in the same amounts and manner as if they were on duty within their state, for the pay and allowances of the personnel of its state police department while engaged without the state pursuant to this compact and while going to and returning from such duty pursuant to this compact.

Numbers of major crimes shall be as reported in the most recent annual "Uniform Crime Report" compiled by the Federal Bureau of Investigation of the United States Department of Justice, or by any agency which may assume responsibility for such compilation in the place of such bureau. C. The conference shall not pledge the credit of any party state. The conference may meet any of its obligations in whole or in part with funds available to it under Article III J of this compact, provided that the conference takes specific action setting aside such funds prior to incurring any obligation to be met in whole or in part in such manner. Except where the conference makes use of funds available to it under Article III J hereof, the conference shall not incur any obligation prior to the allotment of funds by the party states adequate to meet the same.

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the Constitution of any state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. F. Approval by State Boards. After the hearings a copy of the proposed articles of agreement, as revised, signed by a majority of the planning

committee, shall be submitted by it to each state board. The state boards may if they find that the articles of agreement are in accord with the standards set forth in this compact and in accordance with sound educational policy, approve the same as submitted, or refer them back to the planning committee for further study. The planning committee may make additional revisions to the proposed articles of agreement to conform to the recommendations of the state boards. Further hearings on the proposed articles of agreement shall not be required unless ordered by the state boards in their discretion. In exercising such discretion, the state boards shall take into account whether or not the additional revisions are so substantial in nature as to require further presentation to the public. If both state boards find that the articles of agreement as further revised are in accord with the standards set forth in this compact and in accordance with sound educational policy, they shall approve the same. After approval by both state boards, each state board shall cause the articles of agreement to be submitted to the school boards of the several member districts in each state for acceptance by the member districts as provided in paragraph G. At the same time, each state board shall designate the form of warrant, date, time, place, and period of voting for the special meeting of the member district to be held in accordance with the paragraph G.

G. Adoption by Member Districts. Upon receipt of written notice from the state board in its state of the approval of the articles of agreement by both state boards, the school board of each member district shall cause the articles of agreement to be filed with the member district clerk. Within ten days after receipt of such notice, the school board shall issue its warrant for a special meeting of the member district, the warrant to be in the form, and the meeting to be held at the time and place and in the manner prescribed by the state board. No approval of the superior court shall be required for such special school district meeting in New Hampshire. Voting shall be with the use of a check-list by a ballot substantially in the following form:

"Shall the school district accept the provisions of the New Hampshire-Maine Interstate School Compact providing for the establishment of an interstate school district, together with the school districts of and, etc., in accordance with the proposed articles of agreement filed with the school district (town, city or incorporated school district) clerk?"

Yes ()

No ()

If the articles of agreement included the nomination of individual school directors, those nominated from each member district shall be included in the ballot and voted upon, such election to become effective upon the formation of an interstate school district.

If a majority of the voters present and voting in a member district vote in the affirmative, the clerk for such member district shall forthwith send to the state board in its state a certified copy of the warrant, certificate of posting, and minutes of the meeting of the district. If the state boards of both states find that a majority of the voters present and voting in each member district have voted in favor of the establishment of the interstate school district, they shall issue a joint certificate to that effect; and such

certificate shall be conclusive evidence of the lawful organization and formation of the interstate school district as of its date of issuance.

H. Resubmission. If the proposed articles of agreement are adopted by one or more of the member districts but rejected by one or more of the member districts, the state boards may resubmit them, in the same form as previously submitted, to the rejecting member districts, in which case the school boards thereof shall resubmit them to the voters in accordance with paragraph G. An affirmative vote in accordance therewith shall have the same effect as though the articles of agreement had been adopted in the first instance. In the alternative, the state boards may either discharge the planning committee, or refer the articles of agreement back for further consideration to the same or a reconstituted planning committee, which shall have all the powers and duties as the planning committee as originally constituted.

Article IV

District Meetings

A. General. Votes of the district shall be taken at a duly warned meeting held at any place in the district, at which all of the eligible legal voters of the member districts shall be entitled to vote, except as otherwise provided with respect to the election of directors.

B. Eligibility of Voters. Any resident who would be eligible to vote at a meeting of a member district being held at the same time shall be eligible to vote at a meeting of the interstate district. The town clerks in each Maine member district and the supervisors of the checklist of each New Hampshire district shall respectively prepare a checklist of eligible voters for each meeting of the interstate district in the same manner, and they shall have all the same powers and duties with respect to eligibility of voters in their districts as for a meeting of a member district.

C. Warning of Meetings. A meeting shall be warned by a warrant addressed to the residents of the interstate school district qualified to vote in district affairs, stating the time and place of the meeting and the subject matter of the business to be acted upon. The warrant shall be signed by the clerk and by a majority of the directors. Upon written application of ten or more voters in the district, presented to the directors or to one of them, at least twenty-five days before the day prescribed for an annual meeting, the directors shall insert in their warrant for such meeting any subject matter specified in such application.

D. Posting and Publication of Warrant. The directors shall cause an attested copy of the warrant to be posted at the place of meeting, and a like copy at a public place in each member district at least twenty days, not counting the date of posting and the date of meeting, before the date of the meeting. In addition, the directors shall cause the warrant to be advertised in a newspaper of general circulation on at least one occasion, such publication to occur at least ten days, not counting the date of publication and not counting the date of the meeting, before the date of the meeting. Although no further notice shall be required, the directors may give such further notice of the meeting as they in their discretion deem appropriate under the circumstances.

E. Return of Warrant. The warrant with a certificate thereon, verified by oath, stating the time and place when and where copies of the warrant were posted and published, shall be given to the clerk of the interstate school district at or before the time of the meeting, and shall be recorded by him in the records of the interstate school district.

F. Organization Meeting. The commissioners, acting jointly, shall fix a time and place for a special meeting of the qualified voters within the interstate school district for the purpose of organization, and shall prepare and issue the warrant for the meeting after consultation with the interstate school district planning board and the members-elect, if any, of the interstate school board of directors. Such meeting shall be held within sixty days after the date of issuance of the certificate of formation, unless the time is further extended by the joint action of the state boards. At the organization meeting the commissioner of education of the state where the meeting is held, or his designate, shall preside in the first instance, and the following business shall be transacted:

a. A temporary moderator and a temporary clerk shall be elected from among the qualified voters who shall serve until a moderator and clerk respectively have been elected and qualified.

b. A moderator, clerk, a treasurer and three auditors shall be elected to serve until the next annual meeting and thereafter until their successors

are elected and qualified. Unless previously elected, a board of school directors shall be elected to serve until their successors are elected and qualified.

c. The date for the annual meeting shall be established.

d. Provision shall be made for the payment of any organizational or other expense incurred on behalf of the district before the organization meeting, including the cost of architects, surveyors, contractors, attorneys, and educational or other consultants or experts.

e. Any other business, the subject matter of which has been included in the warrant, and which the voters would have had power to transact at any annual meeting.

G. Annual Meetings. An annual meeting of the district shall be held between January 15th and June 1st of each year at such time as the interstate district may by vote determine. Once determined, the date of the annual meeting shall remain fixed until changed by vote of the interstate district at a subsequent annual or special meeting. At each annual meeting the following business shall be transacted:

a. Necessary officers shall be elected.

b. Money shall be appropriated for the support of the interstate district schools for the fiscal year beginning the following July 1st.

c. Such other business as may properly come before the meeting.

H. Special Meetings. A special meeting of the district shall be held whenever, in the opinion of the directors, there is occasion therefor, or whenever written application shall have been made by five per cent or more of the voters based on the checklists as prepared for the last preceding meeting, setting forth the subject matter upon which such action is desired. A special meeting may appropriate money without compliance with RSA 33:8 or RSA 197:3 which would otherwise require the approval of the New Hampshire superior court.

I. Certification of Records. The clerk of an interstate school district shall have the power to certify the record of the votes adopted at an interstate school district meeting to the respective commissioners and state boards and, where required, for filing with a secretary of state.

J. Method of Voting at School District Meetings. Voting at meetings of interstate school districts shall take place as follows:

a. School directors. A separate ballot shall be prepared for each member district, listing the candidates for interstate school director to represent such member district; and any candidates for interstate school director at large; and the voters of each member district shall register on a separate ballot their choice for the office of school director or directors. In the alternative, the articles of agreement may provide for the election of school directors by one or more of the member districts at an election otherwise held for the choice of school or other municipal officers.

b. Other votes. Except as otherwise provided in the articles of agreement of this compact, with respect to all other votes, the voters of the interstate school district shall vote as one body irrespective of the member districts in which they are resident, and a simple majority of those present and voting at any duly warned meeting shall carry the vote. Voting for

officers to be elected at any meeting, other than school directors, shall be by ballot or voice, as the interstate district may determine, either in its articles of agreement or by a vote of the meeting.

Article V

Officers

A. Officers; General. The officers of an interstate school district shall be a board of school directors, a chairman of the board, a vice-chairman of the board, a secretary of the board, a moderator, a clerk, a treasurer and three auditors. Except as otherwise specifically provided, they shall be eligible to take office immediately following their election; they shall serve until the next annual meeting of the interstate district and until their successors are elected and qualified. Each shall take oath for the faithful performance of his duties before the moderator, or a notary public or a justice of the peace of the state in which the oath is administered. Their compensation shall be fixed by vote of the district. No person shall be eligible to any district office unless he is a voter in the district. A custodian, school teacher, principal, superintendent or other employee of an interstate district acting as such shall not be eligible to hold office as a school director.

B. Board of Directors.

a. How chosen. Each member district shall be represented by at least one resident on the board of school directors of an interstate school district. A member district shall be entitled to such further representation on the interstate board of school directors as provided in the articles of agreement as amended from time to time. The articles of agreement as amended from time to time may provide for school directors at large, as set forth. No person shall be disqualified to serve as a member of an interstate board because he is at the same time a member of the school board of a member district.

b. Term. Interstate school directors shall be elected for terms in accordance with the articles of agreement.

c. Duties of Board of Directors. The board of school directors of an interstate school district shall have and exercise all of the powers of the district not reserved herein to the voters of the district.

d. Organization. The clerk of the district shall warn a meeting of the board of school directors to be held within ten days following the date of the annual meeting, for the purpose of organizing the board, including the election of its officers.

C. Chairman of the Board. The chairman of the board of interstate school directors shall be elected by the interstate board from among its members at its first meeting following the annual meeting. The chairman shall preside at the meetings of the board and shall perform such other duties as the board may assign to him.

D. Vice-chairman of the board of directors. The vice-chairman of the interstate board shall be elected in the same manner as the chairman. He shall represent a member district in a state other than that represented by the chairman. He shall preside in the absence of the chairman and shall perform such other duties as may be assigned to him by the interstate board.

E. Secretary of the Board. The secretary of the interstate board shall be elected in the same manner as the chairman. Instead of electing one of its members, the interstate board may appoint the interstate district clerk to serve as secretary of the board in addition to his other duties. The secretary of the interstate board, or the interstate district clerk, if so appointed, shall keep the minutes of its meetings, shall certify its records, and perform such other duties as may be assigned to him by the board.

F. Moderator. The moderator shall preside at the district meetings, regulate the business thereof, decide questions of order, and make a public declaration of every vote passed. He may prescribe rules of procedure; but such rules may be altered by the district. He may administer oaths to district officers in either state.

G. Clerk. The clerk shall keep a true record of all proceedings at each district meeting, shall certify its records, shall make an attested copy of any records of the district for any person upon request and tender of reasonable fees therefor, if so appointed, shall serve as secretary of the board of school directors, and shall perform such other duties as may be required by custom or law.

H. Treasurer. The treasurer shall have custody of all of the monies belonging to the district and shall pay out the same only upon the order of the interstate board. He shall keep a fair and accurate account of all sums received into and paid from the interstate district treasury, and at the close of each fiscal year he shall make a report to the interstate district, giving a particular account of all receipts and payments during the year. He shall furnish to the interstate directors, statements from his books and submit his books and vouchers to them and to the district auditors for examination whenever so requested. He shall make all returns called for by laws relating to school districts. Before entering on his duties, the treasurer shall give a bond with sufficient sureties and in such sum as the directors may require. The treasurer's term of office is from July 1st to the following June 30th.

I. Auditors. At the organization meeting of the district, three auditors shall be chosen, one to serve for a term of one year, one to serve for a term of two years and one to serve for a term of three years. After the expiration of each original term, the successor shall be chosen for a three year term. At least one auditor shall be a resident of Maine, and one auditor shall be a resident of New Hampshire. An interstate district may vote to employ a certified public accountant to assist the auditors in the performance of their duties. The auditors shall carefully examine the accounts of the treasurer and the directors at the close of each fiscal year, and at such other times whenever necessary, and report to the district whether the same are correctly cast and properly vouched.

J. Superintendent. The superintendent of schools shall be selected by a majority vote of the board of school directors of the interstate district with the approval of both commissioners.

K. Vacancies. Any vacancy among the elected officers of the district shall be filled by the interstate board until the next annual meeting of the district or other election, when a successor shall be elected to serve out the remainder of the unexpired term, if any. Until all vacancies on the interstate board are filled, the remaining members shall have full power to act.

Article VI

Appropriation and Apportionment of Funds

A. Budget. Before each annual meeting, the interstate board shall prepare a report of expenditures for the preceding fiscal year, an estimate of expenditures for the current fiscal year, and a budget for the succeeding fiscal year.

B. Appropriation. The interstate board of directors shall present the budget report at the annual meeting. The interstate district shall appropriate a sum of money for the support of its schools and for the discharge of its obligations for the ensuing fiscal year.

C. Apportionment of Appropriation. Subject to the provisions of article VII, the interstate board shall first apply against such appropriation any income to which the interstate district is entitled, and shall then apportion the balance among the member districts in accordance with one of the following formulas as determined by the articles of agreement as amended from time to time.

a. All of such balance to be apportioned on the basis of the ratio that the fair market value of the taxable property in each member district bears to that of the entire interstate district; or

b. All of such balance to be apportioned on the basis that the average daily resident membership for the preceding fiscal year of each member district bears to that of the average daily resident membership of the entire interstate school district; or

c. A formula based on any combination of the foregoing factors. The term "fair market value of taxable property" shall mean the last locally assessed valuation of a member district in New Hampshire, as last equalized by the New Hampshire state tax commission. The term "fair market value of taxable property" shall mean the equalized grand list of a Maine member district, as determined by the Maine Bureau of Taxation. Such assessed valuation and grand list may be further adjusted by elimination of certain types of taxable property from one or the other or otherwise, in accordance with the articles of agreement, in order that the fair market value of taxable property in each state shall be comparable. "Average daily resident membership" of the interstate district in the first instance shall be the sum of the average daily resident membership of the member districts in the grades involved for the preceding fiscal year where no students were enrolled in the interstate district schools for such preceding fiscal year.

D. Share of New Hampshire Member District. The interstate board shall certify the share of a New Hampshire member district of the total appropriation to the school board of each member district which shall add such sum to the amount appropriated by the member district itself for the ensuing year and raise such sum in the same manner as though the appropriation had been voted at a school district meeting of the member district. The interstate district shall not set up its own capital reserve funds; but a New Hampshire member district may set up a capital reserve fund in accordance with RSA 35, to be turned over to the interstate district in payment of the New Hampshire member district's share of any anticipated obligations.

E. Share of Maine Member District. The interstate board shall certify the share of a Maine member district of the total appropriation to the school board of each member district which shall add such sum to the amount appropriated by the member district itself for the ensuing year and raise such sum in the same manner as though the appropriation had been voted at a school district meeting of the member district.

Article VII

Borrowing

A. Interstate District Indebtedness. Indebtedness of an interstate district shall be a general obligation of the district and shall be a joint and several general obligation of each member district, except that such obligations of the district and its member districts shall not be deemed indebtedness of any member district for the purposes of determining its borrowing capacity under Maine or New Hampshire law. A member district which withdraws from an interstate district shall remain liable for indebtedness of the interstate district which is outstanding at the time of withdrawal and shall be responsible for paying its share of such indebtedness to the same extent as though it had not withdrawn.

B. Temporary Borrowing. The interstate board may authorize the borrowing of money by the interstate district (1) in anticipation of payments of operating and capital expenses by the member districts to the interstate district and (2) in anticipation of the issue of bonds or notes of the interstate district which have been authorized for the purpose of financing capital projects. Such temporary borrowing shall be evidence by interest bearing or discounted notes of the interstate district. The amount of notes issued in any fiscal year in anticipation of expense payments shall not exceed the amount of such payments received by the interstate district in the preceding fiscal year. Notes issued under this paragraph shall be payable within one year in the case of notes under clause (1) and three years in the case of notes under clause (2) from their respective dates, but the principal of and interest on notes issued for a shorter period may be renewed or paid from time to time by the issue of other notes, provided that the period from the date of an original note to the maturity of any note issued to renew or pay the same debt shall not exceed the maximum period permitted for the original loan.

C. Borrowing for Capital Projects. An interstate district may incur debt and issue its bonds or notes to finance capital projects. Such projects may consist of the acquisition or improvement of land and buildings for school purposes, the construction, reconstruction, alteration or enlargement of school buildings and related school facilities, the acquisition of equipment of a lasting character and the payment of judgments. No interstate district may authorize indebtedness in excess of ten per cent of the total fair market value of taxable property in its member districts as defined in article VI. The primary obligation of the interstate district to pay indebtedness of member districts shall not be considered indebtedness of the interstate district for the purpose of determining its borrowing capacity under this section. Bonds or notes issued under this section shall mature in equal or diminishing installments of principal payable at least annually commencing

no later than two years and ending not later than thirty years after their dates.

D. Authorization. An interstate district shall authorize the incurring of debts to finance capital projects by a majority vote of the district passed at an annual or special district meeting. Such vote shall be taken by secret ballot after full opportunity for debate, and any such vote shall be subject to reconsideration and further action by the district at the same meeting or at an adjourned session thereof.

E. Sale of Bonds and Notes. Bonds and notes which have been authorized under this article may be issued from time to time and shall be sold at not less than par and accrued interest at public or private sale by the chairman of the school board and by the treasurer. Interstate district bonds and notes shall be signed by the said officers, except that either one of the two required signatures may be a facsimile. Subject to this compact and the authorizing vote, they shall be in such form, bear such rates of interest and mature at such times as the said officers may determine. Bonds shall, but notes need not, bear the seal of the interstate district, or a facsimile of such seal. Any bonds or notes of the interstate district which are properly executed by the said officers shall be valid and binding according to their terms notwithstanding that before the delivery thereof such officers may have ceased to be officers of the interstate district.

F. Proceeds of Bonds. Any accrued interest received upon delivery of bonds or notes of an interstate district shall be applied to the payment of the first interest which becomes due thereon. The other proceeds of the sale of such bonds or notes, other than temporary notes, including any premiums, may be temporarily invested by the interstate district pending their expenditure; and such proceeds, including any income derived from the temporary investment of such proceeds, shall be used to pay the costs of issuing and marketing the bonds or notes and to meet the operating expenses or capital expenses in accordance with the purposes for which the bonds or notes were issued or, by proceedings taken in the manner required for the authorization of such debt, for other purposes for which such debt could be incurred. No purchaser of any bonds or notes of an interstate district shall be responsible in any way to see to the application of the proceeds thereof.

G. State Aid Programs. As used in this section the term "initial aid" shall include New Hampshire and Maine financial assistance with respect to a capital project, or the means of financing a capital project, which is available in connection with construction costs of a capital project or which is available at the time indebtedness is incurred to finance the project. Without limiting the generality of the foregoing definition, initial aid shall specifically include a New Hampshire state guarantee under RSA 195-B with respect to bonds or notes and Maine construction aid under section 3457. As used in this section the term "long-term aid" shall include New Hampshire and Maine financial assistance which is payable periodically in relation to capital costs incurred by an interstate district. Without limiting the generality of the foregoing definition, long-term aid shall specifically include New Hampshire school building aid under RSA 198 and Maine school building aid under section 3457. For the purpose of applying for,

receiving and expending initial aid and long-term aid an interstate district shall be deemed a native school district by each state, subject to the following provisions. When an interstate district has appropriated money for a capital project, the amount appropriated shall be divided into a Maine share and a New Hampshire share in accordance with the capital expense apportionment formula in the articles of agreement as though the total amount appropriated for the project was a capital expense requiring apportionment in the year the appropriation is made. New Hampshire initial aid shall be available with respect to the amount of the New Hampshire share as though it were authorized indebtedness of a New Hampshire cooperative school district. In the case of a state guarantee of interstate district bonds or notes under RSA 195-B, the interstate district shall be eligible to apply for and receive an unconditional state guarantee with respect to an amount of its bonds or notes which does not exceed fifty per cent of the amount of the New Hampshire share as determined above. Maine aid shall be available with respect to the amount of the Maine share as though it were funds voted by a Maine school district. Payments of Maine aid shall be made to the interstate district, and the amount of any borrowing authorized to meet the appropriation for the capital project shall be reduced accordingly. New Hampshire and Maine long-term aid shall be payable to the interstate district. The amounts of long-term aid in each year shall be based on the New Hampshire and Maine shares of the amount of indebtedness of the interstate district which is payable in that year and which has been apportioned in accordance with the capital expense apportionment formula in the articles of agreement. The New Hampshire aid shall be payable at the rate of forty-five per cent if there are three or less New Hampshire members in the interstate district, and otherwise it shall be payable as though the New Hampshire members were a New Hampshire cooperative school district. New Hampshire and Maine long-term aid shall be deducted from the total capital expenses for the fiscal year in which the long-term aid is payable, and the balance of such expenses shall be apportioned among the member districts. Notwithstanding the foregoing provisions, New Hampshire and Maine may at any time change their state school aid programs that are in existence when this compact takes effect and may establish new programs, and any legislation for these purposes may specify how such programs shall be applied with respect to interstate districts.

H. Tax Exemption. Bonds and notes of an interstate school district shall be exempt from local property taxes in both states, and the interest or discount thereon and any profit derived from the disposition thereof shall be exempt from personal income taxes in both states.

Article VIII

Taking Over of Existing Property

A. Power to acquire property of member district. The articles of agreement, or an amendment thereof, may provide for the acquisition by an interstate district from a member district of all or a part of its existing plant and equipment.

B. Valuation. The articles of agreement, or the amendment, shall provide for the determination of the value of the property to be acquired in one or more of the following ways:

a. A valuation set forth in the articles of agreement or the amendment.

b. By appraisal, in which case, one appraiser shall be appointed by each commissioner, and a third appraiser appointed by the first two appraisers.

C. Reimbursement to Member District. The articles of agreement shall specify the method by which the member district shall be reimbursed by the interstate district for the property taken over, in one or more of the following ways:

a. By one lump sum, appropriated, allocated and raised by the interstate district in the same manner as an appropriation for operating expenses.

b. In installments over a period of not more than twenty years, each of which is appropriated, allocated and raised by the interstate district in the same manner as an appropriation for operating expenses.

c. By an agreement to assume or reimburse the member district for all principal and interest on any outstanding indebtedness originally incurred by the member district to finance the acquisition and improvement of the property, each such installment to be appropriated, allocated and raised by the interstate district in the same manner as an appropriation for operating expenses.

The member district transferring the property shall have the same obligation to pay to the interstate district its share of the cost of such acquisition, but may offset its right to reimbursement.

Article IX

Amendments to Articles of Agreement

A. Amendments to the articles of agreement may be adopted in the same manner provided for the adoption of the original articles of agreement, except that:

a. Unless the amendment calls for the addition of a new member district, the functions of the planning committee shall be carried out by the interstate district board of directors.

b. If the amendment proposes the addition of a new member district, the planning committee shall consist of all the members of the interstate board and all of the members of the school board of the proposed new member district or districts. In such case the amendment shall be submitted to the voters at an interstate district meeting, at which an affirmative vote of two-thirds of those present and voting shall be required. The articles of agreement together with the proposed amendment shall be submitted to the voters of the proposed new member district at a meeting thereof, at which a simple majority of those present and voting shall be required.

c. In all cases an amendment may be adopted on the part of an interstate district upon the affirmative vote of voters thereof at a meeting voting as one body. Except where the amendment proposes the admission of a new member district, a simple majority of those present and voting shall be required for adoption.

d. No amendment to the articles of agreement may impair the rights

of bond or note holders or the power of the interstate district to procure the means for their payment.

Article X

Applicability of New Hampshire Laws

A. General School Laws. With respect to the operation and maintenance of any school of the district located in New Hampshire, New Hampshire law shall apply except as otherwise provided in this compact and except that the powers and duties of the school board shall be exercised and discharged by the interstate board and the powers and duties of the union superintendent shall be exercised and discharged by the interstate district superintendent.

B. New Hampshire State Aid. A New Hampshire school district shall be entitled to receive an amount of state aid for operating expenditures as though its share of the interstate district's expenses were the expenses of the New Hampshire member district, and as though the New Hampshire member district pupils attending the interstate school were attending a New Hampshire cooperative school district's school. The state aid shall be paid to the New Hampshire member school district to reduce the sums which would otherwise be required to be raised by taxation within the member district.

C. Continued Existence of New Hampshire Member School District. A New Hampshire member school district shall continue in existence, and shall have all of the powers and be subject to all of the obligations imposed by law and not herein delegated to the interstate district. If the interstate district incorporates only a part of the schools in the member school district, then the school board of the member school district shall continue in existence and it shall have all of the powers and be subject to all of the obligations imposed by law on it and not herein delegated to the district. However, if all of the schools in the member school district are incorporated into the interstate school district, then the member or members of the interstate board representing the member district shall have all of the powers and be subject to all of the obligations imposed by law on the members of a school board for the member district and not herein delegated to the interstate district. The New Hampshire member school district shall remain liable on its existing indebtedness; and the interstate school district shall not become liable therefor, unless the indebtedness is specifically assumed in accordance with the articles of agreement. Any trust funds or capital reserve funds and any property not taken over by the interstate district shall be retained by the New Hampshire member district and held or disposed of according to law. If all of the schools in a member district are incorporated into an interstate district, then no annual meeting of the member district shall be required unless the members of the interstate board from the member district shall determine that there is occasion for such an annual meeting.

D. Suit and Service of Process in New Hampshire. The courts of New Hampshire shall have the same jurisdiction over the district as though a New Hampshire member district were a party instead of the interstate district. The service necessary to institute suit in New Hampshire shall be

made on the district by leaving a copy of the writ or other proceedings in hand or at the last and usual place of abode of one of the directors who resides in New Hampshire, and by mailing a like copy to the clerk and to one other director by certified mail with return receipt requested.

E. Employment. Each employee of an interstate district assigned to a school located in New Hampshire shall be considered an employee of a New Hampshire school district for the purpose of the New Hampshire teachers retirement system, the New Hampshire state employees retirement system, the New Hampshire workmen's compensation law and any other law relating to the regulation of employment or the provision of benefits for employees of New Hampshire school districts except as follows:

a. A teacher in a New Hampshire member district may elect to remain a member of the New Hampshire retirement system, even though assigned to teach in an interstate school in Maine.

b. Employees of interstate districts designated as professional or instructional staff members, as defined in article I, may elect to participate in the teachers retirement system of either the State of New Hampshire or the State of Maine but in no case will they participate in both retirement systems simultaneously.

c. It shall be the duty of the superintendent in an interstate district to:

(1) advise teachers and other professional staff employees contracted for the district about the terms of the contract and the policies and procedures of the retirement systems;

(2) See that each teacher or professional staff employee selects the retirement system of his choice at the time his contract is signed;

(3) provide the commissioners of education in New Hampshire and in Maine with the names and other pertinent information regarding each staff member under his jurisdiction so that each may be enrolled in the retirement system of his preference.

Article XI

Applicability of Maine Laws

A. General School Laws. With respect to the operation and maintenance of any school of the district located in Maine, the provisions of Maine law shall apply except as otherwise provided in this compact and except that the powers and duties of the school board shall be exercised and discharged by the interstate board and the powers and duties of the superintendent shall be exercised and discharged by the interstate district superintendent.

B. Maine State Aid. A Maine school district shall be entitled to receive such amount of state aid for operating expenditures as though its share of the interstate district's expenses were the expenses of the Maine member district, and as though the Maine member district pupils attending the interstate schools were attending a Maine unit. Such state aid shall be paid to the Maine member school district to reduce the sums which would otherwise be required to be raised by taxation within the member district.

C. Continued Existence of Maine School Districts. A Maine school

district shall continue in existence, and shall have all of the powers and be subject to all of the obligations imposed by law and not herein delegated to the interstate district. If the interstate district incorporates only a part of the schools in the member school district, then the school board of the member school districts shall continue in existence and it shall have all of the powers and be subject to all of the obligations imposed by law on it and not herein delegated to the district. However, if all of the schools in the member school district are incorporated into the interstate school district, then the member or members of the interstate board representing the member district shall have all of the powers and be subject to all of the obligations imposed by law on the members of a school board for the member district and not herein delegated to the interstate district. The Maine member school district shall remain liable on its existing indebtedness; and the interstate school district shall not become liable therefor. Any trust funds and any property not taken over shall be retained by the Maine member school district and held or disposed of according to law.

D. Suit and Service of Process in Maine. The courts of Maine shall have the same jurisdiction over the districts as though a Maine member district were a party instead of the interstate district. The service necessary to institute suit in Maine shall be made on the district by leaving a copy of the writ or other proceedings in hand or at the last and usual place of abode of one of the directors who resides in Maine, and by mailing a like copy to the clerk and to one other director by certified mail with return receipt requested.

E. Employment. Each employee of an interstate district assigned to a school located in Maine shall be considered an employee of a Maine school district for the purpose of the state retirement system, the Maine workmen's compensation law, and any other laws relating to the regulation of employment or the provision of benefits for employees of Maine school districts except as follows:

a. A teacher in a Maine member district may elect to remain a member of the state retirement system of Maine, even though assigned to teach in an interstate school in New Hampshire.

b. Employees of interstate districts designated as professional or instructional staff members, as defined in article I, may elect to participate in the state retirement system of the State of Maine or the teachers retirement system of the State of New Hampshire but in no case will they participate in both retirement systems simultaneously.

c. It shall be the duty of the superintendent in an interstate district to:

(1) advise teachers and other professional staff employees contracted for the district about the terms of the contract and the policies and procedures of the retirement system;

(2) see that each teacher or professional staff employee selects the retirement system of his choice at the time his contract is signed;

(3) provide the commissioners of education in New Hampshire and in Maine with the names and other pertinent information regarding each staff member under his jurisdiction so that each may be enrolled in the retirement system of his preference.

G. Administrative Agreement Between Commissioners of Education. The commissioners of education of New Hampshire and Maine may enter into one or more administrative agreements prescribing the relationship between the interstate districts, member districts, and each of the two state departments of education, in which any conflicts between the two states in procedure, regulations, and administrative practices may be resolved.

H. Amendments. Neither state shall amend its legislation or any agreement authorized thereby without the consent of the other in such manner as to substantially adversely affect the rights of the other state or its people hereunder, or as to substantially impair the rights of the holders of any bonds or notes or other evidences of indebtedness then outstanding or the rights of an interstate school district to procure the means for payment thereof. Subject to the foregoing, any reference herein to other statutes of either state shall refer to such statute as it may be amended or revised from time to time.

I. Separability. If any of the provisions of this compact, or legislation enabling the same, shall be held invalid or unconstitutional in relation to any of the applications thereof, such invalidity or unconstitutionality shall not affect other applications thereof or other provisions thereof; and to this end the provisions of this compact are declared to be severable.

J. Inconsistency of Language. The validity of this compact shall not be affected by any insubstantial differences in its form or language as adopted by the two states.

Such regulations may provide against such scattered or premature subdivision of land as would involve danger or injury to health, safety, or prosperity by reason of the lack of water supply, drainage, transportation, or other public services, or necessitate an excessive expenditure of public funds for the supply of such services. Such regulations may provide for the harmonious development of the municipality and its environs; for the proper arrangement and co-ordination of streets within subdivisions in relation to other existing or planned streets or with features of the official map of the municipality; for open spaces of adequate proportions and for suitably located streets of sufficient width to accommodate existing and prospective traffic and to afford adequate light, air, and access of fire-fighting apparatus and equipment to buildings, and be co-ordinated so as to compose a convenient system. The regulations of the board may require in proper cases that plats showing new streets or narrowing or widening thereof submitted to it for approval shall show a park or parks suitably located for playground or other recreational purposes; they may require that proposed parks shall be of reasonable size for neighborhood playgrounds or other recreation uses, and that the land indicated on plats submitted shall be of such character that it can be used for building purposes without danger to health; they may prescribe minimum areas of lots so as to assure conformance with local zoning ordinances and to assure such additional area as may be needed for each lot for on site sanitary facilities and generally may include provisions which will tend to create conditions favorable to health, safety, convenience, or prosperity.

CHAPTER 260.

AN ACT REGULATING UNAUTHORIZED AND UNLICENSED INSURANCE COMPANIES.

Be it Enacted by the Senate and House of Representatives in General Court convened:

260:1 Purpose. Amend RSA 406-B:1, as inserted by 1967, 237:1, by striking out in line fifteen after the word "insurers" the word "and" and by inserting in line sixteen after the word "state" the following (and to protect the premium tax revenues of this state) so that said section as amended shall read as follows: **406-B:1 Purpose.** The purpose of this chapter is to subject certain persons and insurers to the jurisdiction of the commissioner, of proceedings before the commissioner, and of the courts of this state in suits by or on behalf of the state and insureds or beneficiaries under insurance contracts. The legislature declares that it is a subject of concern that many residents of this state hold policies of insurance issued by persons and insurers not authorized to do business in this state, thus presenting to such residents the often insuperable obstacle of asserting their legal rights under such policies in forums foreign to them under laws and rules of practice with which they are not familiar. The legislature declares that it is also concerned with the protection of residents of this state against acts by persons and insurers not authorized to do an insurance business in this state by the maintenance of fair and honest insurance markets, by protecting authorized persons and insurers, which are subject to strict regulation, from unfair competition by unauthorized persons and insurers by protecting against the evasion of the insurance regulatory laws of this state and to protect the premium tax revenues of this state. In furtherance of such state interest, the legislature herein provides methods for substituted service of process upon such persons or insurers in any proceeding, suit or action in any court and substitute service of any notice, order, pleading or process upon such persons or insurers in any proceeding before the commissioner to enforce or effect full compliance with the insurance and tax

statutes of this state, and declares in so doing it exercises its power to protect residents of this state and to define what constitutes doing an insurance business in this state, and also exercises powers and privileges available to this state by virtue of P.L. 79-15 (1945), (chapter 20, 1st sess., S. 340), 59 Stat. 33, as amended, which declares that the business of insurance and every person engaged therein shall be subject to the laws of the several states.

260:2 Definition of Insurance Business. Amend RSA 406-B:2, I, as inserted by 1967, 237:1 by striking out in lines one through eight the words "Any of the following acts in this state effected by mail or otherwise is defined to be doing an insurance business in this state, except as otherwise excluded from the operation of this chapter by sub-paragraph II (c) hereof. Unless otherwise indicated, the term "insurer" as used in this chapter includes all corporations, associations, partnerships, and individuals engaged as principals in the business of insurance and also includes inter-insurance exchanges and mutual benefit societies. The word "commissioner" shall mean the insurance commissioner." and inserting in place thereof the following (Any of the following acts in this state effected by mail or otherwise by or on behalf of an unauthorized insurer is deemed to constitute the transaction or doing of an insurance business in this state. The venue of an act committed by mail is at the point where the matter transmitted by mail is delivered and takes effect. Unless otherwise indicated, the term "insurer" as used in this section includes all corporations, associations, partnerships and individuals, engaged as principals in the business of insurance and also includes interinsurance exchanges and mutual benefit societies. The word "commissioner" shall mean the insurance commissioner) and by inserting in line twenty-two, after the word "insurance" the following (or renewals thereof) so that said paragraph as amended shall read as follows: I. Any of the following acts in this state effected by mail or otherwise by or on behalf of an unauthorized insurer is deemed to constitute the transaction or doing of an insurance business in this state. The venue of an act committed by mail is at the point where the matter transmitted by mail is delivered and takes effect. Unless otherwise indicated, the term "insurer" as used in this section includes all corporations, associations, partnerships and individuals, engaged as principals in the business of insurance and also includes interinsurance exchanges and mutual benefit societies. The word "commissioner" shall mean the insurance commissioner.

(a) The making of or proposing to make, as an insurer, an insurance contract.

(b) The making of or proposing to make, as guarantor or surety, any contract of guaranty or suretyship as a vocation and not merely incidental to any other legitimate business or activity of the guarantor or surety.

(c) The taking or receiving of any application for insurance.

(d) The receiving or collection of any premium, commission, membership fees, assessments, dues or other consideration for any insurance or any part thereof.

(e) The issuance or delivery of contracts of insurance to residents of this state or to persons authorized to do business in this state.

(f) Directly or indirectly acting as an agent for or otherwise represent-

CHAPTER 272.

AN ACT RELATIVE TO THE REHABILITATION AND LIQUIDATION OF INSURERS.

Be it Enacted by the Senate and House of Representatives in General Court convened:

272:1 New Chapter. Amend RSA by inserting after chapter 402-B (supp) as inserted by 1969, 218:1 the following new chapter:

Chapter 402-C

Insurers Rehabilitation and Liquidation

402-C:1 Title, Construction and Purpose.

I. Short Title. This chapter may be cited as the "Insurers Rehabilitation and Liquidation Act."

II. Construction: No Limitation of Powers. This chapter shall not be interpreted to limit the powers granted the commissioner by other provisions of the law.

III. Liberal Construction. This chapter shall be liberally construed to effect the purpose stated in paragraph IV.

IV. Purpose. The purpose of this chapter is the protection of the interests of insureds, creditors, and the public generally, with minimum interference with the normal prerogatives of proprietors, through:

(a) Early detection of any potentially dangerous condition in an insurer, and prompt application of appropriate corrective measures, neither unduly harsh nor subject to the kind of publicity that would needlessly damage or destroy the insurer;

(b) Improved methods for rehabilitating insurers, by enlisting the advice and management expertise of the insurance industry;

(c) Enhanced efficiency and economy of liquidation, through clarification and specification of the law, to minimize legal uncertainty and litigation;

(d) Equitable apportionment of any unavoidable loss;

(e) Lessening the problems of interstate rehabilitation and liquidation by facilitating co-operation between states in the liquidation process, and

by extension of the scope of personal jurisdiction over debtors of the insurer outside this state; and

(f) Regulation of the insurance business by the impact of the law relating to delinquency procedures and substantive rules on the entire insurance business.

402-C:2 Persons Covered. The proceedings authorized by this chapter may be applied to:

I. All insurers who are doing, or have done, an insurance business in this state, and against whom claims arising from that business may exist now or in the future;

II. All insurers who purport to do an insurance business in this state;

III. All insurers who have insureds resident in this state;

IV. All other persons organized or in the process of organizing with the intent to do an insurance business in this state; and

V. All hospital and medical service plans as defined in RSA 419 and RSA 420 and all fraternal benefit and mutual benefit societies as defined in RSA 418.

402-C:3 Definitions. For the purposes of this chapter:

I. "Commissioner" means the commissioner of insurance or equivalent insurance supervisory official.

II. "Receiver" means receiver, liquidator, rehabilitator or conservator, as the context requires.

III. "Insurer" means any person who is doing, has done, purports to do or is licensed to do an insurance business and is or has been subject to the authority of, or to liquidation, rehabilitation, reorganization or conservation by, a commissioner. For purposes of this chapter, all other persons included under this section shall be deemed to be insurers.

IV. "Delinquency proceeding" means any proceeding commenced against an insurer for the purpose of liquidating, rehabilitating, reorganizing or conserving such insurer, and any summary proceeding under sections 11 to 14.

V. "State" means any state of the United States and the Panama Canal Zone.

VI. "Foreign country" means territory not in any state.

VII. "Domiciliary state" means the state in which an insurer is incorporated or organized or, in the case of an alien insurer, the state in which the insurer has, at the commencement of delinquency proceedings, the largest amount of its assets held in trust and on deposit for the benefit of policyholders and creditors in the United States.

VIII. "Ancillary state" means any state other than a domiciliary state.

IX. "Reciprocal state" means any state other than this state in which in substance and effect paragraph I of section 21, paragraphs I and II of section 54 and sections 55, 57, and 60 are in force, and in which provisions are in force requiring that the commissioner be the receiver of a delinquent

insurer, and in which some provision exists for the avoidance of fraudulent conveyances and preferential transfers.

X. "General assets" means all property, real, personal or otherwise, not specifically mortgaged, pledged, deposited or otherwise encumbered for the security or benefit of specified persons or limited classes of persons, and as to specifically encumbered property the term includes all such property or its proceeds in excess of the amount necessary to discharge the sums secured thereby. Assets held in trust and on deposit for the security or benefit of all policyholders or all policyholders and creditors, in more than a single state, shall be treated as general assets.

XI. "Preferred claim" means any claim with respect to which the law accords priority of payment from the general assets of the insurer.

XII. "Special deposit claim" means any claim secured by a deposit made pursuant to law for the security or benefit of one or more limited classes of persons, but not including any claim secured by general assets.

XIII. "Secured claim" means any claim secured by mortgage, trust deed, pledge, deposit as security, escrow or otherwise, but not including special deposit claims or claims against general assets. The term also includes claims which have become liens upon specific assets by reason of judicial process, except where they have been invalidated.

XIV. "Insolvency" means:

(a) For an insurer organized as a town or county mutual, the inability to pay any loss within thirty days after the due date specified in the first assessment notice issued after the date of the loss, or any other uncontested debt as it becomes due.

(b) For any other insurer, that it is unable to pay its debts or meet its obligations as they mature or that its assets do not exceed its liabilities plus the greater of 1.) any capital and surplus required by law to be constantly maintained, or 2.) its authorized and issued capital stock. For purposes of this subsection, "assets" includes one-half of the maximum total assessment liability of the policyholders of the insurer, and "liabilities" includes reserves required by law. For policies issued on the basis of unlimited assessment liability, the maximum total liability, for purposes of determining solvency only, shall be deemed to be that amount that could be obtained if there were one hundred percent collection of an assessment at the rate of ten mills.

XV. "Fair consideration" is given for property or an obligation:

(a) When in exchange for such property or obligation, as a fair equivalent therefor, and in good faith, property is conveyed or services are rendered or obligation is incurred or an antecedent debt is satisfied; or

(b) When such property or obligation is received in good faith to secure a present advance or antecedent debt in amount not disproportionately small as compared to the value of the property or obligation obtained.

XVI. "Creditor" is a person having any claim, whether matured or unmatured, liquidated or unliquidated, secured or unsecured, absolute, fixed or contingent.

XVII. "Transfer" includes the sale and every other method, direct or indirect, of disposing of or of parting with property or with an interest therein or with the possession thereof or of fixing a lien upon property or upon an interest therein, absolutely or conditionally, voluntarily or involuntarily, by or without judicial proceedings. The retention of a security title to property delivered to a debtor shall be deemed a transfer suffered by the debtor.

XVIII. "Doing business" has the meaning designated in RSA 406-B:2. 402-C:4 Jurisdiction and Venue.

I. Actions by Commissioner. Except as provided in paragraph II of this section and paragraph I of section 24, no delinquency proceeding shall be commenced under this chapter by anyone other than the commissioner of this state and no court shall have jurisdiction to entertain, hear or determine any proceeding commenced by any other person.

II. Actions by Judgment Creditors.

(a) The judgment creditors of three or more unrelated judgments may commence proceedings under the conditions and in the manner prescribed in this subsection, by serving notice upon the commissioner and the insurer of intention to file a petition for liquidation under sections 20 or 53. Each of the judgments must:

(1) Have been rendered against the insurer by a court in this state having jurisdiction over the subject matter and the insurer;

(2) Have been entered more than sixty days before the service of notice;

(3) Not have been paid in full;

(4) Not be the subject of a valid contract between the insurer and any judgment creditor for payment of the judgment, unless the contract has been breached by the insurer; and

(5) Not be a judgment on which an appeal or review is pending.

(b) If any one of the judgments in favor of a petitioning creditor remains unpaid for thirty days after service of the notice, and the commissioner has not then filed a petition for liquidation, the creditor may file in the name of the commissioner a verified petition for liquidation of the insurer under sections 20 or 53 alleging the conditions stated in this subsection. The commissioner shall be served and joined in the action.

III. Exclusiveness of Proceedings. No court of this state shall have jurisdiction to entertain, hear or determine any complaint praying for the dissolution, liquidation, rehabilitation, sequestration, conservation or receivership of any insurer, or praying for an injunction or restraining order or other relief preliminary to, incidental to or relating to such proceedings other than in accordance with this chapter.

IV. Change of Venue. Venue for proceedings arising under this chapter shall be laid initially as specified in the sections providing for such proceedings. All other actions and proceedings initiated by the receiver may be commenced and tried where the delinquency proceedings are then pending or Merrimack county superior court. All other actions and proceedings against the receiver shall be commenced and tried in the county

where the delinquency proceedings are pending. At any time upon motion of any party, venue may be changed by order of the court or the presiding judge thereof to any other superior court in this state, as the convenience of the parties and witnesses and the ends of justice may require. This subsection relates only to venue and is not jurisdictional.

V. Personal Jurisdiction, Grounds For. In addition to other grounds for jurisdiction provided by the law of this state, a court of this state having jurisdiction of the subject matter has jurisdiction over a person served in an action brought by the receiver of a domestic insurer or an alien insurer domiciled in this state:

(a) If the person served is obligated to the insurer in any way as an incident to any agency or brokerage arrangement that may exist or has existed between the insurer and the agent or broker, in any action on or incident to the obligation;

(b) If the person served is a reinsurer who has at any time written a policy of reinsurance for an insurer against which a rehabilitation or liquidation order is in effect when the action is commenced, or is an agent or broker of or for the reinsurer, in any action on or incident to the reinsurance contract; or

(c) If the person served is or has been an officer, manager, trustee, organizer, promoter or person in a position of comparable authority or influence in an insurer against which a rehabilitation or liquidation order is in effect when the action is commenced, in any action resulting from the relationship with the insurer.

VI. Forum Non Conveniens. If the court on motion of any party finds that any action commenced under paragraph V should as a matter of substantial justice be tried in a forum outside this state, the court may enter an order to stay further proceedings on the action in this state.

402-C:5 Injunctions and Orders.

I. Injunctions in this State. Any receiver appointed in a proceeding under this chapter may at any time apply for and any court of general jurisdiction in this state may grant, such restraining orders, temporary and permanent injunctions, and other orders as are deemed necessary and proper to prevent:

- (a) The transaction of further business;
- (b) The transfer of property;
- (c) Interference with the receiver or with the proceedings;
- (d) Waste of the insurer's assets;
- (e) Dissipation and transfer of bank accounts;
- (f) The institution or further prosecution of any actions or proceedings;
- (g) The obtaining of preferences, judgments, attachments, garnishments or liens against the insurer or its assets;
- (h) The levying of execution against the insurer or its assets;
- (i) The making of any sale or deed for nonpayment of taxes or assessments that would lessen the value of the assets of the insurer;

(j) The withholding from the receiver of books, accounts, documents or other records relating to the business of the insurer; or

(k) Any other threatened or contemplated action that might lessen the value of the insurer's assets or prejudice the rights of policyholders, creditors or shareholders, or the administration of the proceeding.

II. Injunctions Elsewhere. The receiver may apply to any court outside of this state for the relief described in paragraph I.

402-C:6 Costs and Expenses of Litigation. In any proceeding under this chapter, the court may award such costs and other expenses of litigation as justice requires, without regard to the limitations otherwise prescribed by law. If costs and expenses are taxed against the commissioner, they shall be paid from the fund created by RSA 402:56-a.

402-C:7 Co-operation of Officers and Employees.

I. Duty to Co-operate. Any officer, manager, trustee or general agent of any insurer and any other person with executive authority over or in charge of any segment of the insurer's affairs shall co-operate with the commissioner in any proceeding under this chapter or any investigation preliminary or incidental to the proceeding. "To co-operate" includes, but is not limited to the following:

(a) To reply promptly in writing to any inquiry from the commissioner requesting such a reply; and

(b) To make available and deliver to the commissioner any books, accounts, documents or other records, or information or property of or pertaining to the insurer and in his possession, custody or control.

II. Duty Not to Obstruct. No person shall obstruct or interfere with the commissioner in the conduct of any delinquency proceeding or any investigation preliminary or incidental thereto.

III. Right to Defend. This section shall not render it illegal to resist by legal proceedings the petition for liquidation or other delinquency proceedings, or other orders.

IV. Sanction. Any person included within paragraph I who fails to co-operate with the commissioner, or any person who obstructs or interferes with the commissioner in the conduct of any delinquency proceedings or any investigation preliminary or incidental thereto, may be fined not more than five thousand dollars or imprisoned not more than one year, or both.

402-C:8 Bonds. In any proceeding under this chapter the commissioner and his deputies shall be responsible on their official bonds for the faithful performance of their duties. If the court deems it desirable for the protection of the assets, it may at any time require an additional bond from the commissioner or his deputies.

402-C:9 Commissioner's Reports.

I. General Report of Proceedings. The commissioner shall include in his annual report:

(a) Formal Proceedings. The names of the insurers proceeded against under sections 15, 20, 24, 52, 53, and 55 and such other facts as indicate in reasonable detail his formal proceedings under this chapter; and

(b) **Informal Proceedings.** Such facts as generally indicate the utilization and effectiveness of proceedings under sections 11, 12 and 13.

II. Special Reports.

(a) **Causes of Delinquency.** The commissioner shall include in his annual report, not later than the second annual report following the initiation of any formal proceedings under this chapter, a detailed analysis of the basic causes and the contributing factors making the initiation of formal proceedings necessary, and shall make recommendations for remedial legislation. For this purpose the commissioner may appoint a special assistant qualified in insurance, finance and accounting to conduct the study and prepare the analysis, and may determine his compensation, which shall be paid from the fund created under RSA 402:56-a.

(b) **Final Study.** The commissioner shall include in his annual report, not later than the second annual report following discharge of the receiver, a detailed study of the delinquency proceeding for each insurer subjected to a formal proceeding, with an analysis of the problems faced and their solutions. He shall also suggest alternative solutions, as well as other material of interest, for the purpose of assisting and guiding liquidators or rehabilitators in the future. For this purpose the commissioner may appoint a special assistant qualified to conduct the study and prepare the analysis, and may determine his compensation, which shall be paid from the fund created under RSA 402:56-a.

III. **Reports on Insurers Subject to Proceedings.** The commissioner as receiver shall make and file annual reports and any other required reports for the companies proceeded against under sections 15, 20, 24, 52, 53 and 55 in the manner and form and within the time required by law of insurers authorized to do business in this state, and under the same penalties for failure to do so.

402-C:10 Continuation of Delinquency Proceedings. Every proceeding commenced before the effective date of this chapter is deemed to have commenced under this chapter for the purpose of conducting the proceeding thereafter, except that in the discretion of the commissioner the proceeding may be continued, in whole or in part, as it would have been continued had this chapter not been enacted.

Summary Proceedings

402-C:11 Commissioner's Summary Orders.

I. **Summary Order After Hearing.** Whenever the commissioner has reasonable cause to believe, and determines after a hearing held as prescribed in paragraph III, that any insurer has committed or engaged in, or is committing or engaging in or is about to commit or engage in any act, practice or transaction that would subject it to formal delinquency proceedings under this chapter, he may make and serve upon the insurer and any other persons involved, such orders other than seizure orders under sections 12 and 13 as are reasonably necessary to correct, eliminate or remedy such conduct, condition or ground. If the order is for a restoration of or addition to capital, it may be carried out as provided in RSA 403.

II. **Summary Order Before Hearing.** If the conditions of paragraph

I are satisfied, and if it appears to the commissioner that irreparable harm to the property or business of the insurer or to the interest of its policyholders, creditors or the public may occur unless he issues with immediate effect the orders described in paragraph I he may make and serve such orders without notice and before hearing, simultaneously serving upon the insurer notice of hearing under paragraph III.

III. Service, Notice, Hearing. The notice of hearing under paragraphs I or II and the summary order issued under paragraphs I or II shall be reasonably calculated to fairly and reasonably notify the recipient of the time and place of hearing, and the conduct, condition or ground upon which the commissioner would base his order; the notice of hearing under paragraph II shall state the time and place of hearing. Unless mutually agreed between the commissioner and the insurer, the hearing shall occur not less than ten days nor more than thirty days after notice is served and shall be either in Concord or in some other place convenient to the parties to be designated by the commissioner.

IV. Judicial Relief. If the commissioner issues a summary order before hearing under paragraph II, the insurer may at any time waive the commissioner's hearing and apply for immediate judicial relief by means of any remedy afforded by law without first exhausting administrative remedies. Subsequent to a hearing the insurer or any person whose interests are substantially affected shall be entitled to judicial review of any order issued by the commissioner.

V. Sanction. If any person has violated any order issued under this section which as to him was then still in effect, he shall be liable to forfeit a sum not to exceed ten thousand dollars. The penalty shall be imposed and collected in an action brought by the attorney general and shall be paid into the state treasury.

VI. Enforcement by Injunction. The commissioner may apply for and any superior court may grant, such restraining orders, temporary and permanent injunctions and other orders as are deemed necessary to enforce a summary order.

402-C:12 Court's Seizure Order.

I. Issuance. Upon the filing by the commissioner in any superior court in this state of a verified petition alleging any ground that would justify a court order for a formal delinquency proceeding against an insurer under this chapter and that the interests of policyholders, creditors or the public will be endangered by delay, and setting out the order deemed necessary by the commissioner, the court shall issue forthwith, ex parte and without a hearing, the requested order which may a) direct the commissioner to take possession and control of all or a part of the property, books, accounts, documents and other records of an insurer and of the premises occupied by it for the transaction of its business, and b) until further order of the court, enjoin the insurer and its officers, managers, agents, and employees from disposition of its property and from transaction of its business except with the written consent of the commissioner.

II. Duration. The court shall specify in the order what its duration shall be, which shall be such time as the court deems necessary for the com-

missioner to ascertain the condition of the insurer. On motion of either party or on its own motion, the court may hold such hearings as it deems desirable after such notice as it deems appropriate, and may extend, shorten or modify the terms of the seizure order. The court shall vacate the seizure order if the commissioner fails to commence a formal proceeding under this chapter after having had a reasonable opportunity to do so. The issuance of an order of the court pursuant to a formal proceeding under this chapter vacates the seizure order.

III. Anticipatory Breach. Entry of a seizure order under this section shall not constitute an anticipatory breach of any contract of the insurer.

402-C:13 Commissioner's Seizure Order.

I. Issuance. If it appears to the commissioner that the interests of creditors, policyholders or the public will be endangered by the delay incident to asking for a court seizure order, then on any ground that would justify a court seizure order under section 12 without notice and without applying to the court, he may issue a seizure order which must contain a verified statement of the grounds of his action. As directed by the seizure order, the commissioner's representatives shall forthwith take possession and control of all or part of the property, books, accounts, documents and other records of the insurer, and of the premises occupied by the insurer for the transaction of its business. The commissioner shall retain possession and control until the order is vacated or is replaced by an order of the court pursuant to a proceeding commenced under paragraph II or a formal proceeding under this chapter.

II. Judicial Review. At any time after seizure under paragraph I, the insurer may apply to the superior court for Merrimack county or for the county in which the insurer's principal office is located. The court shall thereupon order the commissioner to appear forthwith and shall proceed thereafter as if the order were a court seizure order issued under section 12.

III. Duty to Assist Commissioner. Every law enforcement officer shall assist the commissioner in making and enforcing any such seizure, and every sheriff's and police department shall furnish with such deputies, patrolmen or officers as are necessary to assist him.

IV. Anticipatory Breach. Entry of a seizure order under this section shall not constitute an anticipatory breach of any contract of the insurer.

402-C:14 Conduct of Hearings in Summary Proceedings.

I. Confidentiality of Commissioner's Hearings. The commissioner shall hold all hearings in summary proceedings privately unless the insurer requests a public hearing, in which case the hearing shall be public.

II. Confidentiality of Court Hearings. The court may hold all hearings in summary proceedings and judicial reviews thereof privately in chambers, and shall do so on request of the insurer proceeded against.

III. Records. In all summary proceedings and judicial reviews thereof, all records of the company, other documents, and all insurance department files and court records and papers, so far as they pertain to or are a part of the record of the summary proceedings, shall be and remain confidential except as is necessary to obtain compliance therewith, unless the

court, after hearing arguments from the parties in chamber, shall order otherwise, or unless the insurer requests that the matter be made public. Until such court order, all papers filed with the clerk of the court shall be held by him in a confidential file.

IV. Parties. If at any time it appears to the court that any person whose interest is or will be substantially affected by an order did not appear at the hearing and has not been served, the court may order that notice be given and the proceedings be adjourned to give him opportunity to appear on such terms as may be just.

V. Sanctions. Any person having possession or custody of and refusing to deliver any of the property, books, accounts, documents or other records of an insurer against which a seizure order or a summary order has been issued by the commissioner or by the court, may be fined not more than ten thousand dollars or imprisoned for not more than one year, or both.

Formal Proceedings

402-C:15 Grounds for Rehabilitation. The commissioner may apply by verified petition to the superior court for Merrimack county or for the county in which the principal office of the insurer is located for an order directing him to rehabilitate a domestic insurer or an alien insurer domiciled in this state on any one or more of the following grounds:

I. Any ground on which he may apply for an order of liquidation under section 20 whenever he believes that the insurer may be successfully rehabilitated without substantial increase in the risk of loss to creditors of the insurer or to the public;

II. That the commissioner has reasonable cause to believe that there has been embezzlement from the insurer, wrongful sequestration or diversion of the insurer's assets, forgery or fraud affecting the insurer or other illegal conduct in, by or with respect to the insurer, that if established would endanger assets in an amount threatening the solvency of the insurer;

III. That information coming into the commissioner's possession has disclosed substantial and not adequately explained discrepancies between the insurer's records and the most recent annual report or other official company reports;

IV. That the insurer has failed to remove any person who in fact has executive authority in the insurer, whether an officer, manager, general agent, employee or other person, if the person has been found by the commissioner after notice and hearing to be dishonest or untrustworthy in a way affecting the insurer's business.

V. That control of the insurer, whether by stock ownership or otherwise, and whether direct or indirect, is in one or more persons found by the commissioner after notice and hearing to be dishonest or untrustworthy;

VI. That any person who in fact has executive authority in the insurer, whether an officer, manager, general agent, employee or other person,

has refused to be examined under oath by the commissioner concerning its affairs, whether in this state or elsewhere, and after reasonable notice of the fact the insurer has failed promptly and effectively to terminate the employment and status of the person and all his influence on management;

VII. That after demand by the commissioner the insurer has failed to submit promptly any of its own property, books, accounts, documents or other records, or those of any subsidiary or related company within the control of the insurer, or those of any person having executive authority in the insurer so far as they pertain to the insurer, to reasonable inspection or examination by the commissioner or his authorized representative. If the insurer is unable to submit the property, books, accounts, documents or other records of a person having executive authority in the insurer, it shall be excused from doing so if it promptly and effectively terminates the relationship of the person to the insurer.

VIII. That without first obtaining the written consent of the commissioner, the insurer has transferred, or attempted to transfer, substantially its entire property or business, or has entered into any transaction the effect of which is to merge, consolidate or reinsure substantially its entire property or business in or with the property or business of any other person;

IX. That the insurer or its property has been or is the subject of an application for the appointment of a receiver, trustee, custodian, conservator or sequestrator or similar fiduciary of the insurer or its property otherwise than as authorized under this chapter, and that such appointment has been made or is imminent, and that such appointment might oust the courts of this state of jurisdiction or prejudice orderly delinquency proceedings under this chapter;

X. That within the previous year the insurer has wilfully violated its charter or articles of incorporation or its bylaws or any insurance law or regulation of any state, or of the federal government, or any valid order of the commissioner under section 11 or having become aware within the previous year of an unintentional violation has failed to take all reasonable steps to remedy the situation resulting from the violation and to prevent future violations.

XI. That the directors of the insurer are deadlocked in the management of the insurer's affairs and that the members or shareholders are unable to break the deadlock and that irreparable injury to the insurer, its creditors, its policyholders or the public is threatened by reason thereof;

XII. That the insurer has failed to pay for sixty days after due date any obligation to this state or any political subdivision thereof or any judgment entered in this state, except that such nonpayment shall not be a ground until sixty days after any good faith effort by the insurer to contest the obligation has been terminated, whether it is before the commissioner or in the courts;

XIII. That the insurer has failed to file its annual report or other report within the time allowed by law, and after written demand by the commissioner has failed to give an adequate explanation immediately;

XIV. That two-thirds of the board of directors, or the holders of a majority of the shares entitled to vote, or a majority of members or policyholders of an insurer subject to control by its members or policyholders, consent to rehabilitation under this chapter.

402-C:16 Rehabilitation Orders.

I. Appointment of Rehabilitator. An order to rehabilitate the business of a domestic insurer, or an alien insurer domiciled in this state, shall appoint the commissioners and his successors in office rehabilitator and shall direct the rehabilitator forthwith to take possession of the assets of the insurer and to administer them under the orders of the court. The filing or recording of the order with any register of deeds in the state imparts the same notice as a deed, bill of sale or other evidence of title duly filed or recorded with that register of deeds.

II. Anticipatory Breach. Entry of an order of rehabilitation shall not constitute an anticipatory breach of any contracts of the insurer.

402-C:17 Powers and Duties of the Rehabilitator.

I. Special Deputy Commissioner. The commissioner as rehabilitator shall make every reasonable effort to employ an active or retired senior executive from a successful insurer to serve as special deputy commissioner to rehabilitate the insurer. The special deputy shall have all of the powers of the rehabilitator granted under this section. To obtain a suitable special deputy, the commissioner may consult with and obtain the assistance and advice of executives of insurers doing business in this state. Subject to court approval, the commissioner shall make such arrangements for compensation as are necessary to obtain a special deputy of proven ability. The special deputy shall serve at the pleasure of the commissioner.

II. General Power. Subject to court approval, the rehabilitator may take such action as he deems necessary or expedient to reform and revitalize the insurer. He shall have all the powers of the officers and managers, whose authority shall be suspended, except as they are redelegated by the rehabilitator. He shall have full power to direct and manage, to hire and discharge employees subject to any contract rights they may have and to deal with the property and business of the insurer.

III. Advice from Experts. The rehabilitator may consult with and obtain formal or informal advice and aid of insurance experts.

IV. Pursuit of Insurer's Claims Against Insiders. If the rehabilitator finds that there has been criminal or tortious conduct or breach of any contractual or fiduciary obligation detrimental to the insurer by any officer, manager, agent, broker, employee or other person, he may pursue all appropriate legal remedies on behalf of the insurer.

V. Reorganization Plan. The rehabilitator may prepare a plan for the reorganization, consolidation, conversion, reinsurance, merger or other transformation of the insurer. Upon application of the rehabilitator for approval of the plan, and after such notice and hearing as the court prescribes, the court may either approve or disapprove the plan proposed, or may modify it and approve it as modified. If it is approved, the rehabilitator shall carry out the plan. In the case of a life insurer, the plan pro-

posed may include the imposition of liens upon the equities of policyholders of the company, if all rights of shareholders are first relinquished. A plan for a life insurer may also propose imposition of a moratorium upon loan and cash surrender rights under policies, for such period and to such an extent as are necessary.

VI. **Fraudulent Transfers.** The rehabilitator shall have the power to avoid fraudulent transfers under sections 30 and 31.

402-C:18 Actions By and Against Rehabilitator.

I. **Stays in Pending Litigation.** On request of the rehabilitator, any court in this state before which any action or proceeding by or against an insurer is pending when a rehabilitation order against the insurer is entered shall stay the action or proceeding for such time as is necessary for the rehabilitator to obtain proper representation and prepare for further proceedings. The court that entered the rehabilitation order shall order the rehabilitator to take such action respecting the pending litigation as the court deems necessary in the interests of justice and for the protection of creditors, policyholders and the public. The rehabilitator shall immediately consider all litigation pending outside this state and shall petition the courts having jurisdiction over that litigation for stays whenever necessary to protect the estate of the insurer.

II. **Statutes of Limitations on Claims by Insurer.** The time between the filing of a petition for rehabilitation against an insurer and denial of the petition or an order of rehabilitation shall not be considered to be a part of the time within which any action may be commenced by the insurer. Any action by the insurer that might have been commenced when the petition was filed may be commenced at least sixty days after the order of rehabilitation is entered.

III. **Statutes of Limitations on Claims Against Insurer.** The time between the filing of a petition for rehabilitation against an insurer and the denial of the petition or an order of rehabilitation shall not be considered to be a part of the time within which any action may be commenced against the insurer. Any action against the insurer that might have been commenced when the petition was filed may be commenced for at least sixty days after the order of rehabilitation is entered or the petition is denied.

402-C:19 Termination of Rehabilitation.

I. **Transformation to Liquidation.** Whenever he believes that further attempts to rehabilitate an insurer would substantially increase the risk of loss to creditors, policyholders, or the public, or would be futile, the rehabilitator may petition the court for an order of liquidation. A petition under this subsection shall have the same effect as a petition under section 20. The court shall permit the directors to defend against the petition and shall order payment from the estate of the insurer of such costs and other expenses of defense as justice requires.

II. **Order to Return to Company.** The rehabilitator may at any time petition the court for an order terminating rehabilitation of an insurer. If the court finds that rehabilitation has been accomplished and that grounds for rehabilitation under section 15 no longer exist, it shall order

that the insurer be restored to possession of its property and the control of its business. The court may also make that finding and issue that order at any time upon its own motion.

402-C:20 Grounds for Liquidation. The commissioner may apply by verified petition to the superior court for Merrimack county or for the county in which the principal office of the insurer is located for an order directing him to liquidate a domestic insurer or an alien insurer domiciled in this state on any one or more of the following grounds:

I. Any ground on which he may apply for an order of rehabilitation under section 15 whenever he believes that attempts to rehabilitate the insurer would substantially increase the risk of loss to its creditors, its policyholders or the public, or would be futile, or that rehabilitation would serve no useful purpose;

II. That the insurer is or is about to become insolvent;

III. That the insurer is engaging in a systematic practice of reaching settlements with and obtaining releases from policyholders or third party claimants and then unreasonably delaying payment of or failing to pay the agreed upon settlements;

IV. That the insurer is in such condition that the further transaction of business would be hazardous, financially or otherwise, to its policyholders, its creditors or the public;

V. That the insurer has not transacted the business of insurance during the previous twelve months or has transacted only a token insurance business during that period, although authorized to do so throughout that period, or that more than twelve months after incorporation it has failed to become authorized to do an insurance business;

VI. That within the previous twelve months the insurer has systematically attempted to compromise with its creditors on the ground that it is financially unable to pay its claims in full;

VII. That the insurer has commenced, or within the previous year has attempted to commence, voluntary liquidation otherwise than under the insurance laws of this state;

VIII. That the insurer has concealed records or assets from the commissioner or improperly removed them from the jurisdiction;

IX. That the insurer does not satisfy the requirements that would be applicable if it were seeking initial authorization to do an insurance business in this state, except for:

(a) Requirements that are intended to apply only at the time the initial authorization to do business is obtained, and not thereafter; and

(b) Requirements that are expressly made inapplicable by the laws establishing the requirements;

X. That the holders of two-thirds of the shares entitled to vote, or two-thirds of the members or policyholders entitled to vote in an insurer controlled by its members or policyholders, have consented to a petition.

402-C:21 Liquidation Orders.

I. **Order to Liquidate.** An order to liquidate the business of a domestic insurer shall appoint the commissioner and his successors in office liquidator and shall direct the liquidator forthwith to take possession of the assets of the insurer and to administer them under the orders of the court. The liquidator shall be vested by operation of law with the title to all of the property, contracts and rights of action and all of the books and records of the insurer ordered liquidated, wherever located, as of the date of the filing of the petition for liquidation. He may recover and reduce the same to possession except that ancillary receivers in reciprocal states shall have, as to assets located in their respective states, the rights and powers which are prescribed in paragraph III of section 55 for ancillary receivers appointed in this state as to assets located in this state. The filing or recording of the order with any register of deeds in this state imparts the same notice as a deed, bill of sale or other evidence of title duly filed or recorded with that register of deeds.

II. **Fixing of Rights.** Upon issuance of the order, the rights and liabilities of any such insurer and of its creditors, policyholders, shareholders, members and all other persons interested in its estate are fixed as of the date of filing of the petition for liquidation, except as provided in sections 22 and 39.

III. **Alien Insurer.** An order to liquidate the business of an alien insurer domiciled in this state shall be in the same terms and have the same legal effect as an order to liquidate a domestic insurer, except that the assets and the business in the United States shall be the only assets and business included under the order.

IV. **Declaration of Insolvency.** At the time of petitioning for an order of liquidation, or at any time thereafter, the commissioner may petition the court to declare the insurer insolvent, and after such notice and hearing as it deems proper, the court may make the declaration.

402-C:22 Continuance of Coverage.

I. All insurance policies issued by the insurer shall continue in force:

(a) For a period of fifteen days from the date of entry of the liquidation order;

(b) Until the normal expiration of the policy coverage;

(c) Until the insured has replaced the insurance coverage with equivalent insurance in another insurer; or

(d) Until the liquidator has effected a transfer of the policy obligation pursuant to section 25, VIII; whichever time is less.

II. If the coverage continued under this section is replaced by insurance that is not equivalent, the coverage continued under this section shall be excess coverage over the replacement policy to the extent of the deficiency. Claims arising during the continuation of coverage shall be treated as if they arose immediately before the petition for liquidation. Coverage under this subsection shall not satisfy any legal obligation of the insured to carry insurance protection, whether the obligation is created by law or by contract.

402-C:23 Dissolution of Insurer. The commissioner may petition for an order dissolving the corporate existence of a domestic insurer or the United States branch of an alien insurer domiciled in this state at the time he applies for a liquidation order. If the court issues a liquidation order, it also shall order dissolution if the commissioner has petitioned for it. The court shall order dissolution of the corporation upon petition by the commissioner at any time after a liquidation order has been granted. If the dissolution has not previously occurred, it shall be effected by operation of law upon the discharge of the liquidator.

402-C:24 Federal Receivership.

I. Petition for Federal Receiver. Whenever in the commissioner's opinion, liquidation of a domestic insurer or an alien insurer domiciled in this state would be facilitated by a federal receivership, and when any ground exists upon which the commissioner might petition the court for an order of rehabilitation or liquidation under section 15 or 20, or if an order of rehabilitation or liquidation has already been entered, the commissioner may request another commissioner or other willing resident of another state to petition any appropriate federal district court for the appointment of a federal receiver. The commissioner may intervene in any such action to support or oppose the petition, and may accept appointment as the receiver if he is so designated. So much of this chapter shall apply to the receivership as can be made applicable and is appropriate. Upon motion of the commissioner, the courts of this state shall relinquish all jurisdiction over the insurer for purposes of rehabilitation or liquidation.

II. Compliance with Federal Requirements. If the commissioner is appointed receiver under this section, he shall comply with any requirements necessary to give him title to and control over the assets and affairs of the insurer.

402-C:25 Powers of Liquidator. The liquidator shall report to the court monthly, or at other intervals specified by the court, on the progress of the liquidation in whatever detail the court orders. Subject to the court's control, he may:

I. Appoint a special deputy to act for him under this chapter, and determine his compensation. The special deputy shall have all powers of the liquidator granted by this section. The special deputy shall serve at the pleasure of the liquidator.

II. Appoint or engage employees and agents, legal counsel, actuaries, accountants, appraisers, consultants and other personnel he deems necessary to assist in the liquidation. RSA 98 shall not apply to such persons.

III. Fix the compensation of persons under paragraph II, subject to the control of the court.

IV. Defray all expenses of taking possession of, conserving, conducting, liquidating, disposing of or otherwise dealing with the business and property of the insurer. If the property of the insurer does not contain sufficient cash or liquid assets to defray the costs incurred, the liquidator may advance the costs so incurred out of any available appropriation. Any amounts so paid shall be deemed expense of administration and shall be

repaid for the credit of the insurance department out of the first available moneys of the insurer.

V. Hold hearings, subpoena witnesses and compel their attendance, administer oaths, examine any person under oath and compel any person to subscribe to his testimony after it has been correctly reduced to writing, and in connection therewith require the production of any books, papers, records or other documents which he deems relevant to the inquiry.

VI. Collect all debts and moneys due and claims belonging to the insurer, wherever located, and for this purpose institute timely action in other jurisdictions, in order to forestall garnishment and attachment proceedings against such debts; do such other acts as are necessary or expedient to collect, conserve or protect its assets or property, including sell, compound, compromise or assign for purposes of collection, upon such terms and conditions as he deems best, any bad or doubtful debts; and pursue any creditor's remedies available to enforce his claims.

VII. Conduct public and private sales of the property of the insurer in a manner prescribed by the court.

VIII. Use assets of the estate to transfer policy obligations to a solvent assuming insurer, if the transfer can be arranged without prejudice to applicable priorities under section 44.

IX. Acquire, hypothecate, encumber, lease, improve, sell, transfer, abandon or otherwise dispose of or deal with any property of the insurer at its market value or upon such terms and conditions as are fair and reasonable, except that no transaction involving property the market value of which exceeds ten thousand dollars shall be concluded without express permission of the court. He also may execute, acknowledge and deliver any deeds, assignments, releases and other instruments necessary or proper to effectuate any sale of property or other transaction in connection with the liquidation. In cases where real property sold by the liquidator is located other than in the county where the liquidation is pending, the liquidator shall cause to be filed with the register of deeds for the county in which the property is located a certified copy of the order appointing him.

X. Borrow money on the security of the insurer's assets or without security and execute and deliver all documents necessary to that transaction for the purpose of facilitating the liquidation.

XI. Enter into such contracts as are necessary to carry out the order to liquidate, and affirm or disavow any contracts to which the insurer is a party.

XII. Continue to prosecute and institute in the name of the insurer or in his own name any suits and other legal proceedings, in this state or elsewhere, and abandon the prosecution of claims he deems unprofitable to pursue further. If the insurer is dissolved under section 23, he may apply to any court in this state or elsewhere for leave to substitute himself for the insurer as plaintiff.

XIII. Prosecute any action which may exist in behalf of the creditors, members, policyholders or shareholders of the insurer against any officer of the insurer, or any other person.

XIV. Remove any records and property of the insurer to the offices of the commissioner or to such other place as is convenient for the purposes of efficient and orderly execution of the liquidation.

XV. Deposit in one or more banks in this state such sums as are required for meeting current administration expenses and dividend distributions.

XVI. File any necessary documents for record in the office of any register of deeds or record office in this state or elsewhere where property of the insurer is located.

XVII. Assert all legal and equitable defenses available to the insurer as against third persons. A waiver of any defense by the insurer after a petition for liquidation has been filed shall not bind the liquidator.

XVIII. Exercise and enforce all the rights, remedies and powers of any creditor, shareholder, policyholder or member, including any power to avoid any transfer or lien that may be given by law and that is not included within sections 30 through 32.

XIX. Intervene in any proceeding wherever instituted that might lead to the appointment of a receiver or trustee, and act as the receiver or trustee whenever the appointment is offered.

XX. Enter into agreements with any receiver or commissioner of any other state relating to the rehabilitation, liquidation, conservation or dissolution of an insurer doing business in both states.

XXI. Exercise all powers now held or hereafter conferred upon receivers by the laws of this state not inconsistent with this chapter.

XXII. The enumeration in this section of the powers and authority of the liquidator is not a limitation upon him, nor does it exclude his right to do such other acts not herein specifically enumerated or otherwise provided for as are necessary or expedient for the accomplishment of or in aid of the purpose of liquidation.

402-C:26 Notice to Creditors and Others.

I. Notice Required.

(a) General Requirements. The liquidator shall give notice of the liquidation order as soon as possible by first class mail and either by telegram or telephone to the insurance commissioner of each jurisdiction in which the insurer is licensed to do business, by first class mail within this state and by airmail outside this state to all insurance agents having a duty under section 27, and by first class mail within this state and by airmail outside this state at the last known address to all persons known or reasonably expected to have claims against the insurer, including all policyholders. He also shall publish notice in a newspaper of general statewide circulation or in Merrimack county, the last publication to be not less than three months before the earliest deadline specified in the notice under paragraph III.

(b) Special Requirements. Notice to agents shall inform them of their duties under section 27 and inform them what information they must communicate to insureds. Notice to policyholders shall include notice of impairment and termination of coverage under section 22. When it is applicable,

notice to policyholders shall include 1) notice of withdrawal of the insurer from the defense of any case in which the insured is interested and 2) notice of the right to file a claim under section 40.

(c) Reports and Further Notice. Within fifteen days of the date of entry of the order, the liquidator shall report to the court what notice has been given. The court may order such additional notice as it deems appropriate.

II. Notice Respecting Claims Filing. Notice to potential claimants under paragraph I shall require claimants to file with the court their claims together with proper proofs thereof under section 38 on or before a date the liquidator specifies in the notice, which shall be no less than six months nor more than one year after entry of the order, except that the liquidator need not require persons claiming unearned premium and persons claiming cash surrender values or other investment values in life insurance and annuities to file a claim. The liquidator may specify different dates for the filing of different kinds of claims.

III. Notice Conclusive. If notice is given in accordance with this section, the distribution of the assets of the insurer under this chapter shall be conclusive with respect to all claimants, whether or not they received notice.

402-C:27 Duties of Agents.

I. Written Notice. Every person who receives notice in the form prescribed in section 26 that an insurer which he represents as an independent agent is the subject of a liquidation order shall as soon as practicable give notice of the liquidation order. The notice shall be sent by first class mail to the last address contained in the agent's records to each policyholder or other person named in any policy issued through the agent by the company, if he has a record of the address of the policyholder or other person. A policy shall be deemed issued through an agent if the agent has a property interest in the expiration of the policy; or if the agent has had in his possession a copy of the declarations of the policy at any time during the life of the policy, except where the ownership of the expiration of the policy has been transferred to another. The written notice shall include the name and address of the insurer, the name and address of the agent, identification of the policy impaired and the nature of the impairment under section 22. Notice by a general agent satisfies the notice requirement for any agents under contract to him.

II. Sanctions. Any agent failing to give notice as required in paragraph I may be fined not more than one hundred dollars and may have his license suspended.

III. Oral Notice. So far as practicable, every insurance agent subject to paragraph I shall give immediate oral notice by telephone or otherwise, of the liquidation order to the same persons to whom he is obligated to give written notice. The oral notice shall include substantially the same information as the written notice.

402-C:28 Actions By and Against Liquidator.

I. Termination of Actions Against Insurer by Order Appointing Liquidator. Upon issuance of any order appointing the commissioner

liquidator of a domestic insurer or of an alien insurer domiciled in this state, all actions and all proceedings against the insurer whether in this state or elsewhere shall be abated and the liquidator shall not intervene in them, except as provided in this subsection. Whenever in the liquidator's judgment an action in this state has proceeded to a point where fairness or convenience would be served by its continuation to judgment, he may apply to the court for leave to defend or to be substituted for the insurer, and if the court gives him leave, the action shall not be abated. Whenever in the liquidator's judgment, protection of the estate of the insurer necessitates intervention in an action against the insurer that is pending outside this state, with approval of the court he may intervene in the action. The liquidator may defend any action in which he intervenes under this section at the expense of the estate of the insurer.

II. Statute of Limitations on Claims by Insurer. The liquidator may, within two years subsequent to the entry of an order for liquidation or within such further time as applicable law permits, institute an action or proceeding on behalf of the estate of the insurer upon any cause of action against which the period of limitation fixed by applicable law has not expired at the time of the filing of the petition upon which such order is entered. Where, by any agreement, a period of limitation is fixed for instituting a suit or proceeding upon any claim or for filing any claim, proof of claim, proof of loss, demand, notice or the like, or where in any proceeding, judicial or otherwise, a period of limitation is fixed, either in the proceeding or by applicable law, for taking any action, filing any claim or pleading or doing any act, and where in any such case the period had not expired at the date of the filing of the petition, the liquidator may, for the benefit of the estate, take any such action or do any such act, required of or permitted to the insurer, within a period of sixty days subsequent to the entry of an order for liquidation, or within such further period as is permitted by the agreement, or in the proceeding or by applicable law, or within such further period as is shown to the satisfaction of the court not to be unfairly prejudicial to the other party.

III. Statutes of Limitations on Claims Against Insurer. The time between the filing of a petition for liquidation against an insurer and the denial of the petition shall not be considered to be a part of the time within which any action may be commenced against the insurer. Any action against the insurer that might have been commenced when the petition was filed may be commenced for at least sixty days after the petition is denied.

402-C:29 Collection and List of Assets.

I. List of Assets Required. As soon as practicable after the liquidation order, the liquidator shall prepare in duplicate a list of the insurer's assets. The list shall be amended or supplemented as the court requires. One copy shall be filed in the office of the clerk of the court having jurisdiction over the liquidation proceedings and one copy shall be retained for the liquidator's files. All amendments and supplements shall be similarly filed.

II. Liquidation of Assets. The liquidator shall reduce the assets to a degree of liquidity that is consistent with the effective execution of the liquidation as rapidly and economically as he can.

402-C:30 Fraudulent Transfers Prior to Petition.

I. Definition and Effect. Every transfer made or suffered and every obligation incurred by an insurer within one year prior to the filing of a successful petition for rehabilitation or liquidation under this chapter is fraudulent as to then existing and future creditors if made or incurred without fair consideration, or with actual intent to hinder, delay or defraud either existing or future creditors. A transfer made or an obligation incurred by an insurer ordered to be rehabilitated or liquidated under this chapter, which is fraudulent under this section, may be avoided by the receiver, except as to a person who in good faith is a purchaser, lienor or obligee for a present fair equivalent value; and except that any purchaser, lienor or obligee, who in good faith has given a consideration less than fair for such transfer, lien or obligation, may retain the property, lien or obligation as security for repayment. The court may, on due notice, order any such transfer or obligation to be preserved for the benefit of the estate, and in that event the receiver shall succeed to and may enforce the rights of the purchaser, lienor or obligee.

II. Perfection of Transfers.

(a) Personal Property. A transfer of property other than real property shall be deemed to be made or suffered when it becomes so far perfected that no subsequent lien obtainable by legal or equitable proceedings on a simple contract could become superior to the rights of the transferee under section 32, III.

(b) Real Property. A transfer of real property shall be deemed to be made or suffered when it becomes so far perfected that no subsequent bona fide purchaser from the insurer could obtain rights superior to the rights of the transferee.

(c) Equitable Liens. A transfer which creates an equitable lien shall not be deemed to be perfected if there are available means by which a legal lien could be created.

(d) Transfer Not Perfected Prior to Petition. Any transfer not perfected prior to the filing of a petition for liquidation shall be deemed to be made immediately before the filing of the successful petition.

(e) Actual Creditors Unnecessary. This subsection applies whether or not there are or were creditors who might have obtained any liens or persons who might have become bona fide purchasers.

III. Fraudulent Reinsurance Transactions. Any transaction of the insurer with a reinsurer shall be deemed fraudulent and may be avoided by the receiver under paragraph I if:

(a) The transaction consists of the termination, adjustment or settlement of a reinsurance contract in which the reinsurer is released from any part of its duty to pay the originally specified share of losses that had occurred prior to the time of the transaction, unless the reinsurer gives a present fair equivalent value for the release; and

(b) Any part of the transaction took place within one year prior to the date of filing of the petition through which the receivership was commenced.

402-C:31 Fraudulent Transfers After Petition.

I. Effect of Petition: Real Property. After a petition for rehabilita-

tion or liquidation, a transfer of any of the real property of the insurer made to a person acting in good faith shall be valid against the receiver if made for a present fair equivalent value or, if not made for a present fair equivalent value, then to the extent of the present consideration actually paid therefor, for which amount the transferee shall have a lien on the property so transferred. The recording of a copy of the petition for or order of rehabilitation or liquidation with the register of deeds in the county where any real property in question is located is constructive notice of the commencement of a proceeding in rehabilitation or liquidation. The exercise by a court of the United States or any state of jurisdiction to authorize or effect a judicial sale of real property of the insurer within any county in any state shall not be impaired by the pendency of such a proceeding unless the copy is recorded in the county prior to the consummation of the judicial sale.

II. Effect of Petition: Personal Property. After a petition for rehabilitation or liquidation and before either the receiver takes possession of the property of the insurer or an order of rehabilitation or liquidation is granted:

(a) A transfer of any of the property of the insurer, other than real property, made to a person acting in good faith shall be valid against the receiver if made for a present fair equivalent value or, if not made for a present fair equivalent value, then to the extent of the present consideration actually paid therefor, for which amount the transferee shall have a lien on the property so transferred.

(b) A person indebted to the insurer or holding property of the insurer may, if acting in good faith, pay the indebtedness or deliver the property or any part thereof to the insurer or upon his order, with the same effect as if the petition were not pending.

(c) A person having actual knowledge of the pending rehabilitation or liquidation shall be deemed not to act in good faith unless he has reasonable cause to believe that the petition is not well founded.

(d) A person asserting the validity of a transfer under this section shall have the burden of proof. Except as elsewhere provided in this section, no transfer by or in behalf of the insurer after the date of the petition for liquidation by any person other than the liquidator shall be valid against the liquidator.

III. Negotiability. Nothing in this chapter shall impair the negotiability of currency or negotiable instruments.

402-C:32 Voidable Preferences and Liens.

I. Preferences.

(a) Preference Defined. A preference is a transfer of any of the property of an insurer to or for the benefit of a creditor, for or on account of an antecedent debt, made or suffered by the insurer within one year before the filing of a successful petition for liquidation under this chapter the effect of which transfer may be to enable the creditor to obtain a greater percentage of his debt than another creditor of the same class would receive. If a liquidation order is entered while the insurer is already subject to a rehabilitation order, transfers otherwise qualifying shall be deemed

preferences if made or suffered within one year before the filing of the successful petition for rehabilitation or within two years before the filing of the successful petition for liquidation, whichever time is shorter.

(b) *Invalidation of Preferences.* Any preference may be avoided by the liquidator, if 1) the insurer was insolvent at the time of the transfer, or 2) the transfer was made within four months before the filing of the petition, or 3) the creditor receiving it or to be benefited thereby or his agent acting with reference thereto had reasonable cause to believe at the time when the transfer was made that the insurer was insolvent or was about to become insolvent, or 4) the creditor receiving it was an officer, employee, attorney or other person who was in fact in a position of comparable influence in the insurer to an officer whether or not he held such position, or any shareholder holding directly or indirectly more than five percent of any class of any equity security issued by the insurer, or any other person with whom the insurer did not deal at arm's length. Where the preference is voidable, the liquidator may recover the property or if it has been converted, its value from any person who has received or converted the property, except a bona fide purchaser from or lienor of the debtor's transferee for a present fair equivalent value. Where the bona fide purchaser or lienor has given less than fair equivalent value, he shall have a lien upon the property to the extent of the consideration actually given by him. Where a preference by way of lien or security title is voidable, the court may on due notice order the lien or title to be preserved for the benefit of the estate, in which event the lien or title shall pass to the liquidator.

II. Perfection of Transfers.

(a) *Personal Property.* A transfer of property other than real property is deemed to be made or suffered when it becomes so far perfected that no subsequent lien obtainable by legal or equitable proceedings on a simple contract could become superior to the rights of the transferee.

(b) *Real Property.* A transfer of real property is deemed to be made or suffered when it becomes so far perfected that no subsequent bona fide purchaser from the insurer could obtain rights superior to the rights of the transferee.

(c) *Equitable Liens.* A transfer which creates an equitable lien is not deemed to be perfected if there are available means by which a legal lien could be created.

(d) *Transfers Not Perfected Prior to Petition.* A transfer not perfected prior to the filing of a petition for liquidation shall be deemed to be made immediately before the filing of the successful petition.

(e) *Actual Creditors Unnecessary.* This subsection applies whether or not there are or were creditors who might have obtained liens or persons who might have become bona fide purchasers.

III. Liens by Legal or Equitable Proceedings.

(a) *Definition.* A lien obtainable by legal or equitable proceedings upon a simple contract is one arising in the ordinary course of such proceedings upon the entry or docketing of a judgment or decree, or upon attachment, garnishment, execution or like process, whether before, upon or after judgment or decree and whether before or upon levy. It does not

include liens which under applicable law are given a special priority over other liens which are prior in time.

(b) When Liens are Superior. A lien obtainable by legal or equitable proceedings could become superior to the rights of a transferee, or a purchaser could obtain rights superior to the rights of a transferee within the meaning of paragraph II, if such consequences would follow only from the lien or purchase itself, or from the lien or purchase followed by any step wholly within the control of the respective lienholder or purchaser, with or without the aid of ministerial action by public officials. Such a lien could not, however, become superior and such a purchase could not create superior rights for the purpose of paragraph II through any acts subsequent to the obtaining of such a lien or subsequent to such a purchase which require the agreement or concurrence of any third party or which require any further judicial action, or ruling.

IV. Twenty-one Day Rule. A transfer of property for or on account of a new and contemporaneous consideration which is deemed under paragraph II to be made or suffered after the transfer because of delay in perfecting it does not thereby become a transfer for or on account of an antecedent debt if any acts required by the applicable law to be performed in order to perfect the transfer as against liens or bona fide purchasers' rights are performed within twenty-one days or any period expressly allowed by the law, whichever is less. A transfer to secure a future loan, if such a loan is actually made, or a transfer which becomes security for a future loan shall have the same effect as a transfer for or on account of a new and contemporaneous consideration.

V. Indemnifying Transfers Also Voidable. If any lien deemed voidable under subparagraph (b) of paragraph I has been dissolved by the furnishing of a bond or other obligation, the surety on which has been indemnified directly or indirectly by the transfer of or the creation of a lien upon any property of an insurer before the filing of a petition under this chapter which results in a liquidation order, the indemnifying transfer or lien shall also be deemed voidable.

VI. Avoidance of Lien. The property affected by any lien deemed voidable under subparagraph (b) of paragraph I and paragraph V is discharged from the lien, and that property and any of the indemnifying property transferred to or for the benefit of a surety shall pass to the liquidator, except that the court may on due notice order the lien to be preserved for the benefit of the estate and the court may direct that a conveyance be executed which is adequate to evidence the title of the liquidator.

VII. Hearings to Determine Rights. The court shall have summary jurisdiction of any proceeding by the liquidator to hear and determine the rights of any parties under this section. Reasonable notice of any hearing in the proceeding shall be given to all parties in interest, including the obligee of a releasing bond or other like obligation. Where an order is entered for the recovery of indemnifying property in kind or for the avoidance of an indemnifying lien, the court, upon application of any party in interest, shall in the same proceeding ascertain the value of the property or lien, and if the value is less than the amount for which the property is indemnity or than the amount of the lien, the transferee or lienholder may

elect to retain the property or lien upon payment of its value, as ascertained by the court, to the liquidator within such reasonable times as the court fixes.

VIII. Surety's Liability Discharged. The liability of a surety under a releasing bond or other like obligation shall be discharged to the extent of the value of the indemnifying property recovered or the indemnifying lien nullified and avoided or, where the property is retained under paragraph VII to the extent of the amount paid to the liquidator.

IX. Setoff of New Advances. If a creditor has been preferred and afterward in good faith gives the insurer further credit without security of any kind, for property which becomes a part of the insurer's estate, the amount of the new credit remaining unpaid at the time of the petition may be set off against the preference which would otherwise be recoverable from him.

X. Re-examination of Attorney's Fees. If an insurer, directly or indirectly, within four months before the filing of a successful petition for liquidation under this chapter or at any time in contemplation of a proceeding to liquidate it, pays money or transfers property to an attorney at law for services rendered or to be rendered, the transaction may be examined by the court on its own motion or shall be examined by the court on petition of the liquidator and shall be held valid only to the extent of a reasonable amount to be determined by the court, and the excess may be recovered by the liquidator for the benefit of the estate.

XI. Personal Liability.

(a) Every officer, manager, employee, shareholder, member, subscriber, attorney or any other person acting on behalf of the insurer who knowingly participates in giving any preference when he has reasonable cause to believe the insurer to be or about to become insolvent at the time of the preference shall be personally liable to the liquidator for the amount of the preference. It is permissible to infer that there is reasonable cause to so believe if the transfer was made within four months before the date of the filing of the successful petition for liquidation.

(b) Every person receiving any property from the insurer of the benefit thereof as a preference voidable under subparagraph (b) of paragraph I shall be personally liable therefor and shall be bound to account to the liquidator.

(c) Nothing in this subsection shall prejudice any other claim by the liquidator against any person.

402-C:33 Claims of Holders of Void or Voidable Rights.

I. Disallowance for Failure to Surrender Property. No claims of a creditor who has received or acquired a preference, lien, conveyance, transfer, assignment or encumbrance, voidable under this chapter, shall be allowed unless he surrenders the preference, lien, conveyance, transfer, assignment or encumbrance. If the avoidance is effected by a proceeding in which a final judgment has been entered, the claim shall not be allowed unless the money is paid or the property is delivered to the liquidator within thirty days from the date of the entering of the final judgment, except that the court having jurisdiction over the liquidation may allow further time if there is an appeal or other continuation of the proceeding.

II. Time for Filing. A claim allowable under paragraph I by reason of the avoidance, whether voluntary or involuntary, of a preference lien, conveyance, transfer, assignment or encumbrance may be filed as an excused late filing under section 37 if filed within thirty days from the date of the avoidance or within the further time allowed by the court under paragraph I.

402-C:34 Setoffs and Counterclaims.

I. Setoffs Allowed in General. Mutual debts or mutual credits between the insurer and another person in connection with any action or proceeding under this chapter shall be set off and the balance only shall be allowed or paid, except as provided in paragraph II.

II. Exceptions. No setoff or counterclaim shall be allowed in favor of any person where:

(a) The obligation of the insurer to the person would not at the date of the filing of a petition for liquidation entitle him to share as a claimant in the assets of the insurer;

(b) The obligation of the insurer to the person was purchased by or transferred to the person with a view to its being used as a setoff;

(c) The obligation of the person is to pay an assessment levied against the members or subscribers of the insurer, or is to pay a balance upon a subscription to the capital stock of the insurer, or is in any other way in the nature of a capital contribution; or

(d) The obligation of the person is to pay premiums, whether earned or unearned, to the insurer.

402-C:35 Assessments.

I. Report to Court. As soon as practicable but not more than two years from the date of an order of liquidation under section 21 of an insurer issuing assessable policies, the liquidator shall make a report to the court setting forth:

(a) The reasonable value of the assets of the insurer;

(b) The insurer's probable total liabilities; and

(c) The probable aggregate amount of the assessment necessary to pay all claims of creditors and expenses in full, including expenses of administration and costs of collecting the assessment.

II. Levy of Assessment.

(a) Upon the basis of the report provided in paragraph I, including any supplements and amendments thereto, the court may levy ex parte one or more assessments against all members of the insurer who are subject to assessment.

(b) Subject to any applicable legal limits on assessability, the aggregate assessment shall be for the amount that the sum of the probable liabilities, the expenses of administration and the estimated cost of collection of the assessment exceeds the value of existing assets, with due regard being given to assessments that cannot be collected economically.

III. Order to Show Cause. After levy of assessment under paragraph II, the court shall issue an order directing each member who has not paid

the assessment pursuant to the order to show cause why the liquidator shall not have a judgment therefor. If a member of the insurer also appears to be indebted to the insurer apart from the assessment, the court, upon application of the liquidator, may also direct the member to show cause why he should not pay the other indebtedness. Liability for such indebtedness shall be determined in the same manner and at the same time as the liability to pay the assessment.

IV. Notice. The liquidator shall give notice of the order to show cause by publication if so directed by the court and by first class mail to each member liable thereunder mailed at least twenty days before the return day, of the order to show cause to his last known address as it appears on the records of the insurer.

V. Orders and Hearings.

(a) If a member does not appear and serve duly verified objections upon the liquidator upon the return day of the order to show cause under paragraph III, the court shall make an order adjudging the member liable for the amount of the assessment against him and other indebtedness, pursuant to paragraph III, together with costs, and the liquidator shall have a judgment against the member therefor.

(b) If on such return day, the member appears and serves duly verified objections upon the liquidator, the court may hear and determine the matter or may appoint a referee to hear it and make such order as the facts warrant. Any order made by a referee under this paragraph shall have the same force and effect as if it were a judgment of the court, subject to review by the court upon application within thirty days.

VI. Collection. The liquidator may enforce any order or collect any judgment under paragraph V by any lawful means.

402-C:36 Reinsurer's Liability. The amount recoverable by the liquidator from a reinsurer shall not be reduced as a result of delinquency proceedings, regardless of any provision in the reinsurance contract or other agreement. Payment made directly to an insured or other creditor shall not diminish the reinsurer's obligation to the insurer's estate except when the reinsurance contract provided for direct coverage of an individual named insured and the payment was made in discharge of that obligation.

402-C:37 Filing of Claims.

I. Deadline for Filing. Proof of all claims must be filed with the court in the form required by section 38 on or before the last day for filing specified in the notice required under section 26, except that proof or preferred ownership claims and proprietary claims under subparagraphs IX and X of section 44 need not be filed at all, and proof of claims for unearned premiums and claims for cash surrender values or other investment values in life insurance and annuities need not be filed unless the liquidator expressly so requires.

II. Excused Late Filings. For a good cause shown, the liquidator shall recommend and the court shall permit a claimant making a late filing to share in dividends, whether past or future, as if he were not late, to the extent that any such payment will not prejudice the orderly administra-

tion of the liquidation. Good cause includes but is not limited to the following:

(a) That existence of a claim was not known to the claimant and that he filed within thirty days after he learned of it;

(b) That a claim for unearned premiums or for cash surrender values or other investment values in life insurance or annuities which was not required to be filed was omitted from the liquidator's recommendations to the court under section 45, and that it was filed within thirty days after the claimant learned of the omission.

(c) That a transfer to creditor was avoided under sections 30 through 32 or was voluntarily surrendered under section 33, and that the filing satisfies the conditions of section 33.

(d) That valuation under section 43 of security held by a secured creditor shows a deficiency, which is filed within thirty days after the valuation; and

(e) That a claim was contingent and became absolute, and was filed within thirty days after it became absolute.

III. Unexcused Late Filings. The liquidator may consider any claim filed late which is not covered by paragraph II, and permit it to receive dividends, other than the first dividend, which are subsequently declared on any claims of the same or lower priority if the payment does not prejudice the orderly administration of the liquidation. The late-filing claimant shall receive, at each distribution, the same percentage of the amount allowed on his claim as is then being paid to other claimants of the same priority plus the same percentage of the amount allowed on his claim as is then being paid to claimants of any lower priority. This shall continue until his claim has been paid in full.

402-C:38 Proof of Claim.

I. Contents of Proof of Claim.

(a) Proof of claim shall consist of a verified statement that includes all of the following that are applicable:

1. The particulars of the claim, including the consideration given for it.

2. The identity and amount of the security on the claim.

3. The payments made on the debt, if any.

4. That the sum claimed is justly owing and that there is no setoff, counterclaim or defense to the claim.

5. Any right of priority of payment or other specific right asserted by the claimant.

6. A copy of any written instrument which is the foundation of the claim.

7. In the case of any third party claim based on a liability policy issued by the insurer, a conditional release of the insured pursuant to paragraph I of section 40.

8. The name and address of the claimant and the attorney who represents him, if any.

(b) No claim need be considered or allowed if it does not contain all

the information under subparagraph (a) which may be applicable. The liquidator may require that a prescribed form be used and may require that other information and documents be included.

II. Supplementary Information. At any time the liquidator may request the claimant to present information or evidence supplementary to that required under paragraph I, and may take testimony under oath, require production of affidavits or depositions or otherwise obtain additional information or evidence.

III. Conclusiveness of Judgments. No judgment or order against an insured or the insurer entered after the filing of a successful petition for liquidation and no judgment or order against an insured or the insurer entered at any time by default or by collusion need be considered as evidence of liability or of quantum of damages. No judgment or order against an insured or the insurer entered within four months before the filing of the petition need be considered as evidence of liability or of the quantum of damages.

402-C:39 Special Claims.

I. Claims Contingent on Judgments. The claim of a third party which is contingent only on his first obtaining a judgment against the insured shall be considered and allowed as if there were no such contingency.

II. Claims Under Terminated Policies. Any claim that would have become absolute if there had been no termination of coverage under section 22, and which was not covered by insurance acquired to replace the terminated coverage, shall be allowed as if the coverage had remained in effect, unless at least ten days before the insured event occurred either the claimant had actual notice of the termination or notice was mailed to him as prescribed by section 26 or paragraph I of section 27. If allowed the claim shall share in distributions under paragraph III of section 44.

III. Other Contingent Claims. A claim may be allowed even if contingent, if it is filed in accordance with paragraph II of section 37. It may be allowed and may participate in all dividends declared after it is filed, to the extent that it does not prejudice the orderly administration of the liquidation.

IV. Immature Claims. Claims that are due except for the passage of time shall be treated as absolute claims are treated, except that where justice requires the court may order them discounted at the legal rate of interest.

402-C:40 Special Provisions for Third Party Claims.

I. Third Party's Claim. Whenever any third party asserts a cause of action against an insured or an insurer in liquidation, the third party may file a claim with the liquidator. The filing of the claim shall release the insured's liability to the third party on that cause of action in the amount of the applicable policy limit, but the liquidator shall also insert in any form used for the filing of third party claims appropriate language to constitute such a release. The release shall be void if the insurance coverage is avoided by the liquidator.

II. Insured's Claim. Whether or not the third party files a claim, the

insured may file a claim on his own behalf in the liquidation. If the insured fails to file a claim by the date for filing claims specified in the order of liquidation or within sixty days after mailing of the notice required by subparagraph (b) of paragraph I of section 26, whichever is later, he is an unexcused late filer.

III. Procedure for Insured's Claim. The liquidator shall make his recommendations to the court under section 45 for the allowance of an insured's claim under paragraph II after consideration of the probable outcome of any pending action against the insured on which the claim is based, the probable damages recoverable in the action and the probable costs and expenses of defense. After allowance by the court, the liquidator shall withhold any dividends payable on the claim, pending the outcome of litigation and negotiation with the insured. Whenever it seems appropriate, he shall reconsider the claim on the basis of additional information and amend his recommendations to the court. The insured shall be afforded the same notice and opportunity to be heard on all changes in the recommendation as in its initial determination. The court may amend its allowance as it thinks appropriate. As claims against the insured are settled or barred, the insured shall be paid from the amount withheld the same percentage dividend as was paid on other claims of like priority, based on the lesser of a) the amount actually recovered from the insured by action or paid by agreement plus the reasonable costs and expenses of defense, or b) the amount allowed on the claims by the court. After all claims are settled or barred any sum remaining from the amount withheld shall revert to the undistributed assets of the insurer. Delay in final payment under this subsection shall not be a reason for unreasonable delay of final distribution and discharge of the liquidator.

IV. Multiple Claims. If several claims founded upon one policy are filed, whether by third parties or as claims by the insured under this section, and the aggregate allowed amount of the claims to which the same limit of liability in the policy is applicable exceeds that limit, each claim as allowed shall be reduced in the same proportion so that the total equals the policy limit. Claims by the insured shall be evaluated as in paragraph III. If any insured's claim is subsequently reduced under paragraph III, the amount thus freed shall be apportioned ratably among the claims which have been reduced under this subsection.

402-C:41 Disputed Claims.

I. Notice of Rejection and Request for Hearing. When a claim is denied in whole or in part by the liquidator, written notice of the determination shall be given to the claimant and his attorney by first class mail at the address shown in the proof of claim. Within sixty days from the mailing of the notice, the claimant may file his objections with the court. If no such filing is made, the claimant may not further object to the determination.

II. Notice of Hearing. Whenever objections are filed with the court, the liquidator shall ask the court for a hearing as soon as practicable and give notice of the hearing by first class mail to the claimant or his attorney and to any other persons directly affected, not less than ten nor more than twenty days before the date of the hearing. The matter may be heard by the court or by a court-appointed referee.

402-C:42 Claims of Surety. Whenever a creditor whose claim against an insurer is secured in whole or in part by the undertaking of another person fails to prove and file that claim, the other person may do so in the creditor's name, and shall be subrogated to the rights of the creditor, whether the claim has been filed by the creditor or by the other person in the creditor's name, to the extent that he discharges the undertaking. In the absence of an agreement with the creditor to the contrary, the other person shall not be entitled to any dividend until the amount paid to the creditor on the undertaking plus the dividends paid on the claim from the insurer's estate to the creditor equals the amount of the entire claim of the creditor. Any excess received by the creditor shall be held by him in trust for such other person.

402-C:43 Secured Creditors' Claims.

I. The value of any security held by a secured creditor shall be determined in one of the following ways, as the court directs:

- (a) By converting the same into money according to the terms of the agreement pursuant to which the security was delivered to such creditor;
- (b) By agreement, arbitration, compromise or litigation between the creditor and the liquidator.

II. The determination shall be under the supervision and control of the court. The amount so determined shall be credited upon the secured claim, and any deficiency shall be treated as an unsecured claim. If the claimant surrenders his security to the liquidator, the entire claim shall be allowed as if unsecured.

402-C:44 Order of Distribution. The order of distribution of claims from the insurer's estate shall be as stated in this section. The first fifty dollars of the amount allowed on each claim in the classes under paragraphs II through IV shall be deducted from the claim and included in the class under paragraph VIII. Claims may not be cumulated by assignment to avoid application of the fifty dollar deductible provision. Subject to the fifty dollar deductible provision, every claim in each class shall be paid in full or adequate funds retained for the payment before the members of the next class receive any payment. No subclasses shall be established within any class.

I. **Administration Costs.** The costs and expenses of administration, including but not limited to the following: the actual and necessary costs of preserving or recovering the assets of the insurer; compensation for all services rendered in the liquidation; any necessary filing fees; the fees and mileage payable to witnesses; and reasonable attorney's fees.

II. **Wages.**

(a) Debts due to employees for services performed, not to exceed one thousand dollars to each employee which have been earned within one year before the filing of the petition for liquidation. Officers shall not be entitled to the benefits of this priority.

(b) Such priority shall be in lieu of any other similar priority authorized by law as to wages or compensation of employees.

III. **Loss Claims.** All claims under policies for losses incurred includ-

ing third party claims, and all claims against the insurer for liability for bodily injury or for injury to or destruction of tangible property which are not under policies, except the first two hundred dollars of losses otherwise payable to any claimant under this subsection. All claims under life insurance and annuity policies, whether for death proceeds, annuity proceeds or investment values, shall be treated as loss claims. Claims may not be cumulated by assignment to avoid application of the two hundred dollar provision. That portion of any loss for which indemnification is provided by other benefits or advantages recovered or recoverable by the claimant shall not be included in this class, other than benefits or advantages recovered or recoverable in discharge of familial obligations of support or by way of succession at death or as proceeds of life insurance, or as gratuities. No payment made by an employer to his employee shall be treated as a gratuity.

IV. Unearned Premiums and Small Loss Claims. Claims under non-assessable policies for unearned premiums or other premium refunds and the first two hundred dollars of loss excepted by the deductible provision in paragraph III.

V. Residual Classification. All other claims including claims of the federal or any state or local government, not falling within other classes under this section. Claims, including those of any governmental body, for a penalty or forfeiture, shall be allowed in this class only to the extent of the pecuniary loss sustained from the act, transaction or proceeding out of which the penalty or forfeiture arose with reasonable and actual costs occasioned thereby. The remainder of such claims shall be postponed to the class of claims under paragraph VIII.

VI. Judgments. Claims based solely on judgments. If a claimant files a claim and bases it both on the judgment and on the underlying facts, the claim shall be considered by the liquidator who shall give the judgment such weight as he deems appropriate. The claim as allowed shall receive the priority it would receive in the absence of the judgment. If the judgment is larger than the allowance on the underlying claim, the remaining portion of the judgment shall be treated as if it were a claim based solely on a judgment.

VII. Interest on Claims Already Paid. Interest at the legal rate compounded annually on all claims in the classes under paragraphs I through VI from the date of the petition for liquidation or the date on which the claim becomes due, whichever is later, until the date on which the dividend is declared. The liquidator, with the approval of the court, may make reasonable classifications of claims for purposes of computing interest, may make approximate computations and may ignore certain classifications and time periods as *deminimis*.

VIII. Miscellaneous Subordinated Claims. The remaining claims or portions of claims not already paid, with interest as in paragraph VII:

- (a) The first fifty dollars of each claim in the classes under paragraphs II through VI subordinated under this section;
- (b) Claims under paragraph II of section 39;
- (c) Claims subordinated by section 61;

- (d) Claims filed late;
- (e) Portions of claims subordinated under paragraph V.
- (f) Claims or portions of claims payment of which is provided by other benefits or advantages recovered or recoverable by the claimant.

IX. Preferred Ownership Claims. Surplus or contribution notes, or similar obligations, and premium refunds on assessable policies. Interest at the legal rate shall be added to each claim, as in paragraphs VII and VIII.

X. Proprietary Claims. The claims of shareholders or other owners.

402-C:45 Liquidator's Recommendations to the Court.

I. Recommended Claims. The liquidator shall review all claims duly filed in the liquidation and shall make such further investigation as he deems necessary. He may compound, compromise or in any other manner negotiate the amount for which claims will be recommended to the court. Unresolved disputes shall be determined under section 41. As often as practicable, he shall present to the court reports of claims against the insurer with his recommendations. The reports shall include the name and address of each claimant, the particulars of the claim and the amount of the claim finally recommended, if any. As soon as reasonably possible after the last day for filing claims, he shall present a list of all claims not already reported. If the insurer has issued annuities or life insurance policies, the liquidator shall report the persons to whom, according to the records of the insurer, amounts are owed as cash surrender values or other investment values and the amounts owed. If the insurer has issued policies on the advance premium plan, the liquidator shall report the persons to whom, according to the records of the insurer, unearned premiums are owed and the amounts owed.

II. Allowance of Claims. The court may approve, disapprove or modify any report on claims by the liquidator, except that the liquidator's agreements with other parties shall be final and binding on the court on claims settled for five hundred dollars or less. No claim under a policy of insurance shall be allowed for an amount in excess of the applicable policy limits.

402-C:46 Distribution of Assets.

I. Payments to Creditors. Under the direction of the court, the liquidator shall pay dividends in a manner that will assure the proper recognition of priorities and a reasonable balance between the expeditious completion of the liquidation and the protection of unliquidated and undetermined claims, including third party claims. Distribution of assets in kind may be made at valuations set by agreement between the liquidator and the creditor and approved by the court.

II. Excess Assets.

(a) Upon liquidation of a domestic mutual insurance company, any assets held in excess of its liabilities and the amounts which may be paid to its members as provided under subparagraph (b) shall be paid into the state treasury for the credit of the insurance department.

(b) The maximum amount payable upon liquidation to any member for and on account of his membership in a domestic mutual insurance company, in addition to the insurance benefits promised in the policy, shall be

the total of all premium payments made by the member with interest at the legal rate compounded annually.

402-C:47 Unclaimed and Withheld Funds.

I. **Unclaimed Funds.** All unclaimed funds subject to distribution remaining in the liquidator's hands when he is ready to apply to the court for discharge, including the amount distributable to any creditor, shareholder, member or other person who is unknown or cannot be found or who is under disability with no person legally competent to receive his distributive share, shall be deposited with the state treasurer, and shall be paid over without interest except in accordance with section 44 to the person entitled thereto or his legal representative upon proof satisfactory to the state treasurer of his right thereto. Any amount on deposit not claimed within six years from the discharge of the liquidator is deemed abandoned and shall become the property of the state.

II. **Withheld Funds.** All funds withheld under section 40 and not distributed shall upon discharge of the liquidator be deposited with the state treasurer and paid by him in accordance with section 40. Any sums remaining which under section 40 would revert to the undistributed assets of the insurer shall be transferred to the state treasurer and become the property of the state under paragraph I unless the commissioner petitions the court to reopen the liquidation under section 49.

402-C:48 Termination of Proceedings.

I. **Liquidator's Application.** When all assets justifying the expense of collection and distribution have been collected and distributed under this chapter, the liquidator shall apply to the court for discharge. The court may grant the discharge and make any other orders deemed appropriate, including an order to transfer to the state treasury for the credit of the insurance department any remaining funds that are uneconomic to distribute.

II. **Application By Others.** Any other person may apply to the court at any time for an order under paragraph I. If the application is denied, the applicant shall pay the costs and expenses of the liquidator in resisting the application, including a reasonable attorney's fee.

402-C:49 Reopening Liquidation. After the liquidation proceeding has been terminated and the liquidator discharged, the commissioner or other interested party may at any time petition the court to reopen the proceedings for good cause, including the discovery of additional assets. If the court is satisfied that there is justification for reopening, it shall so order.

402-C:50 Disposition of Records During and After Termination of Liquidation. Whenever it appears to the commissioner that the records of any insurer in process of liquidation or completely liquidated are no longer useful, he may recommend to the court what records should be retained for future reference and what should be disposed of. The court shall enter an order thereon. The commissioner shall immediately submit to the state historical society a copy of the court order, and on written application of the historical society within three months after receipt from the commissioner of the copy of the court order, the commissioner shall deliver to the society such records which are to be disposed of as the society deems of his-

torical significance and shall destroy the remainder whether or not the records have been photographed or otherwise reproduced. Until further order of the court, the commissioner shall keep all records the court orders preserved.

402-C:51 External Audit of Receiver's Books. The court in which the proceeding is pending may, as it deems desirable, cause audits to be made of the books of the commissioner relating to any receivership established under this chapter, and a report of each audit shall be filed with the commissioner and with the court. The books, records and other documents of the receivership shall be made available to the auditor at any time without notice. The expense of each audit shall be considered a cost of administration of the receivership.

- (a) Any of the grounds in section 15;
- (b) Any of the grounds in section 20;
- (c) That any of its property has been sequestered by official action in its domiciliary state, or in any other state;
- (d) That enough of its property has been sequestered in a foreign country to give reasonable cause to fear that the insurer is or may become insolvent;
- (e) That 1) its certificate of authority to do business in this state has been revoked or that none was ever issued, and 2) there are residents of this state with outstanding claims or outstanding policies.

II. Terms of Order. The court may issue the order in whatever terms it deems appropriate. The filing or recording of the order with any register of deeds in this state imparts the same notice as a deed, bill of sale or other evidence of title duly filed or recorded with that register of deeds.

III. Transformation to Liquidation or Ancillary Receivership. The conservator may at any time petition for and the court may grant an order under section 53 to liquidate the assets of a foreign or alien insurer under conservation or, if appropriate, for an order under section 55 to be appointed ancillary receiver.

IV. Order to Return to Company. The conservator may at any time petition the court for an order, terminating conservation of an insurer. If the court finds that the conservation is no longer necessary, it shall order that the insurer be restored to possession of its property and the control of its business. The court may also make such finding and issue such order at any time upon its own motion.

402-C:53 Liquidation of Property of Foreign or Alien Insurers Found in This State.

The filing or recording of the order with any register of deeds in this state imparts the same notice as a deed, bill of sale or other evidence of title duly filed or recorded with that register of deeds.

III. Conversion to Ancillary Proceeding. If a domiciliary liquidator is appointed in a reciprocal state while a liquidation is proceeding under this section, the liquidator under this section shall thereafter act as ancillary receiver under section 55. If a domiciliary liquidator is appointed in a nonreciprocal state while a liquidation is proceeding under this section, the liquidator under this section may petition the court for permission to act as ancillary receiver under section 55.

IV. Federal Receivership. On the same grounds as are specified in paragraph I, the commissioner may petition any appropriate federal district court to be appointed receiver to liquidate that portion of the insurer's assets and business over which the court will exercise jurisdiction, or any lesser part thereof that the commissioner deems desirable for the protection of the policyholders and creditors in this state. The commissioner may accept appointment as federal receiver if another person files a petition.

402-C:54 Foreign Domiciliary Receivers in Other States.

I. Property Rights and Title: Reciprocal State. The domiciliary liquidator of an insurer domiciled in a reciprocal state shall be vested by operation of law with the title to all of the property, contracts and rights of action, and all of the books, accounts and other records of the insurer located in this state. The date of vesting shall be the date of the filing of the petition, if that date is specified by the domiciliary law for the vesting of property in the domiciliary state; otherwise, the date of vesting shall be the date of entry of the order directing possession to be taken. The domiciliary liquidator shall have the immediate right to recover balances due from agents and to obtain possession of the books, accounts and other records of the insurer located in this state. He also shall have the right to recover the other assets of the insurer located in this state, subject to paragraph II of section 55.

II. Property Rights and Title: State Not a Reciprocal State. If a domiciliary liquidator is appointed for an insurer not domiciled in a reciprocal state, the commissioner of this state shall be vested by operation of law with the title to all of the property, contracts and rights of action,

and all of the books, accounts and other records of the insurer located in this state, at the same time that the domiciliary liquidator is vested with title in the domicile. The commissioner of this state may petition for a conservation or liquidation order under section 52 or 53, or for an ancillary receivership under section 55, or after approval by the superior court for Merrimack county may transfer title to the domiciliary liquidator, as the interests of justice and the equitable distribution of the assets require.

III. Filing Claims. Claimants residing in this state may file claims with the liquidator or ancillary receiver, if any, in this state or with the domiciliary liquidator, if the domiciliary law permits. The claims must be filed on or before the last date fixed for the filing of claims in the domiciliary liquidation proceedings.

402-C:55 Ancillary Formal Proceedings.

I. Appointment of Ancillary Receiver in This State. If a domiciliary liquidator has been appointed for an insurer not domiciled in this state, the commissioner shall file a petition with the superior court for Merrimack county requesting appointment as ancillary receiver in this state:

(a) If he finds that there are sufficient assets of the insurer located in this state to justify the appointment of an ancillary receiver;

(b) If ten or more persons resident in this state having claims against the insurer file a petition with the commissioner requesting appointment of an ancillary receiver; or

(c) If the protection of creditors or policyholders in this state so requires.

II. Terms of Order. The court may issue an order appointing an ancillary receiver in whatever terms it deems appropriate. The filing or recording of the order with any register of deeds in this state imparts the same notice as a deed, bill of sale or other evidence of title duly filed or recorded with that register of deeds.

III. Property Rights and Title: Ancillary Receivers in This State. When a domiciliary liquidator has been appointed in a reciprocal state, the ancillary receiver appointed in this state under paragraph I shall have the sole right to recover all the assets of the insurer in this state not already recovered by the domiciliary liquidator, except that the domiciliary liquidator shall be entitled to and have the sole right to recover balances due from agents and the books, accounts and other records of the insurer. The ancillary receiver shall have the right to recover balances due from agents and books, accounts and other records of the insurer, if such action is necessary to protect the assets because of inaction by the domiciliary liquidator. The ancillary receiver shall, as soon as practicable, liquidate from their respective securities those special deposit claims and secured claims which are proved and allowed in the ancillary proceedings in this state, and shall pay the necessary expenses of the proceedings. He shall promptly transfer all remaining assets to the domiciliary liquidator. Subject to this section, the ancillary receiver and his deputies shall have the same powers and be subject to the same duties with respect to the administration of assets as a liquidator of an insurer domiciled in this state.

IV. Property Rights and Title: Foreign Ancillary Receivers. When a

domiciliary liquidator has been appointed in this state, ancillary receivers appointed in reciprocal states shall have, as to assets and books, accounts and other records located in their respective states, corresponding rights and powers to those prescribed in paragraph III for ancillary receivers appointed in this state.

402-C:57 Claims of Nonresidents Against Insurers Domiciled in This State.

I. **Filing Claims.** In a liquidation proceeding begun in this state against an insurer domiciled in this state, claimants residing in foreign countries or in states not reciprocal states must file claims in this state, and claimants residing in reciprocal states may file claims either with the ancillary receivers, if any, in their respective states, or with the domiciliary liquidator. Claims must be filed on or before the last dates fixed for the filing of claims in the domiciliary liquidation proceeding.

II. **Proving Claims.** Claims belonging to claimants residing in reciprocal states may be proved either in the liquidation proceeding in this state as provided in this chapter, or in ancillary proceedings, if any, in the reciprocal states. If notice of the claim and opportunity to appear and be heard is afforded the domiciliary liquidator of this state as provided in section 58 with respect to ancillary proceedings in this state, the final allowance of claims by the courts in ancillary proceedings in reciprocal states shall be conclusive as to amount and as to priority against special deposits or other security located in the ancillary states, but shall not be conclusive with respect to priorities against general assets under section 44.

402-C:58 Claims of Residents Against Insurers Domiciled in Reciprocal States.

I. **Filing Claims.** In a liquidation proceeding in a reciprocal state against an insurer domiciled in that state, claimants against the insurer who reside within this state may file claims either with the ancillary receiver, if any, in this state, or with the domiciliary liquidator. Claims must be filed on or before the last dates fixed for the filing of claims in the domiciliary liquidation proceeding.

II. **Proving Claims.** Claims belonging to claimants residing in this state may be proved either in the domiciliary state under the law of that state or in ancillary proceedings, if any, in this state. If a claimant elects to prove his claim in this state, he shall file his claim with the court in the manner provided in sections 37 and 38. The ancillary receiver shall make his recommendation to the court as under section 45. He also shall arrange a date for hearing if necessary under section 41 and shall give notice to the liquidator in the domiciliary state, either by registered mail or by personal service at least forty days prior to the date set for hearing. If the domiciliary liquidator, within thirty days after the giving of such notice, gives notice in writing to the ancillary receiver and to the claimant, either by registered

mail or by personal service, of his intention to contest the claim, he shall be entitled to appear or to be represented in any proceeding in this state involving the adjudication of the claim. The final allowance of the claim by the courts of this state shall be accepted as conclusive as to amount and as to priority against special deposits or other security located in this state.

II. Priority of Special Deposit Claims. The owners of special deposit claims against an insurer for which a liquidator is appointed in this or any other state shall be given priority against the special deposits in accordance with the statutes governing the creation and maintenance of the deposits. If there is a deficiency in any deposit so that the claims secured by it are not fully discharged from it, the claimants may share in the general assets, but the sharing shall be deferred until general creditors, and also claimants against other special deposits who have received smaller percentages from their respective special deposits, have been paid percentages of their claims equal to the percentage paid from the special deposit.

III. Priority of Secured Claims. The owner of a secured claim against an insurer for which a liquidator has been appointed in this or any other state may surrender his security and file his claim as a general creditor, or the claim may be discharged by resort to the security in accordance with section 43, in which case the deficiency, if any, shall be treated as a claim against the general assets of the insurer on the same basis as claims of unsecured creditors.

402-C:61 Subordination of Claims for Noncooperation. If an ancillary receiver in another state or foreign country, whether called by that name or not, fails to transfer to the domiciliary liquidator in this state any assets within his control other than special deposits, diminished only by the expenses of the ancillary receivership, if any, the claims filed in the ancillary receivership, other than special deposit claims or secured claims, shall be placed in the class of claims under paragraph VIII of section 48.

On land and improvements thereon acquired by the United States hereunder after April 1, 1955," and by inserting in line thirty-seven after the word "land" the following (and artificial improvements) so that said section as amended shall read as follows: **122:4 Reimbursement to Cities and Towns.** On or before the first day of October of each year, the state treasurer shall pay to each town and city in which any taxable real estate or interest therein has been acquired hereunder by the United States and thus become tax exempt for such year, a sum equal to the taxes which would have been assessed against said real estate or interest therein in such town or city if the same had been included in the list of taxable property for such year at an assessed valuation of the same determined as provided in this section. For land acquired by the United States hereunder, reimbursement shall be made upon a valuation determined as provided herein on a permanently continuing basis, and if growing wood and timber was taxable as real estate on the date of acquisition by the United States of the land on which it stood, it shall be deemed to be land hereunder. For all artificial improvements on land acquired by the United States hereunder, including buildings, structures and other artificial real estate fixtures of whatsoever

kind and nature, reimbursement shall be made upon a valuation determined initially as provided herein and thereafter annually reduced by two and one-half per cent so that at the end of forty years reimbursement therefor shall have terminated. On land and improvements thereon acquired by the United States hereunder the initial assessed valuation of the same for purposes of reimbursement shall be the locally assessed valuation thereon for the tax year in which acquired as adjusted by the assessors and the tax commission acting as a joint board, so as to make such valuation proportional to the value of all other property in such town or city subject to taxation; and for purposes of this section the joint board may subdivide such assessment equitably between land and improvements thereon or between real estate acquired and that not acquired, if the official assessment was not thus subdivided; and the valuations of improvements thus determined shall thereafter be annually reduced over a forty-year period as above provided. On land, and artificial improvements, the valuations initially established as above provided in a town or city shall be reviewed by the tax commission at least once in every five years and more frequently if reasonably necessary and be changed as necessary to make them proportional with the assessed value of all other taxable property in such town or city. The amount of the reimbursement due to each town and city hereunder shall be determined by the tax commission and certified by it to the state treasurer on or before the fifteenth day of September of each year. The tax commission shall reduce the amount of reimbursement thus determined by any amount paid or due that town or city for that year by or from the United States, another state, an interstate flood control agency or other source, because of such loss of taxable valuation. The governor is authorized to draw his warrant for the payment of such reimbursements out of any money in the treasury not otherwise appropriated. Provided however, that reimbursement payments for loss of taxes on account of the acquisition of railroad or public utility property shall be reduced to the extent that such railroad or public utility property is relocated and reconstructed in the same town or city as a result of such acquisition, and thereby is included to that extent in the list of taxable property in said town or city as relocated.

The court shall hear the appeal forthwith. If the appealing operator files a bond running to the state in an amount fixed by the court, with a surety company authorized to do business in the state as surety, conditioned upon the payment of taxes due and to become due during the pending of the appeal, then the suspension or revocation appealed from is inoperative.

- (c) three cents for a charge between forty-six and sixty-five cents inclusive;
- (d) four cents for a charge between sixty-six and eighty-five cents inclusive;

(e) five cents for a charge between eighty-six cents and one dollar and five cents, inclusive;

(f) six cents for a charge between one dollar and six cents and one dollar and twenty-five cents inclusive;

(g) one cent more for each additional twenty cent increment over one dollar and twenty-five cents.

287:15 Collection of Taxes. Amend RSA 78-A:7 (supp) as inserted by 1967, 213:1 by striking out said section and inserting in place thereof the following:

78-A:7 Collection of Tax; Abatement.

I. The operator shall either state the amount of the tax to each occupant or purchaser of a meal, or state that the tax is included in the price of the occupancy or meal. The operator shall demand and collect the tax from the occupant or purchaser. The occupant or purchaser shall pay the tax to the operator. If the tax is included in the price of the meal or occupancy, upon request the operator shall state to the purchaser or occupant the amount of the tax.

II. Each operator shall keep books and records in a form acceptable to the director showing the amount of all taxes collected. The operator shall pay the taxes over to the state as provided in this section. If the director believes that special action is necessary because payment of taxes collected may be in jeopardy, he may direct an operator to keep all taxes collected separate from any other funds. The director may require that the taxes be periodically deposited in a bank designated by the director, in an account in the name of the commission. The director may withdraw these tax collections from the bank account and apply them to the payment of the taxes due from the operator. When an operator commingles tax money with money belonging to him, the claim of the state for the tax is traceable, is enforceable against all other claims and takes precedence over all other claims against the commingled funds. No taxes collected by an operator under this chapter may be sent outside the state without the written consent of the director.

III. To compensate operators for keeping the prescribed records and the proper account and remitting of taxes by them, they are allowed to retain a percentage of the taxes due and to be remitted on account of the taxes due as follows:

(a) Three percent of the amount remitted, but not exceeding the amount of tax found to be due, if remitted before the eleventh day of the month in which they are due.

(b) Two percent of the amount remitted, but not exceeding the amount of tax found to be due, if remitted between the eleventh and the twentieth day, inclusive, of the month in which they are due.

(c) One percent of the amount remitted, but not exceeding the amount of tax found to be due, if remitted between the twenty-first day and the last day, inclusive, of the month in which they are due. In no case shall the director allow as a credit any percentage that is based on an amount more than the amount of tax found to be due. The amount to be retained is allowed in the form of a deduction in submitting the report of the operator

and the payment on account of the amount due from him. The amounts shall not be granted with respect to any taxes not paid on or before the last day of the month in which they are due, nor unless the operator has complied with all pertinent rules and regulations prescribed by the director and with all other requirements of this chapter.

IV. In lieu of keeping detailed records of taxes collected, and in lieu of payment of the taxes collected under this chapter, an operator may, in writing, elect to compute the amount of taxes due at five percent of the total taxable rent or charges for meals received by him, or both, exclusive of the taxes collected on such rents and charges. If this election is made, the operator may not change the method of computing taxes without the written consent of the director. Any balance of the tax remaining in the possession of the operator may be retained by him as further compensation for the keeping of the prescribed records and the proper account, and for the remitting of the tax by him. This balance is in addition to the percentage authorized to be retained by the operator under paragraph III of this section.

V. For good cause shown, the director, with the approval of the commission may abate any tax or portion thereof due from an operator.

VI. For the purposes of this chapter, every agent, person acting under a power of attorney, or other person acting for an owner of real estate who rents or leases the owner's real estate and collects rent subject to the tax imposed by this chapter is deemed to be an operator as defined in section 3 of this chapter.

287:16 Questions on Town Real Estate Inventory. Amend RSA 74:4 (supp) as amended by 1961, 270:4 and 1969, 55:2 by striking out said section and inserting in place thereof the following:

74:4 Inventory Blanks. The inventory blanks shall be so arranged and formulated as to require:

I. Under penalty of perjury, from the person or corporation to be taxed, in answer to interrogatories therein stated;

(a) a statement from each person who is claiming a property tax exemption under RSA 72:28, 29-a, 30, 31, 32, 35, 36-a or 37 that he is applying for said exemption and is entitled thereto,

(b) a description of all real estate taxable to the person or corporation,

(c) a statement of the gross amount or quantity of each class of personal property for which he or it is taxable, except boats which are not stock in trade,

(d) such other information as will enable the selectmen or assessors to assess all the taxable property of such person or corporation and at its true value, and

(e) a list of the shares in railroad corporations of this state owned by such person or corporation.

II. The owner's estimate:

(a) of the value of his stock in trade, but not of his other property,

(b) of the amount and kind of merchantable wood and timber owned by him and standing on the land of another.

III. The owner's statement as to whether any real estate owned by him which provided sleeping accommodations had been rented or leased to another person for a period of less than ninety-five days during the twelve month period preceding April 1 of that year.

287:17 Special Filing of Returns, Optional Dates; Extension. Amend RSA 78-A:9 (supp) as inserted by 1967, 213:1 by striking out the said section and inserting in place thereof the following:

78-A:9 Returns; Special, Optional, and Extensions.

I. If the director believes special action is necessary when the collection of the tax may be in jeopardy, he may require an operator to file returns and pay taxes under this chapter at any time and from time to time.

II. Upon written request and for good cause shown:

(a) The director may authorize an operator whose books and records are not kept on a calendar year basis to file returns at times other than those specified in section 8 of this chapter.

(b) The director may authorize seasonal hotels and seasonal restaurants to make less than four returns during a calendar year.

(c) The director may extend the time for making any return required by this chapter.

287:18 Refunds. Amend RSA 78-A:10 (supp) as inserted by 1967, 213:1 by striking out said section and inserting in place thereof the following:

78-A:10 Overpayment; Refunds. If the director determines that, through error, an operator has made an overpayment of taxes or interest or a penalty, the director with the approval of the commission shall credit the amount of the overpayment on any tax imposed by this chapter that is then due or to become due from the operator. Upon request, the director, with the approval of the commission, shall order any overpayment to be refunded to the operator, or to his successors, administrators, executors, or assigns. No refund or credit of an overpayment is allowed after two years from the date the return was due. If the overpayment is less than one dollar, no refund is payable unless the operator requests it in writing.

287:19 Failure to Make Return. Amend paragraph I of RSA 78-A:11 (supp) as inserted by 1967, 213:1 by striking out in line two the word "commission" and inserting in its place the word (director), by striking out in line three the word "it" and inserting in place thereof the word (he) and by striking out in line four the word "it" and inserting in place thereof the word (him) so that the said paragraph as amended shall read as follows: I. If any operator fails to make a return as required by this chapter, the director may make an estimate of the tax liability of the operator from any information he may obtain, and according to such estimate so made by him, may assess the taxes, interest, and penalty due the state from the operator, may give notice of the assessment to the operator, and may make demand upon him for payment.

287:20 Deficiency of Payment. Amend paragraph II of RSA 78-A:11 (supp) as inserted by 1967, 213:1 by striking out in lines one and two the word "commission" and inserting in its place the word (director), by striking out in lines three and five the word "it" wherever the word appears and in-

serting in place thereof the word (he); and by striking out in line three the word "determined" and inserting in its place the word (determines) so that said paragraph as amended shall read as follows: II. After a return is filed under the provisions of this chapter, the director shall cause the return to be examined, and may make such further audits or investigation as he considers necessary. If he determines that there is a deficiency with respect to the payment of any tax due under this chapter, he shall assess the taxes and interest due the state, shall give notice of the assessment to the person liable, and shall make demand upon him for payment. No assessment under this section may be made after two years from the date the return was due, unless the return was fraudulent.

287:21 Demand for Immediate Payment of Tax. Amend paragraph III of RSA 78-A:11 (supp) as inserted by 1967, 213:1 by striking out in lines one, six, nine and twelve the word "commission" and inserting in its place the word (director) so that the said paragraph as amended shall read as follows: III. If the director finds that an operator liable for a tax designs to leave the state, or to remove his property from the state, or to conceal himself or his property, or to discontinue business, or to do any other act tending to prejudice or to render wholly or partially ineffective proceedings to collect the tax, unless proceedings be brought without delay, the director shall cause notice of the finding to be given the operator, together with a demand for an immediate tax return and immediate payment of the tax. If the tax return and payment are not made when demanded, the director may make an estimate of the tax liability of the person from any information he may obtain and, according to such estimate may assess the taxes due the state from the person. The director shall give notice of the assessment to the operator and shall make a demand for payment of the tax. The assessment is presumed to be correct, the burden showing otherwise being on the operator. At the time the demand for payment is made, the tax becomes due and payable. The attorney general may at the same time, without delay, bring suit for the collection of the tax.

287:22 Reconsideration of Director's Ruling. Amend RSA 78-A:12 (supp) as inserted by 1967, 213:1 by striking out in lines two and four the word "commission" and inserting in its place the word (director), by inserting in line five after the word "petition" the words (the commission); by striking out in lines seven, nine and ten the words "within fifteen days"; by striking out in line eight the words "at the expiration of fifteen days"; and by striking out in line thirteen the word "a" and inserting in its place the word (good) so that the said section as amended shall read as follows: **78-A:12 Petition for Reconsideration.** Any operator against whom an assessment has been made by the director under the provisions of section 11 of this chapter, and any person aggrieved by the refusal of the director to make a refund requested under section 10 of this chapter, may petition the commission for a reconsideration within fifteen days after notice has been given the person as provided in this chapter. If a petition for reconsideration is not filed, the amount of the assessment or the refusal to refund becomes final as to law and fact. If a petition for a reconsideration is filed, the commission shall reconsider the assessment or the refusal, and if the petitioner so requested in his petition, shall grant the petitioner an oral hearing and

shall give the petitioner ten days' notice of the time and place of the hearing. For good cause shown the commission may extend the time for filing the petition. If appeal is not taken as provided in section 13 of this chapter, the assessment or the refusal to refund upon reconsideration becomes final as to law and fact at the expiration of the thirty day period therein allowed for the taking of appeals.

287:23 Appeals; County of Filing. Amend paragraph I of RSA 78-A:13 (supp) as inserted by 1967, 213:1 by striking out in line two the word "a" and by striking out in lines five and six the words "subject to this chapter" so that the said paragraph as amended shall read as follows: I. Any person aggrieved by a decision of the commission upon a petition for reconsideration provided for in section 12 of this chapter may, within thirty days after a denial by the commission of the relief asked for, file a petition to review the decision of the commission in the superior court of any county in which the person has a place of business.

287:24 Appeals; Bond; Remedy. Amend paragraph III of RSA 78-A:13 (supp) by striking out in line two the word "effect" and inserting in its place the word (completion); by inserting in line three after the word "premises" the words (The court may also require the appellant to provide a bond running to the state with surety in a sum fixed by the court, conditioned upon the payment of taxes found to be due and to become due during the pendency of the appeal) and by inserting in line five between the words "be" and "equitable" the words (just and) and by striking out in line six the word "taxpayer" and inserting in place thereof the word (person) so that the said paragraph as amended shall read as follows: III. The court shall take from the appellant a bond or recognizance to the state, with surety, to prosecute the appeal to completion and to comply with the orders and decrees of a court in the premises. The court may also require the appellant to provide a bond running to the state with surety in a sum fixed by the court, conditioned upon the payment of taxes found to be due and to become due during the pendency of the appeal. Such appeals shall be preferred cases for hearing on the docket of the court. The court may grant such relief as may be just and equitable, and may order the state treasurer to pay to the aggrieved person the amount of the relief granted with interest at the rate of six per cent per year. Upon all appeals which are denied costs may be taxed against the appellant at the discretion of the court, but the court may not tax costs against the state.

287:25 Notices; Method of Serving. Amend RSA 78-A:15 (supp) as inserted by 1967, 213:1 by striking out the said section and inserting in place thereof the following:

78-A:15 Notices.

I. Unless otherwise provided, any notice required to be given under this chapter is sufficient if a written copy of the notice is served on the person to be notified at least ten days, or mailed to the person at least twelve days before the hearing or event of which notice is given.

II. Any notice required to be given by the director or the commission under this chapter may be served personally by any person or by sending the notice by registered or certified mail to the person for whom it is intended,

addressed to the person at the address given in the last report filed by him under this chapter. If no report has been filed, it is sufficient to send the notice to the address of his last known abode, or if other than an individual, to the address of the last known business address.

287:26 Interest Rate on Late Taxes. Amend RSA 78-A:16 (supp) as inserted by 1967, 213:1 by striking out in line three the words "one-half of" so that said section as amended shall read as follows: **78-A:16 Interest.** Any person who fails to pay any tax imposed by this chapter on or before the date when the tax is required to be paid shall pay interest on the tax at the rate of one per cent each month or fraction of a month if the tax remains unpaid, to be calculated from the date the tax was required to be paid. All interest is payable to and recoverable by the commission in the same manner as is the tax imposed by this chapter. For a reasonable cause the commission may abate all or any part of the interest.

287:27 Penalties. Amend RSA 78-A:18 (supp) as inserted by 1967, 213:1 by inserting after paragraph II the following new paragraph: III. Any occupant or purchaser who wilfully fails, neglects, or refuses to pay any tax assessed against him by this chapter is guilty of a misdemeanor and may be fined not more than fifty dollars.

287:28 Right to Privacy. Amend RSA 78-A:22 (supp) as inserted by 1967, 213:1 by inserting after paragraph IV a new paragraph as follows: V. The provisions of RSA 91-A governing access to public records do not apply to any hearing or proceeding before the director or the commission under this chapter.

287:29 Effective Dates.

CHAPTER 288.

AN ACT MAKING PERMISSIBLE THE GROUP MARKETING OF MOTOR VEHICLE
INSURANCE.

*Be it Enacted by the Senate and House of Representatives in General Court
convened:*

288:1 New Chapter. Amend RSA by inserting after chapter 407-A as inserted by 1959, 228:1 the following new chapter:

Chapter 407-B
Group Marketing of Motor Vehicle Insurance

407-B:1 Purpose. The purpose of this chapter is to permit the writing of motor vehicle insurance in this state on a group merchandising basis subject to the conditions stated herein, to avoid the application of any statute forbidding discrimination between insureds as to the type of business defined herein and to set forth the terms and conditions under which insurance on a group merchandising basis may be written.

407-B:2 Definitions. The following words, as used in this chapter, unless the context otherwise requires or a different meaning is specifically prescribed, shall have the following meanings:

I. **Group Motor Vehicle Insurance Defined.** All motor vehicle insurance which is offered by a licensed insurer in this state on a group merchandising plan to an eligible group as herein defined shall be deemed group motor vehicle insurance.

II. **Group Merchandising Defined.** The marketing of group motor vehicle insurance by a licensed insurer otherwise engaged in insuring independent individual risks, to an eligible group on a guaranteed basis under a single insurance program, without individual underwriting selection or individual proof of insurability, shall be deemed group merchandising. This method of marketing insurance is generally referred to as "mass merchandising," "franchise merchandising," or "collective merchandising;" but for purposes of this section shall hereinafter be only referred to as "group merchandising" or the "group plan" as here in defined.

III. **Eligible Group Defined.** Any group to be eligible for group merchandising shall have been in existence for more than five years prior to the purchase of such insurance, and shall not have been organized solely for the purpose of purchasing insurance. Such group shall have a high degree of homogeneity and may include members of unincorporated and corporated associations, labor unions, employees of a common employer and similar principal agent relationships. No group will be eligible unless it consists of five hundred or more members with at least seventy-five per cent participation in the group plan. Where the group has national or other affiliates, only the members located in the state of New Hampshire shall be considered in determining the number and percentage of individuals necessary for establishing group eligibility.

IV. **Eligible Members Defined.** Eligible members shall include all members in good standing in the group provided employees shall be engaged in at least twenty-four hours employment per week, except as otherwise provided in section 4. Officers and directors of an eligible group and individual proprietors and partners shall be eligible for a group plan and as such may be considered as employees.

407-B:3 General Conditions. Group motor vehicle insurance may be issued in this state provided the following conditions are complied with:

I. Mandatory participation in the group plan shall not be required as a condition of employment, nor shall any member not participating in the plan be coerced or discriminated against.

II. The insurer and the group insured must accept all members or employees who are eligible and wish to participate in the plan.

III. Such a group plan shall include a provision that any member of the group shall have the right to convert his group policy to an individual standard policy of insurance in the same company as offered by the insurer to the non-group insureds upon termination of his connection with the group extending to him the same limits of coverage.

IV. To qualify to write the group insurance herein defined, an insurer must also be engaged in the business of writing the type of coverage offered for insureds other than group and may not be organized solely for the purpose of furnishing coverage to such groups.

V. Each member of the group must be issued the same form of policy as approved for issue in this state varying only as to the amounts of insurance and limits of liability.

VI. Insurance must be provided by individual policies to each member of the group under an arrangement whereby the premiums on such policies shall be paid to the insurer periodically by the group with or without payroll deductions.

VII. An insurer may not cancel the insurance of an individual member of the group except for the non-payment of premium by such member or unless the insurance for the entire group is cancelled. In such cases notice of cancellation as provided in like non-group policies shall be given to each member.

VIII. The plan shall provide that only those motor vehicles owned by members of the group or their spouses or children, jointly or severally, shall be eligible for coverage.

IX. All individuals considered "Eligible Members" as defined herein shall be provided with this motor vehicle group insurance plan if they wish it, provided one family member holds a valid license to operate a motor vehicle.

407-B:4 Maintenance of Records. Every insurer writing insurance under this group merchandising plan shall keep and maintain separate experience data on this type of business including complete records of premium income, losses and expense so that the experience of each group may be fairly ascertained.

407-B:5 Rates. Rates for this type of business shall be adequate but not excessive or unfairly discriminatory and shall be filed and approved by the insurance commissioner before they may be used under such rules and regulations as he may adopt. The provisions of RSA 412:14-18 inclusive and RSA 414 shall apply insofar as consistent with the provisions of this chapter.

407-B:6 Experience Rating. No experience rating shall be applied to an individual group until after three years of operation and at that time shall be based on the experience of the preceding three calendar years.

Thereafter, any experience rating shall be made annually using the last three calendar years. In case of merger of two or more companies, the three-year minimum will apply to the oldest company in the newly-formed entity, not the new entity formed by the merger itself.

407-B:7 Other Group Plans. The provisions of this chapter shall not apply to any plans of group life insurance or group accident and sickness insurance but any existing plan of group motor vehicle insurance now in effect shall conform to the provisions of this chapter.

288:2 Effective Date. This act shall take effect sixty days after its passage.

[Approved June 26, 1969.]

[Effective date August 25, 1969.]

CHAPTER 290.

AN ACT TO IMPROVE MANAGEMENT-EMPLOYEE RELATIONS IN STATE EMPLOYMENT.

Be it Enacted by the Senate and House of Representatives in General Court convened:

290:1 Management-Employee Relations. Amend RSA by inserting after RSA 98-B (supp) the following new chapter:

Chapter 98-C

Management-Employee Relations in State Employment

98-C:1 Definitions. As used in this chapter the following words shall have the following meanings unless the context clearly requires otherwise:

I. "Employee" or "employees" shall mean classified employees of the state, and non-academic employees (exclusive of department heads and

executive officers) of the University of New Hampshire including Keene State College and Plymouth State College as defined by the board of trustees of the university in accordance with 1963, 303:11, II.

II. "Employee organization" shall mean any lawful association, federation, council or other labor organization of employees, having as a primary purpose the improvement of working conditions among employees. This term shall not include any organization (1) which advocates the unlawful overthrow of the constitutional form of government in the United States or this state, or (2) which discriminates with regard to terms or conditions of membership because of race, color, creed or national origin, or (3) which does not maintain democratic procedures and practices regarding election of officers, individual participation in organization affairs, fair and equal treatment under its by-laws including due process in disciplinary proceedings, or (4) which does not maintain fiscal integrity in the conduct of the affairs of the organization including accounting controls and regular financial reports to members.

III. "Commission" shall mean the commission, hereby established, consisting of three persons, namely, the chairman of the state personnel commission (or some other member of such commission when designated by the chairman), the commissioner of labor (or his deputy when designated by him), and the secretary of state (or his deputy when designated by him). The commission shall choose its own chairman and secretary.

IV. "Director" shall mean the director of personnel or his deputy as provided in RSA 98.

V. "Unit" shall mean all employees, or, in the alternative, groups of employees classified according to department, groups of departments, institution, or groups of institutions, as the commission shall determine, upon petition, to be appropriate in order to assure to employees the fullest freedom in exercising their rights hereunder and also to provide for efficient and harmonious administration of management-employee relations. No unit may contain less than ten employees; provided however, that with respect to the University of New Hampshire, Keene State College, Plymouth State College and the Merrimack Valley Branch, a unit for purposes of representation and collective bargaining shall not be less than entire campus of any one division of the system.

VI. "Appointing authority" shall mean the officer, board, commission, person or group of persons having the power to make appointments, promotions, discharges or demotions of employees or to take disciplinary action against them.

VII. "Chief executive officer of unit" shall mean (1) the governor with the consent of the council, if the unit includes all employees or two or more departments or institutions, (2) the department head if the unit is a single department or institution, (3) the president of the University of New Hampshire if the unit includes non-academic employees of the University of New Hampshire including Keene State College and Plymouth State College.

98-C:2 Employee Rights. Employees shall have, and shall be protected in the exercise of, the right, freely and without fear of penalty or reprisal, to form, join and assist any employee organization, or to refrain from any

such activity. Except as hereinafter expressly provided, the freedom of such employees to assist any employee organization shall be recognized as extending to participation in the management of such employee organization and acting for such organization as its representative, including, without limitation, presentation of its views to the governor, the governor and council, the legislature, the commission or the director. The head of each department or agency and the appointing authority shall take such action, consistent with law, as may be required to assure that no interference, restraint, coercion or discrimination is practiced within such department or agency to discourage or encourage membership in any employee organization or to discourage or hinder the free exercise of the rights of employees hereunder. Provided that the rights described in this section do not extend to participation in the management of an employee organization or acting as its representative where such participation or activity would result in a conflict of interest or otherwise be incompatible with law or with the official duties of an employee.

98-C:3 Representation and Elections.

I. An employee organization designated or selected by the majority of the employees in the unit shall be the exclusive representative of all the employees in such unit for the purpose of this chapter, shall be entitled to recognition by all departments, agencies and appointing authorities as such exclusive representative; shall be entitled to confer upon and to adjust employee grievances, and to act for and to negotiate agreements covering all employees in the unit, and shall be responsible for representing the interest of all such employees without discrimination and without regard to employee membership in the organization.

II. Recognition of an employee organization as such exclusive representative shall not —

(a) If he so elects, preclude any employee, regardless of membership or non-membership in such organization, from bringing matters of personal concern to the attention of appropriate officials in accordance with applicable law, regulations or established policy, or from acting in his own behalf or choosing his own attorney or agent in a grievance or appellate action; or

(b) Preclude any employee who is not a member of such organization from having and enjoying, without discrimination, all employment rights and benefits available to members thereof.

III. If an employee organization claims the right to act as exclusive representative for any employees, it may file a petition with the commission setting forth its claims and describing the unit for which it claims the right of exclusive representation. No such petition may be considered unless it is supported by the signatures of at least twenty-five percent of the employees in the claimed unit or one hundred employees, whichever is less. The commission shall investigate such petition and may, upon due notice, conduct a hearing on the appropriateness of the unit. If the commission finds that the unit claimed or some other unit or units are appropriate and that a question of representation of such unit or units exists, it shall direct an election by secret ballot in such unit or units and shall certify the results thereof to the governor and the employee organization. The conduct of such elections shall be under the supervision of the director and shall be in ac-

cordance with regulations issued by the commission. The petitioners shall have the right to be heard on the question of election procedure. The director shall determine all questions of eligibility to vote, subject to the right of appeal to the commission. Upon the filing of a petition with the commission signed by twenty-five percent or more of the employees in the unit alleging that they desire to revoke a prior selection of an employee organization as exclusive representative, the commission shall likewise direct an election by secret ballot and shall certify the results thereof. No election shall be directed in any unit within which, in the preceding two-year period, a valid election shall have been held.

IV. An employee organization shall be entitled to have payroll deductions of membership dues upon presentation of dues deduction authorization cards signed by individual employees.

V. The names of employees signing petitions for elections or decertification shall be exempt from disclosure under RSA 91-A.

98-C:4 Agreements.

I. The chief executive officer of a unit is empowered to negotiate and enter into a written agreement for a term not exceeding five years with a certified and recognized employee organization as to the conditions of employment of employees in the unit, which may, without being limited thereto, include provisions —

(a) Establishing lawful procedures and steps for adjustment of grievances and disputes relating to conditions of employment, provided that the settlement thereof is not incompatible with law.

(b) Establishing lawful procedures and steps for conferring upon and considering recommendations for improvements in personnel policies and changes in classifications and allocations.

(c) Establishing lawful procedures and steps for arbitration of grievances and disputes relating to conditions of employment, which cannot be adjusted by agreement; the decision of the arbitrator or arbitrators to be final and binding on the parties unless it is incompatible with existing law or regulation or requires an appropriation of additional funds, in which case it shall be only advisory in nature.

(d) Establishing lawful procedures and steps for mediation or fact-finding to assist in the negotiation of an agreement in succession to one which is about to or has expired which provisions shall survive the term of the agreement.

II. Every such agreement shall contain a no-strike clause which shall survive the term of the agreement and remain in effect until a new agreement is negotiated covering the same employees. No such agreement shall infringe upon the rights of individual employees under RSA 98 and the regulations issued pursuant thereto. Such agreement shall at all times be subject to existing or future laws and all valid regulations adopted pursuant thereto. Every such proposed agreement shall be approved as to form and legality by the attorney general or his deputy or assistant prior to its execution.

III. Such agreements shall be binding on the state and the employee

organization and all department heads and appointing authorities and employee organizations shall be obligated to faithfully execute the provisions thereof.

98-C:5 Obligation to Negotiate. The chief executive officer of a unit, or his duly authorized representative or representatives, shall be required to meet with the duly authorized representative or representatives of a certified and recognized employee organization, upon request, and to bargain in good faith for the purpose of reaching agreement upon the terms of an agreement as provided in section 4.

98-C:6 Withdrawal of Recognition and Penalties. An employee organization may lose its right of exclusive representation by loss of a duly called election under section 3. The commission may decertify any recognized employee organization upon finding after due notice and hearing, that it fails to meet the standards of section 1, paragraph II or that it has actually called a strike against the state or any agency thereof or has assisted or participated in any such strike. Upon decertification as provided in this section, any agreement to which such employee organization is a party shall terminate forthwith and this condition shall be implied in all agreements negotiated hereunder. Any employee who engages in, participates in, or assists in a strike against the state or any agency thereof shall be subject to the disciplinary penalties provided by law and personnel regulations for serious misconduct.

98-C:7 Prerogatives of Management. The state retains the exclusive right through its department heads and appointing authorities, subject to the provisions of law and the personnel regulations (a) to direct and supervise employees, (b) to appoint, promote, discharge, transfer or demote employees, (c) to lay off unnecessary employees, (d) to maintain the efficiency of government operations, (e) to determine the means, methods and personnel by which operations are to be conducted, and (f) to take whatever actions are necessary to carry out the mission of the agency or department in situations of emergency.

401-A:4 Commissioner's Discretion.

I. The insurance commissioner shall disapprove the acquisition of control of a domestic insurer or insurance holding company if he determines that such action is reasonably necessary to protect the interests of the people of this state or of the policyholders or stockholders of the insurer or insurance holding company. The following shall be the only factors to be considered by him in making the foregoing determination:

- (a) The financial condition of the acquiring person and the insurer,
- (b) The trustworthiness of the acquiring person or any of its officers or directors,
- (c) A plan for the proper and effective conduct of the insurer's operations,
- (d) Sources of funds or assets for the acquisition,

(e) The fairness of any exchange of stock, assets, cash or other consideration for the stock or assets to be received,

(f) Whether the effect of the acquisition may be substantially to lessen the competition in any line of commerce in insurance or to tend to create a monopoly therein and,

(g) Whether the acquisition is likely to be hazardous or prejudicial to the insurer's policyholders or stockholders.

II. If the insurance commissioner finds that the statement and other material filed pursuant to this chapter comply with the requirements of this chapter, and any regulations promulgated thereunder and if he has no reason to believe that such acquisition will be in conflict with the interest or of the people in this state or of the policyholders or stockholders of the insurer or insurance holding company as set forth above, the commissioner shall so notify the person filing the statement, the issuer whose stock is proposed to be acquired. Notice shall also be given by the insurance commissioner of any disapproval. If an approval is made by the insurance commissioner and not otherwise, the proposed offer and acquisition may thereafter be made and consummated on the terms and conditions and in the manner described in the statement and subject to such conditions as may be prescribed by the insurance commissioner as hereinafter provided.

III. The insurance commissioner may as a condition of his approving determination require the inclusion in any offer of provisions requiring the offer to remain open the specified minimum length of time, permitting withdrawal of shares deposited prior to the time the offerer becomes bound to consummate the acquisition and requiring pro rata acceptance of any shares deposited pursuant to the offer. The insurance commissioner shall hold a hearing for making the determination required by this section if within ten days following the filing with the insurance commissioner of the statement called for by section 3 of this chapter, written request for the holding of such hearings is made either by the person proposing to make the acquisition, by the issuer whose stock is proposed to be acquired. Otherwise, the insurance commissioner shall determine in his discretion whether such a hearing shall be held. Notice of any such hearing shall be given to the person proposing to make the acquisitions, to the issuer whose stock is proposed to be acquired and if such issuer is an insurance holding company to the insurance company, more than fifty percent of whose outstanding stock of any class is beneficially owned by such insurance holding company. Notice of any such hearing shall also be given to other persons, if any, as the insurance commissioner may determine.

401-A:5 Service of Process. Every person who files a statement with the insurance commissioner under this chapter shall file with the statement an irrevocable written consent that actions against such person arising out of violation of this chapter may be commenced in the superior court. Such consent shall provide that service of process, and similar service of pleading and notices such actions, shall be as valid and binding as if due service had been made upon the person himself according to the laws of this or any other state, if copies thereof are served on the insurance commissioner and transmitted by certified mail by the insurance commissioner to such person at his last address on file with the insurance commissioner. No such consent

shall be required from a person or a corporation or insurance company organized under the laws of this state or qualified to do business as a foreign corporation in this state.

401-A:6 Rules and Regulations. The insurance commissioner shall have the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out the provisions of this chapter.

401-A:7 Misleading Statements. No person who acquires or offers to acquire insurance stock or insurance holding company stock pursuant to this chapter shall make in connection therewith any false, deceptive or misleading statement, or omit to state any material fact necessary in order to make the statements made in light of the circumstances under which they are made not misleading, or engage in any act or practice which is fraudulent, deceptive or manipulative.

401-A:8 Injunctive Relief. If any person shall acquire or offer to acquire insurance stock or insurance holding company stock in violation of any provision of this chapter, or of any rule or regulation made pursuant to section 6, the issuer of the stock so acquired or proposed to be acquired, any stockholder of such issuer, and, if such issuer is an insurance holding company and the insurance company fifty percent or more whose outstanding capital stock of any class is beneficially owned by such insurance holding company, any stockholder of such insurance company or the insurance commissioner may petition the superior court of the county wherein the issuer has its primary place of business, for a decree enjoining such acquisition or offer and for such further relief as the court may deem appropriate. If such issuer does not have a place of business in this state, such petition may be filed with the superior court for Merrimack county.

401-A:9 Penalties. Any person who shall knowingly make or cause to be made any false statements in any document filed with the insurance commissioner under this chapter, or who shall violate any provision of this chapter, shall be guilty of a misdemeanor and upon conviction thereof, shall be sentenced to pay a fine of not more than five thousand dollars or imprisoned for not more than five years or both, provided, however, that no broker dealer whose participation in an offer or acquisition is limited to the performance of the customary broker's function in transactions effected on a stock exchange or the over the counter market who receives no more than the customary broker's commission and who does not solicit or arrange for the solicitation of orders to sell shares in capital stock in the corporation whose shares are being purchased and who has no knowledge that the principal has solicited or arranged to solicit any such orders, shall be deemed guilty of any violations of this chapter. The exemption of the broker dealer shall not exempt his principal.

401-A:10 Exceptions. The provisions of this chapter shall not apply in any of the following acquisitions or offers to acquire insurance stocks or insurance holding company stock:

- I. Any acquisition or offer by
 - (a) the issuer of such stock, or
 - (b) a person who, at the time, owns beneficially more than fifty per cent of the shares of each class proposed to be acquired.

II. An offer or acquisition which the insurance commissioner by order shall in a particular case exempt from the provisions of this chapter as not entered into for the purpose of, and not having the effect of, changing or influencing the control of the insurance company organized under the laws of the state or an insurance holding company and does not require the application of the procedures described in this chapter for the protection of stockholders whose shares are to be acquired, provided, that prior to the issuance of any such order, notice that he is considering the issuance of such an order shall be given by the insurance commissioner to the person proposing to make the offer or acquisition, to the issuer whose stock is proposed to be acquired, and, if such issuer is an insurance holding company, to the insurance company fifty per cent or more of whose outstanding capital stock of any class is beneficially owned by such insurance holding company. The insurance commissioner shall hold a hearing for the purpose of determining whether such an order should be granted if within ten days of the mailing of the said notice that he is considering the granting of such an order, written request for the holding of such a hearing made to the insurance commissioner by the issuer whose stock is proposed to be acquired or if such issuer is the insurance holding company by the insurance company fifty per cent or more of whose outstanding capital stock of any class is beneficially owned by such insurance holding company.

I. Power of Commissioner. Subject to the limitation contained in this chapter and in addition to the powers which the commissioner has under RSA Title XXXVII relating to the examination of insurers, the commissioner shall also have the power to order any insurer to produce such records, books, or papers in the possession of the insurer or its affiliates as shall be necessary to verify the information required to be contained in the insurer's statement, as required by section 3, and any additional information pertinent thereto. Such books, records, papers, and information shall be examined in the manner prescribed in RSA Title XXXVII relating to the time and place of examination.

II. Purpose and Limitation of Examination. The purpose of the examination under paragraph I above shall be to verify the registration statement and any addition or amendment thereto made pursuant to this chapter. The commissioner shall exercise his power under paragraph I only if the examination of the insurer under RSA Title XXXVII is inadequate or the interests of the policyholders of such insurer are being adversely affected and, in any event, within three calendar years from the date of filing of such registration statement or such addition or amendment thereto unless there is fraud involved in which case the three year limitation is not applicable.

III. Use of Consultants. The commissioner may retain at the insurer's expense such attorneys, actuaries, accountants, and other experts not otherwise a part of the commissioner's staff as shall be reasonably necessary to assist in the conduct of the examination under paragraph I. Any persons or organizations so retained shall be under the direction and control of the commissioner and shall act in a purely advisory capacity.

IV. Expenses. Each insurer producing for examination records, books, and papers pursuant to paragraph I shall be liable for and shall pay the expense of such examination.

Be it Enacted by the Senate and House of Representatives in General Court convened:

312:1 New Chapter. Amend RSA by inserting after chapter 564 the following new chapter:

Chapter 564-A

Uniform Trustees' Powers Act

564-A:1 Definitions. As used in this chapter:

I. "Trust" means an express trust created by a trust instrument, including a will, whereby a trustee has the duty to administer a trust asset for the benefit of a named or otherwise described income or principal beneficiary, or both; "trust" does not include a resulting or constructive trust, a business trust which provides for certificates to be issued to the beneficiary, an investment trust, a voting trust, a security instrument, a trust created by the judgment or decree of a court, a liquidation trust, or a trust for the primary purpose of paying dividends, interest, interest coupons, salaries, wages, pensions or profits, or employee benefits of any kind, an instrument wherein a person is nominee or escrowee for another, a trust created in deposits in any financial institution, or other trust the nature of which does not admit of general trust administration;

II. "Trustee" means an original, added, or successor trustee;

III. "Prudent man" means a trustee whose exercise of trust powers is reasonable and equitable in view of the interests of income or principal beneficiaries, or both, and in view of the manner in which men of ordinary prudence, diligence, discretion, and judgment would act in the management of their own affairs.

564-A:2 Powers of Trustee Conferred by Trust or Law.

I. The trustee has all powers conferred upon him by the provisions of this chapter unless limited in the trust instrument.

II. An instrument which is not a trust within the meaning of section 1 may incorporate any part of this chapter by reference.

564-A:3 Powers of Trustees Conferred by this Chapter.

I. From time of creation of the trust until final distribution of the assets of the trust, a trustee has the power to perform, without court authorization, every act which a prudent man would perform for the purposes of the trust including but not limited to the powers specified in paragraph III.

II. In the exercise of his powers including the powers granted by this chapter, a trustee has a duty to act with due regard to his obligation as a fiduciary including a duty not to exercise any power under this chapter in such a way as to deprive the trust of an otherwise available tax exemption, deduction or credit for tax purposes or deprive a donor of a trust asset of a tax exemption, deduction or credit or operate to impose a tax upon a donor or other person as owner of any portion of the trust. "Tax" includes, but is not limited to, federal, state or local income, gift, estate, or inheritance tax.

III. A trustee has the power, subject to paragraphs I and II:

(a) to collect, hold, and retain trust assets received from a trustor until, in the judgment of the trustee, disposition of the assets should be made; and the assets may be retained even though they include an asset in which the trustee is personally interested;

(b) to receive additions to the assets of the trust;

(c) to continue or participate in the operation of any business or other enterprise, and to effect incorporation, dissolution, or other change in the form of the organization of the business or enterprise;

(d) to acquire an undivided interest in a trust asset in which the trustee, in any trust capacity, holds an undivided interest;

(e) to invest and reinvest trust assets in accordance with the provisions of the trust or as provided by law;

(f) to deposit trust funds in a bank, including a bank operated by the trustee;

(g) to acquire or dispose of an asset, for cash or on credit, at public or private sale; and to manage, develop, improve, exchange, partition, change the character of, or abandon a trust asset or any interest therein; and to encumber, mortgage, or pledge a trust asset for a term within or extending beyond the term of the trust, in connection with the exercise of any power vested in the trustee;

(h) to make ordinary or extraordinary repairs or alterations in buildings or other structures, to demolish any improvements, to raze existing or erect new party walls or buildings;

(i) to subdivide, develop, or dedicate land to public use; or to make or obtain the vacation of plots and adjust boundaries; or to adjust differences in valuation on exchange or partition by giving or receiving consideration; or to dedicate easements to public use without consideration;

(j) to enter into a lease as lessor or lessee with or without option to purchase or renew for a term within or extending beyond the term of the trust for any purpose;

(k) to enter into a lease or arrangement for exploration and removal of minerals or other natural resources or enter into a pooling or unitization agreement;

(l) to grant an option involving disposition of a trust asset, or to take an option for the acquisition of any asset;

- (m) to vote a security, in person or by general or limited proxy;
- (n) to pay calls, assessments, and any other sums chargeable or accruing against or on account of securities;
- (o) to sell or exercise stock subscription or conversion rights; to consent, directly or through a committee or other agent, to the reorganization, consolidation, merger, dissolution, or liquidation of a corporation or other business enterprise;
- (p) to hold a security in the name of a nominee or in other form without disclosure of the trust, so that title to the security may pass by delivery; the trustee is liable for any act of the nominee in connection with the stock so held;
- (q) to insure the assets of the trust against damage or loss, and the trustee against liability with respect to third persons;
- (r) to borrow money to be repaid from trust assets or otherwise; to advance money for the protection of the trust, and for all expenses, losses and liabilities sustained in the administration of the trust or because of the holding or ownership of any trust assets, for which advances with any interest the trustee has a lien on the trust assets as against the beneficiary;
- (s) to pay or contest any claim; to settle a claim by or against the trust by compromise, arbitration, or otherwise; and to release, in whole or in part, any claim belonging to the trust to the extent that the claim is uncollectible;
- (t) to pay taxes, assessments, compensation of the trustee, and other expenses incurred in the collection, care, administration, and protection of the trust;
- (u) to allocate items of income or expense to either trust income or principal, as provided by law, including creation of reserves out of income for depreciation, obsolescence, amortization, or for depletion in mineral or timber properties;
- (v) to pay any sum distributable to a beneficiary under legal disability, without liability to the trustee, by paying the sum to the beneficiary or by paying the sum for the use of the beneficiary either to a legal representative appointed by the court, or if none, to a relative;
- (w) to effect distribution of property and money in divided or undivided interests and to adjust resulting differences in valuation;
- (x) to employ persons, including attorneys, auditors, investment advisors, or agents, even if they are associated with the trustee, to advise or assist the trustee in the performance of his administrative duties; to act without independent investigation upon their recommendations; and instead of acting personally, to employ one or more agents to perform any act of administration, whether or not discretionary;
- (y) to prosecute or defend actions, claims or proceedings for the protection of trust assets and of the trustee in the performance of his duties;
- (z) to execute and deliver all instruments which will accomplish or facilitate the exercise of the powers vested in the trustee.

564-A:4 Trustee's Office Not Transferable. The trustee shall not transfer his office to another or delegate the entire administration of the trust to a cotrustee or another.

564-A:5 Power of Court to Permit Deviation or to Approve Transactions Involving Conflict of Interest.

I. This chapter does not affect the power of a court of competent jurisdiction for cause shown and upon petition of the trustee or affected beneficiary and upon appropriate notice to the affected parties to relieve a trustee from any restrictions on his power that would otherwise be placed upon him by the trust or by this chapter.

II. If the duty of the trustee and his individual interest or his interest as trustee of another trust, conflict in the exercise of a trust power, the power may be exercised only by court authorization (except as provided in subparagraphs (a), (d), (f), (r) and (x) of section 3, III) upon petition of the trustee. For purposes of this section, in the case of a corporate trustee personal profit or advantage to an affiliated or subsidiary company or association is personal profit to the trustee.

564-A:6 Powers Exercisable by Joint Trustees; Liability.

I. Any power vested in three or more trustees may be exercised by a majority, unless the instrument or authority creating the trust shall otherwise provide, but a trustee who has not joined in exercising a power is not liable to the beneficiaries or to others for the consequences of the exercise; and a dissenting trustee is not liable for the consequences of an act in which he joins at the direction of the majority of the trustees, if he expressed his dissent in writing to any of his cotrustees at or before the time of the joinder.

II. If two or more trustees are appointed to perform a trust, and one or more of them for any reason is unable to, or refuses to accept the appointment, or, having accepted, ceases to be a trustee, the surviving or remaining trustees shall perform the trust and succeed to all the powers, duties, and discretionary authority given to the trustees jointly.

III. This section does not excuse a cotrustee from liability for failure either to participate in the administration of the trust or to attempt to prevent a breach of trust.

564-A:7 Third Persons Protected in Dealing with Trustee. With respect to a third person dealing with a trustee or assisting a trustee in the conduct of a transaction, the existence of trust powers and their exercise by the trustee may be assumed without inquiry. The third person is not bound to inquire whether the trustee has power to act or is properly exercising the power, and a third person, without actual knowledge that the trustee is exceeding his powers or improperly exercising them, is fully protected in dealing with the trustee as if the trustee possessed and properly exercised the powers he purports to exercise. A third person is not bound to assure the proper application of trust assets paid or delivered to the trustee.

564-A:8 Applicability of Chapter. Except as specifically provided in the trust, the provisions of this chapter apply to any trust established after the effective date of this chapter and to any trust asset acquired by the trustee after the effective date of this chapter.

564-A:9 Uniformity of Interpretation. This chapter shall be construed to effectuate its general purpose to make uniform the law of those states which enact it.

564-A:10 Title. This chapter may be cited as the "Uniform Trustees' Powers Act."

564-A:11 Severability. If any provision of this chapter or the application thereof to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of the chapter which can be given effect without the invalid provision or application, and to this end the provisions of this chapter are severable.

312:2 Repeal. RSA 564:3 relative to trustees is hereby repealed.

Such notes shall be paid from any revenues of the corporation available therefor and not otherwise pledged, or from the proceeds of sale of the revenue bonds of the corporation in anticipation of which they were issued. The notes shall be issued in the same manner as the revenue bonds. Such notes and the resolution or resolutions authorizing the same may contain any provisions, conditions, or limitations which a bond resolution of the corporation may contain.

III. The revenue bonds and notes of every issue shall be payable solely out of revenues of the corporation, subject only to any agreements with the holders of particular revenue bonds or notes pledging any particular revenues. Notwithstanding that revenue bonds and notes may be payable from a special fund, if they are otherwise of such form and character as to be negotiable instruments under the terms of the negotiable instruments law of the state the revenue bonds and notes shall be and are hereby made negotiable instruments within the meaning of and for all purposes of the negotiable instruments law, subject only to the provisions of the revenue bonds and notes for registration.

IV. The revenue bonds may be issued as serial bonds or as term bonds, or the corporation, in its discretion, may issue bonds of both types. The revenue bonds or notes may be sold at public or private sale for such price or prices as the corporation determines. Pending preparation of the definitive bonds, the corporation may issue interim receipts or certificates which shall be exchanged for such definitive bonds.

V. Any resolution or resolutions authorizing any revenue bonds or any issue of revenue bonds may contain provisions, which shall be a part of the contract with the holders of the revenue bonds to be authorized, as to:

(a) pledging all or any part of the revenues of a project or any revenue producing contract or contracts made by the corporation with any individual, partnership, corporation, or association or other body, public or private, to secure the payment of the revenue bonds or of any particular issue of revenue bonds, subject to such agreements with bondholders as then exist;

(h) limitations on the amount of moneys derived from the project to be expended for operating, administrative or other expenses of the corporation;

(k) such other additional covenants, agreements, and provisions as are judged desirable or necessary by the corporation for the security of the holders of such bonds.

VII. The corporation has the power, out of any funds available therefor, to purchase its bonds or notes. The corporation may hold, pledge, cancel, or resell such bonds, subject to and in accordance with agreements with bondholders.

195-D:10 Trust Agreement. In the discretion of the corporation, any

revenue bonds issued under the provisions of this chapter may be secured by a trust agreement by and between the corporation and a corporate trustee or trustees, which may be any trust company or bank having the powers of a trust company within or without the state. Such trust agreement or the resolution providing for the issuance of such revenue bonds may pledge or assign the revenues to be received or proceeds of any contract or contracts pledged and may convey or mortgage the project or any portion thereof. Such trust agreement or resolution providing for the issuance of such revenue bonds may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as are reasonable and proper and not in violation of law, including particularly such provisions as have been specifically authorized in this chapter to be included in any resolution or resolutions of the corporation authorizing revenue bonds thereof. It is lawful for any bank or trust company incorporated under the laws of the state which may act as depositary of the proceeds of bonds or of revenues or other moneys to furnish such indemnifying bonds or to pledge such securities as may be required by the corporation. Any such trust agreement may set forth the rights and remedies of the bondholders and of the trustee or trustees, and may restrict the individual right of action by bondholders. In addition to the foregoing, any such trust agreement or resolution may contain such other provisions as the corporation judges reasonable and proper for the security of the bondholders. All expenses incurred in carrying out the provisions of such trust agreement or resolution may be treated as a part of the cost of the operation of a project.

195-D:11 Credit of State Not Pledged. Revenue bonds issued under the provisions of this chapter do not and shall not be construed to constitute a debt or liability of the state or of any municipality or political subdivision thereof or a pledge of the faith and credit of the state or of any such municipality or political subdivision. These revenue bonds are payable solely from the revenue funds provided by this chapter for their payment. All such revenue bonds shall contain on the face thereof a statement to the effect that neither the state nor the corporation are obligated to pay the same or the interest thereon except from revenues of the project or projects for which they are issued and that neither the faith and credit nor the taxing power of the state or of any municipality or political subdivision thereof is pledged to the payment of the principal of or the interest on such bonds. The issuance of revenue bonds under the provisions of this chapter shall not directly or indirectly or contingently obligate the state or any municipality or political subdivision thereof to levy or to pledge any form of taxation whatever therefor or to make any appropriation for their payment.

195-D:12 Revenues. The corporation is authorized to fix, revise, charge, and collect rates, rents, fees and charges for the use of and for the services furnished or to be furnished by each project and to contract with any person, partnership, association or corporation, or other body, public or private, in respect thereof. Such rates, rents, fees and charges shall be fixed and adjusted in respect of the aggregate of rates, rents, fees and charges from such project so as to provide funds sufficient with other revenues, if any, (a) to pay the cost of maintaining, repairing, and operating the project and each and every portion thereof, to the extent that the corporation has not

otherwise adequately provided for the payment thereof, (b) to pay the principal of and the interest on outstanding revenue bonds of the corporation issued in respect of such project as the same become due and payable, and (c) to create and maintain reserves required or provided for in any resolution authorizing, or trust agreement securing, such revenue bonds of the corporation. Such rates, rents, fees, and charges shall not be subject to supervision or regulation by any department, commission, board, body, bureau or agency of the state other than the corporation. A sufficient amount of the revenues derived in respect of a project, except such part of such revenues as may be necessary to pay the cost of maintenance, repair, and operation and to provide reserves and for renewals, replacements, extensions, enlargements, and improvements as may be provided for in the resolution authorizing the issuance of any revenue bonds of the corporation or in the trust agreement securing the same, shall be set aside at such regular intervals as may be provided in such resolution or trust agreement in a sinking or other similar fund which is hereby pledged to, and charged with, the payment of the principal of and the interest on such revenue bonds as the same become due, and the redemption price or the purchase price of bonds retired by call or purchase as therein provided. Such pledge shall be valid and binding from the time when the pledge is made; the rates, rents, fees and charges, and other revenues or other moneys so pledged and thereafter received by the corporation are immediately subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge is valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the corporation, irrespective of whether such parties have notice thereof. Neither the resolution nor any trust agreement by which a pledge is created need be filed or recorded except in the records of the corporation. The use and disposition of moneys to the credit of such sinking or other similar fund shall be subject to the provisions of the resolution authorizing the issuance of such bonds or of such trust agreement. Except as otherwise provided in such resolution or such trust agreement, such sinking or other similar fund shall be a fund for all such revenue bonds issued to finance projects at a particular institution for higher education without distinction or priority of one over another. However, the corporation in any such resolution or trust agreement may provide that such sinking or other similar fund shall be the fund for a particular project at an institution for higher education and for the revenue bonds issued to finance a particular project and may, additionally, permit and provide for the issuance of revenue bonds having a subordinate lien in respect of the security herein authorized to other revenue bonds of the corporation and, in such case, the corporation may create separate sinking or other similar funds in respect of such subordinate lien bonds.

195-D:13 Trust Funds. All moneys received pursuant to the authority of this chapter whether as proceeds from the sale of bonds or as revenues, are trust funds to be held and applied solely as provided in this chapter. Any officer with whom, or any bank or trust company with which, such moneys are deposited shall act as trustee of such moneys and shall hold and apply the same for the purposes of this chapter, subject to such regulations as this chapter and the resolution authorizing the bonds of any issue or the trust agreement securing such bonds provide.

195-D:14 Remedies. Any holder of revenue bonds issued under the provisions of this chapter or of any of the coupons appertaining thereto, and the trustee or trustees under any trust agreement, except to the extent the rights herein given may be restricted by any such resolution authorizing the issuance of, or any such trust agreement securing, such bonds, may, either at law or in equity, by suit, action, mandamus, or other proceedings, protect and enforce any and all rights under the laws of the state or granted under this chapter or under such resolution or trust agreement, and may enforce and compel the performance of all duties required by this chapter or by such resolution or trust agreement to be performed by the corporation or by any officer, employee, or agent thereof, including the fixing, charging, and collecting of the rates, rents, fees and charges authorized in this chapter and required by the provisions of such resolution or trust agreement to be fixed, established, and collected.

195-D:15 Exemption from Taxation. The exercise of the powers granted by this chapter will be in all respects for the benefit of the people of the state, for the increase of their commerce, welfare and prosperity, and for the improvement of their health and living conditions, and will constitute the performance of an essential governmental function, and neither the corporation nor its agent shall or may be required to pay any taxes or assessments upon or in respect of a project or any property acquired or used by the corporation or its agent under the provisions of this chapter, or upon the income therefrom, and any bonds issued under the provisions of this chapter, their transfer and the income therefrom including any profit made on the sale thereof, are at all times free from taxation of every kind by the state and by the municipalities and all other political subdivisions of the state.

195-D:16 Revenue Refunding Bonds.

I. The corporation is authorized to provide for the issuance of its revenue bonds for the purpose of refunding any revenue bonds of the corporation then outstanding, including the payment of any redemption premium thereon and any interest accrued or to accrue to the earliest or subsequent date of redemption, purchase or maturity of such revenue bonds, and, if judged advisable by the corporation, for the additional purpose of paying all or any part of the cost of constructing and acquiring additions, improvements, extensions, or enlargements of a project or any portion thereof.

II. The proceeds of any such revenue bonds issued for the purpose of refunding outstanding revenue bonds may, in the discretion of the corporation, be applied to the purchase or retirement at maturity or redemption of such outstanding revenue bonds either on their earliest or any subsequent redemption date, and may, pending such application, be placed in escrow to be applied to such purchase or retirement at maturity or redemption on such date as may be determined by the corporation.

III. Any such escrowed proceeds, pending such use, may be invested and reinvested in obligations of or guaranteed by the United States of America, or in certificates of deposit or time deposits secured by obligations of or guaranteed by the United States of America, maturing at such time or times that are appropriate to assure the prompt payment, as to principal,

interest, and redemption premium, if any, of the outstanding revenue bonds to be so refunded. The interest, income, and profits, if any, earned or realized on any such investment may also be applied to the payment of the outstanding revenue bonds to be so refunded. After the terms of the escrow have been fully satisfied and carried out, any balance of such proceeds and interest, income and profits, if any, earned or realized on the investments thereof may be returned to the corporation for use by it in any lawful manner.

IV. The portion of the proceeds of any such revenue bonds issued for the additional purpose of paying all or any part of the cost of constructing and acquiring additions, improvements, extensions or enlargements of a project may be invested and reinvested in obligations of or guaranteed by the United States of America, or in certificates of deposit or time deposits secured by obligations of or guaranteed by the United States of America, maturing not later than the time or times when such proceeds will be needed for the purpose of paying all or any part of such cost. The interest, income and profits, if any, earned or realized on such investment may be applied to the payment of all or any part of such cost or may be used by the corporation in any lawful manner.

V. All such revenue bonds shall be issued and secured and are subject to the provisions of this chapter in the same manner and to the same extent as any other revenue bonds issued pursuant to this chapter.

195-D:17 Bonds Eligible for Investment. Bonds issued by the corporation under the provisions of this chapter are securities in which all public officers and public bodies of the state and its political subdivisions, all insurance companies, trust companies, banking associations, credit unions, building and loan associations, investment companies, executors, administrators, trustees and other fiduciaries, pension, profit-sharing, and retirement funds may properly invest funds, including capital in their control or belonging to them. Such bonds are securities which may properly be deposited with and received by any state or municipal officer or any agency or political subdivision of the state for any purpose for which the deposit of bonds or other obligations of the state is now or may be authorized by law after the effective date of this chapter.

195-D:18 Annual Report and Audit. Within four months after the close of each fiscal year of the corporation, it shall make a report to the governor and council of its activities for such preceding fiscal year and such report shall set forth a complete operating and financial statement covering the corporation's operations during the preceding fiscal year. The corporation shall cause an audit of its books and accounts to be made at least once each fiscal year by certified public accountants and the cost thereof shall be paid by the corporation from funds available to it pursuant to this chapter.

195-D:19 Source of Payment of Expenses. All expenses incurred in carrying out the provisions of this chapter shall be payable solely from funds provided under the authority of this chapter and no liability or obligation shall be incurred by the corporation under this chapter, beyond the extent to which moneys shall have been provided under the provisions of this chapter.

195-D:20 State Not Liable. The state is not liable for the payment of the principal of or interest on any bonds of the corporation, or for the performance of any pledge, mortgage, obligation or agreement of any kind whatsoever which may be undertaken by the corporation, and none of the bonds of the corporation nor any of its agreements or obligations shall be construed to constitute an indebtedness of the state within the meaning of any constitutional or statutory provision whatsoever, nor shall the issuance of bonds under the provisions of this chapter directly or indirectly or contingently obligate the state or any municipality or political subdivision thereof to levy or to pledge any form of taxation whatever therefor or to make any appropriation for their payment.

195-D:21 Procedure Before Issuance of Bonds.

I. Notwithstanding any other provision of this chapter, the corporation is not empowered to undertake any project authorized by this chapter unless, prior to the issuance of any bonds hereunder, the governor, or his designee, has found, after a hearing thereon, that:

(a) The construction and acquisition of such project will enable or assist an institution for post-secondary or higher education to fulfill its obligations in providing education to the youths of this state; and

(b) Such project will be leased to, or owned by, a financially responsible institution for post-secondary or higher education within the state; and

(c) Adequate provision has been, or will be, made for the payment of the cost of the construction and acquisition of such project and that under no circumstances will the state be obligated directly or indirectly, for the payment of the cost of construction and acquisition of such project, or for the payment of the principal of, or interest on, any obligations issued to finance such construction and acquisition; and

(d) Adequate provision has been, or will be, made in any lease of the project for the payment of all costs of operation, maintenance and upkeep of such project by the lessee, sublessee or occupant so that under no circumstances will the state be obligated, directly or indirectly, for the payment of such costs.

195-D:22 Agreement of the State. The state does hereby pledge to and agree with the holders of any bonds issued under this chapter, and with those parties who may enter into contracts with the corporation pursuant to the provisions of this chapter, that the state will not limit or alter the rights hereby vested in the corporation until such obligations, together with the interest thereon, are fully met and discharged and such contracts are fully performed on the part of the corporation. However, nothing in this chapter precludes such limitation or alteration if and when adequate provision is made by law for the protection of the holders of such bonds of the corporation or those entering into such contracts with the corporation. The corporation is authorized to include this pledge and undertaking for the state in such bonds or contracts.

195-D:23 Act Cumulative; No Notice Required. Neither this chapter nor anything herein contained is or shall be construed as a restriction or limitation upon any powers which the New Hampshire Higher Educational

Building Corporation might otherwise have under any laws of this state, and this chapter is cumulative of any such powers. This chapter does and shall be construed to provide a complete, additional, and alternative method for the doing of the things authorized thereby and shall be regarded as supplemental and additional to powers conferred by other laws. However, the issuance of revenue bonds and revenue refunding bonds under the provisions of this chapter need not comply with the requirements of any other state law applicable to the issuance of bonds, and contracts for the construction and acquisition of any project undertaken pursuant to this chapter need not comply with the provisions of any other state law applicable to contracts for the construction and acquisition of state owned property. No proceedings, notice or approval shall be required for the issuance for any bonds or any instrument as security therefor, except as is provided in this chapter.

195-D:24 Act Liberally Construed. This chapter, being necessary for the welfare of the state and its inhabitants, shall be liberally construed so as to effect its purposes.

CHAPTER 324.

AN ACT AMENDING THE PROVISIONS OF THE REGIONAL PLANNING COMMISSION.

Be it Enacted by the Senate and House of Representatives in General Court convened:

324:1 Regional Planning Commission. Amend RSA 36 by inserting after section 41 (supp) the following new subdivision:

Regional Planning Commissions

36:45 Purposes. The purpose of this subdivision shall be to enable municipalities and counties to join in the formation of regional planning commissions whose duty it shall be to prepare a coordinated plan for the development of a region, taking into account present and future needs with a view toward encouraging the most appropriate use of land, such as for agriculture, forestry, industry, commerce, and housing; the facilitation of transportation and communication; the proper and economic location of public utilities and services; the development of adequate recreational areas; the promotion of good civic design; and the wise and efficient expenditure of public funds. The aforesaid plan shall be made in order to promote the health, safety, morals and general welfare of the region and its inhabitants. To promote these purposes the state office of planning and research of the department of resources and economic development shall delineate planning regions for the state so that each municipality of the state will fall within a delineated region and shall have the opportunity of forming or joining the regional planning commission for that planning region. In determining these regions the office shall consider such factors

as community of interest and homogeneity: existing metropolitan and regional planning agencies: patterns of communication and transportation: geographic features and natural boundaries: extent of urban development: relevancy of the region for provision of governmental services and functions and its use for administering state and federal programs: the existence of physical, social and economic problems of a regional character; and other related characteristics. To accommodate changing conditions, the office may adjust the boundaries of the planning regions.

36:46 Formation of Regional Planning Commissions.

I. If no regional planning commission exists in any specific planning region as delineated by the office of planning and research of the department of resources and economic development, then two or more municipalities in said planning region and having planning boards may, by ordinance or resolution adopted by the respective legislative bodies of said municipalities, form a regional planning commission.

II. If a regional planning commission already exists in any specific planning region as delineated by the office of planning and research of the department of resources and economic development, then any municipality in said planning region and having a planning board may, by ordinance or resolution adopted by the respective legislative body of said municipality, become a member of the regional planning commission. A regional planning commission may also include municipalities located in an adjacent state.

III. Each municipality which shall become a member of a regional planning commission shall be entitled to two representatives on said commission. A municipality with a population of over ten thousand but less than twenty-five thousand shall be entitled to have three representatives on said commission and a municipality with a population of over twenty-five thousand shall be entitled to have four representatives on said commission. Population as set forth in this section shall be deemed to be determined by the last federal census. Representatives to a regional planning commission shall be nominated by the planning board of each municipality from the residents thereof and shall be appointed by the municipal officers of each municipality. Representatives may be elected or appointed officials of the municipality or county. In any county or counties in which a regional planning commission has been formed, the county may, by resolution of its county commissioners, become a member of said regional planning commission and shall be entitled to appoint two representatives on said commission. The terms of office of members of a regional planning commission shall be for four years, but initial appointments shall be for two and four years. In municipalities entitled to three or more representatives, initial appointments shall be for two, three and four years. Vacancies shall be filled for the remainder of the unexpired term in the same manner as original appointments. Municipalities and counties may also appoint alternate representatives.

36:47 General Powers and Duties. A regional planning commission's powers shall be advisory, and shall generally pertain to the development of the region within its jurisdiction as a whole. Nothing in this subdivision shall be deemed to reduce or limit any of the powers, duties or obligations

of planning boards in individual municipalities. The area of jurisdiction of a regional planning commission shall include the areas of the respective municipalities within the delineated planning region. It shall be the duty of a regional planning commission to prepare a comprehensive master plan for the development of the region within its jurisdiction, including the commission's recommendations, among other things, for the use of land within the region; for the general location, extent, type of use, and character of highways, major streets, intersections, parking lots, railroads, aircraft landing areas, waterways and bridges, and other means of transportation, communication, and other purposes; for the development, extent, and general location of parks, playgrounds, shore front developments, parkways, and other public reservations and recreation areas; for the location, type, and character of public buildings, schools, community centers, and other public property; and for the improvement, redevelopment, rehabilitation, or conservation of residential, business, industrial and other areas; including the development of programs for the modernization and coordination of buildings, housing, zoning and subdivision regulations of municipalities and their enforcement on a coordinated and unified basis. A regional planning commission may authorize its employees or consultants to render assistance on local planning problems to any municipality or county which is not a member of said regional planning commission. The cost of such assistance shall be paid entirely by the municipality or county to which the service is rendered or partly by said municipality or county and partly by any gift, grant, or contribution which may be available for such work or by combination thereof. Said commission shall keep a strict account of the cost of such assistance and shall provide such municipality or county with an itemized statement.

36:48 Organization, Officers, and Bylaws. A regional planning commission shall elect annually from among its members a chairman, vice-chairman, and such other officers as it deems necessary. Meetings shall be held at the call of the chairman and at such other time as the commission may determine. A commission shall keep minutes of its proceedings and such minutes shall be filed in the office of the commission and shall be a public record. A commission may adopt such bylaws as it deems necessary to the conduct of its business.

36:49 Finances. A regional planning commission shall determine on a reasonable and equitable basis the proportion of its costs to be borne respectively by each municipality or county which is a member of said commission. A commission may accept and receive in furtherance of its functions, funds, grants, and services from the federal government or its agencies, from departments, agencies and instrumentalities of state, municipal or local government or from private and civic sources. Such funds may be used in conjunction with other funds from federal or state governments or from gifts, grants or contributions available for such work. Municipalities or counties are hereby authorized to appropriate funds to the use of a regional planning commission and to furnish a regional planning commission legal or other services which it may deem reasonable. Failure upon the part of any municipality or county to pay its proportionate annual share of the cost as determined by a regional planning commission shall constitute a

termination of such municipality's or county's vote in the commission's affairs until such annual share is paid. Municipalities or counties are hereby authorized to enter into contracts with a regional planning commission for the furnishing of funds or services in connection with the preparation of a comprehensive regional master plan and any special planning work to be done by a regional planning commission for any member municipality or county. Within the amounts appropriated to it or placed at its disposal by gift, grant, or contribution, a regional planning commission may engage employees, contract with professional consultants, rent offices, and obtain such other goods, or services as are necessary to it in the carrying out of its proper function. Any private gifts or funds when received shall be deemed a contribution to the regional planning commission for a public purpose within the meaning of any federal or state laws relative to tax exemptions.

36:50 Relationship To Local Planning Boards. A regional planning commission may assist the planning board of any municipality within the delineated region to carry out any regional plan or plans developed by said commission. A regional planning commission may also render assistance on local planning problems. A regional planning commission may make recommendations on the basis of its plans and studies to any planning board, to the legislative body of any city and to the selectmen of any town within its region, to the county commissioners of the county or counties in which said region is located and to any state or federal authorities. Upon completion of a comprehensive master plan for the region or any portion of said comprehensive master plan, a regional planning commission may file certified copies of said comprehensive master plan or portion thereof with the planning board of any member municipality. Such planning boards may adopt all or any part of such comprehensive master plan which pertains to the areas within its jurisdiction as its own master plan, subject to the requirements of sections 13, 14, and 15, chapter 36 of the Revised Statutes Annotated.

36:51 Assistance To Urban Renewal By Municipalities and Other Public Bodies. In cooperation with the member municipalities or their planning boards and/or housing authorities and with the federal and state governments, a regional planning commission is hereby authorized to aid and cooperate in the planning and undertaking of urban renewal projects.

36:52 Workable Programs. The regional planning commission in cooperation with the member municipalities or their planning boards and/or housing authorities is hereby authorized to prepare a workable program, which may include an official plan of action, as it exists from time to time for effectively dealing with the problem of urban slums and the blighted, deteriorated, or deteriorating areas within the community and for the establishment and preservation of a well planned community with well organized residential neighborhoods of decent homes and suitable living environment for adequate family life; for utilizing appropriate private and public resources to eliminate, and prevent the development or spread of slums and urban blight and deterioration, to encourage needed urban rehabilitation, to provide for the redevelopment of blighted, deteriorated, or slum areas, or to undertake such of the aforesaid activities or other feasible activities as may be suitably employed to achieve the objectives of such a program.

36:53 Additional Powers and Duties of Regional Planning Commissions. In order to implement any of the provisions of a regional plan, which has been adopted or is in preparation, a regional planning commission may, in addition to its powers and duties under section 47 undertake studies and make specific recommendations on economic, industrial and commercial development within the region and carry out, with the cooperation of municipalities and/or counties within the region, economic development programs for the full development, improvement, protection and preservation of the region's physical and human resources.

324:2 Repeal. RSA 36:37-44 (supp) as inserted by 1955, 272:1 relative to regional planning commissions are hereby repealed.

324:3 Effective Date. This act shall take effect sixty days after its passage.

In any instance when the commission shall set a time limit for abatement of pollution under paragraph II, and it becomes apparent at any time during the compliance period that full compliance with the adopted classification will not be attained by the end of such period due to the failure of any person to take action reasonably calculated to secure abatement of the pollution within the time specified, the commission shall notify such person or persons in writing. CHAPTER 339.

AN ACT RELATIVE TO HIGHWAY RELOCATION ASSISTANCE.

WHEREAS, Section 501 of the Federal-Aid Highway Act of 1968 states, "Congress hereby declares that the prompt and equitable relocation and re-establishment of persons, businesses, farmers, and nonprofit organizations displaced as a result of the federal highway programs and the construction of federal-aid highways is necessary to insure that a few individuals do not suffer disproportionate injuries as a result of programs designed for the benefit of the public as a whole. Therefore, Congress determines that relocation payments and advisory assistance should be provided to all persons so displaced in accordance with the provisions of this title," and

WHEREAS, Continuing qualification for federal highway aid is contingent upon state highway participation in the highway relocation assistance program, and

WHEREAS, It is in the public interest that persons displaced for any highway purpose, whether financed in part with federal-aid funds or entirely with state funds, be fairly compensated for the property acquired and inconvenience suffered, and

WHEREAS, There is not now adequate legislative authority to carry out a state program as herein contemplated or as required by the Federal-Aid Highway Act of 1968, now therefore

Be it Enacted by the Senate and House of Representatives in General Court convened:

339:1 New Chapter. Amend RSA by inserting after chapter 233 the following new chapter:

Chapter 233-A

Highway Relocation Assistance

233-A:1 Policy. It is hereby declared to be the policy of this state and in the public interest that prompt and equitable relocation assistance be provided to persons displaced from their property as a result of highway activities undertaken by the department of public works and highways.

233-A:2 Authority Granted. The commissioner of public works and highways is authorized, subject to the approval of the governor and council,

within the limits of available funds and appropriations, to make relocation payments to eligible persons in accordance with the provisions of this chapter. In order to prevent unnecessary expenses and duplication of functions, the commissioner may make relocation payments or provide relocation assistance or otherwise carry out the functions required under this chapter by utilizing the facilities, personnel, and services of any other federal, state, or local governmental agency having an established organization for conducting relocation assistance programs.

233-A:3 Relocation Payments.

I. Upon application approved by the commissioner, a person displaced by any highway project may elect to receive actual reasonable expenses in moving himself, his family, his business, or his farm operation, including personal property.

II. Any displaced person who moves from a dwelling who elects to accept the payments authorized by this paragraph in lieu of the payments authorized by paragraph I of this section may receive

(a) a moving expense allowance, determined according to a schedule established by the commissioner, not to exceed two hundred dollars, and

(b) a dislocation allowance of one hundred dollars.

III. Any displaced person who moves or discontinues his business or farm operation who elects to accept the payment authorized by this paragraph in lieu of the payment authorized by paragraph I of this section, may receive a fixed relocation payment in an amount equal to the average annual net earnings of the business or farm operation, or five thousand dollars, whichever is the lesser. In the case of a business, no payment shall be made under this paragraph unless the commissioner is satisfied that the business

(a) cannot be relocated without a substantial loss of its existing patronage, and

(b) is not part of a commercial enterprise having at least one other establishment, not being acquired by the state or by the United States, which is engaged in the same or similar business. For the purposes of this paragraph, the term "average annual net earnings" means one-half of any net earnings of the business or farm operation, before income taxes, during the two taxable years immediately preceding the taxable year in which such business or farm operation is displaced from the real property acquired for such project, and includes any compensation paid by the business or farm operation to the owner, his spouse, or his dependents during such two-year period.

233-A:4 Replacement Housing.

I. In addition to amounts otherwise authorized by this chapter, the commissioner shall make a payment to the owner of real property acquired for a project which is improved by a single-, two-, or three-family dwelling actually owned and occupied by the owner for not less than one year prior to the initiation of negotiations for the acquisition of such property. Such payment, not to exceed five thousand dollars, shall be the amount, if any, which, when added to the acquisition payment, equals the average price required for a comparable dwelling determined, in accordance with standards

established by the secretary of transportation, to be a decent, safe, and sanitary dwelling adequate to accommodate the displaced owner, reasonably accessible to public services and places of employment and available on the private market. Such payment shall be made only to a displaced owner who purchases and occupies a dwelling within one year subsequent to the date on which he is required to move from the dwelling acquired for the project.

II. In addition to amounts otherwise authorized by this chapter, the commissioner shall make a payment to any individual or family displaced from any dwelling not eligible to receive a payment under paragraph I of this section which dwelling was actually and lawfully occupied by such individual or family for not less than ninety days prior to the initiation of negotiations for acquisition of such property. Such payment, not to exceed fifteen hundred dollars, shall be the amount which is necessary to enable such person to lease or rent for a period not to exceed two years, or to make the down payment on the purchase of, a decent, safe, and sanitary dwelling of standards adequate to accommodate such individual or family, in areas not generally less desirable in regard to public utilities and public and commercial facilities.

III. The commissioner is further authorized to prepare a schedule of payments of grants for replacement housing under the provisions of paragraph I of this section. The schedule shall define the maximum grant allowable for certain graduations of the fair market value of real property acquired for a project. The schedule shall be prepared on either a state-wide basis or on an area basis and may be revised from time to time by the commissioner as required. The schedule and/or revisions to the schedule shall be approved by the authorized representative of the secretary of transportation prior to issuance. The payment schedule for each project shall be introduced and made a part of the record of the public hearing — (design) for the project. All grants for replacement housing under paragraph I of this section shall be in accordance with the established schedule.

IV. Every owner shall have the right of appeal to the commissioner for redress if he believes that the payment computed under paragraphs I or II of this section is not in accordance with the purposes of this act. The commissioner or his agent may review the appeal and for good cause may approve such additional payment as justice may require. The commissioner's decision in each case shall be final.

233-A:5 Expenses Incidental to Transfer of Property. In addition to amounts otherwise authorized by this chapter, the commissioner shall reimburse the owner of real property acquired for a project for reasonable and necessary expenses incurred for (a) recording fees, transfer taxes, and similar expenses incidental to conveying such property; (b) penalty costs for prepayment of any mortgage entered into in good faith encumbering such real property if such mortgage is on record or has been filed for record as provided by law on the date of approval by the commissioner of the location of such project; and (c) the pro rata portion of real property taxes paid which are allocable to a period subsequent to the date of vesting of title in the state or the effective date of the possession of such real property by the state, whichever is earlier.

233-A:6 Maximum Reimbursement. Notwithstanding any other provision of this chapter, the maximum payment hereunder to any displaced person shall be twenty-five thousand dollars except in any case where an additional sum is required in order to qualify the state to receive federal financial assistance in which case the full amount required by federal law shall be paid.

233-A:7 Eminent Domain. Nothing contained in this chapter shall be construed as creating in any condemnation proceedings brought under the power of eminent domain, any element of damages not in existence on the effective date of this chapter.

233-A:8 Relocation Services. The commissioner shall provide a relocation advisory assistance program which shall include such measures, facilities, or services as may be necessary or appropriate in order;

I. to determine the needs, if any, of displaced families, individuals, business concerns, and farm operators for relocation assistance;

II. to assure that, within a reasonable period of time, prior to displacement there will be available, to the extent than can reasonably be accomplished, in areas not generally less desirable in regard to public utilities and public and commercial facilities and at rents or prices within the financial means of the families and individuals displaced, housing meeting the standards established by the secretary of transportation, for decent, safe, and sanitary dwellings, equal in number to the number of, and available to, such displaced families and individuals and reasonably accessible to their places of employment;

III. to assist owners of displaced businesses and displaced farm operators in obtaining and becoming established in suitable locations; and

IV. to supply information concerning the Federal Housing Administration home acquisition program under section 221 (d) (2) of the National Housing Act, the small business disaster loan program under section 7 (b) (3) of the Small Business Act, and other state or federal programs offering assistance to displaced persons.

II. "Decedent" means a deceased individual and includes a stillborn infant or fetus.

III. "Donor" means an individual who makes a gift of all or part of his body.

291-A:2 Persons Who May Execute Gift.

I. Any individual of sound mind and eighteen years of age or more may give all or any part of his body for any purpose specified in section 3, the gift to take effect upon death.

II. Any of the following persons, in order of priority stated, when persons in prior classes are not available at the time of death, and in the absence of actual notice of contrary indications by the decedent or actual notice of opposition by a member of the same or a prior class, may give all or any part of the decedent's body for any purpose specified in section 3;

- (a) the spouse, an adult son or daughter,
- (b) either parent,
- (c) an adult brother or sister,
- (d) a guardian of the person of the decedent at the time of his death,
- (e) any other person authorized or under obligation to dispose of the body.

III. If the donee has actual notice of contrary indications by the decedent or that a gift by a member of a class is opposed by a member of the same or a prior class, the donee shall not accept the gift. The persons authorized by subsection II may make the gift after or immediately before death.

IV. A gift of all or part of a body authorizes any examination necessary to assure medical acceptability of the gift for the purposes intended.

V. The rights of the donee created by the gift are paramount to the rights of others except as provided by section 7 IV.

291-A:3 Persons Who May Become Donees; Purposes for Which Gifts May be Made. The following persons may become donees of gifts or bodies or parts thereof for the purposes stated:

I. Any hospital, surgeon, or physician, for medical or dental education, research, advancement of medical or dental science, therapy, or transplantation; or

III. Any bank or storage facility, for medical or dental education, research, advancement of medical or dental science, therapy, or transplantation; or

IV. Any specified individual for therapy or transplantation needed by him.

291-A:4 Manner of Executing Gifts.

I. A gift of all or part of the body under section 2 I may be made by

will. The gift becomes effective upon the death of the testator without waiting for probate. If the will is not probated, or if it is declared invalid for testamentary purposes, the gift, to the extent that it has been acted upon in good faith, is nevertheless valid and effective.

II. A gift of all or part of the body under section 2 I may also be made by document other than a will. The gift becomes effective upon the death of the donor. The document, which may be a card designed to be carried on the person, must be signed by the donor in the presence of three witnesses who must sign the document in his presence. If the donor cannot sign, the document may be signed for him at his direction and in his presence in the presence of three witnesses who must sign the document in his presence. Delivery of the document of gift during the donor's lifetime is not necessary to make the gift valid.

III. The gift may be made to a specified donee or without specifying a donee. If the latter, the gift may be accepted by the attending physician as donee upon or following death. If the gift is made to a specified donee who is not available at the time and place of death, the attending physician upon or following death, in the absence of any expressed indication that the donor desired otherwise, may accept the gift as donee.

IV. Notwithstanding section 7 II, the donor may designate in his will, card, or other document of gift the surgeon or physician to carry out the appropriate procedures. In the absence of a designation or if the designee is not available, the donee or other person authorized to accept the gift may employ or authorize any surgeon or physician for the purpose.

V. Any gift by a person designated in section 2 II shall be made by a document signed by him or made by his telegraphic, recorded telephonic, or other recorded message.

291-A:5 Delivery of Document of Gift. If the gift is made by the donor to a specified donee, the will, card, or other document, or an executed copy thereof, may be delivered to the donee to expedite the appropriate procedures immediately after death. Delivery is not necessary to the validity of the gift. The will, card, or other document, or an executed copy thereof, may be deposited in any hospital, bank or storage facility, or registry office that accepts it for safekeeping or for facilitation of procedures after death. On request of any interested party upon or after the donor's death, the person in possession shall produce the document for examination.

291-A:6 Amendment or Revocation of Gift.

I. If the will, card, or other document or executed copy thereof, has been delivered to a specified donee, the donor may amend or revoke the gift by;

- (a) the execution and delivery to the donee of a signed statement, or
- (b) an oral statement made in the presence of three witnesses and communicated to the donee, or
- (c) a statement during a terminal illness or injury addressed to an attending physician and communicated to the donee, or
- (d) a signed card or document found on his person or in his effects.

II. Any document of gift which has not been delivered to the donee

may be revoked by the donor in the manner set out in subsection I, or by destruction, cancellation, or mutilation of the document and all executed copies thereof.

III. Any gift made by a will may be revoked in the manner provided for in RSA 551:13 for revocation of wills, or as provided in paragraph I.

291-A:7 Rights and Duties at Death.

I. The donee may accept or reject the gift. If the donee accepts a gift of the entire body, he may, subject to the terms of the gift, authorize embalming and the use of the body in funeral services. If the gift is of a part of the body, the donee, upon the death of the donor and prior to embalming, shall cause the part to be removed without unnecessary mutilation. After removal of the part, custody of the remainder of the body vests in the surviving spouse, next of kin, or other persons under obligation to dispose of the body.

II. The time of death shall be determined by a physician who attends the donor at his death, or, if none, the physician who certifies the death. The physician shall not participate in the procedures for removing or transplanting a part.

III. A person who acts in good faith in accord with the terms of this chapter is not liable for damages in any civil action or subject to prosecution in any criminal proceeding for his act.

IV. The provisions of this chapter are subject to RSA 611:10 through 611:15 prescribing powers and duties with respect to autopsies.

291-A:8 Uniformity of Interpretation. This chapter shall be so construed as to effectuate its general purpose to make uniform the law of those states which enact it.

291-A:9 Short Title. This chapter may be cited as the Uniform Anatomical Gift Act.

345:2 Effective Date. This act shall take effect sixty days after its passage.

CHAPTER 346.

AN ACT RELATING TO THE RETIREMENT OF JUDGES OF THE PROBATE COURTS
WHO ARE PERMANENTLY DISABLED.

Be it Enacted by the Senate and House of Representatives in General Court convened:

346:1 Judge of Probate; Permanent Disability; Appointment of Successor. Amend RSA 547 by inserting after section 19 the following new section: **547:19-a Retirement Due to Disability.** Notwithstanding any other provisions of law, any judge of probate who shall become unable to perform his duties because of permanent disability shall be retired from

regular active service on the bench for the remainder of his term. Any such judge who desires to retire because of inability to perform his duties shall certify to the governor and council his disability to perform his duties. If they find him unable to perform his duties because of permanent disability, the governor and council shall order his retirement from regular active service. If a judge of probate who is permanently disabled to perform his duties shall be unable or unwilling to certify his disability, any three justices of the probate court shall certify in writing his disability to the governor and council, who shall, if they find him after due notice and hearing, unable to perform his duties because of permanent disability, order his retirement from regular active service. The governor and council upon retirement of any such judge of probate as provided herein shall appoint a successor to serve out the remainder of the term. Any judge of probate who has served in such capacity for a period of at least ten years in said office, retired from regular active service because of permanent disability, shall receive during the remainder of his term a salary equal to one-half the salary being paid to him at the time of his retirement, except in case of his election to take other retirement benefits as hereinafter provided. Any judge retired from active regular service under the provisions hereof who is also a member of the state employees' retirement system or the New Hampshire retirement system shall be entitled to retire with disability benefits under either of said systems, upon notification to the retirement board. If, however, said judge elects to take payments under the provisions of this section he shall thereby forfeit all rights to any benefits provided under said employees' or New Hampshire retirement system.

346:2 Effective Date. This act shall take effect sixty days after its passage.

CHAPTER 347.

AN ACT RELATIVE TO AUTHORIZED REGIONAL ENROLLMENT AREAS.

Be it Enacted by the Senate and House of Representatives in General Court convened:

347:1 Construction of Area Schools. Amend RSA 195-A:7 (supp) as inserted by 1963, 277:1 and amended by 1965, 112:5 by striking out in line twenty-one the letters and numerals "RSA 195-B" and inserting in place thereof the following (RSA 195-C) so that said section as amended shall read as follows: **195-A:7 Construction of Area Schools.** The construction of an area school building, including construction of additions or alterations of existing buildings, the required new construction of such facilities during the life of the plan, the equipment thereof, and necessary land acquisition therefor, shall be the responsibility of the receiving district but it must, at all times, provide facilities of sufficient capacity to meet the estimated educational needs of the receiving and sending districts together. A receiving district may borrow money for such purposes as provided in RSA 33 as

amended. However, in calculating whether it is within its debt limit, there shall be charged thereto an amount no greater than its proportionate share of any such required capital outlay, which shall be the proportion which its then estimated enrollment in the area school, to be constructed or enlarged, bears to the then estimated total enrollment therein, as determined by order of the state board. The total amount of such bond or serial note issue shall be general obligations of the receiving district, fully secured by its powers of taxation. Upon application of the school board of the receiving district, that amount of such bond or serial note issue, which is in excess of the proportionate share of the receiving district as determined by the state board, shall be eligible for state guarantee, either on a declining balance basis or as a separate issue fully guaranteed, as the governor and council may decide, in accordance with RSA 195-C. The school board of the receiving district, without vote of the district, shall apply all tuition payments received from sending districts in each year first to the payment of the currently scheduled, or any past due, annual installments of principal or interest on that amount of such bond or serial note issue which is guaranteed by the state; and only after adequate provision has been made therefor may any portion of such revenue be used for other purposes.

347:2 Review of Area Plan and Withdrawal of Districts. Amend RSA 195-A:14 as inserted by 1963, 277:1 by striking out said section and inserting in place thereof the following section:

195-A:14 Review of Area Plan and Withdrawal of Districts.

I. After the fifth anniversary of the date of operating responsibility a joint board meeting held under section 5 may vote to establish an area school plan review board. The review board shall consist of three members from the school board of each school district which belongs to the area plan, and such members shall be selected by and from their respective school boards. The review board may also include three members from the school board of each of any one or more school districts located in proximity to the authorized regional enrollment area. The review board shall organize by the election of a chairman and a clerk, and may adopt rules for the calling and conduct of its meetings. It shall be the duty of the review board to consider the effectiveness of the area school plan as a method for providing improved educational services. If the review board by a majority vote of all its members determines that the area school plan should be modified, it shall submit an amended area school plan to the state board for its approval. An amended area school plan may provide for the addition of one or more new sending districts, the withdrawal of one or more sending districts, the withdrawal of the receiving district and the substitution of a different district as the receiving district, a change in the grades covered by the area plan, or any combination of the foregoing, or for the dissolution of the area; and it shall provide for the equitable adjustment of the rights and responsibilities of each member of the plan, whether present or prospective, with respect to area school facilities. If such provisions include payments from one school district to another, they may be made over a period of not more than ten years, but the obligation to make such payments shall not be deemed indebtedness of the obligor school district for the purpose of

determining its borrowing capacity under RSA 33. In addition to the foregoing powers, an area school plan review board may act as a cooperative school district planning board pursuant to section 15 of this chapter; and instead of submitting an amended area school plan, the review board may prepare and recommend the adoption of articles of agreement for a cooperative school district.

II. In considering whether to approve an amended area school plan, the state board shall apply the standards set forth in section 2 and shall also consider the capacity of each school district which would be affected by the adoption of the amended area school plan to successfully discharge the educational and financial responsibilities which would result from such adoption. If the state board finds that the adoption of the amended area school plan would be in the best interests of the state and of the school districts affected thereby, it shall so notify the school board of each such school district. Thereafter, each school district, its school board, voters or legislative body, and other appropriate officers, shall deal with the amended area school plan in accordance with the procedures set forth in section 3 as though such amended plan were an original plan being submitted under section 3, except that the form of the question used in each school district shall be prepared by the state board and included in its notice to each district; and the forms of question used in the several districts may be different as circumstances require. If the amended area school plan is adopted, the state board shall issue its certificate to that effect, which shall be conclusive evidence of the lawful adoption of the amended area school plan. If the amended plan is not adopted, no further action with respect to the amended area school plan shall be taken until another area school plan review board has been established pursuant to paragraph I of this section.

III. After the fifth anniversary of the date of operating responsibility a sending district by a two-thirds vote of the legal voters present and voting at an annual school district meeting may vote to withdraw from an area school plan. Such vote shall not take effect until the first day of the second school year following the school year in which the withdrawal vote is passed, but after the passage of the withdrawal vote the withdrawing school district may take any action otherwise permitted by law which is necessary in order to provide adequate school facilities required as a result of the withdrawal vote. If there is any indebtedness which was incurred by the receiving district to finance the capital costs of area schools and which is outstanding when the withdrawal vote takes effect, the sending district shall remain liable to the receiving district for (a) that percentage of the payments of principal and interest of such debt thereafter due which is the same as the percentage for which the sending district was responsible in the school year immediately preceding the effective date of the withdrawal vote, and (b) all amounts of state aid for the purchase or construction of school buildings which are lost by the receiving district after the withdrawal of the sending district as a result of such withdrawal, all as determined by the state board of education. Payments in discharge of the foregoing liability shall be made in accordance with a schedule agreed upon by the school boards of the receiving district and the withdrawing district, or, in the event they fail to agree, as fixed by the state board. Such payments shall be deemed to be

trust funds and shall be applied by the receiving district solely in payment of its indebtedness which was incurred to finance area school facilities and which was outstanding on the effective date of the withdrawal vote. A sending district which withdraws from an area school plan shall thereby forfeit its equity in any area schools.

IV. No school district may withdraw from an area school plan, and no area school plan may be dissolved, except in accordance with the procedures set forth in the preceding three paragraphs. No school district which is a member of an area school plan in which the receiving district has indebtedness which was incurred to finance the capital costs of area schools and which was outstanding on the effective date of the enactment of this amended section in 1969 may withdraw from the area school plan until after such indebtedness is paid in full, nor may any such area school plan be dissolved until such time.

V. For the purposes of this section, indebtedness incurred to finance the capital costs of a school which was not designated as an area school at the time the indebtedness was incurred shall not be deemed indebtedness incurred to finance the capital costs of area schools.

347:3 Conversion of Area School Plan to Cooperative School District. Amend RSA 195-A:15, I as inserted by 1963, 277:1 by striking out in lines twelve and thirteen the words "including unpaid obligations due the New Hampshire school building authority" so that said paragraph as amended shall read as follows: I. The school districts comprising an authorized regional enrollment area plan may convert the plan to a cooperative school district as provided in RSA 195:18 upon the expiration of five years after date of operating responsibility, and thereafter. Provided, however, that, if such area plan then includes a city school district or the dependent school department of a city, such conversion may only be accomplished by special act of the legislature upon petition of the cooperative school district planning board. In proceedings for conversion, the school boards of the several school districts in the area plan, acting jointly, shall constitute the cooperative school district planning board. The articles of agreement for such conversion shall provide for assumption by the cooperative school district of all outstanding debt of each receiving district incurred for its area schools, and shall provide for termination of tuition payments on date of operating responsibility of the new cooperative district.

347:4 Amount of Annual Grant. Amend RSA 198:15-b (supp), as amended by 1955, 335:9, 1957, 301:1, 1963, 277:3, 1965, 150:2, and 1967, 362:4, 399:1, 449:3, by striking out in lines eight and nine the words "including loans made by the New Hampshire school building authority," so that said section as amended shall read as follows: **198:15-b Amount of Annual Grant.** The amount of the annual grant to any school district duly organized, any city maintaining a school department within its corporate organization, any cooperative school district as defined in RSA 195:1, or any receiving district operating an area school as defined in RSA 195-A:1, shall be a sum equal to thirty per cent of the amount of the annual payment of principal on all outstanding borrowings of the school district, city, cooperative school district or receiving district, heretofore or hereafter in-

curred, for the cost of construction or purchase of school buildings and supervisory union facilities, to the extent approved by the state board of education, provided that any school district may receive an annual grant in the amount of forty per cent for the construction of an educational administration building for supervisory union, and provided that the amount of the annual grant in the case of a cooperative school district, or a receiving district operating an area school, shall be forty per cent plus five per cent for each pre-existing district in excess of two and each sending district in excess of one, and provided further that no cooperative school district, or receiving district operating an area school, shall receive an annual grant in excess of fifty-five per cent. For the purposes of computing grants hereunder the amount of the annual payment of principal shall be increased by an amount equal to the amount of capital reserve and/or amount raised by taxation which was actually expended for the project at any time, divided by the number of years for which bonds or notes were issued to provide funds for such school building or supervisory union facilities. If the project was entirely financed by the use of capital reserve or amounts raised by taxation, the aid provided herein shall be paid in ten equal annual grants. For the purposes of this subdivision construction shall include the acquisition and development of the site, construction of a new building and/or additions to existing buildings including alterations providing additional pupil capacity, architectural and engineering fees, purchase of equipment and any other costs necessary for the completion of the building as approved by the state board of education; and purchase of school buildings shall include the acquisition and improvement of land in connection therewith and the remodeling, altering, repairing, equipping and furnishing of such buildings as approved by the state board of education.

347:5 Effective Date. This act shall take effect sixty days after its passage.

[Approved June 30, 1969.]

[Effective date August 29, 1969.]

CHAPTER 348.

AN ACT CLARIFYING THE DELINQUENT CHILD.

Be it Enacted by the Senate and House of Representatives in General Court convened:

348:1 Chapter's Applicability. Amend RSA 169:1 (supp) as amended by 1959, 36:1, 1961, 222:1 and 1965, 256:1 by striking out the same and inserting in place thereof the following: **169:1 Applicability of Chapter.** This chapter shall apply to those delinquent children defined in subparagraph (a) of RSA 169:2 II under the age of seventeen, and those delinquent children so defined with respect to whom a petition is filed hereunder after his seventeenth birthday, but before his twenty-first birthday because of an act of delinquency committed before such seventeenth birthday. This chapter shall also apply to those delinquent children defined in subparagraph (b) of RSA 169:2 II under the age of eighteen and those delinquent children

so defined with respect to whom a petition is filed hereunder after his eighteenth birthday but before his twenty-first birthday because of an act of delinquency committed before such eighteenth birthday. The chapter shall apply to neglected children under the age of eighteen years. Jurisdiction acquired by the court or the director of public welfare, under order of the court, over a neglected child shall cease when said neglected child arrives at the age of eighteen. The court's jurisdiction over a delinquent child shall continue until said child arrives at the age of twenty-one years unless he is previously discharged by the court, or jurisdiction over him is released to the superior court.

348:2 Redefine Delinquent Child. Amend RSA 169:2 II by striking out said paragraph and inserting in place thereof the following:

II. "Delinquent child," shall be:

After the delinquent as defined by RSA 169:2 II (a) has passed the age of seventeen years or the delinquent as defined by RSA 169:2 II (b) has passed the age of eighteen years, the court may, under its continuing jurisdiction, commit him either to the industrial school, house of correction, jail, or state prison, for all or any part of the term of his minority. A summary of the probation officer's investigation shall accompany each commitment. All records pertaining to cases of delinquency shall be kept at all times so that no one, except by court order, other than officers of the institution where the child is committed, duly accredited probation officers and others entrusted with the corrective treatment of said child, shall have access to the same. Any officer or employee of an institution who permits other than authorized persons to have access to such records, or any officer or

employee or person entrusted with the use of the same for corrective purposes, or any one else, who publishes or broadcasts or permits the publication or broadcast of such records or parts of the same, except by court order, shall be in contempt of court. This prohibition shall not be construed to prevent publication as provided in this section or section 27 of this chapter.

CHAPTER 349.

AN ACT PROVIDING FOR THE ASSESSMENT OF AUTOMOBILE INSURERS TO MEET
THE CLAIM LIABILITIES OF INSOLVENT COMPANIES.

Be it Enacted by the Senate and House of Representatives in General Court convened:

349:1 New Chapter. Amend RSA by inserting after chapter 404 the following new chapter:

Chapter 404-A

Assessment For Claims Against Insolvent Automobile Insurance Companies

404-A:1 Definitions. As used in this chapter:

II. "Licensed automobile insurer" means an insurer authorized to transact and actually transacting the business of automobile insurance in the state of New Hampshire.

III. "Insolvent insurer" means a licensed automobile insurer which has been declared insolvent by a court of competent jurisdiction after the effective date of this chapter; and at any time prior to such declaration of insolvency, had been authorized to transact and had actually transacted the business of automobile insurance in the state of New Hampshire.

IV. "Net loss" means that dollar amount remaining after subtracting the total amount paid claimants in distribution by the receiver of an insolvent insurer from the total amount of all liquidated and duly approved claims against the insolvent insurer.

V. "Claims" means bodily injury liability claims, property damage liability claims, medical payment claims, uninsured motorist claims, automobile physical damage claims and claims for unearned premiums, up to a maximum of twenty-five thousand dollars per person, fifty thousand per occurrence for bodily injury, twenty-five thousand for property damage and five thousand for medical payments, which are payable under the terms of a valid policy of automobile insurance issued to a resident of New Hamp-

shire by an insolvent insurer prior to adjudication of insolvency or appointment of a receiver by a court of competent jurisdiction. Provided that the insurer against whom claim is made was legally liable; that by reason of insolvency of the insurer it is unable to meet its insurance obligation; and that the claim is not cognizable under any uninsured motorist coverage. Provided further, that the amount recoverable by virtue of this chapter by any claimant shall not exceed that amount which said claimant would have been eligible to receive had not the insurer been declared insolvent.

VI. "Claimant" means any person who has a claim against an insolvent insurer or an insured of said insolvent insurer, but shall not include a licensed automobile insurer whose claim has arisen by reason of its subrogation to the rights of its insured to whom it has made payment under its insured's uninsured motorist coverage, such payment having been occasioned by the insolvency of the insolvent insurer.

VII. "Receiver" means any person who is charged by a court of competent jurisdiction with the responsibility for the administration of the affairs of an insolvent insurer.

VIII. "Net Direct Written Premiums" means direct gross premiums received from the business of automobile insurance less return premiums thereon and dividends paid or credited to policyholders on such direct business. Premiums written by an authorized insurer on policies issued to self insurers, whether or not designated as reinsurance contracts shall be deemed net direct premiums.

404-A:2 New Hampshire Automobile Assessment Association. An association to be known as the New Hampshire automobile assessment association is hereby created. Each licensed automobile insurer, as a condition for transacting the business of automobile insurance in the state of New Hampshire, shall belong to the association. Upon the determination by a court of competent jurisdiction that an insurer is an insolvent insurer, as herein defined, the insurance commissioner shall notify all members of the New Hampshire automobile assessment association of the insolvency and shall direct the association to assess each licensed automobile insurer as herein-after set forth to provide the funds necessary to pay the net loss attributable to an insolvent insurer. If the association fails to make such assessment promptly upon direction to do so by the insurance commissioner, the insurance commissioner shall make such assessment directly. Such assessment shall be an appropriate expense factor when considering the cost of doing business in the state of New Hampshire.

404-A:3 Proportionate Amount of Net Loss. The proportionate amount of the net loss to be assumed by each licensed automobile insurer shall be that amount which bears the same relation to the net loss as the amount of the net direct premiums written by the licensed automobile insurer in transacting the business of automobile insurance in the state of New Hampshire in the calendar year preceding the adjudication of insolvency of the insolvent insurer bears to the total amount of all net direct premiums written by all licensed automobile insurers in transacting the business of automobile insurance in the state in said calendar year.

404-A:4 Maximum Annual Assessment. The maximum total assess-

ment in any calendar year shall not exceed three percent of the total amount of all net direct premiums written by all licensed automobile insurers in transacting the business of automobile insurance in the state in said calendar year.

404-A:5 New Hampshire Automobile Assessment Association Committee. The New Hampshire automobile assessment association shall maintain an association committee, consisting of not less than six persons chosen by the members of the association which shall be composed of representatives of three stock insurers and three nonstock insurers and include at least two representatives of domestic insurers which shall represent the association and which, at its option, shall have the right:

II. To submit reports and make recommendations to the insurance commissioner regarding the financial condition of any licensed automobile insurer or regarding the operation or administration of this chapter.

III. To investigate and examine any claim presented to the receiver of any insolvent insurer and to submit recommendations with respect thereto to the receiver.

404-A:6 Regulations. The insurance commissioner shall by regulation establish rules and procedures for the effective operation and administration of this chapter.

349:2 Effective Date. This act shall take effect upon its passage.

[Approved June 30, 1969.]

[Effective date June 30, 1969.]

CHAPTER 350.

AN ACT EMPOWERING THE NEW HAMPSHIRE PORT AUTHORITY TO TAKE PREVENTATIVE ACTION AGAINST CONTAMINATION OF NEW HAMPSHIRE BEACHES BY VESSELS DISCHARGING MATERIALS WITHIN TERRITORIAL WATERS AND REQUIRING PILOTS IN PORTSMOUTH HARBOUR.

Be it Enacted by the Senate and House of Representatives in General Court convened:

350:1 New Hampshire Port Authority. Amend RSA 107 by inserting after section 8 the following new section: **107:8-a Prevention of Coastal Contamination.** The New Hampshire State Port Authority shall be responsible for initiating measures to prevent the contamination of the state seacoast area by oil or other matter which may be discharged from a seagoing vessel. Said authority may stockpile detergents and other equipment that may be needed to combat or prevent such contamination if it should threaten. In the event that a discharge of oil or other matter should threaten the seacoast area with contamination, the authority shall undertake procedures to protect the ports and beaches and reduce the possibility of dam-

age from the contaminating material. In the event the seacoast area becomes contaminated, the governor shall be notified of said contamination by the said authority. The provisions of this section shall in no way impair or diminish the authority of the water supply and pollution control commission under RSA 149 or any other statute.

350:2 Authority. CHAPTER 352.**AN ACT PROVIDING FOR THE ASSESSMENT AND COLLECTION OF A SPECIAL
HEAD TAX FOR STATE PURPOSES.**

Be it Enacted by the Senate and House of Representatives in General Court convened:

352:1 Special Head Tax. There is hereby levied and assessed in 1969 and 1970 for the use of the state a special head tax of five dollars upon each and every resident of the state, as defined herein, over twenty-one and under sixty-eight years of age.

352:2 Resident Defined. The word "resident" as used herein means a person, whether a citizen or an alien, except paupers and insane persons, who has resided in this state for at least six months next preceding the date of each assessment of the head tax hereunder.

352:3 Time of Payment. The head tax shall be assessed upon July 1, 1969, and April 1, 1970, and payable upon demand on or after each of said dates.

352:4 Collection. The selectmen of towns and assessors of cities shall on or before August 1, 1969 and June 1, 1970, make a list of all head taxes by them assessed against residents of their respective towns and cities and commit the list together with a warrant under their hands and seals to the collector of taxes for such town or city directing the collector to collect the head taxes on or before December first next following and to keep the head taxes in a special account, and monthly, or oftener to pay the head taxes over to the town or city treasurer as the taxes are collected. Upon receipt of the original head tax warrant in each year the collector shall forthwith certify to the state treasurer, upon a form prescribed and provided by the state treasurer, the total amount of the taxes received. Upon application by the assessors the tax commission for good cause may extend the time for delivery of the head tax warrant.

352:5 Penalty. There shall be added to any special head tax not paid in full on or before December first following the assessment of the head tax the sum of fifty cents which shall be collected with the tax as incident to the head tax.

352:6 Remedies for Collection. The special head taxes may be collected by all of the means and methods provided in RSA 80 and the provisions of RSA 214:11-a as inserted by 1967, 414:1, RSA 214:12 as amended by 1967, 414:2 and RSA 260:4-6 as amended by 1955, 39:1, 2, 50:17, 125:1 and 1957, 13:1, 2 shall apply to the special head tax assessed under this act.

352:7 Husband Liable. A husband shall be liable for the payment of the special head tax assessed against his wife, if, when it was assessed, they were living together.

352:8 Liability of Cities and Towns. Each town and city shall be liable to the state for all special head taxes lawfully assessed in such town or city.

352:9 Payment to State. On or before the fifteenth day of the months of October, January, April and July each town and city shall cause its tax collector to certify such information as the state treasurer shall require, and

shall cause its treasurer to pay over to the state treasurer all special head taxes and penalties collected during the preceding three months after first deducting ten per cent of the head taxes collected. Such deduction shall be for the use of the town or city to offset all expenses incurred in the assessment and collection of the special head taxes. However, in towns where the collector of taxes is paid on a part time or commission basis not less than thirty per cent of the sum so deducted shall be paid to the collector for his services in collecting the head taxes. If any town or city shall fail to make its payment when due, the deduction of the ten per cent to be retained by it shall be reduced by one quarter of one per cent for each week or part thereof the payment is overdue.

352:10 Final Payment. Each town and city shall cause its treasurer on the fifteenth day of June in the year following the assessment to pay to the state treasurer an amount equal to all uncollected head taxes for which the city or town is then liable, less the ten per cent deduction. However, the total deduction retained from all payments to the state treasurer shall not exceed ten per cent of the total amount of all head taxes collected, less the amount of all lawful abatements certified to the state treasurer. If the payment is not made as provided in this section the state treasurer shall withhold the amount of any head taxes and penalties due to the state for which the town or city may be liable, from any amounts payable by the state to the city or town failing to make the payments of head taxes. The state treasurer shall not pay to any city or town any amounts that may be due to it from the state until all payments of head taxes then due have been paid to him.

352:11 Extents. The state treasurer shall also issue his extent for the amounts of all head taxes and penalties which have been collected and not remitted by any town or city as provided in this act.

352:12 Abatements. Selectmen and assessors may abate any special head tax assessed against persons not subject to the tax as provided in section 1 of this chapter, and upon written application, may abate the head tax when it appears that the payment of the tax would impose an undue hardship upon the applicant. The selectmen and assessors may abate the head tax after all methods of collection provided by law have proved ineffective. They shall make a written record of all abatements made by them and certify the names, addresses and precise reasons for all abatements made because of undue hardship and inability to collect the same to the tax commission for review. If, upon review, the tax commission decides that the abatement should not have been made, it shall disallow the abatement and upon notice thereof the town shall pay to the state the amount of all abatements so disallowed.

352:13 Supplementary Bond of Collector. Whenever the tax commission considers it necessary, a collector of taxes or town manager may be required to furnish a further and additional bond beyond that required by other provisions of law, with sureties, in such form and amount as the commission may approve. The premiums shall be paid by the state.

352:14 Supplies, Bills and Postage. The tax commission shall provide each city and town, without charge, printed tax bills, envelopes, postage, or

postal cards, and other supplies, to be used in assessing and collecting the special head taxes and in keeping the necessary records relating thereto. It may reimburse any city or town in which it seems more practicable and advisable for the city or town to obtain its own supplies, materials and postage, for the cost thereof, if the purchase of such supplies, materials and postage by city or town has been previously approved by the tax commission. The expenses incurred or reimbursements authorized by the tax commission under this section and for supplemental bonds required under section 13 of this act shall be a charge against the funds collected by the state under these provisions.

352:15 Exemptions. All persons on active duty in the armed forces of the United States of America on the date of assessment shall be exempt from payment of the special head tax. Veterans totally and permanently disabled from service connection who are drawing federal compensation or pension and whose income, exclusive of said compensation or pension, is less than one thousand dollars a year, upon written request filed on or before July 15, 1969 and April 15, 1970, shall be exempt from the special head tax.

352:16 Disposition of Taxes. All funds received by the state treasurer under the provisions hereof, less costs of collection as provided in sections 9 and 14, shall be deposited in the general funds of the state.

352:17 Refund of Tax Paid. If it appears that a person has paid a head tax for which he was not liable and the tax has been paid to the state treasurer by the town or city where it was collected, the state treasurer, after investigation by the tax commission, upon order of the tax commission, shall pay to the person who paid the tax the amount of the tax paid, provided application therefor is made to the tax commission on or before June thirtieth in the year next following the date of assessment.

352:18 Application of Statutes. No person obtaining an abatement under section 12 of this act shall for that action be precluded from voting under section 1 of chapter 54 RSA.

352:19 Effective Date. This act shall take effect as of July 1, 1969.
[Approved July 1, 1969.]
[Effective date July 1, 1969.]

355:2 Unnecessary Wording Eliminated. Amend RSA 200-C:4 (supp) as inserted by 1967 417:1 by striking out in lines ten, eleven, twelve, and thirteen the words "The governor and council may transfer funds within the programs authorized by this chapter, and from program to program, to provide for the maximum utilization of any funds available for the vocational rehabilitation programs authorized under this chapter" so that said section as amended shall read as follows: **200-C:4 Expansion of Programs.** It is the intent of the general court that the vocational rehabilitation program of cooperative agreements may be expanded as additional federal funds become available. Amend RSA 193 by inserting after section 1 the following new section: **193:1-a Dual Enrollment.** Notwithstanding any other provision of the law, the full-time attendance requirement may be met by attendance at more than one school provided the total time spent in the schools is equivalent to full-time attendance and further that the attendance at more than one school may include attendance at a nonpublic school provided that the school district and the state board of education have given prior approval to the detailed dual enrollment agreement, which is to be effectuated for this purpose.

In case the child shall be assigned to attend school in another district the district in which such child resides shall pay to the district in which such child attends tuition computed as provided in section 4 hereof. The state board of education may also permit such child to withdraw from school attendance for such time as it may deem necessary or proper or make such other orders with respect to the attendance of such child at school as in its judgment the circumstances require. 356:4 Notice of Attendance Requirements. Amend RSA 193:8 by striking out in line two the word "seven" so that said section as amended shall read as follows: **193:8 Notice of Requirements.** The school board of every district shall cause a copy of the preceding sections to be sent to every person who they have reason to believe does not comply with the requirements thereof.

356:5 Suspension of Pupils. Amend RSA 193:13 by striking out said section and inserting in place thereof the following: **193:13 Suspension and Dismissal of Pupils.** The superintendent is authorized to suspend pupils from school for gross misconduct, providing that where there is a suspension lasting beyond five school days, the parent or guardian has the right to appeal any such suspension to the local board. Any suspension to continue beyond twenty school days must be approved by the local board. Any pupil may be dismissed from school by the local school board for gross misconduct or for neglect or refusal to conform to the reasonable rules of the school and said pupil shall not attend school until restored by the local board. Any dismissal must be subject to review if requested prior to the start of each school year and further, any parent or guardian has the right to appeal any such dismissal by the local board to the state board of education.

356:6 Assignment to Schools. Amend RSA 193:14 by striking out in line three the words "in the district" so that said section as amended shall read as follows: **193:14 Assignment of Pupils to Schools.** No pupil who shall have been assigned to a particular school by the school board shall attend any other school until assigned thereto.

356:7 Sentence for Nonattendance. Amend RSA 193:18 by striking out in line four the words "some school kept in the district" and inserting in place thereof the following (a school assigned by the local school board) so that said section as amended shall read as follows: **193:18 — Suspension of Sentence.** Any offender so convicted may give bond to the district in the sum of twenty-five dollars, with sufficient sureties, approved by the court or justice before whom he was convicted, conditioned to attend regularly a school assigned by the local school board for one term next ensuing, to comply with the regulations thereof, and to be obedient and respectful to the teacher, and his sentence may be suspended.

356:8 Right of Attendance. Amend RSA 193:18-b as inserted by 1955, 227:1 and amended by 1955, 263:1 and 1961, 250:1 by striking out in line three after the word "schools" the word "in" and inserting in place thereof the word (of) so that said section as amended shall read as follows **193:18-b Right of Attendance.** Whenever any child is placed and cared for in any home for children, such child, if of school age, shall be entitled to attend the public schools of the school district in which said home is located, unless such placement was solely for the purpose of enabling a child residing outside said district to attend the schools thereof. For the purpose of computing foundation aid in accordance with RSA 198:8-12 for the fiscal years 1961-62 and 1962-63, children placed in "homes for children" in the second preceding year shall be credited in average daily membership to the district in which said home was located.

356:9 Nongraduating Pupil. Amend RSA 194 by inserting after section 27 the following new section: **194:27-a Tuition Liability for Nongraduating Pupils.** A pupil who has attended a high school, or schools of corresponding grades, for such time as is usually required and who has not been graduated may be required to certify to the school board of the district liable for the pupil's tuition that he will make the effort required to profit from his attendance before he is entitled to any further tuition pay-

ments on his behalf. The school board of the district liable for tuition for any such pupil may refuse tuition for such pupil when it has been determined that such pupil is grossly neglecting his school work. A decision of the board to refuse tuition under such circumstances stands, subject only to review by the state board of education. The decision of the state board of education is binding and final on both the district and the pupil. Nothing in this section shall be construed to prevent a school board from making tuition payments beyond the time usually required for the completion of a high school program if in the board's judgment it is desirable to extend the educational opportunity for a pupil.

356:10 Duty of School Board. Amend RSA 189 by inserting after section 1 the following new section: **189:1-a Duty to Provide Education.** It shall be the duty of the school board to provide, at district expense, elementary and secondary education to all pupils under twenty-one years of age who reside in the district, provided that the board may exclude specific pupils for gross misconduct or for neglect or refusal to conform to the reasonable rules of the school, and further provided that this section shall not apply to pupils who have been exempted from school attendance in accordance with RSA 193:5.

356:11 Repeal. RSA 194:29 and 30 relative to the duty to provide junior high schools are hereby repealed.

356:12 Effective Date. This act shall take effect July 1, 1969.

[Approved July 1, 1969.]

[Effective date July 1, 1969.]

Be it Enacted by the Senate and House of Representatives in General Court convened:

362:1 New Chapter. Amend RSA by inserting after chapter 428-A (supp) the following new chapter:

Chapter 428-B

Poultry Inspection

428-B:1 Applicability of Other Provisions. The procedure for poultry inspection, as well as the rights and duties of those parties involved in such inspection, shall be substantially that prescribed by RSA 428-A, provided, that the applicability of said chapter shall be subject to any contrary provisions contained hereunder.

428-B:2 Definitions. As much as possible, all of the definitions in regard to procedures and rules for the buying, selling and handling of meat products, as provided under RSA 428-A:2, shall apply to the buying, selling and handling of poultry products under this chapter. In addition, the following terms shall have the following meanings:

I. The term "Federal Poultry Products Inspection Act" means the act so entitled approved August 28, 1957 (71 Stat. 441), as amended by the Wholesome Poultry Products Act (82 Stat. 791).

II. The term "container" or "package" includes any box, can, tin, cloth, plastic, or other receptacle, wrapper, or cover.

IV. The term "shipping container" means any container used or intended for use in packaging the product packed in an immediate container.

V. The term "immediate container" includes any consumer package, or any other container in which poultry products, not consumer packaged, are packed.

VI. The term "official establishment" means any establishment as determined by the commissioner at which inspection of slaughter of poultry, or the processing of poultry products, is maintained under the authority of this chapter.

428-B:3 Federal-State Cooperation.

I. The department of agriculture is hereby designated as the state agency which shall be responsible for cooperating with the Secretary of Agriculture of the United States under the provisions of section 5 of the Federal Poultry Products Inspection Act and such agency is directed to cooperate with the Secretary of Agriculture of the United States in developing and administering the poultry products inspection program of this state under this chapter to assure that no later than August 18, 1970, the state requirements will be at least equal to those imposed under sections 1-4, 6-10, and 12-22 of the Federal Poultry Products Inspection Act and in developing and administering the program of this state under section 10 of this chapter in such a manner as will effectuate the purposes of such chapter and said Federal Act.

II. In such cooperative efforts, the commissioner is authorized to accept from said secretary advisory assistance in planning and otherwise developing the state program, technical and laboratory assistance and training, including necessary curricular and instructional materials and equipment, and financial and other aid for administration of such a program.

428-B:4 Intrastate Commercial Control. In addition to the prohibitions provided by RSA 428-A:10, no person, firm, or corporation shall, with respect to poultry, meat or meat products of any such animals;

I. Sell, transport, offer for sale or transportation, or receive for transportation, in intrastate commerce, or from an official establishment, any slaughtered poultry from which the blood, feathers, feet, head, or viscera have not been removed in accordance with regulations promulgated by the state veterinarian, except as may be authorized by regulations of the commissioner;

II. Use to his own advantage, or reveal other than to authorized representatives of the state or any other government, in their official capacity, or as ordered by a court in any judicial proceeding, any information acquired under the authority of this chapter concerning any matter which is entitled to protection as a trade secret.

428-B:5 Exemptions and Exceptions.

I. In addition to the exemptions and exceptions enumerated in RSA 428-A:16 the state veterinarian shall, by regulation and under such condi-

tions, including requirements, as to sanitary standards, practices, and procedures as he may prescribe, exempt from specific provisions of this chapter with respect to processing of poultry or poultry products solely for intrastate commerce and distribution of poultry or poultry products only in such commerce;

(a) retail dealers with respect to poultry products sold directly to consumers in individual retail stores, if the only processing operation performed by such retail dealers is the cutting up of poultry products on the premises where such sales to consumers are made;

(b) for such period of time as the state veterinarian determines that it would be impracticable to provide inspection and the exemption will aid in the effective administration of this chapter, any person engaged in the processing of poultry or poultry products and the poultry or poultry products processed by such person: provided, however, that no such exemption shall continue in effect more than one hundred and twenty days after enactment of this chapter;

(c) persons slaughtering, processing, or otherwise handling poultry or poultry products which have been or are to be processed as required by recognized religious dietary laws, to the extent that the state veterinarian determines necessary to avoid conflict with such requirements while still effectuating the purposes of this chapter;

(d) the slaughtering by any person of poultry of his own raising, and the processing by him and transportation of the poultry products exclusively for use by him and members of his household and his nonpaying guests and employees;

(e) the custom slaughter by any person of poultry delivered by the owner thereof for such slaughter, and the processing by such slaughterer and transportation of the poultry products exclusively for use, in the household of such owner, by him and members of his household and his nonpaying guests and employees: provided, that such custom slaughterer does not engage in the business of buying or selling any poultry products capable of use as human food;

(f) the slaughtering and processing of poultry products by any poultry producer on his own premises with respect to sound and healthy poultry raised on his premises and the distribution by any person of the poultry products derived from such operations, if, in lieu of other labeling requirements, such poultry products are identified with the name and address of such poultry producer, and if they are not otherwise misbranded, and are sound, clean, and fit for human food when so distributed; and

(g) the slaughtering of sound and healthy poultry or the processing of poultry products of such poultry by any poultry producer or other person for distribution by him directly to household consumers, restaurants, hotels, and boarding houses, for use in their own dining rooms, or in the preparation of meals for sales direct to consumers, if, in lieu of other labeling requirements, such poultry products are identified with the name and address of the processor, and if they are not otherwise misbranded and are sound, clean, and fit for human food when distributed by such processor.

II. In addition to the specific exemptions authorized in paragraph I, the state veterinarian shall, when he determines that the protection of con-

sumers from adulterated or misbranded poultry products will not be impaired by such action, provide by regulation, consistent with paragraph III for the exemption of the operation and products of small enterprises (including poultry producers), not exempted under subparagraph (a), which are engaged in slaughtering and/or cutting up poultry for distribution as carcasses or parts thereof, solely for distribution within this state, from such provisions of this chapter as he deems appropriate, while still protecting the public from adulterated or misbranded products, under such conditions, including sanitary requirements, as he shall prescribe to effectuate the purposes of this chapter.

III. The exemptions provided for in subparagraphs I (e) and (f) above shall not apply if the poultry producer or other person engages in the current calendar year in the business of buying or selling any poultry or poultry products other than as specified in such subparagraphs. No exemption under subparagraph I (e) or (f) or paragraph II shall apply to any poultry producer or other person who slaughters or processes the products of more than five thousand turkeys or an equivalent number of poultry of all species in the current calendar year (four birds of other species being deemed the equivalent of one turkey).

IV. The provisions of this chapter requiring inspection shall not apply to operations of types traditionally and usually conducted at retail stores and restaurants, when conducted at any retail store or restaurant or similar retail-type establishment for sale in normal retail quantities or service of such articles to consumers at such establishments, if no poultry or poultry products are processed at the establishment for distribution outside this state or otherwise subject to inspection under the Federal Poultry Products Inspection Act.

V. The provisions of this chapter shall not apply to poultry producers with respect to poultry of their own raising on their own farms if:

(a) such producers slaughter not more than two hundred and fifty turkeys, or not more than an equivalent number of birds of all species during the calendar year for which this exemption is being determined (four birds of other species being deemed the equivalent of one turkey);

(b) such poultry producers do not engage in buying or selling poultry products other than those produced from poultry raised on their own farms; and

(c) such poultry moves only in intrastate commerce.

VI. The adulteration and misbranding provisions of this chapter, other than the requirement of the inspection legend, shall apply to articles which are exempted from inspection under this section, except as otherwise specified under paragraphs I, II, or V.

VII. The state veterinarian may by order suspend or terminate any exemption under paragraph I or II of this section with respect to any person whenever he finds that such action will aid in effectuating the purposes of this chapter.

428-B:6 Entry of Materials Into Official Establishment. The state veterinarian may limit the entry of poultry products and other materials

into any official establishment, under such conditions as he may prescribe to assure that allowing the entry of such articles into such inspected establishments will be consistent with the purposes of this chapter.

428-B:7 Application of Federal Poultry Products Inspection Act. The requirements of this chapter shall apply to persons, establishments, poultry, poultry products and other articles regulated under the Federal Poultry Products Inspection Act only to the extent provided for in section 23 of said federal act.

428-B:8 Costs of Inspection; Limitation. The cost of inspection rendered under the requirements of this chapter, shall be borne by this state, except that the cost of overtime and holiday work performed in establishments subject to the provisions of this chapter, at such rates as the commissioner of agriculture may determine shall be borne by such establishments. Sums received by the commissioner in reimbursement for sums paid out by him for such premium pay work shall be available without fiscal year limitation to carry out the purposes of this section.

362:2 Effective Date. This act shall take effect sixty days after its passage, provided, that no poultry slaughterer, poultry packer, processor, buyer or seller shall be required to comply with the provisions of RSA 428-B until January 1, 1970.

[Approved July 1, 1969.]

[Effective date August 30, 1969, provided, that no poultry slaughterer, poultry packer, processor, buyer or seller shall be required to comply with the provisions of RSA 428-B until January 1, 1970.]

CHAPTER 363.

AN ACT TO ESTABLISH A MEAT INSPECTION SERVICE.

Be it Enacted by the Senate and House of Representatives in General Court convened:

363:1 New Chapter. Amend RSA by inserting after chapter 428 the following new chapter:

Chapter 428-A Meat Inspection

428-A:1 Declaration of Policy. Meat and meat food products are an important source of the nation's total supply of food. It is essential in the public interest that the health and welfare of consumers be protected by assuring that meat and meat food products distributed to them are wholesome, not adulterated, and properly marked, labeled, and packaged. Unwholesome, adulterated, or misbranded meat or meat food products are injurious to the public welfare, destroy markets for wholesome, not adulterated, and properly labeled and packaged meat and meat food products, and result in sundry losses to livestock producers and processors of meat and meat food products, as well as injury to consumers. The unwholesome, adulterated, mislabeled, or deceptively packaged articles can be sold at

lower prices and compete unfairly with the wholesome, not adulterated, and properly labeled and packaged articles, to the detriment of consumers and the public generally. It is hereby found that regulation by the commissioner and cooperation by this state and the United States as contemplated by this chapter are appropriate to protect the health and welfare of consumers and otherwise effectuate the purposes of this chapter.

Inspection Requirements; Adulteration and Misbranding

428-A:2 Definitions. As used in this chapter, except as otherwise specified, the following terms shall have the meanings stated below:

I. The term "commissioner" means the commissioner of agriculture or his delegate.

II. The term "firm" means any partnership, association, or other unincorporated business organization.

III. The term "meat broker" means any person, firm, or corporation engaged in the business of buying or selling carcasses, parts of carcasses, meat, or meat food products of cattle, sheep, swine, goats, horses, mules, or other equines on commission, or otherwise negotiating purchases or sales of such articles other than for his own account or as an employee of another person, firm, or corporation.

IV. The term "renderer" means any person, firm, or corporation engaged in the business of rendering carcasses, or parts or products of the carcasses, of cattle, sheep, swine, goats, horses, mules, or other equines, except rendering conducted under inspection under this subdivision of the chapter.

V. The term "animal food manufacturer" means any person, firm, or corporation engaged in the business of manufacturing or processing animal food derived wholly or in part from carcasses, or parts or products of the carcasses, of cattle, sheep, swine, goats, horses, mules, or other equines.

VI. The term "intrastate commerce" means commerce within this state.

VII. The term "meat food product" means any product capable of use as human food which is made wholly or in part from any meat or other portion of the carcass of any cattle, sheep, swine, or goats, excepting products which contain meat or other portions of such carcasses only in a relatively small proportion or historically have not been considered by consumers as products of the meat food industry, and which are exempted from definition as a meat food product by the commissioner under such conditions as he may prescribe to assure that the meat or other portions of such carcasses contained in such product are not adulterated and that such products are not represented as meat food products. This term as applied to food products of equines shall have a meaning comparable to that provided in this paragraph with respect to cattle, sheep, swine, and goats.

VIII. The term "capable of use as human food" shall apply to any carcass, or part or product of a carcass, of any animal, unless it is denatured or otherwise identified as required by regulations prescribed by the commissioner to deter its use as human food, or it is naturally inedible by humans.

IX. The term "prepared" means slaughtered, canned, salted, rendered, boned, cut up, or otherwise manufactured or processed.

X. The term "adulterated" shall apply to any carcass, part thereof, meat or meat food product under one or more of the following circumstances:

(a) if it bears or contains any poisonous or deleterious substance which may render it injurious to health; but in case the substance is not an added substance, such article shall not be considered adulterated under this clause if the quality of such substance in or on such article does not ordinarily render it injurious to health;

(b) if it bears or contains by reason of administration of any substance to the live animal or otherwise any added poisonous or added deleterious substance other than one which is

(1) a pesticide chemical in or on a raw agricultural commodity;

(2) a food additive; or

(3) a color additive which may, in the judgment of the commissioner, make such article unfit for human food;

(c) if it is, in whole or in part, a raw agricultural commodity and such commodity bears or contains a pesticide chemical which is unsafe within the meaning of section 408 of the Federal Food, Drug, and Cosmetic Act;

(d) if it bears or contains any food additive which is unsafe within the meaning of section 409 of the Federal Food, Drug, and Cosmetic Act;

(e) if it bears or contains any color additive which is unsafe within the meaning of section 706 of the Federal Food, Drug, and Cosmetic Act; provided, that an article which is not adulterated under subparagraph (c), (d), or (e) shall nevertheless be deemed adulterated if use of the pesticide chemical, food additive, or color additive in or on such article is prohibited by regulations of the commissioner in establishments at which inspection is maintained under sections 2 through 17 of this chapter.

(f) if it consists in whole or in part of any filthy, putrid, or decomposed substance or is for any other reason unsound, unhealthful, unwholesome, or otherwise unfit for human food;

(g) if it has been prepared, packed, or held under unsanitary conditions whereby it may have become contaminated with filth, or whereby it may have been rendered injurious to health;

(h) if it is, in whole or in part, the product of an animal which has died otherwise than by slaughter;

(i) if its container is composed, in whole or in part, of any poisonous or deleterious substance which may render the contents injurious to health;

(j) if it has been intentionally subjected to radiation, unless the use of the radiation was in conformity with a regulation or exemption in effect pursuant to section 409 of the Federal Food, Drug, and Cosmetic Act;

(k) if any valuable constituent has been in whole or in part omitted or abstracted therefrom; or if any substance has been substituted, wholly or in part therefor; or if damage or inferiority has been concealed in any manner; or if any substance has been added thereto or mixed or packed therewith so as to increase its bulk or weight, or reduce its quality or strength, or make it appear better or of greater value than it is; or

(l) if it is margarine containing animal fat and any of the raw material used therein consisted in whole or in part of any filthy, putrid, or decomposed substance.

XI. The term "misbranded" shall apply to any carcass, part thereof, meat or meat food product under one or more of the following circumstances:

- (a) if its labeling is false or misleading in any particular;
- (b) if it is offered for sale under the name of another food;
- (c) if it is an imitation of another food, unless its label bears, in type of uniform size and prominence, the word "imitation" and immediately thereafter, the name of the food imitated;
- (d) if its container is so made, formed, or filled as to be misleading;
- (e) if in a package or other container unless it bears a label showing:
 - (1) the name and place of business of the manufacturer, packer, or distributor; or
 - (2) an accurate statement of the quantity of the contents in terms of weight, measure, or numerical count; provided that under subparagraph (2) of this subparagraph, reasonable variations may be permitted, and exemptions as to small packages may be established, by regulations prescribed by the commissioner;
- (f) if any word, statement, or other information required by or under authority of this chapter to appear on the label or other labeling is not prominently placed thereon with such conspicuousness as compared with other words, statements, designs, or devices, in the labeling and in such terms as to render it likely to be read and understood by the ordinary individual under customary conditions of purchase and use;
- (g) if it purports to be or is represented as a food for which a definition and standard of identity or composition has been prescribed by regulations of the commissioner under section 6 of this chapter unless:
 - (1) it conforms to such definition and standard,
 - (2) its label bears the name of the food specified in the definition and standard and, insofar as may be required by such regulations, the common names of optional ingredients, other than spices, flavoring, and coloring, present in such food;
- (h) if it purports to be or is represented as a food for which a standard or standards of fill of container have been prescribed by regulations of the commissioner under section 6 of this act, and it falls below the standard of fill of container applicable thereto, unless its label bears, in such manner and form as such regulations specify, a statement that it falls below such standard;
- (i) if it is not subject to the provisions of subparagraph (g), unless its label bears:
 - (1) the common or usual name of the food, if there be any, and
 - (2) in case it is fabricated from two or more ingredients, the common or usual name of each such ingredient; except that spices, flavorings, and colorings may, when authorized by the commissioner, be designated as spices, flavorings, and colorings without naming each; provided that, to the extent that compliance with the requirements of subparagraph (2) of this subparagraph is impracticable, or results in deception or unfair competition, exemptions shall be established by regulations promulgated by the commissioner;

(j) if it purports to be or is represented for special dietary uses, unless its label bears such information concerning its vitamin, mineral, and other dietary properties as the commissioner, after consultation with the secretary of agriculture of the United States, determines to be, and by regulations prescribes as, necessary in order fully to inform purchasers as to its value for such uses;

(k) if it bears or contains any artificial flavoring, artificial coloring, or chemical preservative, unless it bears labeling stating that fact; provided that, to the extent that compliance with the requirements of this subparagraph is impracticable, exemptions shall be established by regulations promulgated by the commissioner; or

(l) if it fails to bear, directly thereon or on its container, as the commissioner may by regulations prescribe, the inspection legend and, unrestricted by any of the foregoing, such other information as said commissioner may require in such regulations to assure that it will not have false or misleading labeling and that the public will be informed of the manner of handling required to maintain the article in wholesome condition.

XII. The term "label" means a display of written, printed, or graphic matter upon the immediate container (not including package liners) of any article.

XIII. The term "labeling" means all labels and other written, printed, or graphic matter:

XV. The term "Federal Food, Drug, and Cosmetic Act" means the act so entitled, approved June 25, 1938 (52 Stat. 1040), and acts amendatory thereof or supplementary thereto.

XVI. The term "pesticide chemical", "food additive", "color additive", and "raw agricultural commodity" shall have the same meanings for purposes of this chapter as under the Federal Food, Drug, and Cosmetic Act.

XVII. The term "official mark" means the official inspection legend or any other symbol prescribed by regulations of the commissioner to identify the status of any article or animal under this chapter.

XVIII. The term "official inspection legend" means any symbol prescribed by regulations of the commissioner showing that an article was inspected and passed in accordance with this chapter.

XIX. The term "official certificate" means any certificate prescribed by regulations of the commissioner for issuance by an inspector or other person performing official functions under this chapter.

service which is charged with the enforcement of this chapter. The state veterinarian shall be the chief of said service.

428-A:4 Examination and Inspection. For the purpose of preventing the use in intrastate commerce, as hereinafter provided, of meat and meat food products which are adulterated the commissioner shall cause to be made, by inspectors appointed for that purpose:

I. An examination and inspection of all cattle, sheep, swine, goats, horses, mules, and other equines before they shall be allowed to enter into any slaughtering, packing, meat-curing, rendering, or similar establishment in this state in which slaughtering and preparation of meat and meat food products of such animals are conducted solely for intrastate commerce:

(a) all cattle, sheep, swine, goats, horses, mules, and other equines found on such inspection to show symptoms of disease shall be set apart and slaughtered separately from all other cattle, sheep, swine, goats, horses, mules, or other equines; and

(b) when so slaughtered, the carcasses of said cattle, sheep, swine, goats, horses, mules, or other equines shall be subject to a careful examination and inspection, all as provided by the rules and regulations to be prescribed by the commissioner as herein provided for.

II. A post-mortem examination and inspection of the carcasses and parts thereof of all cattle, sheep, swine, goats, horses, mules, and other equines, capable of use as human food, to be prepared at any slaughtering, meat-canning, salting, packing, rendering, or similar establishment in this state in which such articles are prepared solely for intrastate commerce:

(a) the carcasses and parts thereof of all such animals found to be not adulterated shall be marked, stamped, tagged, or labeled, as "Inspected and Passed"; and said inspectors shall label, mark, stamp, or tag as "Inspected and Condemned", all carcasses and parts thereof of animals found to be adulterated; and

(b) all carcasses and parts thereof thus inspected and condemned shall be destroyed for food purposes by the said establishment in the presence of an inspector; and

(d) the commissioner may remove inspectors from any establishment which fails to destroy any such condemned carcass or part thereof when the requirements of either subsection (b) or subsection (c) have not been observed.

III. An examination and inspection of all meat food products prepared in any slaughtering, meat-canning, salting, packing, rendering, or similar establishment, where such articles are prepared solely for intrastate commerce.

428-A:5 Coverage of Inspection Provisions.

I. The provisions of section 4 shall apply to all carcasses or parts of carcasses of cattle, sheep, swine, goats, horses, mules, and other equines or the meat or meat products thereof, capable of use as human food, which may be brought into any slaughtering, meat-canning, salting, packing, rendering, or similar establishment, where inspection under this subdivision is maintained;

II. Such examination and inspection shall be had before the said carcasses or parts thereof shall be allowed to enter into any department wherein the same are to be treated and prepared for meat food products;

III. The provisions of section 4 shall also apply to all such products which, after having been issued from any such slaughtering, meat-canning, salting, packing, rendering, or similar establishment, shall be returned to the same or to any similar establishment where such inspection is maintained.

IV. The commissioner may limit the entry of carcasses, part of carcasses, meat and meat food products, and other materials into any establishment at which inspection under this subdivision is maintained, under such conditions as he may prescribe to assure that allowing the entry of such articles into such inspected establishments will be consistent with the purposes of this chapter.

428-A:6 Access to Premises. For the purpose of any examination and inspection:

I. Inspectors shall have access at all times, by day or night, whether the establishment be operated or not, to every part of establishments subject to the provisions of this chapter;

II. Said inspectors shall mark, stamp, tag, or label as "New Hampshire inspected and passed" all such products found to be not adulterated;

III. Said inspectors shall label, mark, stamp, or tag as "New Hampshire inspected and condemned" all such products found adulterated, and all such condemned meat food products shall be destroyed for food purposes, as hereinbefore provided;

IV. The commissioner may remove inspectors from any establishment which fails to so destroy such condemned meat food products.

428-A:7 Labeling Requirements.

I. When any meat or meat food product prepared for intrastate commerce which has been inspected as hereinbefore provided and marked "New Hampshire inspected and passed" shall be placed or packed in any can, pot, tin, canvas, or other receptacle or covering in any establishment where inspection under the provisions of this chapter is maintained, the person, firm, or corporation preparing said product shall cause a label to be attached to said can, pot, tin, canvas, or other receptacle or covering, under supervision of an inspector, which label shall state that the contents thereof have been "New Hampshire inspected and passed" under the provisions of this chapter;

II. No inspection and examination of meat or meat food products deposited or enclosed in cans, tins, pots, canvas, or other receptacle or cover-

III. All carcasses, parts of carcasses, meat and meat food products inspected at any establishment under the authority of this chapter and found to be not adulterated, shall at the time they leave the establishment bear, in distinctly legible form, directly thereon or on their containers, as the commissioner may require, the information required under paragraph XI of section 2 of this chapter.

IV. The commissioner, whenever he determines such action is necessary for the protection of the public, may prescribe:

(a) the styles and sizes of type to be used with respect to material required to be incorporated in labeling to avoid false or misleading labeling of any articles or animals subject to this subdivision or sections 18 to 21 of this chapter;

(b) definitions and standards of identity or composition for articles subject to this subdivision and standards of fill of container for such articles not inconsistent with any such standards established under the Federal Food, Drug, and Cosmetic Act, or under the Federal Meat Inspection Act, and there shall be consultation between the commissioner and the secretary of agriculture of the United States prior to the issuance of such standards to avoid inconsistency between such standards and the federal standards.

V. No article subject to this subdivision shall be sold or offered for sale by any person, firm, or corporation, in intrastate commerce, under any name or other marking or labeling which is false or misleading, or in any container of a misleading form or size, but established trade names and other marking and labeling and containers which are not false or misleading and which are approved by the commissioner, are permitted.

VI. If the commissioner has reason to believe that any marking or labeling or the size or form of any container in use or proposed for use with respect to any article subject to this subdivision is false or misleading in any particular, he may direct that such use be withheld unless the marking, labeling, or container is modified in such manner as he may prescribe so that it will not be false or misleading. If the person, firm, or corporation using or proposing to use the marking, labeling or container does not accept the determination of the commissioner, such person, firm, or corporation may request a hearing, but the use of the marking, labeling, or container shall, if the commissioner so directs, be withheld pending hearing and final determination by the commissioner. (b) more than one violation of any law, other than a felony, based upon the acquiring, handling, or distributing of unwholesome, mislabeled, or deceptively packaged food or upon fraud in connection with transactions in food.

I. It may be detained by such representative for a period not to exceed twenty days, pending action under section 25 of this chapter or notification of any federal authorities having jurisdiction over such article or animal, and shall not be moved by any person, firm, or corporation from the place at which it is located when so detained, until released by such representative.

II. If the article or animal is condemned it shall, after entry of the decree, be disposed of by destruction or sale as the court may direct and the proceeds, if sold, less the court costs and fees, and storage and other proper expenses, shall be paid into the treasury of this state, but the article or animals shall not be sold contrary to the provisions of this chapter, or the Federal Meat Inspection Act or the Federal Food, Drug, and Cosmetic Act; provided that:

(a) upon the execution and delivery of a good and sufficient bond conditioned that the article or animal shall not be sold or otherwise disposed of contrary to the provisions of this chapter, or the laws of the United States, the court may direct that such article or animal be delivered to the owner thereof subject to such supervision by authorized representatives of the commissioner as is necessary to insure compliance with the applicable laws;

(b) when a decree of condemnation is entered against the article or animal and it is released under bond, or destroyed, court costs and fees, and storage and other proper expenses shall be awarded against the person, if any, intervening as claimant of the article or animal;

VIII. (a) No person, firm, or corporation shall be excused from attending and testifying or from producing books, papers, schedules of charges, contracts, agreements, or other documentary evidence before the commissioner or in obedience to the subpoena of the commissioner whether such subpoena be signed or issued by him or his delegate, or in any cause or proceeding, criminal or otherwise, based upon or growing out of any alleged violation of this chapter, or of any amendments thereto, on the ground or for the reason that the testimony or evidence, documentary or otherwise, required of him or it may tend to incriminate him or it or subject him or it to a penalty or forfeiture;

A mutual savings bank may convert into a building and loan association or cooperative bank and a building and loan association or cooperative bank may convert into a mutual savings bank as provided in this subdivision. The converting institution shall be granted a new certificate of incorporation, in amendment of its pre-existing charter or certificate of incorporation, if the bank commissioner finds that the converting institution meets the standards (or their substantial equivalent) as to capital structure and business experience of management, prescribed for the incorporation of a mutual savings bank or a building and loan association, as the case may be. No such conversion shall be approved unless it has first been ratified by the affirmative vote of a majority of the votes cast at an annual or special meeting of the members or shareholders with voting rights in the converting institution called to consider such action and unless the converting institution has first notified by mail all its depositors or shareholders without voting rights of the proposed conversion.

Amend RSA 102:18 by striking out in lines twenty and twenty-one the word "discontinued" and inserting in place thereof the words (continued until such time as the community from which he is retired is able to rehire him) so that said section as amended shall read as follows: **102:18 Ordinary Disability; Medical Examination.** Upon the application to the retirement board of a member in active service, any member who has fifteen or more years of creditable service may be retired on an ordinary disability retirement allowance consisting of an annual sum equal to two-thirds his average final salary as defined in section 15; provided that, the physician or physicians designated by the board certify that he is mentally or physically incapacitated for the further performance of duty, that such incapacity is likely to be permanent, and that he should be retired. Once each year during the first years following the retirement of a member on a total and permanent disability, or ordinary disability retirement, and once in every three-year period thereafter, the board may require any disability beneficiary, who has not attained age sixty-five, to undergo a medical examination by a physician or physicians designated by the board. If any disability beneficiary, who has not attained age sixty-five, refuses to submit to such medical examination, his retirement may be discontinued by the board, until his withdrawal of such refusal, and if his refusal continues for more than a year all his rights in and to his

pension may be revoked by the board. If the physician or physicians designated by the board report and certify that the disability beneficiary is again able to engage in fire duty, his retirement allowance shall be continued until such time as the community from which he is retired is able to rehire him. On his reinstatement to active service his rate of assessment shall be the same as assessed against him previous to the date of his disability, and his period of disability shall be considered as part of continuous service. If the retirement board finds that any member retired on an ordinary disability allowance under this section is engaged in a gainful occupation paying more than the difference between his annual retirement allowance and his final annual salary prior to retirement, then his disability shall be deemed to have diminished and his retirement allowance shall be reduced to an amount which, together with the amount then being earned by him, shall equal his final annual salary at retirement, as stated above. If his earnings from such gainful occupation are later changed, his retirement allowance may be further modified by the retirement board; provided, however, that his retirement allowance shall at no time exceed the original grant nor an amount which when added to the amount being earned by him equals his final annual salary at retirement, as stated above. The provisions of this section governing adjustments or discontinuance of a member's disability retirement allowance shall apply proportionally in like manner to any benefits which may thereafter become payable to the beneficiary named under any option elected under the provisions of section 16.

I. Each application for an order authorizing or approving the interception of a wire or oral communication shall be made in writing upon oath or affirmation to a judge of competent jurisdiction and shall state the applicant's authority to make such application. Each application shall include the following information:

(a) the identity of the law enforcement officer making the application, and the officer authorizing the application;

(b) a full and complete statement of the facts and circumstances relied upon by the applicant, to justify his belief that an order should be issued, including (i) details as to the particular offense that has been, is being, or is about to be committed, (ii) a particular description of the nature and location of the facilities from which or the place where the communication is to be intercepted, (iii) a particular description of the type of communications sought to be intercepted, (iv) the identity of the person, if known, committing the offense and whose communications are to be intercepted;

(c) a full and complete statement as to whether or not other investigative procedures have been tried and failed or why they reasonably appear to be unlikely to succeed if tried or to be too dangerous;

(d) a statement of the period of time for which the interception is required to be maintained. If the nature of the investigation is such that the authorization for interception should not automatically terminate when the described type of communication has been first obtained, a particular description of facts establishing probable cause to believe that additional communications of the same type will occur thereafter;

(e) a full and complete statement of the facts concerning all previous applications known to the individual authorizing and making the application, made to any judge for authorization to intercept, or for approval of interceptions of, wire or oral communications involving any of the same persons, facilities or places specified in the application, and the action taken by the judge on each such application; and

(f) where the application is for the extension of an order, a statement setting forth the results thus far obtained from the interception, or a reasonable explanation of the failure to obtain such results.

II. The judge may require the applicant to furnish additional testimony or documentary evidence in support of the application.

III. Upon such application the judge may enter an ex parte order, as requested or as modified, authorizing or approving interception of wire or oral communications, if the judge determines on the basis of the facts submitted by the applicant that;

(a) there is probable cause for belief that an individual is committing, has committed, or is about to commit a particular offense enumerated in section 7 of this chapter;

(b) there is probable cause for belief that particular communications concerning that offense will be obtained through such interception;

(c) normal investigative procedures have been tried and have failed or reasonably appear to be unlikely to succeed if tried or to be too dangerous;

(d) there is probable cause for belief that the facilities from which, or the place where, the wire or oral communications are to be intercepted are being used, or are about to be used, in connection with the commission of such offense, or are leased to, listed in the name of, or commonly used by such person.

IV. Each order authorizing or approving the interception of any wire or oral communication shall specify;

(a) the identity of the person, if known, whose communications are to be intercepted;

(b) the nature and location of the communications facilities as to which, or the place where, authority to intercept is granted;

(c) a particular description of the type of communication sought to be intercepted, and a statement of the particular offense to which it relates;

(d) the identity of the agency authorized to intercept the communications, and of the person authorizing the application; and

(e) the period of time during which such interception is authorized, including a statement as to whether or not the interception shall automatically terminate when the described communication has been first obtained.

V. No order entered under this section may authorize or approve the interception of any wire or oral communication for any period longer than is necessary to achieve the objective of the authorization, nor in any event longer than ten days. Extensions of an order may be granted, but only upon application for an extension made in accordance with paragraph I of this section and the court making the findings required by paragraph III of this section. The period of extension shall be no longer than the authorizing judge deems necessary to achieve the purposes for which it was granted and in no event for longer than ten days. Every order and extension thereof shall contain a provision that the authorization to intercept shall be executed as soon as practicable, shall be conducted in such a way as to minimize the interception of communications not otherwise subject to interception under this chapter, and must terminate upon attainment of the authorized objective, or in any event in ten days.

VI. Whenever an order authorizing interception is entered pursuant to this chapter, the order may require reports to be made to the judge who issued the order showing what progress has been made toward achievement of the authorized objective and the need for continued interception. Such reports shall be made at such intervals as the judge may require.

VII. (a) The contents of any wire or oral communication intercepted by any means authorized by this chapter shall, if possible, be recorded on

tape or wire or other comparable device. The recording of the contents of any wire or oral communication under this paragraph shall be done in such way as will protect the recording from editing or other alterations. Immediately upon the expiration of the period of the order, or extensions thereof, such recordings shall be made available to the judge issuing such order and sealed under his directions. Custody of the recordings shall be wherever the judge orders. They shall not be destroyed except upon an order of the issuing or denying judge and in any event shall be kept for ten years. Duplicate recordings may be made for use or disclosure pursuant to the provisions of paragraphs I and II of section 8 of this chapter for investigations. The presence of the seal provided for by this paragraph, or a satisfactory explanation for the absence thereof, shall be a prerequisite for the use or disclosure of the contents of any wire or oral communication or evidence derived therefrom under paragraph III of section 8.

(b) Applications made and orders granted under this chapter shall be sealed by the judge. Custody of the applications and orders shall be wherever the judge directs. Such applications and orders shall be disclosed only upon a showing of good cause before a judge of competent jurisdiction and shall not be destroyed except on order of the issuing or denying judge, and in any event shall be kept for ten years.

This ten-day period may be waived by the judge if he finds that it was not possible to furnish the party with the above information ten days before the trial, hearing, or proceeding and that the party will not be prejudiced by the delay in receiving such information.

IX. (a) Any aggrieved person in any trial, hearing, or proceeding in or before any court, department, officer, agency, regulatory body, or other authority of the state, or a political subdivision thereof, may move to suppress the contents of any intercepted wire or oral communication, or evidence derived therefrom, on the grounds that;

(i) the communication was unlawfully intercepted;

(ii) the order of authorization or approval under which it was intercepted is insufficient on its face; or

(iii) the interception was not made in conformity with the order of authorization or approval.

Such motion shall be made before the trial, hearing, or proceeding unless there was no opportunity to make such motion or the person was not aware of the grounds of the motion. If the motion is granted, the contents of the intercepted wire or oral communication, or evidence derived therefrom, shall be treated as having been obtained in violation of this chapter. The judge, upon the filing of such motion by the aggrieved person, may in his

discretion make available to the aggrieved person or his counsel for inspection such portions of the intercepted communication or evidence derived therefrom as the judge determines to be in the interests of justice.

(b) In addition to any other right to appeal, the state shall have the right to appeal from an order granting a motion to suppress made under subparagraph (a) of this paragraph, or the denial of an application for an order of approval, if the attorney shall certify to the judge or other official granting such motion or denying such application that the appeal is not taken for purposes of delay. Such appeal shall be taken within thirty days after the date the order was entered and shall be diligently prosecuted.

I. "Abuse of drugs" means the use of controlled drugs solely for their stimulant, depressant or hallucinogenic effect upon the higher functions of the central nervous system and not as a therapeutic agent recommended by a practitioner in the course of medical treatment or in a program of research operated under the direction of a physician, pharmacologist, physiologist or chemist.

II. "Amphetamine-type drugs" means amphetamine, optical isomers thereof, salts of amphetamine and its isomers, and chemical compounds which are similar thereto in physiological effect, and which show a like potential for abuse;

IV. "Cannabis-type drugs" means all parts of the plant *Cannabis sativa* L., whether growing or not; the seeds thereof; the resin extracted from any part of such a plant; and every compound manufacture, salt, derivative, mixture or preparation of such plant, its seeds or resin; but shall not include the mature stalks of such plant, fiber produced from such stalks, oil or cake made from the seeds of such plant, any other compound, manufacture, salt, derivative, mixture or preparation of such mature stalks, except the resin extracted therefrom, fiber, oil or cake, or the sterilized seed of such plant which is incapable of germination. Designation as a controlled drug shall result in the continued suspension of the sale or dispensation (except by prescription) of any drug or chemical containing any quantity of such substance until the effective date of the designation after publication. The substance shall thereafter be a controlled drug subject to this chapter. In the event any substance is so designated, the division shall publish the designation in a newspaper of general circulation in the state once each week for three successive weeks. I. To a manufacturer, wholesaler, or pharmacist,

II. To a practitioner,

III. To that person in each hospital designated as in charge of controlled drugs but only for use by or in that hospital,

IV. To that person in each laboratory designated as in charge of controlled drugs but only for use in that laboratory for scientific and medical purposes.

VI. To a master of a ship or a person in charge of any aircraft upon which no physician is regularly employed, or to a physician or surgeon, duly licensed in some state, territory, or the District of Columbia to practice his profession, or to a retired commissioned medical officer of the United States army, navy, or public health service employed upon such ship or aircraft, for the actual medical needs of persons on board such ship or aircraft, when not in port. Provided, such controlled drugs shall be sold to the master of such ship or person in charge of such aircraft or to a physician, surgeon, or retired commissioned medical officer of the United States army, navy, or public health service employed upon such ship or aircraft only in pursuance of a special order form approved by a commissioned medical officer or acting assistant surgeon of the United States public health service,

In event of the acceptance of such order by said person, each party to the transaction shall preserve his copy of such order for a period of two years in such a way as to be readily accessible for inspection by any public officer or employee engaged in the enforcement of this act. It shall be deemed a compliance with this section if the parties to the transaction have complied with the federal narcotic laws or the federal food and drug laws, respecting the requirements governing the use of order forms.

318-B:8 Limitation on Use. A person in charge of controlled drugs in a hospital or of a laboratory, or in the employ of this state or of any other state, or of any political subdivision thereof, or a master of a ship or a person in charge of any aircraft upon which no physician is regularly employed, or a physician or surgeon duly licensed in some state, territory, or the District of Columbia, to practice his profession, or a retired commissioned medical officer of the United States army, navy, or public health service employed upon such ship or aircraft, who obtains controlled drugs under the provisions of section 5 or otherwise, shall not administer, nor dispense, nor otherwise use such drugs, within the state, except within the scope of his employment or official duty, and then only for scientific or medical purposes and subject to the provisions of this chapter.

318-B:9 Sale by Pharmacists.

I. On Prescription. Any person in good faith, may sell controlled drugs exempt under federal narcotic laws or federal food and drug laws not requiring a prescription and a pharmacist may sell and dispense controlled drugs requiring prescriptions to any person upon the written prescription of a practitioner, provided it is properly executed, dated and signed by the person prescribing on the day when issued and bears the full name and address of the patient for whom or of the owner of the animal for which, the drug is dispensed, or upon oral prescription, in pursuance of regulations promulgated by the secretary of the treasury of the United States, or his delegate, under the provisions of federal narcotics laws, where applicable, provided said oral prescription is promptly reduced to writing by the pharmacist, stating the name of the practitioner so prescribing, the date, the full name and address of the patient for whom, or of the owner of the animal for which, the drug is dispensed, and in all instances, the full name, address and registry number under the federal narcotic laws or federal food and drug laws of the person so prescribing if he is required by those laws to be so registered. If the prescription be for an animal, it shall state the species of animal for which the drug is prescribed. A person filling the prescription shall write the date of filling and his own signature on the face of the prescription. The prescription shall be retained on file by the proprietor of the pharmacy in which it is filled for a period of two years so as to be readily accessible for the inspection of any officers engaged in the enforcement of this chapter. The prescription as to a narcotic controlled drug shall not be refilled.

II. On Written Order. The legal owner of any stock of controlled drugs in a pharmacy, upon discontinuance of dealing in said drugs, may sell said stock to a manufacturer, wholesaler, pharmacist or pharmacy owner but only upon an official written order, and in accordance with the federal narcotic laws and regulations where applicable. A pharmacist only upon an official written order, may sell to a practitioner in quantities not exceeding one ounce at any one time, aqueous or oleaginous solutions compounded by him of which the content of controlled drugs does not exceed a proportion greater than twenty per centum of the complete solution, to be used for medical purposes.

318-B:10 Professional Use of Narcotic Drugs.

I. Practitioners Other Than Veterinarians. A practitioner other than a veterinarian, in good faith and in the course of his professional practice only, may prescribe, administer, and dispense controlled drugs, or he may cause the same to be administered by a nurse or intern under his direction and supervision.

II. Veterinarians. A veterinarian, in good faith and in the course of his professional practice only, and not for use by a human being, may prescribe, administer, and dispense controlled drugs, and he may cause them to be administered by an assistant or orderly under his direction and supervision.

III. Return of Unused Drugs. Any person who has obtained from a practitioner other than a pharmacist any controlled drug for administra-

tion to a patient during the absence of said practitioner, shall return to such practitioner any unused portion of such drug, when it is no longer required by the patient.

318-B:11 Preparations Exempted.

I. Not Dependence Forming or of Sustaining Character. The division of public health services may by regulation exempt from the application of this chapter to such extent as it determines to be consistent with the public welfare, pharmaceutical preparations found by the division of public health services after due notice and hearing:

(a) Either to possess no physiological or psychological dependence forming or sustaining character, or to possess physiological or psychological dependence forming or sustaining character not sufficient to warrant imposition of all the requirements of this chapter, and,

(b) Not to permit recovery of the minute quantity of a controlled drug from the pharmaceutical preparation having such a physiological or psychological dependence forming or sustaining character, with such relative technical chemical separation simplicity and degree of quantitative yield as to create a risk of improper use.

II. Exempt Under Federal Law. In exercising the authority granted in paragraph I. the division of public health services, by regulation and without special findings may grant exempt status to such pharmaceutical preparations as are or may be determined to be exempt under the federal narcotic laws and regulations and permit the administering, dispensing, or selling of such preparations under the same conditions as permitted by the federal narcotic laws and regulations and the federal food and drug laws and regulations.

III. Revocation. If the division of public health services shall find after due notice and a hearing, as required by section 1 (VI) of this chapter, that any exempt pharmaceutical preparation does possess a degree of physiological or psychological dependence character that results in material abusive use, it shall by designation publish once each week for three successive weeks, the findings in a newspaper of general circulation in the state. The findings shall be effective, and the exempt status shall cease to apply to such pharmaceutical preparation seven days after the date of the publication of the findings. The suspension procedure specified in section 1 (VI) of this chapter shall also apply to such exempt preparation after the hearing date.

318-B:12 Records to be Kept. Practitioners, manufacturers, wholesalers, pharmacists, hospitals and laboratories shall keep such records as may be required by the division of public health services or by the federal narcotic laws and regulations and the federal food and drug laws and regulations relating to receipt, manufacture, inventory, distribution (including dispensing, sale or other disposition) and information as to controlled drugs stolen, lost or destroyed.

318-B:13 Labels.

I. Manufacturer or Wholesaler. Whenever a manufacturer sells or dispenses a controlled drug, and whenever a wholesaler sells or dispenses a

controlled drug in a package prepared by him, he shall securely affix to each package in which the drug is contained a label showing in legible english the name and address of the vendor and the quantity, kind, and form of controlled drug contained therein. If any controlled drug is determined by regulation of the division of public health services as being habit forming, the container label shall show clearly the statement "Warning — May be Habit Forming". No person, except a pharmacist for the purpose of filling a prescription under this chapter shall alter, deface, or remove any label so affixed.

II. Pharmacist. Whenever a pharmacist sells or dispenses any controlled drug on a prescription issued by a practitioner, he shall affix to the container in which such drug is sold or dispensed, a label showing his own name, address, and registry number, or the name, address, and registry number of the pharmacist for whom he is lawfully acting; the name and address of the patient or, if the patient is an animal, the name and address of the owner of the animal and the species of the animal; the name, address, and registry number of the practitioner by whom the prescription was written; and such directions as may be stated on the prescription. No person shall alter, deface, or remove any label so affixed.

318-B:14 Authorized Possession of Controlled Drugs by Individuals. Any other employer may elect to accept the provisions of this chapter in accordance with section 3.

Where by reason of the shortness of time during which the employee has been in the employment of his employer or the nature or terms of the employment, it is inequitable to compute the average weekly wages as previously defined, regard may be had to the rate of pay designated in his agreement of employment or to the gross earnings of persons in the same grade, employed at the same work by the

same employer, or if there is no person so employed, by a person of the same grade, employed in the same class of employment in the same locality.

(2) The average weekly wages for paid state or municipal volunteer or call firemen, state or municipal auxiliary and special police officers, and members of the state militia, as defined by RSA 110-A:1, if injured while on duty, shall be deemed to be the average weekly wages that entitles them to the maximum benefits under this chapter.

Any weekly payments made under sections 23, 25 or 26 shall be deducted from the total period of three hundred and forty-one weeks and the maximum of twenty-two thousand eight hundred forty-seven dollars.

423:12 Dependency. Amend RSA 281:22, V, by striking out said paragraph and inserting in place thereof the following:

V. Any dependent as defined herein, except a widow, widower, child or children, who at the time of the injury of the injured is in part only dependent upon his earnings, shall receive such proportion of the benefits provided for those wholly dependent as the amount of the wage contributed by the deceased to such partial dependents at the time of the injury bore to the total support of the dependents.

423:13 Modification of Maximum Weekly Benefits. Amend RSA 281:23 (supp) as amended by 1955, 98:5, 1957, 187:11, 1959, 187:13, 1961, 194:11, 1963, 328:10, 1965, 300:5 and 1967, 403:14 by striking out the word "fifty-eight" and inserting in place thereof the word (sixty-seven) so that said section as amended shall read as follows: **281:23 Compensation for Total Disability.** Where the injury causes total disability for work at any gainful occupation the employer, during such total disability, but not including the first seven days thereof, unless such disability continues for seven days or longer, shall pay the injured employee a weekly compensation equal to sixty-six and two-thirds per cent of the employee's average weekly wages, but not less than twenty dollars nor more than sixty-seven dollars per week, unless the injured employee's average weekly wages as defined herein are less than twenty dollars per week, in which case the compensation shall be the full amount of said average weekly wages. Whenever total disability has

continued for a period of six successive years and still continues, further payments of compensation during continued total disability shall be made only upon order of the labor commissioner. The injured employee shall apply to the labor commissioner for further weekly benefits during such continued total disability. The employer shall be given prompt notice of such request, and if the employer fails to object within twenty-one days after receipt of written notice of such request, the request shall be granted. If the employer objects within the required time, the request shall not be granted until the injured employee has been examined by three duly licensed physicians, one nominated by the employee, one by the employer and one by the labor commissioner. The labor commissioner's decision shall be based upon the written reports of such physicians, and shall be subject to review in the same manner as other decisions of the labor commissioner under this chapter. If additional benefits are awarded, they shall not be awarded for a period in excess of one year, and payments shall cease if total disability ends during the extension granted. If, at the end of one year, any such benefits are still being received pursuant to an extension hereunder, the injured employee must file an additional request, and the same procedure shall apply, and may be repeated annually in the same manner.

The fee for such license shall be paid annually in advance. I. For sign faces of fifty square feet or less — five dollars.

II. For sign faces of more than fifty square feet but less than three hundred and fifty square feet — ten dollars.

III. For sign faces of three hundred and fifty square feet or more — twenty dollars.

The fees collected hereunder shall be paid into a special fund within the highway fund to be used for the administration of this chapter and are hereby specifically appropriated to the department of public works and highways for that purpose.

249-A:5 Restriction of Advertising. After January 1, 1970, no advertising devices shall be erected or maintained within a federal highway adjacent area except the following:

II. Advertising devices located in an unzoned commercial or industrial area and erected and maintained without violation of sections 3, 4, and 6, other than such devices located in such an area determined by the commissioner of public works and highways to be predominantly residential.

III. On premise signs which are to be erected and maintained on the property for the purpose of setting forth:

(a) the name and address of the owner, lessee, or occupant of the property;

(b) information required by law to be posted or displayed on the property;

(c) the name of the business or profession conducted on the property, or on identification of the goods or services produced or sold on such property, provided, not more than one such sign, visible to traffic proceeding in any one direction on any one interstate highway, or federal-aid primary highway, and advertising activities being conducted on the real property where the sign is located shall be permitted more than fifty feet from the advertised activity. (d) advertising devices indicating the sale or leasing of the real property upon which they are placed, provided, not more than one such sign

advertising the sale or lease of the same property shall be permitted in such a manner as to be visible to traffic proceeding in any one direction on any one interstate, or federal-aid primary highway.

IV. Directional, informational or official signs:

(a) within the right-of-way as determined by the commissioner of public works and highways to be in the specific interest of the travelling public and which conform to national standards as promulgated by the secretary of transportation;

(b) off the right-of-way as may be permitted under rules and regulations to be promulgated by the commissioner of public works and highways. Such signs may include signs directing the travelling public to privately owned resorts, hotels, restaurants or other commercial establishments catering to the travelling public where the commissioner of public works and highways determines that such a sign is necessary to the continued operation of such commercial establishment and that traffic safety is best served by providing such a sign to the travelling public thereby avoiding confusion on the part of the motorist. Any such directional sign shall be erected and maintained by the commercial establishment involved under the rules and regulations prescribed by the commissioner.

V. Political signs which are placed within a federal highway adjacent area by supporters of the candidate shall be permitted only so long as their location is donated by the property owner free of charge and shall be subject to removal at any time by the department of public works and highways if such signs create a traffic hazard; provided, the areas allowed shall be restricted to federal-aid primary highways and not interstate highways. Subject to the provisions of sections 3, 4, and 5 and except as otherwise provided in section 8, after January 1, 1970, erection and maintenance of advertising devices located in federal highway adjacent areas, other than such devices permitted under paragraphs III, IV, and V of section 5, shall be governed by the following provisions:

I. General. With respect to advertising devices located in federal highway adjacent areas or in view of any interstate or federal-aid primary highway:

(a) Advertising devices shall not be erected or maintained which

(1) imitate or resemble any official traffic sign, signal or device, or

(2) are structurally unsafe or in disrepair.

(b) An advertising device shall not be maintained without the attachment thereto of a weatherproof label, which label shall be at least thirty-two square inches in size, and shall contain the number of the permit.

(c) An advertising device shall not be maintained unless the name of the permittee appears legibly thereon. Whether a name appears legibly shall be determined by the commissioner of public works and highways in accordance with such standards as he may from time to time prescribe.

II. Size. With respect to advertising devices located in federal highway adjacent areas or in view of any interstate or federal-aid primary highway:

(a) Advertising devices may be erected with, but only with, an area not exceeding seven hundred and fifty square feet and with a maximum height of twenty feet and a maximum length of fifty feet, excluding border and trim, base or apron, supports and other structural members; provided that the commissioner shall permit the maintenance of devices of larger size if lawfully erected prior to the effective date of this chapter and otherwise permitted by the provisions of this chapter.

(b) The maximum size limitations shall apply to each facing. Two advertising devices not exceeding three hundred fifty square feet each may be erected in a facing.

III. Lighting. Advertising devices located in federal highway adjacent areas may be lighted, subject only to such restriction with respect to devices to be erected as may from time to time be prescribed by the commissioner.

IV. Location. With respect to advertising devices located in federal highway adjacent areas:

(a) Advertising devices shall not be erected or maintained in such a manner as to obscure or otherwise physically interfere with an official traffic sign, signal or device or to obstruct or physically interfere with the driver's view of approaching, merging, or intersecting traffic, as determined by the commissioner.

(b) Required spacing for advertising devices to be erected or maintained on one side of an interstate or limited access federal-aid primary highway shall be not less than five hundred feet provided, however, that such spacing shall not apply to devices which are separated by a building or other obstruction in such manner that only one such device is visible from such highway at any one time.

(c) No advertising device may be erected with respect to an interstate or limited access federal-aid primary highway within five hundred feet of an interchange or safety rest area located on the same side of the highway on which such sign might otherwise be erected. For purposes of this paragraph (c) such distance of five hundred feet shall be measured along the edge of the main-travelled way of any such highway from the point of beginning or ending of pavement widening with respect to an exit from, or an entrance to, such main-travelled way, to or from an interchange or a safety rest area, provided, however, that with respect to an interchange which consists of an entrance or an exit only, such distance shall be measured from the center line of the highway intersected by any such highway in the direction from such interchange in which there is no entrance or exit, as the case may be.

(d) Required spacing for advertising devices to be erected or maintained on one side of a nonlimited access federal-aid primary highway in municipalities of four thousand population or more shall be

(1) one hundred feet where the distance between centerlines of two highways intersecting any such highway is less than one thousand feet provided that not more than three devices shall be erected or maintained between such intersecting highways, and

(2) three hundred feet where the distance between center lines of intersecting highways is one thousand feet or more.

(e) Required spacing for advertising devices to be erected or maintained on both sides of a nonlimited access federal-aid primary highway in municipalities of less than four thousand population shall be three hundred feet.

(f) In this paragraph IV the following shall apply: Back-to-back advertising devices, devices erected on a V-type structure and two devices erected in a single facing shall be considered one advertising device. The word "highways" or the words "intersecting highways" shall not include alleys, undeveloped rights of way, private ways or driveways. Distances from advertising devices which are erected or maintained or are able to be erected, or distances to such devices, shall be measured along the edge (nearest to any such devices or any locations in which such devices are able to be erected) of the main-travelled way of an interstate or federal-aid primary highway from or to points on such edge directly opposite such devices or locations. Advertising devices permitted under paragraphs III, IV, and V of section 5 shall not be considered advertising devices for purposes of any measurement or determination made under this paragraph IV or for purposes of any other requirement of this paragraph.

249-A:7 Highways in Juxtaposition. Nothing herein shall prevent an owner of land from using, or permitting the use of, his land for outdoor advertising purposes where said owner's land abuts a highway parallel to, or nearly parallel to and less than six hundred sixty feet from, the edge of right of way of an interstate highway, or federal-aid primary highway, provided that the advertising or informative contents of advertising devices erected and maintained on said land shall not be visible from the main travelled way of the interstate highway, or federal-aid primary highway.

249-A:8 Nonconforming Signs Lawfully Erected. Any advertising device lawfully erected which is located in a federal highway adjacent area or in view of any interstate or federal-aid primary highway and does not conform to sections 5 or 6 or any rule or regulation adopted under this chapter by the commissioner of public works and highways shall not be required to be removed by reason of such nonconformity until the end of the fifth year after it becomes nonconforming. No permit for any advertising device described in this section shall be revoked by reason of the nonconformity of such device with sections 5 or 6 (other than with subparagraphs (a), (b) or (c) of paragraph I of section 6) nor the renewal of a permit for such a device be denied by reason thereof so long as such device is not required to be removed; nor shall any license be revoked or denied, or the renewal thereof be denied, by reason of the nonconformity of such devices not required to be removed. Notwithstanding the foregoing provisions of this section, no advertising device which does not conform to sections 5 or 6 or any rule or regulation adopted under this chapter, the removal of which device would require just compensation to be paid pur-

suant to section 11 to the owner of the advertising device and/or the owner of the land on which the device is located, shall be required to be removed at any time if the federal share of just compensation to be paid under section 131 of Title 23 United States Code upon removal of such advertising device is not available to make such payment.

249-A:9 Denial or Revocation of License or Permit; Nuisances; Orders for Removal. A license under this chapter may be denied or revoked, or a renewal denied, only for false or misleading information given in the application for such license or renewal, or for the erection or maintenance of advertising devices in violation of the provisions of this chapter or rules and regulations of the commissioner of public works and highways adopted pursuant hereto by the licensee or the applicant for such license or renewal thereof. A permit under this chapter may be denied or revoked, or a renewal denied, only for failure to obtain or have a license, for false or misleading information given in the application for such permit or renewal, or for the erection or maintenance of the advertising device permitted or to be permitted in violation of the provisions of this chapter or rules and regulations of the commissioner adopted pursuant hereto by the permittee or the applicant for such permit or renewal thereof. Denial or revocation of a license or permit, or renewal thereof, may be made only after hearing before the commissioner upon thirty days' notice in writing to the licensee or permittee or applicant for such license or permit, or renewal thereof. The licensee or permittee or such applicant may within such thirty days correct such information or violation in which case the license or permit shall not be denied or revoked or a renewal denied. If revocation of a license or a permit or a determination that there should be a denial of issuance of a license or permit, or renewal thereof, is made after such a hearing the licensee or permittee, or applicant for such license or permit, or renewal thereof, shall have a right to a rehearing and a right of appeal as provided in RSA 541. Any advertising device erected or maintained in violation of this chapter or the rules and regulations of the commissioner adopted pursuant hereto other than such a device described in section 8 or which is maintained under permit shall be deemed a nuisance. A determination that an advertising device is a nuisance and an order for its removal shall be made by the commissioner only after a hearing upon thirty days' notice in writing to the owner of such device, provided, however, that such a determination and order for removal may be made without a hearing and without notice where a permit for such a device has been revoked or denied or renewal of such permit has been denied. If the commissioner cannot reasonably ascertain the name and address of the owner of the device, notice may be given by three publications of notice in a newspaper in the county where the device is located once in each week for three successive weeks, the last publication to be at least thirty days prior to such hearing. The owner of the device may within such thirty days correct any violation of the provisions of this chapter or the rules and regulations of the commissioner adopted pursuant hereto, and in such case the device shall not be required to be removed and no hearing will be held. Application for a license or permit within such thirty days shall be deemed a correction of any failure to obtain such a license or permit. If a determination that an advertising device is a nuisance is made after such a hearing, the owner of

such device shall have a right to a rehearing and a right of appeal as provided in RSA 541. Notwithstanding any provisions of said chapter 541, no advertising device shall be required to be removed prior to a final determination that the license or permit should be denied or revoked or renewal thereof denied or that such device is a nuisance.

249-A:10 Removal. After an order for removal has become final, the owner of the advertising device may remove it at his own expense. If such device has not been removed within thirty days after such an order has become final, the commissioner of public works and highways, or his duly authorized agents, may enter upon the property where it is located and remove it without incurring any liability by reason of such entry and at the expense of such owner.

249-A:11 Just Compensation.

I. Just compensation shall be paid to the owner of the advertising device and to the owner of the land upon which it is located upon the removal, on or after the effective date of this section, of any such device required to be removed by reason of nonconformity with the provisions of this chapter which is lawfully existing on January 1, 1970 or lawfully erected thereafter, provided no compensation shall be paid to the owner of any advertising device or to the owner of the land on which it is located if the reason for removal was failure to obtain a license or permit pursuant to sections 3 and 4 of this chapter.

II. Each such removal, whether by the owner of the advertising device, by the commissioner of public works and highways, or otherwise, shall be deemed to constitute a taking by the state of the following:

(a) From the owner of such device, all right, title and interest in and to such device, and his leasehold related thereto; provided

(b) From the owner of the real property on which such device is located, the right to erect and maintain such device.

III. The foregoing right to compensation of the owner of land shall be in lieu of any right to receive or retain rental from the owner of such device for the sign location for the period after removal of such device, and such right to receive or retain rental shall terminate upon such removal. No compensation shall be required to be paid to the owner of the land if he did not receive rental compensation from the owner of the permitted advertising device for five years prior to removal.

IV. Such compensation shall be paid to the person or persons entitled thereto upon presentation to the commissioner of such information as he may reasonably require, provided that the claim for compensation is filed within ninety days after removal is completed.

V. If the commissioner and a claimant do not reach agreement on the amount of compensation payable to such claimant in respect to any removal within one hundred twenty days after the filing of such claim, the claimant may institute an action to have such compensation determined as an assessment of damages suffered by the claimant as of the date of the removal. Such an action shall be instituted by filing a petition for assessment of damages in the superior court, in the county wherein the advertising device

and land are located, or wherein the claimant resides or has its principal place of business in this state. The petition shall be filed no later than one year after the filing with the commissioner of such compensation claim. The court shall assess the damages by jury, or by the court without the jury, and award interest from the date as of which damages are assessed, and costs, to the claimant.

VI. In calculating just compensation to be paid to the owner of an advertising device required to be removed by reason of nonconformity with section 5 of this chapter after January 1, 1975, it is intended that the five year period of nonconforming use shall be considered as whole or partial compensation to said owner for his loss. It is further intended that, in calculating just compensation to the owner of land for which rental compensation has been paid for the five preceding years, such rental income during the period of nonconforming use be taken into consideration as whole or partial compensation.

249-A:12 Penalty. Whoever erects or maintains an advertising device in violation of the provisions hereof and required to be removed shall be guilty of a misdemeanor and shall be fined not less than one hundred dollars nor more than one thousand dollars.

249-A:13 Acceptance of Federal Funds. The commissioner of public works and highways may accept any allotment of funds by the United States, or any department or agency thereof, for the foregoing purposes.

249-A:14 Agreement with United States Secretary of Transportation Relating to the Erection of Advertising Devices. The commissioner of public works and highways may enter into agreements with the secretary of transportation or appropriate federal official of the United States as provided by section 131 of the title 23, United States Code provided that any such agreement shall be consistent with, and not more restrictive than, the provisions of this chapter. Any expenditures of money by the commissioner in connection with agreements authorized by the section shall be payable from any funds available to the commissioner.

249-A:15 Regulations. Rules and regulations may be adopted under this chapter by the commissioner of public works and highways. Any such rules and regulations shall be reasonable, and consistent with, and not more restrictive than, the provisions of this chapter and consistent with customary use in this state. Prior to the adoption, amendment or repeal of any rule or regulation under this chapter the commissioner shall give notice to licensees hereunder in such form as he deems proper unless such rule or regulation shall exclusively relate to on premise signs or directional, informational or official signs or political signs and such other notice as he deems proper and afford interested persons an opportunity to present data, views or arguments. If the commissioner finds that oral presentation is unnecessary or impracticable, he may require that presentation be made in writing. Judicial review of any such rule or regulation may be had by a licensee or other interested person through a petition for declaratory relief in the superior court in the county wherein the petitioner resides or has its principal place of business in this state in the manner and to the extent provided under RSA 491:22. The commissioner shall make available

such rules and regulations for distribution to any licensee or other person interested without charge or such charge not more than cost as the commissioner may prescribe.

249-A:16 Separability. If any provisions of this chapter or the application of such provisions to any person or circumstances shall be held invalid, the validity of the remainder of this chapter and applicability of such provision to other persons or circumstances shall not be affected thereby.

249-A:17 Information Sites. The commissioner of public works and highways shall, in consultation with the secretary of transportation or appropriate federal official of the United States as provided by subsection (f) of section 131 of title 23, United States Code, provide within the right-of-way for areas at appropriate distances from interchanges on the interstate system, on which signs, displays and devices giving specific information in the interest of the traveling public may be erected and maintained. Such signs shall conform to national standards.

429:2 Initial Licenses and Permits. Notwithstanding any provisions of this chapter to the contrary, no licenses or permits required by RSA 249-A as amended by section 1 of this chapter shall be required prior to January 1, 1970. On or after January 1, 1970 no person shall erect or maintain advertising devices in federal highway adjacent areas or in view of any interstate or federal-aid primary highway other than such devices described in paragraphs III and IV of RSA 249-A:5 as so amended without such a license and such a permit for each such device as provided in RSA 249-A:3-4 as so amended. If applications for such licenses and permits are filed with the commissioner of public works and highways on or before December 1, 1969, such devices maintained on January 1, 1970 by persons who have filed the required applications shall be deemed to be maintained under valid licenses and permits if such applications have not been denied. Licenses and permits granted prior to April 1, 1971 shall expire on April 1, 1971. Applications and fees shall be as prescribed in RSA 249-A:3-4 as amended by section 1 of this chapter, but only one such fee need be paid for each license or permit obtained prior to April 1, 1971, regardless of the duration of the license or permit. Denial of an application for such a license or permit, or revocation thereof, shall be made as provided in RSA 249-A:9 as amended by section 1 of this chapter and have the same effect as in RSA 249-A as so amended. All other provisions of said RSA 249-A with respect to licenses and permits and the erection and maintenance of advertising devices thereunder shall be applicable to licenses and permits obtained prior to April 1, 1971, insofar as they are not inconsistent herewith. Words and terms used in this section 2 shall have the same meaning as in RSA 249-A as so amended.

429:3 Moratorium on New Signs. Amend the introductory paragraph of 1967, 423:1 by striking out the same and inserting in place thereof the following: Notwithstanding any other provision to the contrary, until January 1, 1970, no new outdoor advertising sign, display, or device shall be erected after the effective date of this act in any areas which are adjacent to and within six hundred sixty feet of the nearest edge of the right-of-way of any interstate or federal-aid primary highway, except the following:

429:4 Effective Date. Section 1 of this act shall take effect January 1, 1970. Section 2 of this act shall take effect sixty days after passage of this act. Section 3 of this act shall take effect upon its passage. Nothing herein contained shall prevent the commissioner of public works and highways from entering into any agreement authorized by section 14 of RSA 249-A as amended by this act prior to January 1, 1970, provided such agreement shall not be effective prior to said date.

[Approved July 3, 1969.]

[Effective date Section 1 of this act shall take effect January 1, 1970. Section 2 shall take effect September 1, 1969. Section 3 shall take effect July 3, 1969. Nothing herein contained shall prevent the commissioner of public works and highways from entering into any agreement authorized by section 14 of RSA 249-A as amended by this act prior to January 1, 1970, provided such agreement shall not be effective prior to said date.]

CHAPTER 433.

AN ACT RELATIVE TO HABITUAL OFFENDERS OF MOTOR VEHICLE PROVISIONS.

433:I Motor Vehicles. Amend RSA by inserting after chapter 262-A the following new chapter:

Chapter 262-B Habitual Offenders

262-B:1 Declaration of Policy. It is hereby declared to be policy of New Hampshire:

I. To provide maximum safety for all persons who travel or otherwise use the public highways of the state; and

II. To deny the privilege of operating motor vehicles on such highways to persons who by their conduct and record have demonstrated their indifference for the safety and welfare of others and their disrespect for the laws of the state, the orders of her court and the statutorily required acts of her administrative agencies; and

III. To discourage repetition of criminal acts by individuals against the peace and dignity of the state and her political subdivisions and to impose increased and added deprivation of the privilege to operate motor vehicles upon habitual offenders who have been convicted repeatedly of violations of traffic laws.

262-B:2 Definition. An habitual offender shall be any person, resident or nonresident, whose record, as maintained in the office of the division of motor vehicles, shows that such person has accumulated the convictions for separate and distinct offenses, described in paragraph I, II and III, of this section, committed within a ten year period, provided that where more than one included offense shall be committed within a six hour period such multiple offenses shall, on the first such occasion, be treated for the purposes of this chapter as one offense provided the person charged has no record of prior offenses chargeable under this chapter, and provided further the date of the offense most recently committed occurs on or after the effective date

of this chapter and within ten years of the date of all other offenses the conviction for which is included in paragraphs I, II or III, as follows:

I. Three or more convictions, singularly or in combination of the following separate and distinct offenses arising out of separate acts.

(i) Failure of the driver of a motor vehicle involved in an accident resulting only in damage to an attended or unattended vehicle or other property in excess of one hundred dollars to stop close to the scene of such accident and report his identity or otherwise report such accident in violation of law.

II. Twelve or more convictions of separate and distinct offenses, singularly or in combination, in the operation of a motor vehicle which are required to be reported to the division of motor vehicles and the commission whereof authorizes the division of motor vehicles or authorizes a court to suspend or revoke the privilege to operate motor vehicles on the highways of this state for a period of thirty days or more and such convictions shall include those offenses enumerated in paragraph I when taken with and added to those offenses described herein.

III. The offenses included in paragraphs I and II hereof shall be deemed to include offenses under any valid town, city or county ordinance paralleling and substantially conforming to the state statutory provisions cited in paragraphs I and II hereof and all changes in or amendments thereof, and any federal law, any law of another state or any valid town, city or county ordinance of another state substantially conforming to the aforesaid state statutory provisions.

262-B:3 Transcript. The director of the division of motor vehicles shall certify, three transcripts or abstracts of the conviction record as maintained in the office of the division of motor vehicles of any person whose record brings him within the definition of an habitual offender, as defined

in section 2 to the attorney general. Such transcript or abstract may be admitted as evidence. Such transcript or abstract shall be prima facie evidence that the person named therein was duly convicted, by the court wherein such conviction or holding was made, of each offense shown by such transcript or abstract; and if such person shall deny any of the facts as stated herein, he shall have the burden of proving that such is untrue.

262-B:4 Prosecution. The attorney general, upon receiving the aforesaid transcripts or abstracts from the director, shall forthwith file information against the person named therein in the superior court having jurisdiction of criminal offenses in the political subdivision in which such person resides. In the event such person is a nonresident of this state, the attorney general shall file information against the accused person in the superior court of the county of Merrimack.

262-B:5 Procedure.

I. The court in which such information is filed shall enter an order, which incorporates the aforesaid transcript or abstract and is directed to the person named therein, to show cause why he should not be barred from operating a motor vehicle on the highways of this state. A copy of the show cause order and such transcript or abstract shall be served on the person named therein in the manner prescribed by law for the service of notices. Service thereof on any nonresident of the state may be made by the director of the division of motor vehicles in the same manner as in any action or proceeding arising out of a collision on the highways of this state in the manner provided in RSA 264:1, which are hereby made applicable to these proceedings, and the state shall pay a fee of five dollars to the director for making such service and such fee shall be taxed against the defendant as a part of the cost of such proceeding.

II. If such person denies he was convicted of any offense necessary for a holding that he is an habitual offender, and if the court cannot, on the evidence available to it, make such determination, the court may certify the decision of such issue to the court in which such conviction was made. The court to which such certification is made shall forthwith conduct a hearing to determine such issue and send a certified copy of its final order determining such issue to the court in which such information was filed.

III. If the court finds that such person is not the same person named in the aforesaid transcript or abstract, or that he is not an habitual offender under this chapter, the proceeding shall be dismissed; but if the court finds that such person is the same person named in the aforesaid transcript or abstract and that such person is an habitual offender, the court shall so find and by appropriate order direct such person not to operate a motor vehicle on the highways of the state of New Hampshire and to surrender to the court all licenses or permits to operate a motor vehicle on the highways of this state for disposal. The clerk of the court shall file with the division of motor vehicles a copy of such order which shall become a part of the permanent records of the division.

262-B:6 Prohibition. No license to operate motor vehicles in New Hampshire shall be issued to an habitual offender:

I. For a period of four years from the date of the order of the court finding such person to be an habitual offender;

II. Until such time as financial responsibility requirements are met, and

III. Until the privilege of such person to operate a motor vehicle in this state has been restored by an order of a court of record entered in a proceeding as hereinafter provided.

262-B:7 Penalty.

I. It shall be unlawful for any person to operate any motor vehicle in this state while the order of the court prohibiting such operation remains in effect. Any person found to be an habitual offender under the provisions of this chapter who is thereafter convicted of operating a motor vehicle in this state while the order of the court prohibiting such operation is in effect, shall be punished by imprisonment in the state prison not less than one nor more than five years and no portion of such sentence shall be suspended, except that in cases wherein such operation is necessitated in situations of apparent extreme emergency which require such operation to save life or limb, said sentence, or any part thereof may be suspended.

II. For the purpose of enforcing this section, in any case in which the accused is charged with driving a motor vehicle while his license, permit or privilege to drive is suspended or revoked or is charged with driving without a license, the court before hearing such charge shall determine whether such person has been held an habitual offender and by reason of such holding is barred from operating a motor vehicle on the highways of this state. If the court determines the accused has been so held, it shall certify the case to the superior court of the county for trial.

262-B:8 Restoration of License. At the expiration of four years from the date of any final order of a court entered under the provisions of this chapter finding a person to be an habitual offender and directing him not to operate a motor vehicle in this state, such person may petition the court in which he was found to be an habitual offender, or any superior court in New Hampshire having jurisdiction in the political subdivision in which such person then resides, for restoration of his privilege to operate a motor vehicle in this state. Upon such petition, and for good cause shown, such court may, in its discretion, restore to such person the privilege to operate a motor vehicle in this state upon such terms and conditions as the court may prescribe, subject to other provisions of law relating to the issuance of operators' licenses.

262-B:9 Appeal. An appeal to the supreme court of New Hampshire may be had from any final action or order of a superior court entered under the provisions of this chapter in the same manner and form as such an appeal would be noted, perfected and tried in any criminal case.

262-B:10 Existing Law. Nothing in this chapter shall be construed as amending, modifying or repealing any existing law of New Hampshire or any existing ordinance of any political subdivision relating to the operation or licensing of motor vehicles, the licensing of persons to operate motor vehicles or providing penalties for the violation thereof; or shall be con-

Chapter 126-C

Interstate Compact on the Mentally Disordered Offender

126-C:1 Name. This chapter may be cited as the interstate compact on the mentally disordered offender.

126-C:2 Compact. The interstate compact on the mentally disordered offender, hereinafter called "the compact", is hereby enacted into law and entered into with all other jurisdictions legally joining therein, in the form substantially as follows:

The Interstate Compact on the Mentally Disordered Offender

Article I

Purpose and Policy

(a) The party states, desiring by common action to improve their programs for the care and treatment of mentally disordered offenders, declared that it is the policy of each of the party states to:

1. Strengthen their own programs and laws for the care and treatment of the mentally disordered offender.

2. Encourage and provide for such care and treatment in the most appropriate locations, giving due recognition to the need to achieve adequacy of diagnosis, care, treatment, after-care and auxiliary services and facilities and, to every extent practicable, to do so in geographic locations convenient for providing a therapeutic environment.

3. Authorize cooperation among the party states in providing services and facilities, when it is found that cooperative programs can be more effective and efficient than programs separately pursued.

4. Place each mentally disordered offender in a legal status which will facilitate his care, treatment and rehabilitation.

5. Authorize research and training of personnel on a cooperative basis, in order to improve the quality or quantity of personnel available for the proper staffing of programs, services and facilities for mentally disordered offenders.

6. Care for and treat mentally disordered offenders under conditions which will improve the public safety.

(b) Within the policies set forth in this Article, it is the purpose of this compact to:

1. Authorize negotiation, entry into, and operations under contractual arrangements among any two or more of the party states for the establishment and maintenance of cooperative programs in any one or more of the fields for which specific provision is made in the several articles of this compact.

2. Set the limits within which such contracts may operate, so as to assure protection of the civil rights of mentally disordered offenders and protection of the rights and obligations of the public and of the party states.

3. Facilitate the proper disposition of criminal charges pending against mentally disordered offenders, so that programs for their care, treatment and rehabilitation may be carried on efficiently.

Article II Definitions

As used in this compact:

(a) "Mentally disordered offender" means a person who has been determined, by adjudication or other method legally sufficient for the purpose in the party state where the determination is made, to be mentally ill and:

1. is under sentence for the commission of crime; or
2. who is confined or committed on account of the commission of an offense for which, in the absence of mental illness, said person would be subject to incarceration in a penal or correctional facility.

(b) "Patient" means a mentally disordered offender who is cared for, treated, or transferred pursuant to this compact.

(c) "Sending state" means a state party to this compact in which the mentally disordered offender was convicted; or the state in which he would be subject to trial on or conviction of an offense, except for his mental condition; or, within the meaning of Article V of this compact, the state whose authorities have filed a petition in connection with an untried indictment, information or complaint.

(d) "Receiving state" means a state party to this compact to which a mentally disordered offender is sent for care, after-care, treatment or rehabilitation, or within the meaning of Article V of this compact, the state in which a petition in connection with an untried indictment, information or complaint has been filed.

Article III Contracts

(a) Each party state may make one or more contracts with any one or more of the other party states for the care and treatment of mentally disordered offenders on behalf of a sending state in facilities situated in receiving states, or for the participation of such mentally disordered offenders in programs of after-care on conditional release administered by the receiving state. Any such contract shall provide for:

1. Its duration.
2. Payments to be made to the receiving state by the sending state for patient care, treatment, and extraordinary services, if any.
3. Determination of responsibility for ordering or permitting the furnishing of extraordinary services, if any.
4. Participation in compensated activities, if any, available to patients; the disposition or crediting of any payment received by patients on account thereof; and the crediting of proceeds from or disposal of any products resulting therefrom.
5. Delivery and retaking of mentally disordered offenders.
6. Such other matters as may be necessary and appropriate to fix the obligations, responsibilities and rights of the sending and receiving states.

(b) Prior to the construction or completion of construction of any facility for mentally disordered offenders or addition to such facility by a party state, any other party state or states may contract therewith for the enlargement of the planned capacity of the facility or addition thereto, or

for the inclusion therein of particular equipment or structures, and for the reservation of a specific percentum of the capacity of the facility to be kept available for use by patients of the sending state or states so contracting. Any sending state so contracting may, to the extent that monies are legally available therefor, pay to the receiving state, a reasonable sum as consideration for such enlargement of capacity, or provision of equipment or structures, and reservation of capacity. Such payment may be in a lump sum or in installments as provided in the contract.

(c) A party state may contract with any one or more other party states for the training of professional or other personnel whose services, by reason of such training, would become available for or be improved in respect of ability to participate in the care and treatment of mentally disordered offenders. Such contracts may provide for such training to take place at any facility being operated or to be operated for the care and treatment of mentally disordered offenders; at any institution or facility having resources suitable for the offering of such training; or may provide for the separate establishment of training facilities, provided that no such separate establishment shall be undertaken, unless it is determined that an appropriate existing facility or institution cannot be found at which to conduct the contemplated program. Any contract entered into pursuant to this paragraph shall provide for:

1. The administration, financing, and precise nature of the program.
2. The status and employment or other rights of the trainees.
3. All other necessary matters.

(d) No contract entered into pursuant to this compact shall be inconsistent with any provision thereof.

Article IV Procedure and Rights

(a) Whenever the duly constituted judicial or administrative authorities in a state party to this compact, and which has entered into a contract pursuant to Article III, shall decide that custody, care and treatment in, or transfer of a patient to, a facility within the territory of another party state, or conditional release for after-care in another party state is necessary in order to provide adequate care and treatment or is desirable in order to provide an appropriate program of therapy or other treatment, or is desirable for clinical reasons, said officials may direct that the custody, care and treatment be within a facility or in a program of after-care within the territory of said other party state, the receiving state to act in that regard solely as agent for the sending state.

(b) The appropriate officials of any state party to this compact shall have access, at all reasonable times, to any facility in which it has a contractual right to secure care or treatment of patients for the purpose of inspection and visiting such of its patients as may be in the facility or served by it.

(c) Except as otherwise provided in Article VI, patients in a facility pursuant to the terms of this compact shall at all times be subject to the jurisdiction of the sending state and may at any time be removed for transfer to a facility within the sending state, for transfer to another facility in

which the sending state may have a contractual or other right to secure care and treatment of patients, for release on after-care or other conditional status, for discharge, or for any other purpose permitted by the laws of the sending state: provided that the sending state shall continue to be obligated to such payments as may be required pursuant to the terms of any contract entered into under the terms of Article III.

(d) Each receiving state shall provide regular reports to each sending state on the patients of that sending state in facilities pursuant to this compact including a psychiatric and behavioral record of each patient and certify said record to the official designated by the sending state, in order that each patient may have the benefit of his or her record in determining and altering the disposition of said patient in accordance with the law which may obtain in the sending state and in order that the same may be a source of information for the sending state.

(e) All patients who may be in facility or receiving after-care from a facility pursuant to the provisions of this compact shall be treated in a reasonable and humane manner and shall be cared for, treated and supervised in accordance with the standards pertaining to the program administered at the facility. The fact of presence in a receiving state shall not deprive any patient of any legal rights which said patient would have had if in custody or receiving care, treatment or supervision as appropriate in the sending state.

(f) Any hearing or hearings to which a patient present in a receiving state pursuant to this compact may be entitled by the laws of the sending state shall be had before the appropriate authorities of the sending state, or of the receiving state if authorized by the sending state. The receiving state shall provide adequate facilities for such hearings as may be conducted by the appropriate officials of a sending state. In the event such hearing or hearings are had before officials of the receiving state, the governing law shall be that of the sending state and a record of the hearing or hearings as prescribed by the sending state shall be made. Said record together with any recommendations of the hearing officials shall be transmitted forthwith to the official or officials before whom the hearing would have been had if it had taken place in the sending state. In any and all proceedings had pursuant to the provisions of this paragraph, the officials of the receiving state shall act solely as agents of the sending state and no final determination shall be made in any matter except by the appropriate officials of the sending state. Costs of records made pursuant to this paragraph shall be borne by the sending state.

(g) Any patient confined pursuant to this compact shall be released within the territory of the sending state unless the patient, and the sending and receiving states, shall agree upon release in some other place. The sending state shall bear the cost of such return to its territory.

(h) Any patient pursuant to the terms of this compact shall be subject to civil process and shall have any and all rights to sue, be sued and participate in and derive any benefits or incur or be relieved of any obligations or have such obligations modified or his status changed on account of any action or proceeding in which he could have participated if in any appropriate facility of the sending state or being supervised therefrom, as the case may be, located within such state.

(i) The parent, guardian, trustee, or other person or persons entitled under the laws of the sending state to act for, advise, or otherwise function with respect to any patient shall not be deprived of or restricted in his exercise of any power in respect of any patient pursuant to the terms of this compact.

Article V

Disposition of Charges

(a) Whenever the authorities responsible for the care and treatment of a mentally disordered offender, whether convicted or adjudicated in the state or subject to care, after-care, treatment or rehabilitation pursuant to a contract, are of the opinion that charges based on untried indictments, informations or complaints in another party state present obstacles to the proper care and treatment of a mentally disordered offender or to the planning or execution of a suitable program for him, such authorities may petition the appropriate court in the state where the untried indictment, information or complaint is pending for prompt disposition thereof. If the mentally disordered offender is a patient in a receiving state, the appropriate authorities of the sending state, upon recommendation of the appropriate authorities in the receiving state, shall, if they concur in the recommendation, file the petition contemplated by this paragraph.

(b) The court shall hold a hearing on the petition within thirty days of the filing thereof. Such hearing shall be only to determine whether the proper safeguarding and advancement of the public interest; the condition of the mentally disordered offender, and the prospects for more satisfactory care, treatment and rehabilitation of him warrant disposition of the untried indictment, information or complaint prior to termination of the defendant's status as a mentally disordered offender in the sending state. The prosecuting officer of the jurisdiction from which the untried indictment, information or complaint is pending, the petitioning authorities, and such other persons as the court may determine shall be entitled to be heard.

(c) Upon any hearing pursuant to this Article, the court may order such adjournments or continuances as may be necessary for the examination or observation of the mentally disordered offender or for the securing of necessary evidence. In granting or denying any such adjournment or continuance, the court shall give primary consideration to the purposes of this compact, and more particularly to the need for expeditious determination of the legal and mental status of a mentally disordered offender so that his care, treatment and discharge to the community only under conditions which will be consonant with the public safety may be implemented.

(d) The presence of a mentally disordered offender within a state wherein a petition is pending or being heard pursuant to this Article, or his presence within any other state through which he is being transported in connection with such petition or hearing, shall be only for the purposes of this compact, and no court, agency or person shall have or obtain jurisdiction over such mentally disordered offender for any other purpose by reason of his presence pursuant to this Article. The mentally disordered offender shall, at all times, remain in the custody of the sending state. Any acts of officers, employees, or agencies of the receiving state in providing

or facilitating detention, housing or transportation for the mentally disordered offender shall be only as agents for the sending state.

(e) promptly upon conclusion of the hearing the court shall dismiss the untried indictment, information or complaint, if it finds that the purposes enumerated in paragraph (b) of this Article would be served thereby. Otherwise, the court shall make such order with respect to the petition and the untried indictment, information or complaint as may be appropriate in the circumstances and consistent with the status of the defendant as a mentally disordered offender in the custody of and subject to the jurisdiction of the sending state.

(f) No fact or other matter established or adjudicated at any hearing pursuant to this Article, or in connection therewith, shall be deemed established or adjudicated, nor shall the same be admissible in evidence, in any subsequent prosecution of the untried indictment, information or complaint concerned in a petition filed pursuant to this Article unless:

1. The defendant or his duly empowered legal representative requested or expressly acquiesced in the making of the petition, and was afforded an opportunity to participate in person in the hearing; or

2. The defendant himself offers or consents to the introduction of the determination or adjudication at such subsequent proceedings.

Article VI

Acts Not Reviewable in Receiving State; Return

(a) Any decision of the sending state in respect of any matter over which it retains jurisdiction pursuant to this compact shall be conclusive upon and not reviewable within the receiving state, but if at the time the sending state seeks to remove a patient from the receiving state there is pending against the patient within such state any criminal charge or if the patient is suspected of having committed within such state a criminal offense, the patient shall not be returned without the consent of the receiving state until discharged from prosecution or other form of proceeding, imprisonment or detention from such offense. The duly accredited officers of the sending state shall be permitted to transport patients pursuant to this compact through any and all states party to this compact without interference.

(b) A patient who escapes while receiving care and treatment or who violates provisions of after-care by leaving the jurisdiction, or while being detained or transported pursuant to this compact shall be deemed an escapee from the sending state and from the state in which the facility is situated or the after-care was being provided. In the case of an escape to a jurisdiction other than the sending or receiving state, the responsibility for return shall be that of the sending state, but nothing contained herein shall be construed to prevent or affect the activities of officers and agencies of any jurisdiction directed toward the apprehension and return of an escapee.

Article VII

Federal Aid

Any state party to this compact may accept federal aid for use in con-

nection with any facility or program, the use of which is or may be affected by this compact or any contract pursuant thereto and any patient in a receiving state pursuant to this compact may participate in any such federally aided program or activity for which the sending and receiving states have made contractual provision: provided that if such program or activity is not part of the customary regimen of the facility, or program the express consent of the appropriate official of the sending state shall be required therefor.

Article VIII

Entry Into Force

This compact shall enter into force and become effective and binding upon the states so acting when it has been enacted into law by any two states from among the states of Illinois, Indiana, Iowa, Kansas, Michigan, Minnesota, Missouri, Nebraska, North Dakota, Ohio, South Dakota and Wisconsin. Thereafter, this compact shall enter into force and become effective and binding as to any other of said states, or any other state upon similar action by such state.

Article IX

Withdrawal and Termination

This compact shall continue in force and remaining binding upon a party state until it shall have enacted a statute repealing the same and providing for the sending of formal written notice of withdrawal from the compact to the appropriate officials of all other party states. An actual withdrawal shall not take effect until two years after the notices provided in said statute have been sent. Such withdrawal shall not relieve the withdrawing state from its obligations assumed hereunder prior to the effective date of withdrawal. Before the effective date of withdrawal, a withdrawing state shall remove to its territory, at its own expense, such patients as it may have in other party states pursuant to the provisions of this compact.

Article X

Other Arrangements Unaffected

Nothing contained in this compact shall be construed to abrogate or impair any agreement or other arrangement which a party state may have with a nonparty state for the custody, care, treatment, rehabilitation or after-care of patients nor to repeal any other laws of a party state authorizing the making of cooperative arrangements.

Article XI

Construction and Severability

The provisions of this compact shall be liberally construed and shall be severable. If any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any participating state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held

contrary to the constitution of any state participating therein, the compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters.

126-C:3 Contracts Authorized. The division of mental health within the department of health and welfare may negotiate and enter into contracts on behalf of this state pursuant to Article III of the compact and may perform such contracts; provided that no funds, personnel, facilities, equipment, supplies, or materials shall be pledged for, committed or used on account of any such contract, unless legally available therefor.

442:2 Effective Date. This act shall take effect sixty days after its passage.

CHAPTER 443.

AN ACT RELATIVE TO DANGEROUS SEXUAL OFFENDERS.

Be it Enacted by the Senate and House of Representatives in General Court convened:

443:1 New Chapter. Amend RSA by inserting after chapter 173 the following new chapter:

Chapter 173-A Dangerous Sexual Offenders

173-A:1 Finding of Necessity, and Purpose. It is hereby declared that the frequency of sex crimes within this state necessitates that appropriate measures be adopted to protect society more adequately from dangerous sexual offenders; that the laws of this state do not provide for the proper disposition of those who commit or have a tendency to commit such crimes and whose actions result from an abnormal psycho-sexual condition; that society as well as the individual will benefit by a legal process which would provide for indeterminate confinement, under conditions permitting segregation and psychiatric treatment as may be deemed necessary for such persons.

173-A:2 Definitions. The term "dangerous sexual offender" as used in this chapter means any person suffering from such conditions of emotional instability or impulsiveness of behavior, or lack of customary standards of good judgment, or failure to appreciate the consequences of his acts, or a combination of any such conditions, as to render such person irresponsible with respect to sexual matters and thereby dangerous to himself, or to other persons.

173-A:3 Inquiry.

I. When Required. Whenever a person is convicted of one or more of the following sex offenses: unnatural and lascivious act, bestiality, sodomy, enticing female child, rape, except in the case of rape where the wom-

an is under the age of sixteen and carnal copulation is without force and not against her will, or any attempt to commit such offenses, the convicting court shall, prior to sentencing, commit such person to the New Hampshire Hospital for psychiatric observation and examination, for a period of not less than thirty nor more than ninety days. Whenever a person is convicted of one or more of the following sex offenses: incest, rape where the woman is under the age of sixteen and carnal copulation is without force and not against her will, or is convicted more than once for lewdness or indecent exposure, or any attempt to commit such offenses, the convicting court may in its discretion, prior to sentencing commit such person to the New Hampshire Hospital for psychiatric observation and examination, for a period of not less than thirty nor more than ninety days. The New Hampshire Hospital may require the cooperation of any state agencies in obtaining and furnishing information. It may also require any agency, public or private, to furnish copies of any information or records in the possession of such agency, without court order and notwithstanding any other provisions of the law as to the use or availability of such information or records. Prior to the end of ninety days, the superintendent of New Hampshire Hospital shall file a report with the committing court to include one of the following conclusions:

(a) That said person is not considered to be a dangerous sexual offender but that he is in need of and amenable to psychiatric treatment and that hospital confinement be continued until further order of the court, or until expiration of the maximum time for which said person is sentenced.

(b) That said person is not considered to be a dangerous sexual offender and does not require psychiatric treatment.

(c) That there is psychiatric and/or psychological evidence suggesting that said person might be a dangerous sexual offender. A certified copy of this report shall be served upon the person examined within three days after the filing thereof with the court.

II. Petition for Hearing.

(a) In the event that the superintendent of the New Hampshire Hospital concludes that there is psychiatric and/or psychological evidence suggesting that the person examined might be a dangerous sexual offender, the committing court may at its discretion act on the report and may direct the county attorney to file a petition on the basis of said report including such facts as he may have available requesting the court to conduct an inquiry into the condition of such person.

173-A:4 Hearing.

I. The court shall conduct a hearing upon such notice as it deems necessary, but within thirty days after the receipt of said report and such report shall be admissible as evidence. The court may, in its discretion, exclude the general public from attendance at such hearing. The individual concerning whom the petition is filed shall be entitled to be present at the hearing and to be represented by counsel. If the court determines that he is financially unable to obtain counsel, the court shall appoint counsel to represent him. He shall be entitled to have subpoenas issued out of court to compel the attendance of witnesses in his behalf. Reasonable fees of counsel and witness fees for an indigent person alleged to be a dangerous

sexual offender shall be allowed by the court and shall be a charge against the county wherein the petition is heard.

II. The physicians of the New Hampshire Hospital who made the examination may be present at the hearing and may be called on to testify as to the result of their examination and to any other pertinent facts within their knowledge. The county attorney shall appear for the state and cause witnesses to be subpoenaed, if necessary, in support of the report.

III. Upon such hearing, it shall be competent to introduce evidence of the commission by the alleged dangerous sexual offender of any prior sex acts or sex crimes together with any action taken in the way of punishment or otherwise.

IV. The proceedings had shall be reduced to writing and shall be part of the records of the court.

V. The court shall make an order determining whether or not the person proceeded against is a dangerous sexual offender.

VI. There shall be no right to a trial by jury in proceedings under this section.

173-A:5 Commitment. Any person determined by the court to be a dangerous sexual offender shall be committed to the director of mental health to be confined to New Hampshire Hospital.

173-A:6 Director of Mental Health.

I. It shall be the duty of the director of mental health to administer the provisions of this chapter as it relates to the custody and treatment of dangerous sexual offenders. The division of mental health shall be authorized to transfer any dangerous sexual offenders to another jurisdiction under any existing interstate compact or agreement pertaining to mentally disordered offenders.

II. The director of mental health shall direct periodic examinations of any such person so committed with the view to determining the progress of cure, if any, and shall, in an annual report submitted to the court by which he was committed, give a medical finding on each such person. These reports in each individual's case shall not be destroyed sooner than six years after a final determination by the court, pursuant to section 10, of the recovery of said person from the condition of a dangerous sexual offender. If on the basis of reports from the superintendent of New Hampshire Hospital the director determines that a dangerous sexual offender is not amenable to psychiatric treatment or that he has received maximum benefit from treatment and remains a dangerous sexual offender, he may order such person transferred to New Hampshire State Prison. Any person so transferred shall undergo psychiatric examination at least twice yearly under supervision of the director of mental health. Within fifteen days of the time he receives a report of such examination the director shall order that the person so examined remain confined at state prison or be returned to New Hampshire Hospital for psychiatric treatment.

III. The director of mental health with the approval of the committing court may release on parole for not more than one year at one time any dangerous sexual offender upon recommendation of the director that the

person is improved and that, in his opinion, he is no longer dangerous to himself or others. The director may establish the terms and conditions of such parole. The director may at any time for any reason revoke the parole and order the parolee to be returned to the institution from which he was paroled, under the original commitment. Such order shall be enforced by any officer in the state authorized to make arrests.

173-A:7 Facilities Provided. The division of mental health shall provide suitable housing and facilities for the detention and treatment of dangerous sexual offenders. Such housing and facilities may be in a separate building or a part of an existing building and may be located on or off the grounds of any existing state institution. Such housing and facilities as may be established shall provide for the reasonable segregation of all dangerous sexual offenders from those suffering from other forms of mental illness.

173-A:8 Records of the Director of Mental Health. Full and complete records shall be kept by the director of the treatment and care of each dangerous sexual offender committed to the institution. Such records shall not be open to the inspection of any other person not on the staff of the institution except that a justice of the superior court shall on application make an order to permit examinations of the records when in his judgment the ends of justice will be served. Such records shall be admissible in evidence.

173-A:9 Discharge.

I. If the person proceeded against pursuant to section 3 has been committed under this chapter, whenever thereafter the director of the institution wherein he is confined shall notify the director of mental health that the person has recovered, or that his mental condition has improved to such an extent that he will not be benefited by further treatment and that he is no longer dangerous to himself or to others, the director of mental health shall recommend his release to the committing court and shall send to the court a record containing the opinion of the director of the institution wherein he was confined.

II. The dangerous sexual offender or his attorney may petition the superior court at any time for his release, provided that such petition is accompanied by a statement under oath made by a qualified psychiatrist which states that in his opinion the dangerous sexual offender has recovered or that his mental condition has improved to such an extent that he is no longer dangerous to himself or to others.

III. Whenever the court is in receipt of the recommendations described in paragraph I or the petition described in paragraph II of this section, it shall, after hearing, order the discharge of such person unless it shall be found at the hearing that said person has not recovered or that his mental condition has not improved to such an extent that he will not be benefited by further treatment and that he remains dangerous to himself or to others. The court shall order such person to be returned to custody to be held under the previous commitment.

173-A:10 Procedure Where Person is Adjudged Not a Dangerous Sexual Offender. If, after hearing, the court shall determine that the person is not a dangerous sexual offender, he shall be remanded to the custody of the court for sentencing.

443:2 Repeal. RSA 173 as amended by 1955, 163:1; 1959, 12:1; 1961, 114:1 and 222:1; and 1963, 39:2 relative to sexual psychopaths is hereby repealed.

IX. A "consumer package" or "package of consumer commodity" shall be construed to mean a commodity in package form that is customarily produced or distributed for sale through retail sales agencies or instrumentalities for consumption by individuals or use by individuals for the purposes of personal care or in the performance of services ordinarily rendered in or about the household or in connection with personal possessions.

Such weights and measures in conformity with the standards of the United States as have been supplied to the state by the federal government or otherwise obtained by the state for use as state standards shall, when the same shall have been certified as being satisfactory for use as such by the National Bureau of Standards, be the state standards of weight and measure. 359-A:5 Field Standards and Equipment. In addition to the state standards provided for in section 359-A:4, there shall be supplied by the state such "field standards" and such equipment as may be found necessary to carry out the provisions of this chapter. The field standards shall be verified upon their initial receipt and at least once each year thereafter by comparison with the state standards.

359-A:6 Administration; Assistants; Inspections. The functions, powers and duties provided in this chapter are vested in the department of agriculture to be appraised and used by the commissioner of agriculture as specified herein and as otherwise provided by law. Subject to the state personnel regulations, and within the limits of available appropriations and funds, the commissioner of agriculture may employ such assistants and incur such expenses as may be necessary to carry out the provisions of this chapter. The commissioner, or his inspectors at his direction, shall at least once a year visit the various cities having local sealers and inspect their work and, in the performance of duties hereunder, he shall inspect the weights, measures, balances or any other weighing or measuring appliances of any person, firm, or corporation in said city.

359-A:7 General Powers and Duties of Commissioner. The commis-

sioner shall have the custody of the state standards of weight and measure and of the other standards and equipment provided for by this chapter, and shall keep accurate records of the same. The commissioner shall enforce the provisions of this chapter. He shall have and keep a general supervision over the weights and measures offered for sale, sold, or in use in the state. He shall biennially make to the governor a report on all of the activities of his office.

359-A:8 Specific Powers and Duties of Commissioner; Regulations. The commissioner shall issue from time to time reasonable rules and regulations for the enforcement of this chapter, which rules and regulations shall have the force and effect of law, and such rules and regulations shall be binding upon state inspectors, city sealers, and public weighmasters. These regulations may include (1) schedules of fees for testing and certification, (2) standards of net weight, measure, or count, and reasonable standards of fill for any commodity in package form, (3) rules governing the technical and reporting procedures to be followed and the report and record forms and marks of approval and rejection to be used by inspectors of weights and measures in the discharge of their official duties, (4) exemptions from the sealing or marking requirements of section 359-A:14 with respect to the weights and measures of such character or size that such sealing or marking would be inappropriate, impracticable, or damaging, to the apparatus in question, (5) rules governing the voluntary registration of servicemen and service agencies, and (6) rules governing the licensing of, and the technical and reporting procedures to be followed by, public weighmasters. These regulations shall include specifications, tolerances, and other technical requirements for weights and measures of the character of those specified in section 359-A:10, designed to eliminate from use, without prejudice to apparatus that conforms as closely as practicable to the official standards, those (1) that are not accurate, (2) that are of such construction that they are faulty (that is, that are not reasonably permanent in their adjustment or will not repeat their indications correctly), or (3) that facilitate the perpetration of fraud. The specifications, tolerances, and other technical requirements for commercial weighing and measuring devices, together with amendments thereto, as recommended by the National Bureau of Standards and published in National Bureau of Standards Handbook 44 and supplements thereto, or in any publication revising or superseding Handbook 44, shall be the specifications, tolerances, and other technical requirements for commercial weighing and measuring devices of the state of New Hampshire, except insofar as specifically modified, amended, or rejected by a regulation issued by the commissioner. For the purpose of this chapter, apparatus shall be deemed to be "correct" when it conforms to all applicable requirements promulgated as specified in this section. Other apparatus shall be deemed to be "incorrect." (4) All such regulations as are published by the National Bureau of Standards for the implementation of this New Hampshire weights and measures law including amendments, supplements and revisions thereto shall be adopted as part of this chapter.

359-A:9 — Testing of Standards; Testing at State-Supported Institutions. The commissioner, or his inspectors at his direction, at least once every five years, shall test the standards of weight and measure procured by

any city for which the appointment of a sealer of weights and measures is provided by this chapter, and shall approve the same when found to be correct, and he shall inspect such standards at least once every two years. He shall from time to time test all weights and measures used in checking the receipt or disbursement of supplies in every institution for the maintenance of which monies are appropriated by the legislature, reporting his findings, in writing, to the supervisory board and to the executive office of the institution concerned.

359-A:10 — General Testing. When not otherwise provided by law, the commissioner, or his inspectors at his direction, shall have the power to inspect and test, to ascertain if they are correct, all weights and measures kept, offered, or exposed for sale. It shall be the duty of the commissioner, within a twelve month period, or less, as he may deem necessary, to inspect and test, to ascertain if they are correct, all weights and measures commercially used (1) in determining the weight, measurement, or count of commodities or things sold, or offered or exposed for sale, on the basis of weight, measure, or of count, or (2) in computing the basic charge or payment for services rendered on the basis of weight, measure, or of count. Provided, however, that with respect to single-service devices (that is, devices designed to be used commercially only once and to be then discarded) and with respect to devices uniformly mass-produced, as by means of a mold or die, and not susceptible of individual adjustment, tests may be made on representative samples of such devices; and the lots of which such samples are representative shall be held to be correct or incorrect upon the basis of the results of the inspections and tests on such samples.

359-A:11 — Investigations. The commissioner, or his inspectors at his direction, shall investigate complaints made to him concerning violations of the provisions of this chapter, and shall, upon his own initiative, conduct such investigations as he deems appropriate and advisable to develop information on prevailing procedures in commercial quantity determination and on possible violations of the provisions of this chapter and to promote the general objective of accuracy in the determination and representation of quantity in commercial transactions.

359-A:12 — Inspection of Packages. The commissioner, or his inspectors at his direction, shall, from time to time, weigh or measure and inspect packages or amounts of commodities kept, offered, or exposed for sale, sold, or in the process of delivery, to determine whether the same contain the amounts represented and whether they be kept, offered, or exposed for sale or sold in accordance with law. When such packages or amounts of commodities are found not to contain the amounts represented, or are found to be kept, offered, or exposed for sale in violation of law, the commissioner may order them off sale and may so mark or tag them as to show them to be illegal. In carrying out the provisions of this section, the commissioner may employ recognized sampling procedures under which the compliance of a given lot of packages will be determined on the basis of the result obtained on a sample selected from and representative of such lot. No person shall (1) sell, or keep, offer, or expose for sale, in intrastate commerce, any package or amount of commodity that has been ordered off sale or marked or tagged as provided in this section unless and until

such package or amount of commodity has been brought into full compliance with all legal requirements, or (2) dispose of any package or amount of commodity that has been ordered off sale or marked or tagged as provided in this section and that has not been brought into compliance with legal requirements, in any manner, except with the specific approval of the commissioner.

359-A:13 — Stop-Use, Stop-Removal Orders. The commissioner, or his inspectors at his direction, shall have the power to issue stop-use orders, stop-removal orders, and removal orders with respect to weights and measures being, or susceptible of being, commercially used, and to issue stop-removal orders and removal orders with respect to packages or amounts of commodities kept, offered, or exposed for sale, sold, or in process of delivery, whenever in the course of his enforcement of the provisions of this chapter he deems it necessary or expedient to issue such orders; and no person shall use, remove from the premises specified, or fail to remove from the premises specified, any weight, measure, or package or amount of commodity contrary to the terms of a stop-use order, stop-removal order, or removal order issued under the authority of this section.

359-A:14 — Disposition of Correct and Incorrect Apparatus. The commissioner, or his inspectors at his direction, shall approve for use, and seal or mark with appropriate devices, such weights and measures as he finds upon inspection and test to be "correct" as defined in section 359-A:8, and shall reject and mark or tag as "rejected" such weights and measures as he finds, upon inspection or test, to be "incorrect" as defined in section 359-A:8, but which in his best judgment are susceptible of satisfactory repair. Provided, however, that such sealing or marking shall not be required with respect to such weights and measures as may be exempted therefrom by a regulation of the commissioner issued under the authority of section 359-A:8. The commissioner shall condemn, and may seize and destroy, weights and measures found to be incorrect, if not corrected or disposed of as required by section 359-A:19.

359-A:15 — Police Powers; Right of Entry and Stoppage. With respect to the enforcement of this chapter and any other law dealing with weights and measures that he is or may be empowered to enforce, the commissioner, or his inspectors at his direction, is hereby vested with special police powers, and is authorized to arrest, without formal warrant, any violator of the said laws, and to seize for use as evidence, without formal warrant, incorrect or unsealed weights and measures or amounts or packages of commodity found to be used, retained, offered, or exposed for sale or sold in violation of law. In the performance of his official duties, the commissioner is authorized to enter and go into or upon, without formal warrant, any structure or premises, and to stop any person whatsoever and to require him to proceed, with or without any vehicle of which he may be in charge, to some place which the commissioner may specify.

359-A:16 City Sealers of Weights and Measures; Appointment. There shall be a sealer of weights and measures in each city of not less than seventeen thousand population, according to the latest United States census. Said sealer shall be appointed by the mayor, with the consent of the city council, provided, however, that no person shall be so appointed until his

appointment has been approved in writing by the commissioner of agriculture and shall hold office during good behavior. The city sealer in said city shall have the same powers and duties as state inspectors have throughout the state.

359-A:17 City Standards and Equipment. The council of each city for which a sealer has been appointed as provided for by section 359-A:16 shall: (1) procure at the expense of the city such standards of weight and measure and such additional equipment, to be used for the enforcement of the provisions of this chapter in said city, as may be prescribed by the commissioner, (2) provide a suitable office for the sealer, and (3) provide for the necessary clerical services, supplies, and transportation, and for defraying contingent expenses incident to the official activities of the sealer in carrying out the provisions of this chapter. When the standards of weight and measure required by this section to be provided by a city shall have been examined and approved by the commissioner, they shall be the official standards for such city. It shall be the duty of the sealer to make, or to arrange to have made, at least as frequently as once a year, comparisons between his field standards and appropriate standards of a higher order belonging to his city or to the state, in order to maintain such field standards in accurate condition. Whenever the city council of a city shall neglect for six months to provide such standards, the city clerk of said city, on notification and request by the commissioner, shall provide the same and cause them to be tried, sealed, and deposited at the expense of the city.

359-A:18 Concurrent Jurisdiction. In cities for which sealers of weights and measures have been appointed as provided for in this chapter, the commissioner shall have concurrent authority to enforce the provisions of said chapter.

359-A:19 Duty of Owners of Incorrect Apparatus. Weights and measures that have been rejected under the authority of the commissioner or of a sealer shall remain subject to the control of the rejecting authority until such time as suitable repair or disposition thereof has been made as required by this section. The owners of such rejected weights and measures shall cause the same to be made correct within thirty days or such longer period as may be authorized by the rejecting authority; or, in lieu thereof said owners may dispose of the same, but only in such manner as is specifically authorized by the rejecting authority. Weights and measures that have been rejected shall not again be used commercially until they have been officially reexamined and found to be correct, or until specific written permission for such use is issued by the rejecting authority.

359-A:20 Method of Sale of Commodities; General. Commodities in liquid form shall be sold only by liquid measure or by weight, and, except as otherwise provided in this chapter, commodities not in liquid form shall be sold only by weight, by measure of length or area, or by count. Provided, however, that liquid commodities may be sold by weight, and commodities not in liquid form may be sold by count, only if such methods give accurate information as to the quantity of commodity sold. And provided further, that the provisions of this section shall not apply (1) to commodities when sold for immediate consumption on the premises where sold, (2) to vegetables when sold by the head or bunch, (3) to commodities in con-

tainers standardized by a law of this state or by federal law, (4) to commodities in package form when there exists a general consumer usage to express the quantity in some other manner, (5) to concrete aggregates, concrete mixtures, and loose solid materials such as earth, soil, gravel, crushed stone, and the like, when sold by cubic measure, or (6) to unprocessed vegetable and animal fertilizer when sold by cubic measure. The commissioner may issue such reasonable regulations as are necessary to assure that the amounts of a commodity sold are determined in accordance with good commercial practice and are so determined and represented as to be accurate and informative to all parties at interest.

359-A:21 — Packages; Declarations of Quantity and Origin; Variations; Exemptions. Except as otherwise provided in this chapter, any commodity in package form introduced, or delivered for introduction into, or received in intrastate commerce, kept for the purpose of sale, or offered or exposed for sale in intrastate commerce, shall bear on the outside of the package such definite, plain, or conspicuous declarations of (1) the identity of the commodity in the package unless the same can easily be identified through the wrapper or container, (2) the net quantity of the contents in terms of weight, measure, or count, and (3) in the case of any package kept, offered, or exposed for sale, or sold in any place other than on the premises where packed, the name and place of business of the manufacturer, packer, or distributor, as may be prescribed by regulation issued by the commissioner. Provided, however, that, in connection with the declaration required under clause, (2) of this section, neither the qualifying term "when packed" or any words of similar import, nor any term qualifying a unit of weight, measure, or count (for example, "jumbo," "giant," "full," and the like) that tends to exaggerate the amount of commodity in a package shall be used. And provided further, that under said clause (2), the commissioner shall, by regulation, establish (a) reasonable variations to be allowed, which may include variations below the declared weight or measure caused by ordinary and customary exposure, only after the commodity is introduced into intrastate commerce, to conditions that normally occur in good distribution practice and that unavoidably result in decreased weight or measure, (b) exemptions as to small packages, and (c) exemptions as to commodities put up in variable weights or sizes for sale intact and either customarily not sold as individual units or customarily weighed or measured at time of sale to the customer.

359-A:22 — Declarations of Unit Price on Random Packages. In addition to the declarations required by section 359-A:21, any commodity in package form, the package being one of a lot containing random weights, measures, or counts of the same commodity and bearing the total selling price of the package, shall bear on the outside of the package a plain and conspicuous declaration of the price per single unit of weight, measure, or count.

359-A:23 — Misleading Packages. No commodity in package form shall be so wrapped, nor shall it be in a container so made, formed, or filled as to mislead the purchaser as to the quantity of the contents of the packages; and the contents of a container shall not fall below such reasonable standard of fill as may have been prescribed for said commodity by the commissioner.

359-A:24 — Advertising Packages for Sale. Whenever a commodity in package form is advertised in any manner and the retail price of the package is stated in the advertisement, there shall be closely and conspicuously associated with such statement of price a declaration of the basic quantity of contents of the package as is required by law or regulation to appear on the package. Provided, however, that, where the law or regulation requires a dual declaration of net quantity to appear on the package, only the declaration that sets forth the quantity in terms of the smaller unit of weight or measure (the declaration that is required to appear first and without parentheses on the package) need appear in the advertisement. And provided further, that there shall not be included as part of the declaration required under this section such qualifying terms as “when packed,” “minimum,” “not less than,” or any other terms of similar import, nor any term qualifying a unit of weight, measure or count (for example, “jumbo,” “giant,” “full,” and the like) that tends to exaggerate the amount of commodity in the package.

359-A:25 Sale by Net Weight. The word “weight” as used in this chapter in connection with any commodity shall mean net weight. Whenever any commodity is sold on the basis of weight, the net weight of the commodity shall be employed, and all contracts concerning commodities shall be so construed.

359-A:26 Misrepresentation of Price. Whenever any commodity or service is sold, or is offered, exposed, or advertised for sale, by weight, measure, or count, the price shall not be misrepresented, nor shall the price be represented in any manner calculated or tending to mislead or deceive an actual or prospective purchaser. Whenever an advertised, posted, or labeled price per unit of weight, measure, or count includes a fraction of a cent, all elements of the fraction shall be prominently displayed and the numeral or numerals expressing the fraction shall be immediately adjacent to, of the same general design and style as, and at least one-half the height and width of the numerals representing the whole cents.

359-A:27 Meat, Poultry, and Seafood. Except for immediate consumption on the premises where sold, or as one of several elements comprising a ready-to-eat meal sold as a unit for consumption elsewhere than on the premises where sold, all meat, meat products, poultry (whole or parts), and seafood except shellfish, offered or exposed for sale or sold as food shall be offered or exposed for sale and sold by weight. When meat, poultry, or seafood is combined with or associated with some other food element or elements to form either a distinctive food product or a food combination, such food product or combination shall be offered or exposed for sale and sold by weight, and the quantity representation may be the total weight of the product or combination, and a quantity representation need not be made for each of the several elements of the product or combination.

359-A:28 Bread. It shall be unlawful for any person to make for sale, sell, offer to sell or procure to be sold any bread unless each loaf is enclosed in a wrapper plainly showing its weight and the name of the manufacturer thereof, and any further information that may be prescribed by regulation issued by the commissioner.

359-A:29 Butter, Oleomargaine, and Margarine. Butter, oleomargarine, and margarine shall be offered and exposed for sale and sold by weight, and only in units of one-quarter pound, one-half pound, one pound, or multiples of one pound, avoirdupois weight.

359-A:30 Fluid Dairy Products. All fluid dairy products, including but not limited to whole milk, skimmed milk, cultured milk, sweet cream, sour cream, and buttermilk, shall be packaged for retail sale only in units of one gill, one-half liquid pint, ten fluid ounces, one liquid pint, one liquid quart, one-half gallon, one gallon, and one and one-half gallons, two gallons, two and one-half gallons, or multiples of one gallon. Provided, however, that packages in units of less than one gill shall be permitted.

359-A:31 Flour, Corn Meal, and Hominy Grits. When in package form, and when packed, kept, offered, or exposed for sale or sold, wheat flour, whole wheat flour, graham flour, self-rising wheat flour, phosphated wheat flour, bromated flour, enriched flour, enriched self-rising flour, enriched bromated flour, corn flour, corn meal, and hominy grits shall be packaged only in units of two, five, ten, twenty-five, fifty, or one hundred pounds, avoirdupois weight. Provided, however, that packages in units of less than two pounds or more than one hundred pounds shall be permitted.

359-A:32 Bulk Deliveries Sold in Terms of Weight and Delivered by Vehicle. When a vehicle delivers to an individual purchaser a commodity in bulk, and the commodity is sold in terms of weight units, the delivery shall be accompanied by a duplicate delivery ticket with the following information clearly stated, in ink or by means of other indelible marking equipment and, in clarity, equal to type or printing, (1) the name and address of the vendor, (2) the name and address of the purchaser, and (3) the net weight of the delivery expressed in pounds, and, if the net weight is derived from determinations of gross and tare weights, such gross and tare weights also shall be stated in terms of pounds. One of these tickets shall be retained by the vendor, and the other shall be delivered to the purchaser at the time of delivery of the commodity, or shall be surrendered, on demand, to the commissioner, or the inspector, or the sealer, who, if he desires to retain it as evidence, shall issue a weight slip in lieu thereof for delivery to the purchaser. Provided, however, that, if the purchaser, himself, carries away his purchase, the vendor shall be required only to give to the purchaser at the time of sale a delivery ticket stating the number of pounds of commodity delivered to him.

359-A:33 Furnace and Stove Oil. All furnace and stove oil shall be sold by liquid measure or by net weight in accordance with the provisions of section 359-A:20. In the case of each delivery of such liquid fuel not in package form and in an amount greater than ten gallons in the case of sale by liquid measure or one hundred pounds in the case of sale by weight, there shall be rendered to the purchaser, either (a) at the time of delivery or (b) within a period mutually agreed upon in writing or otherwise between the vendor and the purchaser, a delivery ticket or a written statement on which, in ink or by means of other indelible marking equipment and, in clarity, equal to type or printing, there shall be clearly stated (1) the name and address of the vendor, (2) the name and address of the purchaser, (3) the identity of the type of fuel comprising the delivery, (4) the unit

price (that is, the price per gallon or per pound, as the case may be) of the fuel delivered, (5) in the case of sale by liquid measure, the liquid volume of the delivery, together with any meter readings from which such liquid volume has been computed, expressed in terms of the gallon and its binary or decimal subdivisions, and (6) in the case of sales by weight, the net weight of the delivery, together with any weighing scale readings from which such net weight has been computed, expressed in terms of tons or pounds avoirdupois.

359-A:34 Berries and Small Fruits. Berries and small fruits shall be offered and exposed for sale and sold by weight, or by measure in open containers having capacities of one-half dry pint, one dry pint, or one dry quart; provided, that the marking provisions of section 359:21 shall not apply to such containers.

359-A:35 Wood. It shall be unlawful to sell or offer to sell in this state any wood for fuel purposes, except standing trees, wood not exceeding sixteen inches in length, edgings, bobbin wood, clippings, slabs and other waste, in any other manner than by the cord or fraction thereof, unless the parties to the transaction otherwise agree; but no person, firm or corporation dealing in wood, or having or offering wood for sale, shall refuse to sell it by the hereinafter defined load or fractional part thereof, or by the cord or fractional part thereof. Wood not exceeding sixteen inches in length, edgings, bobbin wood, clippings, slabs and other waste may be sold by the load in the loose; provided, however, that a load shall contain eighty cubic feet, three quarters of a load sixty cubic feet, one half of a load forty cubic feet and one quarter of a load twenty cubic feet. No wood shall be sold by the load in any other dimensions. Whoever sells or offers for sale such wood by the load in the loose shall specify upon the outside of the delivery vehicle the cubic contents thereof, in figures at least one inch high. The commissioner of agriculture shall require the inspectors and sealers to measure the cart bodies or containers used in the delivery of wood by the standard load, to see if they contain the contents specified.

359-A:36 Fees. All fees collected by a state inspector or city sealer, and fines, under the provisions of this chapter shall be forwarded to the commissioner of agriculture to be by him forwarded to the state treasurer. The state treasurer shall keep said funds in a special account to be known as the weights and measures fund. From said fund shall be paid all expenses of the department of agriculture relative to weights and measures. In addition the state treasurer shall pay to each city having a city sealer, one-half of all fees collected in said city by state inspectors or city sealers, to be for the use of said city, for the purposes of this chapter. The sums in said special account shall not lapse but shall be available for weights and measures expenses for the succeeding year. Any additional funds in said account over and above the amount allowed by the legislature for appropriation for said function shall be available for further expenditures for said purposes in such amounts as the governor and council may approve.

359-A:37 Construction of Contracts. Fractional parts of any unit of weight or measure shall mean like fractional parts of the value of such unit as prescribed or defined in sections 359-A:2 and 359-A:3, and all contracts concerning the sale of commodities and services shall be construed in accordance with this requirement.

359-A:38 Hindering or Obstructing Officer; Penalties. Any person who shall hinder or obstruct in any way the commissioner, or any of the inspectors, or a sealer, in the performance of his official duties shall be guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine of not less than twenty dollars or more than two hundred dollars, or by imprisonment for not more than three months, or by both.

359-A:39 Impersonation of Officer; Penalties. Any person who shall impersonate in any way the commissioner, or any one of the inspectors, or a sealer, by the use of his seal or a counterfeit of his seal, shall be guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine of not less than one hundred dollars or more than five hundred dollars, or by imprisonment for not more than one year, or by both.

359-A:40 Offenses and Penalties. It shall be unlawful for any person to:

I. Use or have in possession for the purpose of using for any commercial purpose specified in section 359-A:10, sell, offer, or expose for sale or hire, or have in possession for the purposes of selling or hiring, an incorrect weight or measure or any advice or instrument used to or calculated to falsify any weight or measure.

II. Use, or have in possession for the purpose of current use for any commercial purpose specified in section 359-A:10, a weight or measure that does not bear a seal or mark such as is specified in section 359-A:14, unless such weight or measure has been exempted from testing by the provisions of section 359-A:10 or by a regulation of the commissioner issued under the authority of section 359-A:8, or unless the device has been placed in service as provided by a regulation of the commissioner issued under the authority of section 359-A:8.

III. Dispose of any rejected or condemned weight or measure in a manner contrary to law or regulation.

IV. Remove from any weight or measure, contrary to law or regulation, any tag, seal, or mark placed thereon by the appropriate authority.

V. Sell, or offer or expose for sale, less than the quantity he represents of any commodity, thing, or service.

VI. Take more than the quantity he represents of any commodity, thing, or service, when, as buyer, he furnishes the weight or measure by means of which the amount of the commodity, thing, or service is determined.

VII. Keep for the purpose of sale, advertise, or offer or expose for sale, or sell any commodity, thing, or service in a condition or manner contrary to law or regulation.

VIII. Use in retail trade, except in the preparation of packages put up in advance of sale and of medical prescriptions, a weight or measure that is not so positioned that its indications may be accurately read and the weighing or measuring operation observed from some position which may reasonably be assumed by a customer.

IX. Violate any provision of this chapter or of the regulations promulgated under the provisions of this chapter for which a specific penalty has not been prescribed.

Any person who, by himself or by his servant or agent, or as the servant or agent of another person, performs any one of the acts enumerated in paragraphs I through IV of this section shall be guilty of a misdemeanor and, upon a first conviction thereof, shall be punished by a fine of not less than twenty dollars or more than two hundred dollars, or by imprisonment for not more than three months, or by both. Upon a second or subsequent conviction thereof, he shall be punished by a fine of not less than fifty dollars or more than five hundred dollars, or by imprisonment for not more than one year, or by both.

359-A:41 Injunction. The commissioner is authorized to apply to any court of competent jurisdiction for, and such court upon hearing and for cause shown may grant, a temporary or permanent injunction restraining any person from violating any provision of this chapter.

359-A:42 Presumptive Evidence. For the purposes of this chapter, proof of the existence of a weight or measure or a weighing or measuring device in or about any building, enclosure, stand, or vehicle in which or from which it is shown that buying or selling is commonly carried on, shall, in the absence of conclusive evidence to the contrary, be presumptive proof of the regular use of such weight or measure or weighing or measuring device for commercial purposes and of such use by the person in charge of such building, enclosure, stand, or vehicle.

359-A:43 Validity of Prosecutions. Prosecutions for violation of any provision of this chapter are declared to be valid and proper, notwithstanding the existence of any other valid general or specific act of this state dealing with matters that may be the same as or similar to those covered by this chapter.

359-A:44 Separability Provision. If any provision of this chapter is declared unconstitutional, or the applicability thereof to any person or circumstance is held invalid, the constitutionality of the remainder of the chapter and the applicability thereof to other persons and circumstances shall not be affected thereby.

359-A:45 Repeal of Conflicting Laws. All laws and parts of laws contrary to or inconsistent with the provisions of this act are repealed insofar as they might operate in the future; but as to offenses committed, liabilities incurred, and claims now existing thereunder, the existing law shall remain in full force and effect.

359-A:46 Citation. This act may be cited as the "Weights and Measures Act".

457:3 Repeal. RSA 359 relative to weights and measures is hereby repealed.

457:4 Effective Date. This act shall take effect July 1, 1969.

[Approved July 3, 1969.]

[Effective date July 1, 1969.]

CHAPTER 458.

AN ACT TO REGULATE THE PRACTICE OF LAND SURVEYING
AND TO PROVIDE FOR THE PERMISSIVE REGISTRATION OF PROFESSIONAL FORESTERS.

Be it Enacted by the Senate and House of Representatives in General Court convened:

458:1 New Chapter. Amend RSA by inserting after chapter 319 the following new chapter:

Chapter 319-A
Land Surveying

319-A:1 General Provisions.

I. In order to safeguard property and to promote the public welfare, the practice of land surveying in this state is hereby declared to be subject to regulation in the public interest.

II. It shall be unlawful for any person to practice or offer to practice land surveying in this state, as defined in the provisions of this chapter or to use in connection with his name, or otherwise assume, or advertise any title or description tending to convey the impression that he is a land surveyor, unless such person has been duly registered under the provision of this chapter. Admission to practice land surveying shall be determined upon the basis of individual personal qualification.

319-A:2 Definitions. As used herein the following terms shall be construed as follows:

I. The term "Board" as used in this chapter shall mean the New Hampshire state board of registration for land surveyors provided for herein.

II. A "Land Surveyor" is a professional specialist in the technique of measuring land, educated in the basic principles of mathematics, the related physical and applied sciences, and the relevant requirements of law for adequate evidence and all requisite to the surveying of real property and engaged in the practice of land surveying as herein defined.

III. The term "land surveyor in-training" shall mean a candidate for registration as a land surveyor who, prior to completion of the requisite years of experience in surveying work provided in section 13 hereof, has met the preliminary requirements for registration as a land surveyor, and has been issued a certificate by the board stating that he is a land surveyor in-training.

IV. The term "Land Surveying" within the intent of this chapter, shall mean any service or work, the adequate performance of which involves the application of special knowledge of the principles of mathematics, the related physical and applied sciences, and the relevant requirements of law for adequate evidence to the act of measuring and locating lines, angles, elevations, natural and man-made features in the air, on the surface of the earth, within underground workings, and on the beds of bodies of water for the purpose of determining areas and volumes, for the monumenting of property boundaries, and for the platting and layout of lands and subdivisions thereof, including the topography, alignment and grades of streets,

and for the preparation and perpetuation of maps, record plats, and field note records that represent these surveys.

V. Nothing in this chapter shall be construed to give to a land surveyor the right to perform engineering design or other elements of the practice of professional engineering as defined in RSA 319:2 III.

319-A:3 Board; Appointments; Terms. A state board of registration for land surveyors is hereby created whose duty it shall be to administer the provisions of this chapter. The board shall consist of five land surveyors, of whom two shall also be foresters, who shall be appointed by the governor with the advice and consent of the council. Each member shall hold office for a term of five years from the date of appointment or until a successor shall have been duly appointed and shall have qualified. Initial appointments shall be for terms of one, two, three, four, and five years, respectively.

319-A:4 — Qualifications of Members. Each member of the board shall be a citizen of the United States and a resident of this state, and shall have been engaged in the practice of land surveying for at least twelve years, and shall have been in responsible charge of important surveying work for at least five years. The teaching and or surveying may be construed as responsible charge of important surveying work.

319-A:5 — Compensation and Expenses. Members of the board shall receive twenty-five dollars for each day actually engaged in the duties of the office, and shall be reimbursed for all actual traveling, incidental and clerical expenses necessarily incurred in carrying out the provisions of this chapter.

319-A:6 — Removal of Members; Vacancies. The governor and council may remove any member of the board for misconduct, incompetency, neglect of duty, or for any other sufficient cause. Vacancies in the membership of the board shall be filled for the unexpired term by appointment by the governor and council as provided in section 3.

319-A:7 — Organization and Meetings. The board shall hold at least four regular meetings each year. Special meetings shall be held at such times as the rules of the board may provide. Notice of all meetings shall be given in such a manner as the rules may provide. The board shall elect or appoint the following officers: A chairman, vice-chairman and secretary. Said secretary may or may not be a member of the board. A quorum of the board shall consist of not less than three members.

319-A:8 — Powers and Duties. The board shall have the power to adopt and amend all rules of procedures, not inconsistent with the constitution and laws of this state, which reasonably may be necessary for the proper performance of its duties and the regulations of the proceedings before it. The board shall adopt and have an official seal. The board may subpoena witnesses and compel their attendance, and also may require the production of books, papers and documents in a case involving the revocation of registration. Any member of the board may administer oaths or affirmations to witnesses appearing before the board. Any person failing or refusing to obey the subpoena or order of the board may be proceeded against in the same manner as for refusal to obey any other subpoena.

319-A:9 — Receipts and Disbursements. The secretary of the board shall receive and account for all monies derived under the provisions of this chapter, and shall pay the same to the state treasurer, who shall keep such monies in a separate fund to be known as the "Land Surveyors' Fund". Such fund shall be kept separate and apart from all other monies in the treasury, and shall be paid out only for the purposes hereof. All monies in the fund are hereby specifically appropriated for the use of the board. The secretary of the board shall receive such salary as the board shall determine in addition to the expenses provided herein. The board may employ such clerical or other assistants as are necessary for the proper performance of its work, and may make expenditures for any purpose which reasonably, in the opinion of the board, are necessary for the proper performance of its duties under this chapter. With the exception of the first year of operation, the total amount of payments made hereunder shall not exceed the amount of the fees collected hereunder.

319-A:10 — Records and Reports. The board shall keep a record of its proceedings and a register of all applicants for registration which register shall show: (a) the name, age, and residence of each applicant; (b) the date of the application; (c) the place of business of each applicant; (d) his educational and other qualifications; (e) whether or not an examination was required; (f) whether the applicant was rejected; (g) whether a certificate of registration was granted; (h) the date of the action of the board; and (i) such other information as may be deemed necessary by the board. The records of the board shall be prima facie evidence of the proceedings of the board set forth therein, and a transcript thereof duly certified under seal by the secretary of the board, shall be admissible in evidence with the same force and effect as if the original were produced. Biannually, as of June thirtieth, the board shall submit to the governor, not later than the following July thirty first, a report of its transactions of the preceding biennium, and also to transmit to him a complete statement of the receipts and expenditures of the board. The first such report shall be due in the year 1971.

319-A:11 — Form of Report. Said biennial report shall be in such form as may be prescribed by the secretary of state.

319-A:12 — Roster. A biennial roster as of June thirtieth in the year of the biennial report provided for herein, listing the names, registration number, and addresses of all registered land surveyors, shall be published by the secretary of the board during the next following month of September, commencing in September, 1969. As of June thirtieth of the year following each biennial report, a supplement shall be mailed to each person so registered, placed on file with the secretary of state and furnished to the public on request and payment of a reasonable charge in an amount determined by the board.

319-A:13 General Requirements for Registration as Land Surveyors. The following shall be considered as minimum evidence satisfactory to the board that the applicant is qualified for registration as a land surveyor:

I. A specific record of six years or more of accumulated experience in land surveying work indicating that the applicant is competent to prac-

tice land surveying and the passing by the applicant of a written and/or oral examination prescribed by the board; or

II. A specific record of ten years or more of accumulated experience in land surveying work of a character satisfactory to the board and provided applicant is not less than thirty years of age, and provided that in a case where the evidence presented in the application does not appear to the board conclusive nor warranting the issuance of a certificate of registration, the applicant may also be required to pass an oral or written examination, or both, as the board may determine.

III. A year of accumulated experience for purposes of sections I and II above shall include, but not be limited to, the following:

(a) Any year during which the applicant was enrolled at an institution of higher learning pursuing a curriculum of surveying, engineering, forestry, or forestry technician, so long as the applicant completed at least one course in land surveying during the said enrollment; provided such education credits towards accumulated experience shall not exceed four years of accumulated experience; and/or

(b) Any year during which the applicant was actively engaged in land surveying work as a land surveyor-in-training under the supervision of a registered land surveyor; and/or

(c) Any substantial period of time (even if less than a full calendar year) during which the applicant, in the discretion of the board, was considered to be actively engaged in responsible land surveying work.

IV. An applicant for registration as a land surveyor who is a resident of a state, country, or territory where registration is prerequisite to the legal practice of land surveying, shall be registered in such state, country or territory prior to being eligible for registration as a land surveyor under this chapter.

319-A:14 Registration of Present Practitioners. Any person eligible for registration, who within one year after the effective date of this chapter, files with his application for registration as a land surveyor his affidavit stating that he was actively engaged in the practice of land surveying in this state for three years total prior to the effective date of this chapter, and includes in the affidavit the names and addresses of five references of whom three shall be land surveyors or registered professional engineers having personal knowledge of his land surveying experience, shall be eligible for registration as a land surveyor without written examination, and may be registered by the board providing the references are satisfactory. This section shall expire and be of no effect on and after one year next following the effective date of this chapter.

319-A:15 Character. No person shall be eligible for registration as a land surveyor who is not of good character and reputation.

319-A:16 Qualification as a Surveyor-in-training. As a surveyor-in-training the following shall be considered a minimum evidence that the applicant is qualified as a surveyor-in-training:

I. Experience and Examination. A person who has passed the board's written examination in fundamentals of land surveying shall be certified, or enrolled, as a land surveyor-in-training.

319-A:17 Applications and Registration Fees. Applications for registration shall be on forms prescribed and furnished by the board, shall contain statements made under oath, showing the applicant's education and detailed summary of his technical work, and shall contain not less than five references, of whom three shall be land surveyors or registered professional engineers having personal knowledge of his land surveying experience. The registration fee for land surveyors shall be thirty dollars, fifteen dollars of which shall accompany the application, the remaining fifteen dollars to be paid prior to the issuance of a certificate. Should the board deny the issuance of a certificate of registration to an applicant, the initial fee deposited shall be retained as an application fee. Applications for registration as a land surveyor-in-training shall be made on forms prescribed and furnished by the board and shall be accompanied by an application fee of ten dollars to cover the cost of the examination.

319-A:18 Examinations. When oral or written examinations for land surveyors are required, they shall be held at such time and place as the board shall determine. The scope of the examination and the method of procedure shall be prescribed by the board. A candidate failing an examination may apply for re-examination at the expiration of six months and will be re-examined without payment of additional fee. Subsequent examination will be granted upon payment of a fee to be determined by the board. The board upon application and payment of fee shall provide a written examination for land surveyor-in-training to any applicant within a reasonable period of time. Such examination shall be limited to the fundamentals of land surveying as normally taught in standard courses.

319-A:19 Certificates; Seals. The board shall issue a certificate of registration upon payment of registration fee as provided herein, to any applicant who, in the opinion of the board, has satisfactorily met all the requirements hereof. This certificate shall authorize the practice of land surveying. The issuance of a certificate of registration by this board shall be prima facie evidence that the person named therein is entitled to all the rights and privileges of a registered land surveyor, while the said certificate remains unrevoked or unexpired. Each registrant hereunder shall upon registration obtain a seal of the design authorized by the board, bearing the registrant's name and the legend "Registered Land Surveyor". Plans, plats, and reports prepared by a registrant shall be stamped with said seal during the life of the registrant's certificate, but it shall be unlawful for any one to stamp or seal any document with said seal after the certificate of the registrant named thereon has expired or has been revoked, unless said certificate shall have been renewed or reissued. Upon successful passage of the examination for land surveyor-in-training, the board shall issue a certificate therefor which shall be valid for six years.

319-A:20 Expirations and Renewals. Certificates of registration shall expire on the last day of the month of December following their issuance or renewal and shall become invalid on that date unless renewed. It shall be the duty of the secretary of the board to notify every person registered hereunder, of the date of the expiration of his certificate and the amount of the fee that shall be required for its renewal for one year; such notice shall be mailed at least one month in advance of the date of the expiration

of said certificate. Renewal may be effected at any time during the month of December by the payment of a fee of not less than four dollars nor more than ten dollars as determined by the board. The failure on the part of any registrant to renew his certificate annually in the month of December as required above shall not deprive such person of the right of renewal but the fee to be paid for the renewal of a certificate after the month of December and before the first day of May of the following year shall be one and one half times the normal renewal fee, and on and after the first day of May the fee to be paid shall be twice the normal renewal fee. The right of renewal shall be limited to a period of two years from the date of expiration of the certificate. After this period the certificate of a former registrant shall become null and void, but may be reinstated by the board after reapplication, payment of a fee of thirty dollars and after approval of the board. The board at its discretion may re-examine said former registrant.

319-A:21 Interstate Registration. The board may, upon application therefor, and payment of a fee of thirty dollars, issue a certificate of registration as a registered land surveyor to any person of any state or territory or possession of the United States, or of any country provided that the applicant's qualifications meet the requirements hereof and the rules established by the board.

319-A:22 Revocation of Certificates. II. "Practice of forestry" shall mean the scientific management of forests to produce a continuous supply of goods and services. 319-B:8 Meetings of the Board. The members of the initial board shall be appointed within ninety days after the effective date of this chapter. The board shall adopt and have an official seal. The chairman, under his hand and seal of the board, may subpoena witnesses and compel their attendance, and may require the production of books, papers and documents in cases in-

volving the revocation of a license or practicing or offering to practice under the title of registered forester without a license. Any member of the board may administer oaths or affirmations to witnesses appearing before the board. If any person shall refuse to testify or to produce such books, papers and documents as may be deemed necessary and pertinent, the board may cause a petition to be filed with respect to such person under the provisions of RSA 491:19-20.

319-B:10 Receipts and Expenses. All monies received by the board shall be paid to the state treasurer who shall deposit the same into the general fund of the state. Such register shall show the name, age, residence and business address of each applicant, the date of application, his education and other qualifications, whether or not an examination was required, whether the application was rejected, whether a license was granted, the date of the action of the board, and such other information as the board shall deem necessary. Annually on or before the thirtieth day of September, the board shall submit to the governor a report of its transactions during the preceding fiscal year.

319-B:12 General Requirements for Registration. The minimum qualifications and requirements for registration as a registered forester shall be as follows:

I. Graduation from a curriculum in forestry of four years or more in a school or college accredited by the Society of American Foresters, and a specific work record of an additional two years experience in forestry work of a character satisfactory to the board indicating that the applicant is competent to practice forestry, or:

II. Successfully passing a written and/or oral examination designed to show the knowledge and skill approximating that obtained through graduation from an accredited four-year curriculum in forestry, and a specific record of eight years or more in forestry of such character that is satisfactory to the board indicating that the applicant is competent to practice forestry. Applicants who have not completed four years of formal education at an institution accredited by the Society of American Foresters may receive credit for one year's work experience for each year of successful academic work.

III. Any person who shall have been engaged in the practice of professional forestry as defined in paragraph II of section 3 for at least eight years in a period of twelve years immediately preceding the effective date of this section shall be eligible for registration as a registered forester without reference to the provisions set forth in paragraphs I and II of this section, provided such person shall file an application with the board within twelve months of the effective date of this section.

The registration fee for a license as a registered forester shall be fixed by the board, but shall not exceed twenty-five dollars, one-half of which fee shall accompany the application, the balance to be paid before the issuance of the license. Should the applicant fail to remit the remaining balance within thirty days after being notified by registered mail that his application has been accepted, he shall forfeit the right to have a license so issued and said applicant may be required to again submit an original application and pay an original fee thereupon. Should the board deny the issuance of a license to any applicant, the fee deposited shall be retained by the board as an application fee.

319-B:14 Examination, Re-examination, Fee. When written and/or oral examinations are required, they shall be held at such time and place as the board may determine. The methods and procedure shall be prescribed by the board. A candidate failing an examination may apply for re-examination at the expiration of six months and shall be entitled to one re-examination without payment of additional fee. Subsequent re-examinations may be granted upon payment of a fee to be fixed by the board, but not in excess of twenty-five dollars.

319-B:15 Issuance of License; Endorsement of Documents. The board shall issue a license upon payment of the registration fee as provided herein to any applicant who, in the opinion of the board, has satisfactorily met all the requirements of this chapter. Licenses shall show the full name of the registrant, shall have a serial number, and shall be signed by the chairman and secretary under the seal of the board. The issuance of a license by the board shall be evidence that the person named therein is entitled to all the rights and privileges of a registered forester while said license remains unrevoked or unexpired. Plans, maps and reports issued by the registrant shall be endorsed with his name and license number during the life of the registrant's license, but it shall be a misdemeanor for anyone to endorse any document with said name and license number after the license of the registrant named thereon has expired or has been revoked, unless said license has been renewed or reissued. It shall be a misdemeanor for any registered forester to endorse any plan, map or report unless he shall have actually prepared such plan, map or report, or shall have been in the actual charge of the preparation thereof.

319-B:16 Expiration and Renewal of License. Licenses shall expire on the thirtieth day of June next following their issuance or renewal and shall become invalid on that date unless renewed. It shall be the duty of the secretary of the board to notify, at his last registered address, every person registered under this chapter of the date of the expiration of his license and the amount of the fee that shall be required for its renewal for one year, such notice to be mailed at least one month in advance of the date of the expiration of said license. The board shall, each year, fix the

annual renewal fee for licenses, which fee shall not exceed the sum of twenty dollars. Renewal of licenses for the following year may be effected at any time during the month of June of the year in which such license has been issued or renewed by payment of the renewal fee fixed by the board. Such license may also be renewed within the ensuing six months by payment of an additional fee of one dollar per month, or fraction thereof, that the fixed renewal is delayed beyond the month of June. The board shall make an exception to the foregoing renewal provision in the case of a person who is in the armed services of the United States.

319-B:17 Firms, Partnerships and Corporations. Registration shall be determined upon a basis of individual, personal qualifications. No firms, companies, partnerships or corporations shall be registered under this chapter.

319-B:18 Reciprocity. A person not a resident of, and having no established place of business in New Hampshire, or who has recently become a resident thereof, may not use the title registered forester unless (1) such person is legally registered as a registered forester in his own state or country and has submitted evidence to the board that he is so registered, and (2) the state or country in which he is registered observes these same rules of reciprocity in regard to persons registered under the provisions of this chapter.

319-B:19 Revocation and Reissuance of Licenses. The board shall have the power and responsibility to revoke the license of any registrant who is found guilty by the board of gross negligence, incompetence or misconduct in the practice of forestry. The board is empowered to designate a person or persons to investigate and report to it upon any charge of fraud, deceit, gross negligence, incompetence or other misconduct in connection with any forestry practice against any registrant, as may come to its attention. Such person or persons so designated shall receive the same compensation and shall be reimbursed for expenses in the same as prescribed for the board in section 6. Any person may prefer charges of fraud, deceit, gross negligence, incompetence or other misconduct in connection with any forestry practice against any registrant. Such charges shall be in writing, shall be sworn to by the person making them, and shall be filed with the secretary of the board. All charges, unless dismissed by the board as unfounded or trivial, shall be heard by the board within three months after the date on which they shall have been preferred. The time and place for said hearing shall be fixed by the board, and a copy of the charges, together with a notice of the time and place of the hearing shall be personally served upon such registrant at least thirty days before the date fixed for the hearing. At any hearing the accused registrant shall have the right to appear personally and by counsel, to cross-examine witnesses appearing against him, and to produce evidence and witnesses in his own defense. If after such hearing three or more members of the board vote to find the accused guilty, the board shall revoke the license of such registered forester. Any person whose license has been revoked as herein provided, may apply for a review of the action of the board under and in accordance with the provisions of RSA 541. The board, for reasons it may deem sufficient, may reissue a license to any person whose license has been revoked when three

or more members of the board vote in favor of such reissuance. A new license to replace any license revoked, lost, destroyed or mutilated, may be issued, subject to the rules of the board, and a charge of three dollars shall be made for such reissuance.

319-B:20 Violations and Penalties. Any person who shall use in connection with his name or otherwise assume, use or advertise any title or description tending directly or indirectly to convey the impression that he is a registered forester in this state, without being registered or exempt in accordance with the provisions of this chapter, or any person who shall present or attempt to use as his own the license of another, or any person who shall give any false or forged evidence of any kind to the board or to any member thereof in obtaining a license, or any person who shall attempt to use an expired or revoked license, or any person, firm, partnership or corporation who shall violate any of the provisions of this chapter, shall be guilty of a misdemeanor, and upon conviction thereof shall be fined not less than one hundred dollars nor more than two hundred dollars for each offense. The board, or such person or persons as may be designated by the board to act in its stead, is empowered to prefer charges for any violations of this chapter in any court of competent jurisdiction in any county in the state in which such violation shall have occurred. It shall be the duty of all duly constituted officers of the law of the state or of any political subdivision thereof, to enforce the provisions of this chapter, and to prosecute any persons, firms, partnerships or corporations violating the same. The attorney general shall act as legal advisor to the board, and shall render such legal assistance as may be necessary in carrying out the provisions of this chapter.

458:4 Appropriation. There is hereby appropriated the sum of five hundred dollars for the board of registration of professional foresters for the fiscal year ending June 30, 1970 and a like sum is hereby appropriated for the same purposes for the fiscal year ending June 30, 1971. If the board issues a provisional license to any individual under the provisions of subdivision two of this section, there shall be provided in the state during all of the period for which such provisional license remains in effect a program of training and instruction designed to enable all provisional nursing home administrators to attain the qualifications necessary for licensure as a nursing home administrator.

V. If the board finds that programs of training and instruction conducted within the state are not sufficient in number or content to enable nursing home administrators to meet requirements established pursuant to this chapter, the board may request the division of public health services to institute and conduct or arrange with others to conduct one or more such programs, and shall make provision for their accessibility to residents of this state. The division of public health services may approve programs conducted within and without this state as sufficient to meet education and training requirements established pursuant to this chapter. Provided, however, that a licensed auctioneer may employ unlicensed qualified or apprentice auctioneers to assist him.

311-B:5 Qualifications. Subject to other requirements hereof, auctioneers' licenses shall be granted to applicants who are residents of this state, are trustworthy and competent to auction real, personal or mixed property of others in such a manner as to safeguard the interests of the public after proof thereof has been presented to the board of auctioneers, in any form they deem advisable.

The board, in its discretion, may grant the accused a temporary permit to auction pending such hearing and determination. CHAPTER 481.

AN ACT AMENDING THE HAWKERS AND PEDDLERS STATUTE TO INCLUDE HOME REPAIR SALESMEN.

Be it Enacted by the Senate and House of Representatives in General Court convened:

481:1 Definition of Hawkers and Peddlers Enlarged. Amend RSA 320:1 by striking out said section and inserting in place thereof the following: **320:1 Definition.** Except as hereinafter expressly provided, the terms "hawker" and "peddler" as used in this chapter shall mean and include any person, either principal or agent, who goes from town to town or from place to place in the same town selling or bartering, or carrying for sale or

barter or exposing therefor, any goods, wares or merchandise, or offers to perform personal services for household repairs or improvements. Without limiting the generality of the foregoing, the terms "hawker" and "peddler" shall mean and include any person, either principal or agent, who goes from town to town or from place to place in the same town soliciting and inducing any person to sign any contract relating to household repairs and improvements including contracts for the replacement or installation of siding on any residence or building.

481:2 Prohibition; Penalty Enlarged. Amend RSA 320:2 by striking out said section and inserting in place thereof the following: **320:2 Prohibition; Contracts Void; Penalty.** No hawker or peddler shall sell or barter or carry for sale or barter, or expose therefor, any goods, wares or merchandise, unless he holds a license so to do as herein provided. Any person violating this section shall be fined not more than two hundred dollars and the clerk of the district or municipal court shall deduct from said fine so collected by the court the amounts provided in RSA 502:14 or 502-A:8, and shall pay the balance to the town in which the offense was committed. Any contract relating to household repairs and improvements or for siding for any building or residence solicited by any person who has not obtained the license as herein provided for, shall be void and unenforceable, and any sale or barter of any goods, wares or merchandise by any such person shall be voidable. Provided further than any time before five o'clock in the afternoon, at the expiration of four business days, following the signing of any solicited home repair or home improvement installment contract of one hundred fifty dollars or more by the parties solicited or the owner, the parties solicited or the owner may serve a notice of cancellation upon the licensee or principal vendor.

481:3 License Fee; Surety Bond or Cash Deposit. Amend RSA 320:8 as amended by 1955, 185:3, by inserting at the end thereof the following (In addition to the payment of a license fee the applicant shall file a surety bond or deposit in cash a sum of not less than one thousand dollars with the secretary of state which shall be available for payment of any judgment recovered by the vendee or any compromise settlement effective between the vendor and vendee provided such judgment or settlement is on a contract involving an amount in excess of fifty dollars and the proper certificate issued to the secretary of state would constitute an order for payment of such sum. In the event that a corporation should apply for a license under the provisions of this act, the sum of one thousand dollars deposited with the secretary of state in cash or surety bond will be sufficient to cover its employees or agents who, however, will have to be individually licensed) so that said section as amended shall read as follows: **320:8 State Licenses.** Upon compliance with the conditions hereinafter set forth, and upon payment of a fee of ten dollars for the use of the state as a state license fee, the secretary of state may grant special state licenses. Applications for such licenses shall be made upon blanks prepared by the secretary of state requiring such information regarding the applicant's character and qualifications as said secretary shall deem pertinent. No such license shall be issued unless the application is accompanied by a certificate signed by the chief of police of some city in this state stating that the applicant for a

license is, to the best of his knowledge and belief, a person of good moral character, and is, or has declared his intention to become, a citizen of the United States. Any person so licensed may do business as a hawker or peddler in any city or town in this state, without further payments. In addition to the payment of a license fee the applicant shall file a surety bond or deposit in cash a sum of not less than one thousand dollars with the secretary of state which shall be available for payment of any judgment recovered by the vendee or any compromise settlement effective between the vendor and vendee provided such judgment or settlement is on a contract involving an amount in excess of fifty dollars and the proper certificate issued to the secretary of state would constitute an order for payment of such sum. In the event that a corporation should apply for a license under the provisions of this act, the sum of one thousand dollars deposited with the secretary of state in cash or surety bond will be sufficient to cover its employees or agents who, however, will have to be individually licensed.

481:4 Term; Transfer. Amend RSA 320:9 by striking out said section and inserting in place thereof the following: **320:9 Term; Transfer.** All licenses issued under the provisions of this chapter shall bear the date on which they are issued and shall continue in force for one year. Said licenses may not be transferred.

481:5 Public Inspection. Amend RSA 320:10 by striking out said section and inserting in place thereof the following: **320:10 Record.** The secretary of state shall keep records of all licenses issued by him with the number of each, the names and residences of the persons licensed and the sums received therefor, and all such records shall be open for public inspection.

481:6 Failure to Exhibit License. Amend RSA 320:12 by striking out said section and inserting in place thereof the following: **320:12 Endorsing; License; Exhibiting License.** Every person licensed as a hawker or peddler shall endorse his usual signature upon his license. When his license is demanded of him by a mayor, selectman, alderman, city or town clerk, sheriff or his deputy, any constable or police officer or the person to whom he sells or offers or exposes for sale his wares, he shall forthwith exhibit the same, and if he neglects or refuses to do so he shall be liable to the same penalty as if he had no license.

481:7 Approval of License Required. Amend RSA 320:13-a, as inserted by 1965, 166:1, by striking out the same and inserting in place thereof the following: **320:13-a Veterans' Conventions.** Licenses granted pursuant to the provisions of this chapter shall entitle a peddler or hawker to operate at meetings or conventions of recognized veterans' organizations, but only at such meetings or conventions with the specific approval of the organization concerned.

481:8 Revocation of Licenses. Amend RSA 320:14, as amended by 1955, 185:4, by striking out said section and inserting in place thereof the following: **320:14 Revocation of Licenses.** Any license granted by the secretary of state may be revoked by him after hearing (1) upon conviction of the licensee of any offense which in the judgment of the secretary of state warrants such revocation or (2) upon the submission to the secretary of state of evidence satisfactory to him that, during the term of the license,

and acting under cover thereof, the licensee has accepted or solicited money, otherwise than through a bona fide sale or barter of goods, wares or merchandise or has in any manner solicited alms from the public, or (3) upon a finding by him that the applicant has wilfully falsified his application for license or (4) upon consideration of evidence that the holder of said license is insane, a sexual psychopath, is or has been guilty of assault upon others or whose conduct has been otherwise disorderly and is of such violent or offensive demeanor that to permit him to retain such license would constitute a threat to the peace or safety of the public or (5) that the holder of said license is at large pending appeal from a conviction for a violation of the law involving extreme moral turpitude. Whenever any person is convicted of a violation of any provision of this chapter relative to hawkers and peddlers, the clerk of the court or the trial justice by whom such person was convicted, shall notify the secretary of state. Any person whose license has been revoked under this section shall be ineligible to be licensed as a hawker or peddler in this state for a period of not less than one year or more than five years from the date of said revocation. Any person whose license has been revoked, as a condition precedent to issuance of any new license, shall be required to furnish to the revoking authority satisfactory evidence of renewed reputation and character or mental health in addition to the certificate required to qualify for such license under section 8.

481:9 Instruments Prohibited. Amend RSA 320 by inserting after section 21 the following new sections:

320:21-a Certain Negotiable Instruments Prohibited. In a consumer credit sale or consumer lease, by a hawker or peddler, other than a sale or lease primarily for an agricultural purpose, the hawker or peddler may not take a negotiable instrument other than a check as evidence of the obligation of the buyer or lessee. A holder is not in good faith if he takes a negotiable instrument with notice that it is issued in violation of this section.

320:21-b When Assignee not Subject to Defenses. With respect to a consumer credit sale or consumer lease, by a hawker or peddler, other than a sale or lease primarily for an agricultural purpose, an assignee of the rights of the hawker or peddler is subject to all claims and defenses of the buyer or lessee against the hawker or peddler arising out of the sale or lease notwithstanding an agreement to the contrary, but the assignee's liability under this section may not exceed the amount owing to the assignee at the time the claim or defense is asserted against the assignee. Rights of the buyer or lessee under this section can only be asserted as a matter of defense to or set-off against a claim by the assignee.

481:10 Repeal. RSA 320:4, as amended by 1955, 185:1 relating to local licenses; RSA 320:5, relating to certificates; RSA 320:6, relating to local licenses; RSA 320:7 as amended by 1955, 185:2 relating to fees and RSA 320:13 relating to licenses, effective where, are hereby repealed.

481:11 Effective Date. This act shall take effect sixty days after its passage.

[Approved July 3, 1969.]

[Effective date September 1, 1969.]

CHAPTER 482.

AN ACT PROVIDING, THAT UNDER THE ACCESS TO PUBLIC RECORDS STATUTE,
CERTAIN EXECUTIVE SESSIONS MUST BE OPEN TO THE PUBLIC.

Be it Enacted by the Senate and House of Representatives in General Court convened:

482:1 Meetings Open. Amend RSA 91-A:2 (supp) as inserted by 1967, 251:1 by striking out said section and inserting in place thereof the following: **91-A:2 Meetings Open to the Public.** All public proceedings shall be open to the public, and all persons shall be permitted to attend any meetings of those bodies or agencies. Minutes of all such meetings, including names of members, persons appearing before the bodies or agencies, and a brief description of the subject matter discussed and final decisions shall be promptly recorded and open to public inspection within seventy-two hours of the public meeting, except as provided by section 5 of this chapter, and shall be treated as permanent records of any body or agency, without exception. Except in an emergency, a notice of the time and place of each such meeting shall be posted in two appropriate public places or shall be printed in a newspaper of general circulation in the city or town at least twenty-four hours, excluding Sunday and legal holidays, prior to such meetings. An emergency shall mean a situation where immediate undelayed action is deemed to be imperative and the minutes of the meeting shall clearly spell out the need for the emergency meeting. If the charter of any city or guide lines set down by the appointing authority requires a broader public access to official meetings and records than herein described, such charter provisions or guide lines shall take precedence over the requirements of this chapter.

482:2 Executive Sessions. Amend RSA 91-A:3, I (supp) as inserted by 1967, by striking out said paragraph and inserting in place thereof the following: I. Nothing contained in this chapter shall be construed to prevent these bodies or agencies from holding executive sessions for conducting deliberations, but, subject to the provisions of paragraph II, all sessions at which information, evidence or testimony in any form is received shall be open to the public. Decisions made during any executive session as provided in paragraph II must be made available to the public at the termination of the session unless divulgence of the information would be likely to affect adversely the reputation of any person or impair the effectiveness of the action. No ordinances, orders, rules, resolutions, regulations, contracts, appointments or other official actions shall be finally approved in executive session except as provided in paragraph II. The record of all actions shall be available for public inspection promptly, except as provided for in paragraph II.

482:3 Effective Date. This act shall take effect sixty days after its passage.

[Approved July 3, 1969.]

[Effective date September 1, 1969.]

Amend RSA 176:11 (supp) as amended by 1963, 50:1, 1965, 50:1 and 1967, 315:2 by striking out said section and inserting in place thereof the following: **176:11 Rules and Regulations; Restrictions on Sales.** Said commission shall have the power to make all necessary and proper rules and regulations for carrying out the provisions hereof, and such rules and regulations shall have the effect of law. No sale of beverages shall be made on Sunday by reason of permits issued to manufacture beverages or to sell beverages to other permittees under the provisions of RSA 181:8 or RSA 181:9. Liquor or beverages shall not be sold in any establishment where booths that are not open at the end are used for serving patrons. Costumers may be erected and attached to the ends of booths. Such costumers shall be of such design and constructed in such manner as approved by the Commission.

483:2 Effective Date. This act shall take effect upon its passage.

CHAPTER 484.

AN ACT TO AUTHORIZE TOWNS AND CITIES TO INCREASE
MOTOR VEHICLE PERMIT FEES.

*Be it Enacted by the Senate and House of Representatives in General Court
convened:*

484:1 Additional Fees. Amend RSA 260 by inserting after section 27-a the following new sections:

260:27-b Additional Fees. The governing bodies of towns and cities of a population greater than sixty thousand as determined by the last federal census, may subject to the provisions of section 27-c direct the city treasurer or the town clerk to collect in addition to the fees imposed in section 27 of this chapter, fees for such permits as follows: a sum not to exceed five mills on each dollar of the maker's list price for a motor vehicle manufactured in the current calendar year, a sum not to exceed four mills on each dollar of the maker's list price for a motor vehicle manufactured in the first preceding calendar year, a sum not to exceed three mills on each dollar of the maker's list price for a motor vehicle manufactured in the second preceding calendar year, a sum not to exceed two mills on each dollar of the maker's list price for a motor vehicle manufactured in the third preceding calendar year, and a sum not to exceed one mill on each dollar of the maker's list price for a motor vehicle manufactured in the fourth preceding calendar year and any calendar year prior thereto. In no event, however, shall the fee be less than one dollar. The director of

motor vehicles shall make the final determination of year of manufacture of a motor vehicle in any case in which a dispute arises. All fees collected under this section shall be used for the construction, operation and maintenance of public parking facilities as provided in RSA 252-A.

260:27-c — Optional Referendum; Two-thirds Vote of Governing Body.

I. Optional Referendum. If the governing body of a town or city wishes to place the question of whether or not to collect the fees imposed by section 27-b on a referendum to be voted upon at any regular municipal election or at a special election called for the purpose, they may do so. Should a referendum be held, the following question shall be submitted "Shall the governing body of this municipality be instructed to adopt provisions calling for additional motor vehicle permit fees to be used for the construction of public parking facilities?" The governing body shall be bound by the outcome of the referendum.

II. Two-thirds Vote of Governing Body. If the governing body of a town or city decides not to hold the referendum pursuant to paragraph I, a two-thirds vote of the entire membership of the governing body shall be necessary in order to collect the fees imposed by section 27-b.

484:2 Foreign Cars. Amend RSA 260:27-a by inserting in line two after the figure "27" the following (and 27-b) so that said section as amended shall read as follows: **260:27-a Foreign Cars.** The phrase "maker's list price" as used in section 27 and 27-b, in the case of motor vehicles of foreign manufacture, shall mean the advertised port of entry retail list price, less the manufacturer's motor vehicle excise tax imposed by the United States if said motor vehicle excise tax is included in the advertised port of entry retail list price, at New York, New York, regardless of the actual port through which said motor vehicle entered the United States.

484:3 Effective Date. This act shall take effect sixty days after its passage.

[Approved July 3, 1969.]

[Effective date September 1, 1969.]

CHAPTER 485.

III. An insurer's extension of coverage, as provided in paragraph II, shall be applicable only to accidents occurring during a policy period in which its insured's uninsured motor vehicle coverage is in effect and where the liability insurer of the tort-feasor has been declared to be in-

solvent by a court of competent jurisdiction as of the accident date, or has been declared to be insolvent by a court of competent jurisdiction within three years after the accident date. Nothing herein contained shall be construed to prevent any insurer from extending coverage under terms and conditions more favorable to its insureds than is provided hereunder.

485:2 Uninsured Motor Vehicle. Amend RSA 268:15-a (supp) as inserted by 1967, 284:2 by inserting after paragraph IV thereof the following new paragraph:

V. For the purpose of the coverage required by this section the term "uninsured vehicle" shall also include an insured motor vehicle if and to the extent that, at the time of the subject accident, the limits of liability insurance carried as to such motor vehicle are lower than the minimum limits applicable to motor vehicle liability insurance policies issued pursuant to the laws of New Hampshire.

485:3 Effective Date. This act shall take effect sixty days after its passage.

[Approved July 3, 1969.]

[Effective date September 1, 1969.]

CHAPTER 487.

AN ACT REGULATING THE WRITING, CANCELLATION, OR REFUSAL TO
RENEW POLICIES OF AUTOMOBILE INSURANCE; AND IMPOSING POWERS
AND DUTIES ON THE INSURANCE COMMISSIONER;

Be it Enacted by the Senate and House of Representatives in General Court convened:

487:1 New Chapter. Amend RSA by inserting after chapter 417 the following new chapter:

Chapter 417-A

Refusal to Issue, Cancellation and Refusal to Renew

417-A:1 Definitions. As used in this chapter the following definitions shall apply:

I. "Policy of automobile insurance" means a policy delivered or issued for delivery in this state insuring a natural person as named insured or one or more related individuals resident of the same household, and under which the insured vehicles therein designated are of the following types only: (i) a motor vehicle of the private passenger or station wagon type that is not used as a public or livery conveyance for passengers and is not rented to others; or (ii) any other four-wheel motor vehicle with a gross weight not exceeding nine thousand pounds which is not principally used in the occupation, profession or business of the insured other than farming: Provided, however, that this chapter shall not apply to any policy issued under an automobile assigned risk plan, nor to any policy insuring more than four automobiles, nor to any policy covering garage, automobile sales agency repair shop, service station or public parking place operation hazards.

II. "Renewal" or "to renew" means the issuance and delivery by an insurer of a policy superseding at the end of the policy period a policy previously issued and delivered by the same insurer, such renewal policy to provide types and limits of coverage at least equal to those contained in the policy being superseded, or the issuance and delivery of a certificate or notice extending the term of a policy beyond its policy period or term with types and limits of coverage at least equal to those contained in the policy being extended: Provided, however, that any policy with a policy period or term of less than twelve months or any period with no fixed expiration date shall for the purpose of this chapter be considered as if written for successive policy periods or terms of twelve months.

III. "Insurer" means any insurance company, association or exchange authorized to issue policies of automobile insurance in the state of New Hampshire.

IV. "Nonpayment of premium" means failure of the named insured to discharge when due any of his obligations in connection with the payment of premiums on a policy, or any installment of such premium, whether the premium is payable directly to the insurer or its agent or indirectly under any premium finance plan or extension of credit.

417-A:2 Application of Chapter.

I. Automobile Policies. This chapter shall apply to that portion of policies of automobile insurance providing bodily injury and property damage liability, comprehensive, and collision coverages and to the provisions therein, if any, relating to medical payments and uninsured motorists coverage, which take effect subsequent to the effective date of this chapter.

417-A:3 Cancellation, Refusal, Refusal to Renew, Insufficient Grounds. No insurer shall cancel or refuse to renew a policy of automobile insurance on any person with at least two year's driving experience solely because of the age, residence, race, color, creed, national origin, ancestry or lawful occupation (including the military service) of anyone who is or seeks to become insured or solely because another insurer has refused to write a policy, or has cancelled or has refused to renew an existing policy in which that person was the named insured.

417-A:4 Cancellation, Grounds. No insurer, after a policy has been in effect for sixty days, or if a policy is a renewal, effective immediately, shall cancel a policy except for one or more of the following reasons:

I. An automobile policy:

(a) nonpayment of premium;

(b) the driver's license or motor vehicle registration of either the named insured or of any other operator who resides in the same household as the named insured and customarily operates a motor vehicle insured under the policy has been under suspension or revocation during the policy period;

(c) specific request of the insured.

417-A:5 Cancellation, Refusal to Renew, Notice. No cancellation or refusal to renew by an insurer of a policy of automobile insurance shall be effective unless the insurer shall deliver or mail, to the named insured at the address shown in the policy a written notice of the cancellation or refusal to renew. Such notice shall:

I. Be approved as to form by the insurance commissioner prior to use;

II. State the date, not less than forty-five days after the date of such mailing or delivering on which such cancellation or refusal to renew shall become effective, except that such effective date may be ten days from the date of mailing or delivery when the policy is being cancelled or not renewed for nonpayment of premium;

III. State the specific reason or reasons of the insurer for cancellation or refusal to renew or be accompanied by a statement that upon written request of the named insured, mailed or delivered to the insurer not less than ten days prior to the effective date of cancellation or refusal to renew, the insurer will specify the reason or reasons for such cancellation, or refusal to renew. The insurer shall supply such information within five days of receipt by it of such request.

IV. Advise the insured of his right to request in writing, within ten days of the receipt of the notice of cancellation or intention not to renew, or of the receipt of the reason or reasons for the cancellation or refusal to renew if they were not stated in the notice of cancellation or of intention not to renew, that the insurance commissioner review the action of the insurer;

V. In case of an automobile policy either in the notice or in an accompanying statement advise the insured of his possible eligibility for insurance through the automobile assigned risk plan.

417-A:6 Liability for Giving Information. CHAPTER 488.

**AN ACT RELATIVE TO REGISTRATION AND OPERATION OF
SNOW TRAVELING VEHICLES.**

Be it Enacted by the Senate and House of Representatives in General Court convened:

488:1 New Chapter. Amend RSA by inserting after chapter 269-A (supp) as inserted by 1967, 357:1, the following new chapter:

Chapter 269-B
Snow Traveling Vehicles
Registration and Operation

269-B:1 Definitions.

I. "Commissioner" shall mean the commissioner of safety.

II. "Snow traveling vehicle" shall mean any vehicle propelled by mechanical power that is designed to travel over ice or snow supported in part by skis, belts or cleats, or low pressure tires.

III. Operate. The verb "to operate" in all its moods and tenses when it refers to a snow traveling vehicle means to use that vehicle in any manner for transportation.

269-B:2 Registration.

I. Except as otherwise provided, no snow traveling vehicle shall be operated in the state unless registered as provided in this chapter. No registration shall be required for a snow traveling vehicle operated solely on land owned or leased by the owner of the snow traveling vehicle. The commissioner or his duly authorized representative is authorized to register a snow traveling vehicle, issue a registration certificate, and assign a registration number plate or set of plates to such vehicle. All such registrations shall expire June thirtieth in each year. The commissioner shall collect a fee for each registration as provided in section 8.

II. A snow traveling vehicle, owned by a person resident in another state, shall be deemed to be properly registered for the purposes of this chapter if it is registered in accordance with the laws of the state in which its owner resides, but only to the extent that a reciprocal exemption or privilege is granted under the laws of that state for snow traveling vehicles registered in this state. For the purpose of this section, the commissioner shall determine the extent of the privilege of operation granted by other states and his determination shall be final.

269-B:3 Racing. No snow traveling vehicle brought into this state for the purpose of taking part in a race or other contest, which has not been in the state in excess of ten days, shall be required to be registered as provided herein if the commissioner shall have issued a special permit authorizing it to be used for racing or contest purposes.

269-B:4 Issuing Agents; Fees. If any registration is issued for the commissioner by one of his duly authorized agents not on the payroll of the commissioner, such agent shall collect from the registrant a fee of fifty cents in addition to the fee prescribed by section 8 of this chapter. Each application for registration of a snow traveling vehicle shall have printed thereon the words and figures, "agent's fee \$.50". Such agent shall retain said additional fee as compensation for his services in connection with the issuance of such registration.

269-B:5 Display and Inspection. The registration certificate shall be subject to inspection on demand by any officer authorized to enforce this registration number assigned to any such vehicle shall be displayed on the vehicle at all times in such form and manner as prescribed by the commissioner.

269-B:6 Dealers. Any person who is in the business of selling snow traveling vehicles shall register as a dealer with the commissioner. The commissioner shall assign a distinguishing number to the registrant and issue appropriate registration plates to him.

269-B:7 Rental Plates Any person may make application to the commissioner to engage in the business of renting snow traveling vehicles. The commissioner shall assign a distinguishing number to the applicant and issue to him appropriate registration plates which shall be transferable between snow traveling vehicles owned by the registrant and used by him for rental.

269-B:8 Registration Fees. The fees to be collected by the commissioner under this chapter are as follows:

I. Individual resident registration — nine dollars for each registration.

II. Individual nonresident registration — nine dollars for each registration.

III. Dealer registration — ten dollars for each plate or set of plates; rental plates — ten dollars for each plate or set of plates.

IV. Registration after transfer as provided in section 10 of this chapter — two dollars.

From each registration fee collected pursuant to paragraph I, four dollars shall be transferred to the state fish and game department, and five dollars shall be transferred to the general fund. All other registration fees collected under this section shall be transferred to the general fund.

269-B:9 Vehicle Exempt From Fee. Snow traveling vehicles owned and operated in this state by the federal government, the state or any political subdivision of the state shall be exempt from registration fees, but such vehicles shall be registered with a permanent plate or set of plates and certificate in such a manner as the commissioner may require.

269-B:10 Transfer. A person who transfers the ownership of a snow traveling vehicle may register in his name another snow traveling vehicle for the remainder of the registration year at a reduced fee as provided in section 8 (IV) of this chapter.

269-B:11 Operation, License.

I. No person under twelve years of age shall operate a snow traveling vehicle unless he is on land owned or leased by him or his parents or guardians, or unless he has the permission of the landowner on whose premises he is operating, or unless he is accompanied by an adult who shall be liable according to law for personal injury or property damage to others which may result from such operation.

II. A person will not need a license to operate a snow traveling vehicle unless he operates upon or across a public highway or any portion thereof, in which case said person must be at least sixteen years of age and be licensed to operate a vehicle in accordance with the provisions of RSA 261, or if he is a nonresident of this state he must be at least sixteen years

of age and be duly licensed to operate a motor vehicle in the state of his residence.

III. (a) It is unlawful to operate any snow traveling vehicle except at a reasonable and prudent speed for the existing conditions.

(b) It is unlawful to operate any snow traveling vehicle so as to endanger any person or damage any property.

(c) It is unlawful to operate any snow traveling vehicle while under the influence of intoxicating liquor or a narcotic or hallucinogenic drug.

(d) It is unlawful to operate any snow traveling vehicle during the period one-half hour after sunset to one-half hour before sunrise without displaying at least one lighted headlight and one lighted taillight.

(e) No person shall carry a firearm on a snow traveling vehicle unless said firearm is unloaded and in a case or holster. This section shall not apply to a law enforcement officer carrying firearms in the course of duty.

IV. Registration of a snow traveling vehicle does not constitute a license to operate said vehicle on private land. Any person operating a snow traveling vehicle upon the land of another shall stop and identify himself upon the request of the landowner or his duly authorized representative, and, if requested to do so by said landowner or his duly authorized representative, shall promptly remove said snow traveling vehicle from the premises.

269-B:12 Equipment. A snow traveling vehicle shall be equipped with at least one but not more than two headlights, one or more rear tail-lights, all in working order, brakes in good mechanical condition, and an efficient muffler.

269-B:13 Authority Under Registration.

I. No person shall operate a snow traveling vehicle upon or across any portion of the interstate highway system, toll roads, or limited access highways of this state, including the limits of the right-of-way thereto.

II. No person shall operate a snow traveling vehicle upon the main traveled portion, or the plowed snow banks, of any other public highway or upon the sidewalks adjacent to such highways, except for loading and unloading from another vehicle, with the following exceptions:

(a) **Crossing Highways.** Properly registered snow traveling vehicles may cross such public highways as directly as possible, preferably at right angles, provided that such crossing can be made in safety and does not interfere with the free movement of vehicular traffic approaching from either direction on such public highways. It shall be the responsibility of the operator of a snow traveling vehicle to yield the right of way to all vehicular traffic upon any public way before crossing same.

(b) **Adjacent to a Public Highway.** Whenever it is impracticable to gain immediate access to an area adjacent to a public highway where a snow traveling vehicle is to be operated, said snow traveling vehicle may be operated adjacent and parallel to such public highway for the purpose of gaining access to the area of operation. This paragraph shall apply to the

operation of a snow traveling vehicle from the point where the same is unloaded from motorized conveyance to the area where the snow traveling vehicle is to be operated, or from the area where operated to a motorized conveyance when such loading and unloading cannot be effected in the immediate vicinity of the area of operation without causing a hazard to vehicular traffic approaching from either direction on said highway. Such loading or unloading must be accomplished with due regard to safety, at the nearest possible point to the area of operation.

(c) During the period beginning one-half hour before sunrise and ending one-half hour after sunset a person may operate a snow traveling vehicle on the right-of-way portion of such public highways, exclusive of the main traveled portion and the plowed snow banks.

III. Notwithstanding anything herein contained, a person may operate a snow traveling vehicle on a public highway that is not maintained for winter use by conventional motor vehicles.

IV. When travel by conventional motor vehicles is not possible during a period of emergency declared by the appropriate authority having jurisdiction, a snow traveling vehicle may be operated on any portion of an interstate highway, toll road, limited access highway, or public highway whatsoever, provided that the operator of said vehicle has received the specific authority of an enforcement officer to so operate.

V. No person shall operate a snow traveling vehicle within the limits of any railroad right of way or upon any airport runway or landing field, except in an emergency period as set forth in subparagraph IV hereof.

269-B:14 State Parks. All state parks, so far as possible, and consistent with their primary function, shall be made available for use by snow traveling vehicles subject to the fees, rules and regulations as established by the director of the division of parks with the approval of the commissioner of resources and economic development.

269-B:15 Financial Responsibility and Conduct After an Accident. All provisions, including the penalties, suspensions and prohibitions of the New Hampshire financial responsibility law, and the provisions of statutes relative to the operation of a motor vehicle, shall apply to snow traveling vehicles being operated upon a public highway. The operator of a snow traveling vehicle involved in an accident resulting in death or injury to a person or damage to property in excess of fifty dollars if the snow traveling vehicle is uninsured, or damage to property in excess of one hundred dollars if the snow traveling vehicle is insured, the owner of said snow traveling vehicle having knowledge of the accident should the operator of same be incapacitated, shall, within five days, file a report of said accident with the commissioner in such form as he shall prescribe.

269-B:16 Administration. The commissioner shall administer this chapter and he is hereby authorized to adopt and amend such rules and regulations as are consistent with the provisions of this chapter that he deems necessary or advisable to carry out the intent and purposes of this chapter with regard to (a) administrative procedures, (b) safety equipment, (c) temporary registrations, (d) the safety of operators, passengers and other persons, (e) the protection of property.

The adoption or amendment of such rules and regulations shall be subject to the following procedure:

The provisions of this chapter, any rules and regulations adopted by the commissioner, and any other information he deems feasible, shall be printed by the commissioner in booklet form and made available to the public.

269-B:17 Regulation by Other Political Subdivisions. Any town or city may regulate the operation of snow traveling vehicles within its limits, providing its ordinance does not conflict with the provisions of this chapter.

269-B:18 Enforcement. The provisions of this chapter shall be enforced by all duly authorized representatives of the state division of safety services and by every police and law enforcement officer including, but not limited to, conservation officers of the fish and game department, members of the state police, sheriffs, deputy sheriffs, policemen, and constables. Such conservation officers shall have primary responsibility for its enforcement in areas outside the settled parts of towns and cities and beyond the right-of-way limits of public highways; and for the purpose of enforcing the provisions of this chapter, they shall have all the powers of peace officers under RSA 594.

269-B:19 Penalties. Unless otherwise provided, any person who violates this chapter or any rule or regulation relating thereto shall be punished by a fine of not less than ten dollars nor more than one hundred dollars for each offense. In addition thereto, the operator and/or owner of any snow traveling vehicle shall be responsible and held accountable to the owner of any lands where trees, shrubs, or other property have been damaged as a result of travel over their premises by such vehicle. The commissioner may revoke, after a hearing, the registration of any snow traveling vehicle registered in the name of any person who violates this chapter or any rule or regulation relating thereto.

Such inspection shall be made at such times and in such manner as the director may specify; provided

The director may authorize properly qualified persons to make inspections without expense to the state at stations designated by him, and may at any time revoke such authorization or designation, provided, however, that inspections conducted at such stations at the request and under the direction of a law enforcement agent or a safety inspector shall be paid for as follows: (a) in the event violations of this section are uncovered, by the owner of the vehicle or (b) in the event no such violations are uncovered, by the agency represented by the agent or inspectors. The annual fee to be paid by the inspection station upon authorization set forth herein shall be fifteen dollars and shall not be refundable.

CHAPTER 493.

AN ACT AUTHORIZING MUNICIPALITIES TO LEVY SPECIAL ASSESSMENTS FOR THE
CONSTRUCTION, OPERATION AND MAINTENANCE OF PARKING FACILITIES
AND APPROACHES THERETO.

Be it Enacted by the Senate and House of Representatives in General Court convened:

493:1 Parking Facilities. Amend RSA by inserting after chapter 252, the following new chapter:

Chapter 252-A Public Parking Facilities

252-A:1 Findings and Declaration of Necessity. It is hereby found and declared:

I. That the free circulation of traffic of all kinds through the streets of the municipalities of this state is necessary for the rapid and effective fighting of fires, disposition of police forces, and transit of other emergency vehicles in said municipalities for the health, safety, morals and general welfare of the public, whether residing in or traveling to, through or from said municipalities in the course of lawful pursuits as well as for the sound economic development of such municipalities;

II. That in recent years the parking of motor vehicles of all kinds on the streets of said municipalities has so substantially impeded such free circulation of traffic as to constitute at the present time a public nuisance endangering the health, safety, morals and welfare of the general public, as well as endangering the economic life of said municipalities;

III. That such traffic congestion cannot be adequately abated except by provisions for sufficient off-street parking facilities; and that the enactment of laws to so provide off-street parking facilities is therefore a necessity in the public interest.

252-A:2 Definitions. Terms used in this chapter shall have the meanings set forth below, unless a different meaning is clearly apparent from the language or context, or is otherwise inconsistent with the manifest intention of this chapter.

I. "Public parking facilities" shall mean any lots, garages, parking terminals and other structures of one or more levels, facilities and accommodations for the parking of motor vehicles off the street or highway and open to public use with or without charge and all facilities appurtenant thereto including ancillary waiting rooms, lockers, space for concessions, stores, and offices, terminal facilities for trucks and buses, facilities for the servicing of motor vehicles and for the sale of gasoline, oil and other accessories; and said term shall include structures over or under other structures which other structures may be owned by or leased to a person or corporation and used in whole or part for other than municipal purposes; and said term shall also include streets and ways constructed for access to or egress from such public parking facilities.

II. "Cost of construction" shall mean and include the purchase price of any public parking facility, the cost of construction, the cost of all labor, materials, machinery and equipment, the cost of improvements, the cost of all lands, property, rights, easements and franchises acquired, financing charges, interest prior to and during construction, cost of plans and specifications, surveys and estimates of cost and of revenues, cost of engineering and legal services, and all other expenses necessary or incident to determining the feasibility or practicability of such construction, administrative expense and such other expenses as may be necessary or incident to the financing herein authorized.

III. "Operating expenses" shall mean and include any costs related to the maintenance, operation and repair of public parking facilities and shall include, without limiting the generality of the foregoing, ordinary and usual expenses of maintenance and repair, engineering expenses relating to operation, maintenance and repair, insurance premiums after completion of construction, administrative and legal expenses after such completion and the reasonable cost of policing public parking facilities.

IV. "Municipality" or "municipalities" shall include any city or town in the state having a population in excess of sixty thousand as determined by the last published federal census preceding the adoption of this act by any such town or city.

V. "Legislative body" shall mean the town meeting in towns and the mayor and aldermen in cities.

VI. "Governing board" shall mean the selectmen in towns and the mayor and aldermen in cities.

252-A:3 Plan.

I. When the legislative body of any municipality finds that the public health, safety, morals and general welfare so requires, it may undertake to study the question of providing public parking facilities. For the purpose of such study said legislative body may appoint or authorize its governing board to appoint an investigative and planning board or may contract with

private planners or developers which investigative and planning board or private party shall study the parking needs and conditions in said municipality and shall propose a plan for providing one or more public parking facilities; and said legislative body may appropriate such sums of money as are reasonably necessary therefore.

II. The plan referred to in paragraph I of this section, in addition to providing a detailed proposal for the construction of one or more public parking facilities shall show that there is a need for public parking facilities, that the facilities proposed therein are proposed with respect to that need, and shall include an estimate of construction cost and operating expenses and the method of financing and paying the same. Any such plan shall provide that construction costs or operating expenses shall be raised by assessments as provided in RSA 252-A:7 and the plan shall so indicate and shall determine the boundaries of any prescribed area within which special benefit assessments shall be levied, which area may but need not be coterminous with the municipality. No such plan shall be adopted unless it provides that at least fifty per cent of the construction costs and operating expenses shall be raised by assessments upon the owners or lessees of lease-hold interests whose lands receive special benefits therefrom and such plan shall also provide that no more than twenty-five percent of such construction costs and operating expenses shall be raised from general revenues and no more than twenty-five per cent of such construction costs and operating expenses shall be raised from motor vehicle permit fees as provided in RSA 260:27-b.

III. The legislative body of a municipality may adopt the proposed plan with or without amendment and proceed with the construction of the public parking facilities. Nothing herein shall be construed to prevent the municipality from thereafter changing or amending the plan upon a finding by the legislative body that the public interest requires such change or amendment.

252-A:4 Construction and Operation. Pursuant to a plan adopted under RSA 252-A:3, a municipality is empowered, subject to the fiscal and other pertinent requirements of law;

I. To construct or contract for the construction of public parking facilities and shall have the right to acquire or agree to acquire when completed in the name and on behalf of the municipality, public parking facilities being constructed or to be constructed as part of a structure which when completed may include facilities to be used for other than municipal purposes and to participate or agree to participate in the construction of such public parking facilities and to make payments on account of such construction; provided, however, that no such acquisition or agreement to acquire or participation or agreement to participate in such construction shall be permitted except with respect to public parking facilities to be constructed on land or air rights owned by or under lease to the municipality for a period of not less than forty years from the date on which such facilities are to be constructed or acquired. Subject as aforesaid, municipality is empowered to equip, maintain and operate such facilities;

II. To establish and collect reasonable off-street parking fees; to con-

trol, manage and operate such other facilities as are contained in any building or upon any property in or upon which public parking facilities are provided;

III. To adopt rules and regulations governing the operation of public parking facilities;

IV. To lease the operation of public parking facilities to any individual, firm or corporation as the public interest may warrant.

252-A:5 Eminent Domain. If the legislative body of a municipality which has adopted a plan as described shall determine to acquire pursuant to said plan any real property or interest therein, including air rights, necessary for or incidental to the construction, maintenance or operation of public parking facilities it may proceed to take such real property or interest therein by an exercise of the power of eminent domain in the same manner as provided in RSA 234, or it may exercise the power of eminent domain in the manner provided by any other applicable statutory provisions for the exercise thereof.

252-A:6 Borrowing Power. Municipalities may finance the construction of public parking facilities by issuing bonds or notes, which bonds or notes shall conform to and be issued in accordance with the provisions of RSA 33 insofar as the same may be applicable. All such bonds or notes shall be issued for public parking facilities pursuant to a plan as provided in this chapter which provides that an amount equal to at least fifty percent of the principal of such bonds or notes are to be assessed as provided in this chapter, raised by motor vehicle permit fees as provided in RSA 260:27-b, or funded from the revenues of the parking system, or any combination thereof, shall at no time be included in the net indebtedness of the municipality for the purpose of ascertaining its borrowing capacity.

252-A:7 Levying Assessments for Public Parking Facilities.

I. The assessors of any municipality which has constructed public parking facilities, upon direction from the legislative body and in accordance with the plan adopted, shall assess in the manner provided in paragraph II of this section upon the owners or lessees of lease-hold interest, whose lands receive special benefits therefrom, their just share of the cost of construction of the same. All assessments thus made shall be valid and binding upon the owners or lessees of such land. The funds collected from assessments shall be used solely for the construction of public parking facilities or for the redemption of bonds or notes issued by the municipality to obtain funds for the construction of public parking facilities, including funds paid to a housing authority for the construction of public parking facilities.

II. The plan may provide that assessments shall be made;

(a) At one time and assessments so made may be prorated over a period not exceeding the number of years which the plan shall provide to defray the construction costs of the public parking facilities; or

(b) From year to year upon the owners or lessees of lease-hold interests at the time such assessment is made, their just proportion of the construction costs which shall become due in that year, including the

amount of principal and interest due during the year on any bonds or notes issued to provide funds to pay such construction costs.

252-A:8 Basis of Assessment. Assessments shall be levied according to a formula which shall be set forth in the plan and which shall be reasonable and proportional to the benefits conferred upon the land or lease-hold interest upon which such assessment is laid. Such formula may, but need not necessarily, be based on the number of off-street parking spaces required to be furnished by owners of land under any lawful zoning ordinances or by-law in effect in or which may be adopted by the municipality. If the formula based on a zoning ordinance requirement of off-street parking is used, the plan may provide for credit to those owners or lessees who have erected or constructed private parking structures, but need not provide credit for private parking lots.

252-A:9 Assessment for Operating Expenses. In order to defray the costs of the operation and maintenance of such public facilities, the assessors may assess upon the owners and lessees whose land is benefited by such public parking facilities their just share of the annual operating expenses of the same. The assessors may establish a scale of assessments and prescribe the manner in which and the time at which such assessments are to be paid and to change such scale from time to time as may be deemed advisable.

252-A:10 Special Account. The funds received from the collection of assessments provided in section 9 shall be deposited by the treasurer of the municipality in a special account which in any fiscal year shall be used only to pay the operating expenses of the public parking facilities. Any surplus in such account at the end of the fiscal year may be used for the enlargement or replacement of the public parking facilities but shall not be used for any other purpose than those above specified.

252-A:11 Lien for Assessment or Rentals. All assessments under the provisions of sections 7 and 9 shall create a lien upon the lands on account of which they are made, which shall continue until one-year from October first following the assessment, and, in case an appeal has been taken and the assessment has been sustained in whole or in part upon such appeal, until the expiration of one year from such decision, whichever is later. Such assessments shall be subject to the interest and such other charges as are applicable to delinquent taxes. In the event that the assessments are payable over a period of years, then the assessment shall be prorated on an annual basis and the lien on said lands shall attach annually.

252-A:12 Collection of Assessments. Assessments provided in sections 7 and 9 shall be committed to the collector of taxes, with a warrant under the hands and seal of the assessors requiring him to collect them; and he shall have the same rights and remedies and be subject to the same liabilities in relation thereto as in the collection of taxes.

252-A:13 Abatement of Assessments. For good cause shown, the assessors may abate any such assessment made by them or by their predecessors.

252-A:14 Petition to Court. If the assessors neglect or refuse to abate any such assessments, any person aggrieved may apply by petition to the superior court for relief at any time within ninety days after notice of the

assessment, and not afterwards; and the court shall make such order thereon as justice may require.

252-A:15 Correction of Assessments. If any error is made in any such assessment it may be corrected by the assessors by making an abatement and a new assessment, or either, as the case may require; and the same lien, rights, liabilities and remedies shall attach to the new assessment as to the original.

252-A:16 Optional Referendum; Two-thirds Vote of Legislative Body.

I. **Referendum.** If the legislative body of a municipality affected by this chapter desires to place the question of approving a plan formulated pursuant to this chapter on a referendum, they may do so at any regular municipal election or at a special election called for the purpose. Should a referendum be held, the following question shall be submitted "Shall the legislative body of the city of () be instructed to approve the plan submitted to it concerning the construction of parking facilities?" The legislative body shall be bound by the outcome of the referendum.

II. **Two-thirds Vote.** If the legislative body should decide not to place the question of approving a plan formulated pursuant to this chapter on a referendum, a two-thirds vote of the entire membership of the legislative body shall be necessary in order to approve such plan.

493:2 Air Rights. Amend RSA by inserting after chapter 48-A (supp), the following new chapter:

Chapter 48-B
Leasing of Air Rights

48-B:1 Definitions. Terms used in this chapter shall have the meanings set forth below, unless a different meaning is clearly apparent from the language or context, or is otherwise inconsistent with the manifest intention of this chapter:

I. "Municipality" shall mean any city or town in the state;

II. "Legislative body" shall mean the town meeting in towns and the mayor and aldermen in cities;

III. "Governing board" shall mean the selectmen in towns and the mayor and aldermen in cities.

48-B:2 Air Rights. The governing board of a municipality, when authorized to do so by its legislative body, may lease, at one time or from time to time for a term or terms not to exceed ninety-nine years, upon such terms and conditions as the governing board thereof in its discretion deems advisable, air rights over public streets and ways, public parking facilities and other public buildings, land and waters, owned by such municipality, or in which the public has a right to travel or in which such municipality holds less than a fee interest, excluding any dedicated park land, but including rights for support, access, utilities, light and air, for such nonmunicipal purposes as, in the opinion of the governing board thereof, will not impair the construction, use, safety, maintenance or repair of such streets and ways, facilities, buildings, land and waters; provided,

however, such municipality shall not execute any leases which would either impair the use and safety of any highway, be solely for outdoor advertising structures or which would violate any provision of those regulations promulgated by the administrator of the Federal Aviation Agency. Any lease granted hereunder may, with the consent of the legislative body of the municipality, be assigned, pledged or mortgaged and the lien of such pledge or mortgage may be foreclosed by appropriate action. The proceeds from any such lease shall be paid into the treasury of such municipality. Any lease granted hereunder may be granted over public streets and ways in which the municipality owns the easement, but not a fee interest, without thereby disturbing the reversionary rights, if any, of the holder of the fee in such public street or way. Nothing herein shall derogate from the right of the municipality holding a fee interest in such streets, ways, facilities, buildings, land or water from conveying air rights in fee or by lease. Any lease promulgated under the authority of this chapter for air rights over state and state aid highways shall have the approval of the commissioner of public works and highways.

48-B:3 Applicability of Other Provisions of Law. The construction or occupancy of any building or other thing erected or affixed under any lease hereunder shall be subject to the building, fire, health and zoning ordinances of the municipality to the extent applicable. Any building, or other thing, erected over or affixed to any public street or way under this chapter are valid and declared legal and the same shall henceforth be legal structures over and in said streets and ways.

48-B:4 Taxability. Any building, or other thing, erected or affixed under any such lease shall be taxed to the lessee thereof or his assigns in the same manner and to the same extent as if such lessee or his assigns were the owners of the land in fee; provided that no part of the value of the land shall be included in any such assessment. The municipality may exercise all remedies provided generally for the collection of taxes and any such leasehold estate may be sold or taken by the municipality for the nonpayment of any taxes assessed as aforesaid in the manner provided by law for the sale or taking of real estate for nonpayment of local taxes. The municipality shall include in any lease of such air rights a provision whereby the lessee agrees, in the event that the foregoing tax provision is determined by a court of competent jurisdiction to be inapplicable, to pay annually to the municipality a sum of money in lieu of such taxes which would otherwise be assessed thereon in such year.

48-B:5 Public Records. Each lease hereunder shall require that the lessee file with the clerk of the municipality, and amend as changes may occur, a statement under oath containing the names and addresses of the officers and directors, in the case of a corporation, and in the case of partnership or other voluntary association, the name and address of all persons having a financial interest in said lease. A copy of all leases granted by any municipality shall be kept on file and such leases shall be open to public inspection.

493:3 Housing Authority Power. Amend RSA 203:8 by inserting after paragraph VIII the following new paragraph: IX. To enter into agreements with municipalities for the construction of public parking

facilities as provided in RSA 252-A, provided, however, that any such agreement shall require that the public parking facilities shall be conveyed to the municipality or its designee upon completion of the project. Any authority may construct such facilities in any area that the municipality shall authorize and shall not be limited to blighted, substandard or slum areas.

493:4 Housing Projects. Amend RSA 203:23 by inserting after paragraph XIV (supp) the following new paragraph: XV. Enter into agreements (which may extend over any period, notwithstanding any provision or rule of law to the contrary) with a housing authority for the construction of public parking facilities as provided in RSA 252-A; provided, however, that any such agreement shall require that the public parking facilities shall be conveyed to the municipality or its designee upon completion of the project. Any authority may construct such facilities in any area that the municipality shall authorize and shall not be limited to blighted, substandard or slum areas. Any municipality may issue and sell its general obligation bonds or notes as provided by RSA 252-A to raise funds to be granted to a housing authority for the purposes of carrying out such agreements. Municipalities may make assessments as provided by RSA 252-A and may increase motor vehicle permit fees as provided by RSA 260:27-b in order to pay the costs of construction of a public parking facility including payment of indebtedness incurred by the issuance of such bonds or notes. Any such indebtedness shall be included in the net indebtedness of the municipality for the purpose of ascertaining its borrowing capacity only to the extent and under the conditions provided in RSA 252-A.

493:5 Separability. If any of the provisions of this act shall be held invalid or unconstitutional then such invalidity or unconstitutionality shall not affect other provisions hereof and to this end the provisions of this act are declared to be severable.

493:6 Effective Date. This act shall take effect sixty days after its passage.

[Approved July 3, 1969.]

[Effective date September 1, 1969.]

Each licensee shall: (a) Keep complete and adequate records during the term of the contract and for a period of seven years from the date of cancellation or completion of the contract with each debtor, which records shall contain complete and accurate information regarding the contract, payments, disbursements and charges, and shall be open to inspection by the commissioner and his duly appointed agents during normal business hours; (b) make remittances to creditors within ten days after receipt of any funds, less prorated fees, unless the reasonable payment of one or more of the debtor's obligations requires that such funds be held for a longer period so as to accumulate a sum certain, and (c) furnish the debtor a written statement of his account each ninety days, and at the termination or cancellation of the contract, or a verbal accounting at any time the debtor may request it during normal business hours.

II. No licensee shall accept an account unless a written and thorough budget analysis indicates that the debtor can reasonably meet the requirements indicated by the budget analysis.

III. No licensee shall enter into a contract for a longer period of time than is reasonable and consistent with the budget analysis, unless a written statement by the debtor specifically indicates the debtor's desire to make lower payments over the extended period, at a greater fee, as provided in paragraph III of section 11 of this chapter.
